5. The odd-numbered sections in Class D shall be for sale at \$2 per acre, payable at time of sale :

a. Except where they have been or may be dealt with otherwise by the Governor in Council.

b. Except lands affected by colonization agreements, as hereinafter provided.

6. Persons who, subsequent to survey, but before the issue of the Order in Council of 9th October, 1879, excluding odd-numbered sections from homestead entries, took possession of land in odd-numbered sections by residing on and cultivating the same, shall, if continuing so to occupy them, be permitted to obtain homestead and pre-emption entries as if they were on even-numbered sections.

PRE-EMPTIONS.

7. The prices for pre-emption lots shall be as follows :

For lands in Classes A, B and C, \$2.50 per acre.

For lands in Class D, \$2.00 per acre.

Payment shall be made in one sum at the end of three years from the date of entry, or at such earlier date as a settler may, under the provisions of the Dominion Lands Acts, obtain a patent for the homestead to which such pre-emption lot belongs.

COLONIZATION.

Plan Number One.

8. Agreements may be entered into with any company or person (hereinafter called the party) to colonize and settle tracts of land on the following conditions :

a. The party applying must satisfy the Government of its good faith and ability to fulfil the stipulations contained in these regulations.

b. The tract of land granted to any party shall be in Class D.

9. The odd-numbered sections within such tract may be sold to the party at \$2 per acre, payable, one-fifth in cash at the time of entering into the contract, and the balance in four equal annual instalments from and after that time. The party shall also pay to the Government five cents per acre for the survey of the land purchased by it, the same to be payable in four equal annual instalments at the same time as the instalments of the purchase money. Interest at the rate of six per cent per annum shall be charged on all past due instalments.

a. The party shall, within five years from the date of the contract, colonize its tract.

b. Such colonization shall consist in placing two settlers on homesteads on each even-numbered section, and also two settlers on each odd-numbered section.

c. The party may be secured for advances made to settlers on homesteads according to the provisions of the 10th section of the Act 44 Victoria, chap. 16. (The Act passed in 1881 to amend the Dominion Lands Acts.)

d. The homesteads of 160 acres shall be the property of the settler, and he shall have the right to purchase the pre-emption lot belonging to his homestead at \$2 per acre, payable in one sum at the end of three years from the date of entry, or at such earlier date as he may under the provisions of the Dominion Lands Acts obtain a patent for his homestead.

e. When the settler on a homestead does not take up the pre-emption lot to which he has a right, the party may within three months after the settler's right has elapsed purchase the same at \$2 per acre, payable in cash at the time of purchase.

10. In consideration of having colonized its tract of land in the manner set forth in sub-section b of the last preceding clause, the party shall be allowed a rebate of one-half the original purchase-money of the odd-numbered sections in its tract.

a. During each of the five years covered by the contract an enumeration shall be made of the settlers placed by the party in its tract, in accordance with sub-section b of clause 9 of these regulations, and for each *bonâ fide* settler so found therein a rebate of one hundred and twenty dollars shall be credited to the party; but the sums so credited shall not, in the aggregate, at any time exceed one hundred and twenty dollars for each *bonâ fide* settler found within the tract, in accordance with the said sub-section, at the time of the latest enumeration.

b. On the expiration of the five years an enumeration shall be made of the *bonâ fide* settlers on the tract, and if they are found to be as many in number and placed in the manner stipulated for in sub-section b of clause 9 of these regulations, a further and final rebate of forty dollars per settler shall be credited to the party, which sum, when added to those previously credited, will amount to one-half of the purchase money of the odd-numbered sections and reduce the price thereof to one dollar per acre. But if it should be found that the full number of settlers required by these regulations are not on the tract, or are not placed in conformity with sub-section b of clause 9 of these regulations then, for each settler fewer than the required number, or not placed in conformity with the said sub-section, the party shall forfeit one hundred and sixty dollars of rebate.

c. If at any time during the existence of the contract the party shall have failed to perform any of the conditions thereof the Governor in Council may cancel the sale of the land purchased by it and deal with the party as may seem meet under the circumstances.

d. To be entitled to rebate the party shall furnish to the Minister of the Interior evidence that will satisfy him that the tract has been colonized and settled in accordance with sub-section b of clause 9 of these regulations.

Plan Number two.

11. To encourage settlement by capitalists who may desire to cultivate larger farms than can be purchased where the regulations provide that two settlers shall be placed on each section (but without diminishing the number of settlers required to be placed within each township), agreements may be entered into with any company or person (hereinafter called the party) to colonize and settle tracts of land on the following conditions :

a. The party applying must satisfy the Government of its good faith and ability to fulfil the stipulations contained in these regulations.

b. The tract of land granted to any party shall be in Class D.

c. All the land within the tract may be sold to the party at two dollars per acre, payable in cash, at the time of entering into the contract. The party shall, at the same time, pay to the Government five cents per acre for the survey of the land purchased by it.

d. The party shall, within five years from the date of the contract, colonize the township or townships comprised within its tract.

e. Such colonization shall consist in placing one hundred and twenty-eight *bonâ fide* settlers within each township.

12. In consideration of having colonized its tract of land in the manner set forth in sub-section e of the last preceding clause, the party shall be allowed a rebate of one-half of the original purchase-money of its tract.

a. During each of the five years covered by the contract an enumeration shall be made of the settlers placed by the party in its tract, in accordance with sub-section e of clause 11 of these regulations, and for each *bonâ fide*

settler so found therein a rebate of one hundred and twenty dollars shall be repaid to the party; but the sums so repaid shall not, in the aggregate, at any time exceed one hundred and twenty dollars for each *bonâ fide* settler found within the tract, in accordance with the said sub-section at the time of the latest enumeration.

b. On the expiration of the five years an enumeration shall be made of the *bonâ fide* settlers placed by the party in its tract, and if they are found to be as many in number and placed in the manner stipulated for in sub-section e of clause 11 of these regulations, a further and final rebate of forty dollars per settler shall be repaid, which sum when added to those previously repaid to the party will amount to one-half of the purchase money of its tract and reduce the price thereof to one dollar per acre. But if it should be found that the full number of settlers required by these regulations are not on the tract, or are not placed in conformity with the said sub-section, then, for each settler fewer than the required number or not settled in conformity with the said sub-section, the party shall forfeit one hundred and sixty dollars of rebate.

c. To be entitled to rebate, the party shall furnish to the Minister of the Interior evidence that will satisfy him that the tract has been colonized and settled in accordance with sub-section e of clause 11 of these regulations.

OFFICIAL NOTICE.

13. The Government shall give notice in the *Canada Gazette* of all agreements entered into for the colonization and settlement of tracts of land under the foregoing plans in order that the public may respect the rights of the purchasers.

TIMBER FOR SETTLERS.

14. The Minister of the Interior may direct the reservation of any odd or even numbered section having timber upon it, to provide wood for homestead settlers; and each such settler may, where the opportunity for so doing exists, purchase a wood lot, not exceeding 20 acres, at the price of \$5 per acre in cash.

15. The Minister of the Interior may grant, under the provisions of the Dominion Lands Acts, licenses to cut timber on lands within surveyed townships. The lands covered by such licenses are hereby withdrawn from homestead and pre-emption entry and from sale.

PASTURAGE LANDS.

16. Under the authority of the Act 44 Vict., chap. 16, leases of tracts for grazing purposes may be granted on the following conditions:

a. Such leases to be for a period of not exceeding twenty-one years, and no single lease shall cover a greater area than 100,000 acres.

b. In surveyed territory, the land embraced by the lease shall be described in townships and sections. In unsurveyed territory, the party to whom a lease may be promised shall, before the issue of the lease, cause a survey of the tract to be made, at his own expense, by a Dominion Lands Surveyor, under instructions from the Surveyor-General; and the plan and field notes of such survey shall be deposited on record in the Department of the Interior.

c. The lessee shall pay an annual rental at the rate of \$10 for every 1,000 acres embraced by his lease, and shall within three years from the granting of the lease, place on the tract one head of cattle for every ten acres of land embraced by the lease, and shall during its term maintain cattle thereon in at least that proportion.

d. After placing the prescribed number of cattle upon the tract leased, the lessee may purchase land within his leasehold for a home farm and *corral*, paying therefor \$2.00 per acre in cash.

e. Failure to fulfil any of the conditions of his lease shall subject the lessee to forfeiture thereof.

17. When two or more parties apply for a grazing lease of the same land, tenders shall be invited, and the lease shall be granted to the party offering the highest premium therefor in addition to the rental. The said premium to be paid before the issue of the lease.

GENERAL PROVISIONS.

18. Payments for land may be in cash, scrip, or Police or Military Bounty Warrants.

19. These Regulations shall not apply to lands valuable for town plots, or to coal or other mineral lands, or to stone or marble quarries, or to lands having water power thereon; or to sections 11 and 29 in each Township, which are School Lands, or Sections 8 and 26, which belong to the Hudson's Bay Company.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. AVIS DU GOUVERNEMENT.

RÈGLEMENTS CONCERNANT LES TERRES FÉDÉRALES.

Les règlements suivants concernant la vente et la colonisation des terres fédérales dans la province du Manitoba et les territoires du Nord-Ouest seront, à dater du 1er janvier 1882, substitués aux règlements maintenant en force portant la date du 25 mai dernier.

1. Les terres arpentées dans le Manitoba et les territoires du Nord-Ouest seront classées comme suit pour les fins des présents règlements :

Classe A.—Terres situées d'un côté ou l'autre de la voie principale du chemin de fer canadien du Pacifique et de ses voies de raccordement dans un rayon de vingt-quatre milles.

Classe B.—Terres situées d'un côté ou l'autre de tout chemin de fer projeté (autre que le chemin de fer canadien du Pacifique) approuvé par un ordre en Conseil publié dans la *Gazette du Canada*, dans un rayon de douze milles.

Classe C.—Terres situées au sud de la voie principale du chemin de fer canadien du Pacifique et non comprises dans les classes A ou B.

Classe D.—Terres autres que celles comprises dans les classes A, B et C.

2. Les sections portant des numéros pairs dans toutes les classes précédentes seront réservées exclusivement pour les établissements (homesteads) et les préemptions.

a. Excepté pour la classe D où elles pourront être affectées par les arrangements de colonisation tel que ci-après pourvu.

b. Excepté là où il sera nécessaire de fournir des lots à bois aux colons.

c. Excepté dans les cas où le ministre de l'Intérieur, sous l'autorité des actes concernant les terres fédérales, jugera nécessaire de retirer certaines terres et de les vendre par encan public ou autrement en disposer suivant l'ordre du Gouverneur en Conseil.

3. Les sections portant des numéros impairs dans la classe A sont réservées pour la compagnie du chemin de fer canadien du Pacifique.

4. Les sections portant des numéros impairs dans les classes B et C seront offertes en vente au prix de \$2.50 l'acre, payable au temps de la vente :

a. Excepté dans les cas où il en aura été ou il en sera autrement disposé par le Gouverneur en Conseil.

5. Les sections portant des numéros impairs dans la classe D seront offertes en vente au prix de \$2.00 l'acre, payable au temps de la vente.

a. Excepté dans les cas où il y en aura été ou il en sera autrement disposé par le Gouverneur en Conseil.

b. Excepté les terres affectées par les arrangements de colonisation, tel que ci-après pourvu.

6. Les personnes qui, après l'arpentage, mais avant l'émission de l'ordre en conseil du 9 octobre 1879, excluant les sections de nombre impair de l'inscription comme établissement (homestead), ont pris possession de certaines terres dans les sections de nombre impair, en y résidant et en la cultivant, obtiendront la permission, si elles continuent de les occuper, de faire une inscription comme établissement (homestead), et préemption tout comme si ces sections étaient de nombre pair.

PRÉEMPTIONS.

7. Les prix pour les lots de préemption seront comme suit :

Pour les terres dans les classes A, B et C, \$2.50 l'acre.

Pour les terres dans la classe D, \$2.00 l'acre.

Le paiement sera fait en une somme à l'expiration des trois années qui suivront la date de l'inscription ou aussitôt que le colon pourra sous l'autorité des actes concernant les terres fédérales obtenir des lettres patentes pour l'établissement [homestead] auquel appartient telle préemption.

COLONISATION.

Plan No. 1.

8. Des arrangements pourront être entrepris avec un particulier ou une compagnie (ci-après appelés la personne) pour la colonisation de lisières de terre aux conditions suivantes :—

a. Le requérant devra convaincre le gouvernement de sa bonne foi et de son habileté dans l'accomplissement des stipulations contenues dans ces règlements.

b. La lisière de terre accordée à une personne sera dans la classe D.

9. Les sections de nombre impair comprise dans telle lisière pourront être vendues à la personne moyennant \$2.00 l'acre, payable un cinquième comptant au temps de la signature du contrat, et la balance en quatre versements annuels égaux, à dater de là. La personne paiera aussi au gouvernement cinq centins par acre pour l'arpentage de la terre achetée par elle, cette somme payable en quatre versements annuels égaux aux mêmes dates que les versements sur le prix d'achat. Un intérêt de six pour cent par année sera chargé sur tous les versements dus pour le passé.

a. La personne devra coloniser sa lisière de terre dans les cinq ans qui suivent la date du contrat.

b. Cette colonisation consistera à établir deux colons sur les établissements (homesteads) sur chaque section de nombre pair et de même deux colons sur chaque section de nombre impair.

c. La personne pourra être garantie pour les avances faites aux colons sur les établissements (homesteads) en conformité de la 10e section de l'Acte 44 Vict., chap. 16. (L'acte adopté en 1881 pour amender les actes concernant les terres fédérales.)

d. Les établissements (homesteads) de 160 acres seront la propriété du colon, et ce dernier aura le droit d'acheter le lot de préemption appartenant à son établissement (homestead) moyennant \$2.00 l'acre payables en une seule somme à l'expiration des trois années qui suivent la date de l'inscription, ou plus à bonne heure suivant que le dit colon pourra en conformité des actes concernant les terres fédérales obtenir des lettres patentes pour son établissement (homestead.)

e. Lorsque le colon sur un établissement (homestead) ne prend pas le lot de préemption auquel il a droit, il est loisible à la personne dans les trois mois qui suivront la perte de tel droit pour le dit colon, d'acheter le susdit lot au prix de \$2.00 l'acre, payables au comptant lors de l'achat.

10. En considération de la colonisation opérée sur sa lisière de terre de la manière indiquée dans la sous-section b de la clause précédente, il sera accordé à la personne une diminution de la moitié du prix d'achat original des sections de nombre impair dans sa lisière.

a. Durant chacune des cinq années couvertes par le contrat, il sera fait une énumération des colons placés par la personne sur sa lisière, en conformité de la sous-section b de la clause 9 de ces règlements, et pour chaque colon *bonâ fide* ainsi trouvé une diminution de cent vingt piastres sera mise au crédit de la personne; mais le total de ces sommes ainsi mises au crédit de la personne ne devra pas excéder celle de cent vingt piastres pour chaque colon *bonâ fide* trouvé sur la dite

lisière de terre, en conformité de la susdite sous-section au temps de la dernière énumération.

- b. A l'expiration des cinq années il sera fait une énumération des colons *bonâ fide* sur la lisière de terre, et s'il est constaté que ces derniers sont aussi nombreux et placés de même façon que stipulé dans la sous-section b de la clause 9 de ces règlements, une diminution nouvelle et finale de quarante piastres par colon sera mise au crédit de la personne, laquelle somme, une fois ajoutée à celles précédemment créditées, s'élèvera à la moitié du prix d'achat des sections de nombre impair et réduira le prix de ces dernières à une piastre l'acre. Mais s'il est constaté que le nombre total des colons requis par ces règlements n'est pas sur la lisière de terre ou ne sont pas placés conformément à la sous-section b de la clause 9 de ces règlements, alors, pour chaque colon de moins que le nombre requis ou placé autrement qu'en conformité avec la dite sous-section, la personne perdra cent soixante-six piastres de diminution.
- c. Si en n'importe quel temps durant l'existence du contrat la personne manque de remplir l'une des conditions de ce dernier, il sera loisible au Gouverneur en conseil d'annuler la vente du terrain acheté, et traiter la personne comme il semblera opportun de le faire dans les circonstances.
- d. Pour avoir droit à la diminution, la personne devra fournir au ministre de l'intérieur une preuve satisfaisante que la lisière de terre a été colonisée en conformité de la sous-section b de la clause 9 de ces règlements.

Plan No. 2.

En vue d'encourager la colonisation par les capitalistes qui désireraient cultiver de plus grandes fermes que celles qui peuvent être achetées là où les règlements veulent que chaque section compte deux colons (mais sans diminuer le nombre des colons requis dans chaque township) des arrangements peuvent être faits avec une compagnie ou un particulier (ci-après désignés sous le nom de personne), pour la colonisation de lisières de terrain aux conditions suivantes :

- a. Le requérant devra convaincre le gouvernement de sa bonne foi et de son habileté dans l'exécution des stipulations contenues en ces règlements.
- b. La lisière de terre accordée à une personne sera dans la classe D.
- c. Tout le terrain compris dans cette lisière peut être vendu à la personne moyennant deux piastres l'acre payables comptant, au temps de la conclusion du contrat. La personne paiera en même temps alors au gouvernement cinq centins par acre pour l'arpentage de la terre achetée par elle.
- d. La personne devra dans les cinq ans à dater du contrat, coloniser le township ou les townships compris dans sa lisière de terre.
- e. Telle colonisation consistera à placer cent vingt-huit colons de bonne foi dans chaque township.

12. En considération de la colonisation faite sur sa lisière de terre en la manière expliquée dans la sous-section e de la clause qui précède immédiatement, la personne obtiendra une diminution de la moitié du prix d'achat primitif.

- a. Durant chacune des cinq années couvertes par le contrat il sera fait une énumération des colons placés par la personne sur sa lisière de terre, conformément à la sous-section e de la 11e clause de ces règlements, et pour chaque colon *bonâ fide* ainsi trouvé sur la dite lisière de terre il sera remis à la personne une somme de cent vingt piastres; mais le total des sommes ainsi remises ne devra en aucun temps excéder cent vingt piastres pour chaque colon *bonâ fide* trouvé sur la lisière de terre, en conformité de la dite sous-section au temps de la dernière énumération.
- b. A l'expiration des cinq années il sera fait une énumération des colons *bonâ fide* placés par la personne sur sa lisière de terre, et s'il est constaté

qu'ils sont en tels nombre et situation que stipulés dans la sous-section e de la clause 11 de ces règlements il sera fait une nouvelle et dernière remise sur le prix de quarante piastres par colon, laquelle somme une fois ajoutée à celles précédemment remises à la personne s'élèvera à la moitié du prix d'achat de la lisière de terre et réduira ce dernier à une piastre par acre. Mais s'il est constaté que le nombre requis de colons par ces règlements ne sont pas sur la lisière de terre ou n'ont pas été placés en conformité de la dite sous-section, alors pour chaque colon moindre que le nombre requis ou placé autrement que voulu par la dite sous-section, la personne perdra le droit à une diminution de cent soixante piastres.

- c. Pour avoir droit à la diminution la personne devra convaincre le ministre de l'Intérieur que la lisière de terre a été colonisée en conformité de la sous-section e de la 11e clause de ces règlements.

AVIS OFFICIEL.

13. Le gouvernement devra donner avis dans la *Gazette du Canada* de tous les arrangements conclus pour la colonisation des lisières de terre en conformité des plans ci-dessus afin que le public puisse respecter les droits des acheteurs.

BOIS POUR LES COLONS.

14. Le ministre de l'Intérieur peut faire réserver n'importe quelle section de nombre pair ou impair garnie de bois, pour pouvoir fournir du bois aux colons des établissements (homesteads); et tout tel colon pourra, quand l'occasion s'en présentera, acheter un lot à bois n'excédant pas 20 acres, pour le prix de \$5.00 comptant l'acre.

15. Il sera loisible au ministre de l'Intérieur, en vertu des actes concernant les terres fédérales d'accorder des licences pour couper du bois sur les terres dans les townships arpentés. Les terres couvertes par telles licences sont par les présents règlements retirées des inscriptions et vente comme établissements (homestead) et préemption.

TERRES A PATURAGE.

16. Sous l'autorité de l'acte 44 Victoria, chap. 16, des lisières de terre pour les fins de pâturage pourront être constituées à bail aux conditions suivantes :

- a. Ces baux seront pour un terme n'excédant pas vingt et un ans et aucun d'eux ne devra comprendre plus de 100,000 acres.
- b. Dans un territoire arpenté, la terre comprise dans un bail sera décrite comme township et sections. Dans un territoire non arpenté la personne à qui on aura promis un bail devra, avant la conclusion de tel bail, faire arpenter la lisière de terre à ses propres frais par un arpenteur des terres fédérales, sous les instructions de l'arpenteur-général; et les plan et notes de tel arpentage seront déposés aux archives du département de l'Intérieur.
- c. Le preneur devra payer une rente annuelle de \$10 pour chaque mille acres compris dans son bail et devra, dans les trois ans qui suivent la date du bail, placer sur la lisière de terre une tête de bétail pour chaque dix acres de terre compris dans le bail, et devra durant ce temps maintenir sur telle lisière de terre un troupeau dans cette proportion.
- d. Après avoir placé le nombre prescrit de bestiaux sur la lisière de terre louée, le preneur pourra acheter des terres dans la région comprise dans le bail pour une maison de ferme et un corral, moyennant le prix de \$2.00 par acre payable comptant.
- e. Le preneur encourra la résiliation de son bail s'il manque de se conformer aux conditions de ce dernier.

17. Si deux personnes ou plus sollicitent chacune un bail pour les mêmes terres à pâturage, des soumissions seront demandées, et le bail sera accordé à

la personne offrant la plus forte prime en sus de la rente. La dite prime payable avant la conclusion du bail.

DISPOSITIONS GÉNÉRALES.

18. Les paiements pour les terres pourront être faits en numéraire, en scrip, ou en certificats de primes militaires ou de police.

19. Les présents règlements ne s'appliqueront pas aux terres qui ont quelque valeur comme emplacements de ville, ni aux terrains houillers ou autres terrains miniers, ni aux carrières de marbre ou de pierre, ni aux terres sur lesquelles se trouveront des pouvoirs d'eau; ils n'affecteront non plus, les sections 11 et 29 dans chaque township, qui sont des terres d'écoles publiques, ni les sections 8 et 26, qui sont des terres de la compagnie de la baie d'Hudson.

Par ordre,
LINDSAY RUSSELL,
Arpenteur-général.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, provenant du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LÉMOINE,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

ROBERT LÉMOINE,
Greffier du Sénat.

DOMINION LANDS REGULATIONS.

The following Regulations for the sale and settlement of Dominion Lands in the Province of Manitoba and the North-West Territories shall, on and after the first day of January, 1882, be substituted for the Regulations now in force, bearing date the twenty-fifth day of May last:—

1. The surveyed lands in Manitoba and the North-West Territories shall, for the purposes of these Regulations, be classified as follows:

Class A.—Lands within twenty-four miles of the main line or any branch line of the Canadian Pacific Railway, on either side thereof.

Class B.—Lands within twelve miles, on either side, of any projected line of railway (other than the Canadian Pacific Railway), approved by Order in Council published in the *Canada Gazette*.

Class C.—Lands south of the main line of the Canadian Pacific Railway not included in Class A or B.

Class D.—Lands other than those in Classes A, B and C.

2. The even-numbered sections in all the foregoing classes are to be held exclusively for homesteads and pre-emptions.

a. Except in Class D where they may be affected by colonization agreements as hereinafter provided.

b. Except where it may be necessary, out of them, to provide wood lots for settlers;

c. Except in cases where the Minister of the Interior, under provisions of the Dominion Lands Acts, may deem it expedient to withdraw certain lands, and sell them at public auction or otherwise deal with them as the Governor in Council may direct.

3. The odd-numbered sections in Class A are reserved for the Canadian Pacific Railway Company.

4. The odd-numbered sections in Classes B and C shall be for sale at \$2.50 per acre, payable at time of sale:

a. Except where they have been or may be dealt with otherwise by the Governor in Council.

5. The odd-numbered sections in Class D shall be for sale at \$2 per acre, payable at time of sale:

a. Except where they have been or may be dealt with otherwise by the Governor in Council.

b. Except lands affected by colonization agreements, as hereinafter provided.

6. Persons who, subsequent to survey, but before the issue of the Order in Council of 9th October, 1879, excluding odd-numbered sections from homestead entry, took possession of land in odd-numbered sections by residing on and cultivating the same, shall, if continuing so to occupy them, be permitted to obtain homestead and pre-emption entries as if they were on even-numbered sections.

PRE-EMPTIONS.

7. The prices for pre-emption lots shall be as follows:

For lands in Classes A, B and C, \$2.50 per acre.
For lands in Class D, \$2.00 per acre.

Payment shall be made in one sum at the end of three years from the date of entry, or at such earlier date as a settler may, under the provisions of the Dominion Lands Acts, obtain a patent for the homestead to which such pre-emption lot belongs.

COLONIZATION.

Plan Number One.

8. Agreements may be entered into with any company or person (hereinafter called the party) to colonize and settle tracts of land on the following conditions:

a. The party applying must satisfy the Government of its good faith and ability to fulfil the stipulations contained in these regulations.

b. The tract of land granted to any party shall be in Class D.

9. The odd-numbered sections within such tract may be sold to the party at \$2 per acre, payable, one-fifth in cash at the time of entering into the contract, and the balance in four equal annual instalments from and after that time. The party shall also pay to the Government five cents per acre for the survey of the land purchased by it, the same to be payable in four equal annual instalments at the same time as the instalments of the purchase money. Interest at the rate of six per cent. per annum shall be charged on all past due instalments.

a. The party shall, within five years from the date of the contract, colonize its tract.

b. Such colonization shall consist in placing two settlers on homesteads on each even-numbered section, and also two settlers on each odd-numbered section.

c. The party may be secured for advances made to settlers on homesteads according to the provisions of the 10th section of the Act 44 Victoria, chap. 16. (The Act passed in 1881 to amend the Dominion Lands Acts.)

d. The homesteads of 160 acres shall be the property of the settler, and he shall have the right to purchase the pre-emption lot belonging to his homestead at \$2 per acre, payable in one sum at the end of three years from the date of entry, or at such earlier date as he may under the provisions of the Dominion Lands Acts obtain a patent for his homestead.

e. When the settler on a homestead does not take up the pre-emption lot to which he has a right, the party may within three months after the settler's right has elapsed purchase the same at \$2 per acre, payable in cash at the time of purchase.

10. In consideration of having colonized its tract of land in the manner set forth in sub-section *b* of the last preceding clause, the party shall be allowed a rebate of one-half the original purchase money of the odd-numbered sections in its tract.

a. During each of the five years covered by the contract an enumeration shall be made of the settlers placed by the party in its tract, in accordance with sub-section *b* of clause 9 of these regulations, and for each *bonâ fide* settler so found therein a rebate of one hundred and twenty dollars shall be credited to the party; but the sums so credited shall not, in the aggregate, at any time exceed one hundred and twenty dollars for each *bonâ fide* settler found within the tract, in accordance with the said sub-section, at the time of the latest enumeration.

b. On the expiration of the five years an enumeration shall be made of the *bonâ fide* settlers on the tract, and if they are found to be as

many in number and placed in the manner stipulated for in sub-section *b* of clause 9 of these regulations, a further and final rebate of forty dollars per settler shall be credited to the party, which sum, when added to those previously credited, will amount to one half of the purchase money of the odd-numbered sections and reduce the price thereof to one dollar per acre. But if it should be found that the full number of settlers required by these regulations are not on the tract, or are not placed in conformity with sub-section *b* of clause 9 of these regulations then, for each settler fewer than the required number, or not placed in conformity with the said sub-section, the party shall forfeit one hundred and sixty dollars of rebate.

c. If at any time during the existence of the contract the party shall have failed to perform any of the conditions thereof the Governor in Council may cancel the sale of the land purchased by it and deal with the party as may seem meet under the circumstances.

d. To be entitled to rebate the party shall furnish to the Minister of the Interior evidence that will satisfy him that the tract has been colonized and settled in accordance with sub-section *b* of clause 9 of these regulations.

Plan Number two.

11. To encourage settlement by capitalists who may desire to cultivate larger farms than can be purchased where the regulations provide that two settlers shall be placed on each section (but without diminishing the number of settlers required to be placed within each township), agreements may be entered into with any company or person (hereinafter called the party) to colonize and settle tracts of land on the following conditions :

a. The party applying must satisfy the Government of its good faith and ability to fulfil the stipulations contained in these regulations.

b. The tract of land granted to any party shall be in Class D.

c. All the land within the tract may be sold to the party at two dollars per acre, payable in cash, at the time of entering into the contract. The party shall, at the same time, pay to the Government five cents per acre for the survey of the land purchased by it.

d. The party shall, within five years from the date of the contract, colonize the township or townships comprised within its tract.

e. Such colonization shall consist in placing one hundred and twenty-eight *bonâ fide* settlers within each township.

12. In consideration of having colonized its tract of land in the manner set forth in sub-section *c* of the last preceding clause, the party shall be allowed a rebate of one-half of the original purchase-money of its tract.

a. During each of the five years covered by the contract an enumeration shall be made of the settlers placed by the party in its tract, in accordance with sub-section *c* of clause 11 of these regulations, and for each *bonâ fide* settler so found therein a rebate of one hundred and twenty dollars shall be repaid to the party ; but the sums so repaid shall not, in the aggregate, at any time exceed one hundred and twenty dollars for each *bonâ fide* settler found within the tract, in accordance with the said sub-section at the time of the latest enumeration.

b. On the expiration of the five years an enumeration shall be made of the *bonâ fide* settlers placed by the party in its tract, and if they are found to be as many in number and placed in the manner stipulated for in sub-section *c* of clause 11 of these regulations, a further and final rebate of forty dollars per settler shall be repaid, which sum when added to those previously repaid to the party will amount to one-half of the purchase money of its tract and reduce the price thereof to one dollar per acre. But if it should be found that the full number of settlers required by these regulations are not on the tract, or are not placed in conformity with the said sub-section, then, for each settler fewer than the required number or not settled in conformity with the said sub-section, the party shall forfeit one hundred and sixty dollars of rebate.

c. To be entitled to rebate, the party shall furnish to the Minister of the Interior evidence that will satisfy him that the tract has been colonized and settled in accordance with sub-section *c* of clause 11 of these regulations.

OFFICIAL NOTICE.

13. The Government shall give notice in the *Canada Gazette* of all agreements entered into for the colonization and settlement of tracts of land under the foregoing plans in order that the public may respect the rights of the purchasers.

TIMBER FOR SETTLERS.

14. The Minister of the Interior may direct the reservation of any odd or even numbered section having timber upon it, to provide wood for homestead settlers; and each such settler may, where the opportunity for so doing exists, purchase a wood lot, not exceeding 20 acres, at the price of \$5 per acre in cash.

15. The Minister of the Interior may grant, under the provisions of the Dominion Lands Acts, licenses to cut timber on lands within surveyed townships. The lands covered by such licenses are hereby withdrawn from homestead and pre-emption entry and from sale.

PASTURAGE LANDS.

16. Under the authority of the Act 44 Vict., chap. 16, leases of tracts for grazing purposes may be granted on the following conditions :

a. Such leases to be for a period of not exceeding twenty-one years, and no single lease shall cover a greater area than 100,000 acres.

b. In surveyed territory, the land embraced by the lease shall be described in townships and sections. In unsurveyed territory, the party to whom a lease may be promised shall, before the issue of the lease, cause a survey of the tract to be made, at his own expense, by a Dominion Lands Surveyor, under instructions from the Surveyor-General; and the plan and field notes of such survey shall be deposited on record in the Department of the Interior.

c. The lessee shall pay an annual rental at the rate of \$10 for every 1,000 acres embraced by his lease, and shall within three years from the granting of the lease, place on the tract one head of cattle for every ten acres of land embraced by the lease, and shall during its term maintain cattle thereon in at least that proportion.

GENERAL PROVISIONS.

- d. After placing the prescribed number of cattle upon the tract leased, the lessee may purchase land within his leasehold for a home farm and *corral*, paying therefor \$2.00 per acre in cash.
- e. Failure to fulfil any of the conditions of his lease shall subject the lessee to forfeiture thereof.
17. When two or more parties apply for a grazing lease of the same land, tenders shall be invited, and the lease shall be granted to the party offering the highest premium therefor in addition to the rental. The said premium to be paid before the issue of the lease.

18. Payments for land may be in cash, scrip, or Police or Military Bounty Warrants.

19. These Regulations shall not apply to lands valuable for town plots, or to coal or other mineral lands, or to stone or marble quarries, or to lands having water power thereon; or to sections 11 and 29 in each Township, which are School Lands, or Sections 8 and 26, which belong to the Hudson's Bay Company.

By order,
LINDSAY RUSSELL,
Surveyor General.

Department of the Interior,
Ottawa, 23rd December, 1881.

APPLICATIONS TO PARLIAMENT.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

Clerk of the Senate.

JOHN GEORGE BOURINOT,

AVIS DU GOUVERNEMENT.

RÈGLEMENTS CONCERNANT LES TERRES FÉDÉRALES.

Les règlements suivants concernant la vente et la colonisation des terres fédérales dans la province du Manitoba et les territoires du Nord-Ouest seront, à dater du 1er janvier 1882, substitués aux règlements maintenant en force portant la date du 25 mai dernier.

1. Les terres arpentées dans le Manitoba et les territoires du Nord-Ouest seront classées comme suit pour les fins des présents règlements :

Classe A.—Terres situées d'un côté ou l'autre de la voie principale du chemin de fer canadien du Pacifique et de ses voies de raccordement dans un rayon de vingt-quatre milles.

Classe B.—Terres situées d'un côté ou l'autre de tout chemin de fer projeté (autre que le chemin de fer canadien du Pacifique) approuvé par un ordre en Conseil publié dans la *Gazette du Canada*, dans un rayon de douze milles.

Classe C.—Terres situées au sud de la voie principale du chemin de fer canadien du Pacifique et non comprises dans les classes A ou B.

Classe D.—Terres autres que celles comprises dans les classes A, B et C.

2. Les sections portant des numéros pairs dans toutes les classes précédentes seront réservées exclusivement pour les établissements (homesteads) et les préemptions.

a. Excepté pour la classe D où elles pourront être affectées par les arrangements de colonisation tel que ci-après pourvu.

b. Excepté là où il sera nécessaire de fournir des lots à bois aux colons.

c. Excepté dans les cas où le ministre de l'Intérieur, sous l'autorité des actes concernant les terres fédérales, jugera nécessaire de retirer certaines terres et de les vendre par encan public ou autrement en disposer suivant l'ordre du Gouverneur en Conseil.

3. Les sections portant des numéros impairs dans la classe A sont réservées pour la compagnie du chemin de fer canadien du Pacifique.

4. Les sections portant des numéros impairs dans les classes B et C seront offertes en vente au prix de \$2.50 l'acre, payable au temps de la vente :

a. Excepté dans les cas où il en aura été ou il en sera autrement disposé par le Gouverneur en Conseil.

5. Les sections portant des numéros impairs dans la classe D seront offertes en vente au prix de \$2.00 l'acre, payable au temps de la vente.

a. Excepté dans les cas où il y en aura été ou il en sera autrement disposé par le Gouverneur en Conseil.

b. Excepté les terres affectées par les arrangements de colonisation, tel que ci-après pourvu.

6. Les personnes qui, après l'arpentage, mais avant l'émission de l'ordre en conseil du 9 octobre 1879, excluant les sections de nombre impair de l'inscription comme établissement (homestead), ont pris possession de certaines terres dans les sections de nombre impair, en y résidant et en la cultivant, obtiendront la permission, si elles continuent de les occuper, de faire une inscription comme établissement (homestead), et préemption tout comme si ces sections étaient de nombre pair.

PREEMPTIONS.

7. Les prix pour les lots de préemption seront comme suit :

Pour les terres dans les classes A, B et C, \$2.50 l'acre.

Pour les terres dans la classe D, \$2.00 l'acre.

Le paiement sera fait en une somme à l'expiration des trois années qui suivront la date de l'inscription ou aussitôt que le colon pourra sous l'autorité des actes concernant les terres fédérales obtenir des lettres patentes pour l'établissement [homestead] auquel appartient telle préemption.

COLONISATION.

Plan No. 1.

8. Des arrangements pourront être entrepris avec un particulier ou une compagnie (ci-après appelés la personne) pour la colonisation de lisières de terre aux conditions suivantes :—

a. Le requérant devra convaincre le gouvernement de sa bonne foi et de son habileté dans l'accomplissement des stipulations contenues dans ces règlements.

b. La lisière de terre accordée à une personne sera dans la classe D.

9. Les sections de nombre impair comprise dans telle lisière pourront être vendues à la personne moyennant \$2.00 l'acre, payable un cinquième comptant au temps de la signature du contrat, et la balance en quatre versements annuels égaux, à dater de là. La personne paiera aussi au gouvernement cinq centins par acre pour l'arpentage de la terre achetée par elle, cette somme payable en quatre versements annuels égaux aux mêmes dates que les versements sur le prix d'achat. Un intérêt de six pour cent par année sera chargé sur tous les versements dus pour le passé.

a. La personne devra coloniser sa lisière de terre dans les cinq ans qui suivent la date du contrat.

b. Cette colonisation consistera à établir deux colons sur les établissements (homesteads) sur chaque section de nombre pair et de même deux colons sur chaque section de nombre impair.

c. La personne pourra être garantie pour les avances faites aux colons sur les établissements (homesteads) en conformité de la 10e section de l'Acte 44 Vict., chap. 16. (L'acte adopté en 1881 pour amender les actes concernant les terres fédérales.)

d. Les établissements (homesteads) de 160 acres seront la propriété du colon, et ce dernier aura le droit d'acheter le lot de préemption appartenant à son établissement (homestead) moyennant \$2.00 l'acre payables en une seule somme à l'expiration des trois années qui suivent la date de l'inscription, ou plus à bonne heure suivant que le dit colon pourra en conformité des actes concernant les terres fédérales obtenir des lettres-patentes pour son établissement (homestead.)

e. Lorsque le colon sur un établissement (homestead) ne prend pas le lot de préemption auquel il a droit, il est loisible à la personne dans les trois mois qui suivront la perte de tel droit pour le dit colon, d'acheter le susdit lot au prix de \$2.00 l'acre, payables au comptant lors de l'achat.

10. En considération de la colonisation opérée sur sa lisière de terre de la manière indiquée dans la sous-section b de la clause précédente, il sera accordé à la personne une diminution de la moitié du prix d'achat original des sections de nombre impair dans sa lisière.

a. Durant chacune des cinq années couvertes par le contrat, il sera fait une énumération des colons placés par la personne sur sa lisière, en conformité de la sous-section b de la clause 9 de ces règlements, et pour chaque colon *bonâ fide* ainsi trouvé une diminution de cent vingt piastres sera mise au crédit de la personne; mais le total de ces sommes ainsi mises au crédit de la personne ne devra pas excéder celle de cent vingt piastres pour chaque colon *bonâ fide* trouvé sur la dite lisière de terre, en conformité de la susdite sous-section au temps de la dernière énumération.

b. A l'expiration des cinq années il sera fait une énumération des colons *bonâ fide* sur la lisière de terre, et s'il est constaté que ces derniers sont aussi nombreux et placés de même façon que stipulé dans la sous-section b de la clause 9 de ces règlements, une diminution nouvelle et finale de quarante piastres par colon sera mise au crédit de la personne, laquelle somme, une fois ajoutée à celles précédemment créditées, s'élèvera à la moitié du prix d'achat des sections de nombre impair et réduira le prix de ces dernières à une piastre l'acre. Mais s'il est constaté que le nom-

bre total des colons requis par ces règlements n'est pas sur la lisière de terre ou ne sont pas placés conformément à la sous-section b de la clause 9 de ces règlements, alors, pour chaque colon de moins que le nombre requis ou placé autrement qu'en conformité avec la dite sous-section, la personne perdra cent soixante-six piastres de diminution.

c. Si en n'importe quel temps durant l'existence du contrat la personne manque de remplir l'une des conditions de ce dernier, il sera loisible au Gouverneur en conseil d'annuler la vente du terrain acheté, et traiter la personne comme il semblera opportun de le faire dans les circonstances.

d. Pour avoir droit à la diminution, la personne devra fournir au ministre de l'intérieur une preuve satisfaisante que la lisière de terre a été colonisée en conformité de la sous-section b de la clause 9 de ces règlements.

Plan No. 2.

En vue d'encourager la colonisation par les capitalistes qui désireraient cultiver de plus grandes fermes que celles qui peuvent être achetées là où les règlements veulent que chaque section compte deux colons (mais sans diminuer le nombre des colons requis dans chaque township) des arrangements peuvent être faits avec une compagnie ou un particulier (ci-après désignés sous le nom de personne), pour la colonisation de lisières de terrain aux conditions suivantes :

a. Le requérant devra convaincre le gouvernement de sa bonne foi et de son habileté dans l'exécution des stipulations contenues en ces règlements.

b. La lisière de terre accordée à une personne sera dans la classe D.

c. Tout le terrain compris dans cette lisière peut être vendu à la personne moyennant deux piastres l'acre payables comptant, au temps de la conclusion du contrat. La personne paiera en même temps alors au gouvernement cinq centins par acre pour l'arpentage de la terre achetée par elle.

d. La personne devra dans les cinq ans à dater du contrat, coloniser le township ou les townships compris dans sa lisière de terre.

e. Telle colonisation consistera à placer cent vingt-huit colons de bonne foi dans chaque township.

12. En considération de la colonisation faite sur sa lisière de terre en la manière expliquée dans la sous-section e de la clause qui précède immédiatement, la personne obtiendra une diminution de la moitié du prix d'achat primitif.

a. Durant chacune des cinq années couvertes par le contrat il sera fait une énumération des colons placés par la personne sur sa lisière de terre, conformément à la sous-section e de la 11e clause de ces règlements, et pour chaque colon *bonâ fide* ainsi trouvé sur la dite lisière de terre il sera remis à la personne une somme de cent vingt piastres; mais le total des sommes ainsi remises ne devra en aucun temps excéder cent vingt piastres pour chaque colon *bonâ fide* trouvé sur la lisière de terre, en conformité de la dite sous-section au temps de la dernière énumération.

b. A l'expiration des cinq années il sera fait une énumération des colons *bonâ fide* placés par la personne sur sa lisière de terre, et s'il est constaté qu'ils sont en tels nombre et situation que stipulés dans la sous-section e de la clause 11 de ces règlements il sera fait une nouvelle et dernière remise sur le prix de quarante piastres par colon, laquelle somme une fois ajoutée à celles précédemment remises à la personne s'élèvera à la moitié du prix d'achat de la lisière de terre et réduira ce dernier à une piastre par acre. Mais s'il est constaté que le nombre requis de colons par ces règlements ne sont pas sur la lisière de terre ou n'ont pas été placés en conformité de la dite sous-section, alors pour chaque colon moindre que le nombre requis ou placé autrement que voulu par la dite sous-section, la per-

sonne perdra le droit à une diminution de cent soixante piastres.

- c. Pour avoir droit à la diminution la personne devra convaincre le ministre de l'Intérieur que la lisière de terre a été colonisée en conformité de la sous-section e de la 11e clause de ces règlements.

AVIS OFFICIEL.

13. Le gouvernement devra donner avis dans la *Gazette du Canada* de tous les arrangements conclus pour la colonisation des lisières de terre en conformité des plans ci-dessus afin que le public puisse respecter les droits des acheteurs.

BOIS POUR LES COLONS.

14. Le ministre de l'Intérieur peut faire réserver n'importe quelle section de nombre pair ou impair garnie de bois, pour pouvoir fournir du bois aux colons des établissements (homesteads); et tout tel colon pourra, quand l'occasion s'en présentera, acheter un lot à bois n'excédant pas 20 acres, pour le prix de \$5.00 comptant l'acre.

15. Il sera loisible au ministre de l'Intérieur, en vertu des actes concernant les terres fédérales d'accorder des licences pour couper du bois sur les terres dans les townships arpentés. Les terres couvertes par telles licences sont par les présents règlements retirées des inscriptions et vente comme établissements (homestead) et préemption.

TERRES A PATURAGE.

16. Sous l'autorité de l'acte 44 Victoria, chap. 16, des lisières de terre pour les fins de pâturage pourront être constituées à bail aux conditions suivantes :

- a. Ces baux seront pour un terme n'excédant pas vingt et un ans et aucun d'eux ne devra comprendre plus de 100,000 acres.
- b. Dans un territoire arpenté, la terre comprise dans un bail sera décrite comme township et sections. Dans un territoire non arpenté la personne à qui on aura promis un bail devra, avant la conclusion de tel bail, faire arpenter la lisière de terre à ses propres frais par un arpenteur des terres fédérales, sous les instructions de l'arpenteur-général; et les plan et notes de tel arpentage seront déposés aux archives du département de l'Intérieur.
- c. Le preneur devra payer une rente annuelle de \$10 pour chaque mille acres compris dans son bail et devra, dans les trois ans qui suivent la date du bail, placer sur la lisière de terre une tête de bétail pour chaque dix acres de terre compris dans le bail, et devra durant ce temps maintenir sur telle lisière de terre un troupeau dans cette proportion.
- d. Après avoir placé le nombre prescrit de bestiaux sur la lisière de terre louée, le preneur pourra acheter des terres dans la région comprise dans le bail pour une maison de ferme et un corral, moyennant le prix de \$2.00 par acre payable comptant.
- e. Le preneur encourra la résiliation de son bail

s'il manque de se conformer aux conditions de ce dernier.

17. Si deux personnes ou plus sollicitent chacune un bail pour les mêmes terres à pâturage, des soumissions seront demandées, et le bail sera accordé à la personne offrant la plus forte prime en sus de la rente. La dite prime payable avant la conclusion du bail.

DISPOSITIONS GÉNÉRALES.

18. Les paiements pour les terres pourront être faits en numéraire, en scrip, ou en certificats de primes militaires ou de police.

19. Les présents règlements ne s'appliqueront pas aux terres qui ont quelque valeur comme emplacements de ville, ni aux terrains houillers ou autres terrains miniers, ni aux carrières de marbre ou de pierre, ni aux terres sur lesquelles se trouveront des pouvoirs d'eau; ils n'affecteront non plus, les sections 11 et 29 dans chaque township, qui sont des terres d'écoles publiques, ni les sections 8 et 26, qui sont des terres de la compagnie de la baie d'Hudson.

Par ordre,

LINDSAY RUSSELL,
Arpenteur-général.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in

the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

Les règlements suivants concernant la vente et la colonisation des terres fédérales dans la province du Manitoba et les territoires du Nord-Ouest seront, à dater du 1^{er} janvier 1882, substitués aux règlements maintenant en force portant la date du 25 mai dernier.

1. Les terres arpentées dans le Manitoba et les territoires du Nord-Ouest seront classées comme suit pour les fins des présents règlements :

Classe A.—Terres situées d'un côté ou l'autre de la voie principale du chemin de fer canadien du Pacifique et de ses voies de raccordement dans un rayon de vingt-quatre milles.

Classe C.—Terres situées au sud de la voie principale du chemin de fer canadien du Pacifique et non comprises dans les classes A ou B.

Classe D.—Terres autres que celles comprises dans les classes A, B et C.

2. Les sections portant des numéros pairs dans toutes les classes précédentes seront réservées exclusivement pour les établissements (homesteads) et les préemptions.

a. Excepté pour la classe D où elles pourront être affectées par les arrangements de colonisation tel que ci-après pourvu.

b. Excepté là où il sera nécessaire de fournir des lots à bois aux colons.

c. Excepté dans les cas où le ministre de l'Intérieur, sous l'autorité des actes concernant les terres fédérales, jugera nécessaire de retirer certaines terres et de les vendre par encan public ou autrement en disposer suivant l'ordre du Gouverneur en Conseil.

3. Les sections portant des numéros impairs dans la classe A sont réservées pour la compagnie du chemin de fer canadien du Pacifique.

4. Les sections portant des numéros impairs dans les classes B et C seront offertes en vente au prix de \$2.50 l'acre, payable au temps de la vente :

a. Excepté dans les cas où il en aura été ou il en sera autrement disposé par le Gouverneur en Conseil.

b. Excepté les terres affectées par les arrangements de colonisation, tel que ci-après pourvu.

6. Les personnes qui, après l'arpentage, mais avant l'émission de l'ordre en conseil du 9 octobre 1879, excluant les sections de nombre impair de l'inscription comme établissement (homestead), ont pris possession de certaines terres dans les sections de nombre impair, en y résidant et en la cultivant, obtiendront la permission, si elles continuent de les occuper, de faire une inscription comme établissement (homestead), et préemption tout comme si ces sections étaient de nombre pair.

PREEMPTIONS.

7. Les prix pour les lots de préemption seront comme suit :

Pour les terres dans les classes A, B et C, \$2.50 l'acre.

Pour les terres dans la classe D, \$2.00 l'acre.

Le paiement sera fait en une somme à l'expiration des trois années qui suivront la date de l'inscription ou aussitôt que le colon pourra sous l'autorité des actes concernant les terres fédérales obtenir des lettres patentes pour l'établissement [homestead] auquel appartient telle préemption.

COLONISATION.

Plan No. 1.

8. Des arrangements pourront être entrepris avec un particulier ou une compagnie (ci-après appelés la personne) pour la colonisation de lisières de terre aux conditions suivantes :—

a. Le requérant devra convaincre le gouvernement de sa bonne foi et de son habileté dans l'accomplissement des stipulations contenues dans ces règlements.

b. La lisière de terre accordée à une personne sera dans la classe D.

9. Les sections de nombre impair comprise dans telle lisière pourront être vendues à la personne moyennant \$2.00 l'acre, payable un cinquième comptant au temps de la signature du contrat, et la balance en quatre versements annuels égaux, à dater de là. La personne paiera aussi au gouvernement cinq centins par acre pour l'arpentage de la terre achetée par elle, cette somme payable en quatre versements annuels égaux aux mêmes dates que les versements sur le prix d'achat. Un intérêt de six pour cent par année sera chargé sur tous les versements dus pour le passé.

a. La personne devra coloniser sa lisière de terre dans les cinq ans qui suivent la date du contrat.

b. Cette colonisation consistera à établir deux colons sur les établissements (homesteads) sur chaque section de nombre pair et de même deux colons sur chaque section de nombre impair.

c. La personne pourra être garantie pour les avances faites aux colons sur les établissements (homesteads) en conformité de la 10^e section de l'Acte 44 Vict., chap. 16. (L'acte adopté en 1881 pour amender les actes concernant les terres fédérales.)

d. Les établissements (homesteads) de 160 acres seront la propriété du colon, et ce dernier aura le droit d'acheter le lot de préemption appartenant à son établissement (homestead) moyennant \$2.00 l'acre payables en une seule somme à l'expiration des trois années qui suivent la date de l'inscription, ou plus à bonne heure suivant que le dit colon pourra en conformité des actes concernant les terres fédérales obtenir des lettres patentes pour son établissement (homestead.)

e. Lorsque le colon sur un établissement (homestead) ne prend pas le lot de préemption auquel il a droit, il est loisible à la personne dans les trois mois qui suivront la perte de tel droit pour le dit colon, d'acheter le susdit lot au prix de \$2.00 l'acre, payables au comptant lors de l'achat.

10. En considération de la colonisation opérée sur sa lisière de terre de la manière indiquée dans la sous-section *b* de la clause précédente, il sera accordé à la personne une diminution de la moitié du prix d'achat original des sections de nombre impair dans sa lisière.

- a.* Durant chacune des cinq années couvertes par le contrat, il sera fait une énumération des colons placés par la personne sur sa lisière, en conformité de la sous-section *b* de la clause 9 de ces règlements, et pour chaque colon *bonâ fide* ainsi trouvé une diminution de cent vingt piastres sera mise au crédit de la personne; mais le total de ces sommes ainsi mises au crédit de la personne ne devra pas excéder celle de cent vingt piastres pour chaque colon *bonâ fide* trouvé sur la dite lisière de terre, en conformité de la susdite sous-section au temps de la dernière énumération.
- b.* A l'expiration des cinq années il sera fait une énumération des colons *bonâ fide* sur la lisière de terre, et s'il est constaté que ces derniers sont aussi nombreux et placés de même façon que stipulé dans la sous-section *b* de la clause 9 de ces règlements, une diminution nouvelle et finale de quarante piastres par colon sera mise au crédit de la personne, laquelle somme, une fois ajoutée à celles précédemment créditées, s'élèvera à la moitié du prix d'achat des sections de nombre impair et réduira le prix de ces dernières à une piastre l'acre. Mais s'il est constaté que le nombre total des colons requis par ces règlements n'est pas sur la lisière de terre ou ne sont pas placés conformément à la sous-section *b* de la clause 9 de ces règlements, alors, pour chaque colon de moins que le nombre requis ou placé autrement qu'en conformité avec la dite sous-section, la personne perdra cent soixante-six piastres de diminution.
- c.* Si en n'importe quel temps durant l'existence du contrat la personne manque de remplir l'une des conditions de ce dernier, il sera loisible au Gouverneur en conseil d'annuler la vente du terrain acheté, et traiter la personne comme il semblera opportun de le faire dans les circonstances.
- d.* Pour avoir droit à la diminution, la personne devra fournir au ministre de l'intérieur une preuve satisfaisante que la lisière de terre a été colonisée en conformité de la sous-section *b* de la clause 9 de ces règlements.

Plan No. 2.

En vue d'encourager la colonisation par les capitalistes qui désireraient cultiver de plus grandes fermes que celles qui peuvent être achetées là où les règlements veulent que chaque section compte deux colons (mais sans diminuer le nombre des colons requis dans chaque township) des arrangements peuvent être faits avec une compagnie ou un particulier (ci-après désignés sous le nom de personne), pour la colonisation de lisières de terrain aux conditions suivantes :

- a.* Le requérant devra convaincre le gouvernement de sa bonne foi et de son habileté dans l'exécution des stipulations contenues en ces règlements.
- b.* La lisière de terre accordée à une personne sera dans la classe D.
- c.* Tout le terrain compris dans cette lisière peut être vendu à la personne moyennant deux piastres l'acre payables comptant, au temps de la conclusion du contrat. La personne paiera en même temps alors au gouvernement cinq cents par acre pour l'arpentage de la terre achetée par elle.
- d.* La personne devra dans les cinq ans à dater du contrat, coloniser le township ou les townships compris dans sa lisière de terre.
- e.* Telle colonisation consistera à placer cent vingt-huit colons de bonne foi dans chaque township.

12. En considération de la colonisation faite sur sa lisière de terre en la manière expliquée dans la sous-section *e* de la clause qui précède immédiatement, la personne obtiendra une diminution de la moitié du prix d'achat primitif.

- a.* Durant chacune des cinq années couvertes par le contrat il sera fait une énumération des colons placés par la personne sur sa lisière de terre, conformément à la sous-section *e* de la 11e clause de ces règlements, et pour chaque colon *bonâ fide* ainsi trouvé sur la dite lisière de terre il sera remis à la personne une somme de cent vingt piastres; mais le total des sommes ainsi remises ne devra en aucun temps excéder cent vingt piastres pour chaque colon *bonâ fide* trouvé sur la lisière de terre, en conformité de la dite sous-section au temps de la dernière énumération.
- b.* A l'expiration des cinq années il sera fait une énumération des colons *bonâ fide* placés par la personne sur sa lisière de terre, et s'il est constaté qu'ils sont en tels nombre et situation que stipulés dans la sous-section *e* de la clause 11 de ces règlements il sera fait une nouvelle et dernière remise sur le prix de quarante piastres par colon, laquelle somme une fois ajoutée à celles précédemment remises à la personne s'élèvera à la moitié du prix d'achat de la lisière de terre et réduira ce dernier à une piastre par acre. Mais s'il est constaté que le nombre requis de colons par ces règlements ne sont pas sur la lisière de terre ou n'ont pas été placés en conformité de la dite sous-section, alors pour chaque colon moindre que le nombre requis ou placé autrement que voulu par la dite sous-section, la personne perdra le droit à une diminution de cent soixante piastres.
- c.* Pour avoir droit à la diminution la personne devra convaincre le ministre de l'Intérieur que la lisière de terre a été colonisée en conformité de la sous-section *e* de la 11e clause de ces règlements.

AVIS OFFICIEL.

13. Le gouvernement devra donner avis dans la *Gazette du Canada* de tous les arrangements conclus pour la colonisation des lisières de terre en conformité des plans ci-dessus afin que le public puisse respecter les droits des acheteurs.

BOIS POUR LES COLONS.

14. Le ministre de l'Intérieur peut faire réserver n'importe quelle section de nombre pair ou impair garnie de bois, pour pouvoir fournir du bois aux colons des établissements (homesteads); et tout tel colon pourra, quand l'occasion s'en présentera, acheter un lot à bois n'excédant pas 20 acres, pour le prix de \$5.00 comptant l'acre.

15. Il sera loisible au ministre de l'Intérieur, en vertu des actes concernant les terres fédérales d'accorder des licences pour couper du bois sur les terres dans les townships arpentés. Les terres couvertes par telles licences sont par les présents règlements retirées des inscriptions et vente comme établissements (homestead) et préemption.

TERRES A PATURAGE.

16. Sous l'autorité de l'acte 44 Victoria, chap. 16, des lisières de terre pour les fins de pâturage pourront être constituées à bail aux conditions suivantes :

- a.* Ces baux seront pour un terme n'excédant pas vingt et un ans et aucun d'eux ne devra comprendre plus de 100,000 acres.
- b.* Dans un territoire arpenté, la terre comprise dans un bail sera décrite comme township et sections. Dans un territoire non arpenté la personne à qui on aura promis un bail devra, avant la conclusion de tel bail, faire arpenter la lisière de terre à ses propres frais par un arpenteur des terres fédérales, sous les instructions de l'arpenteur-général; et les plan et notes de tel arpentage seront déposés aux archives du département de l'Intérieur.
- c.* Le preneur devra payer une rente annuelle de \$10 pour chaque mille acres compris dans son bail et devra, dans les trois ans qui suivent la date du bail, placer sur la lisière de terre une tête de bétail pour chaque dix acres de terre

compris dans le bail, et devra durant ce temps maintenir sur telle lisière de terre un troupeau dans cette proportion.

d. Après avoir placé le nombre prescrit de bestiaux sur la lisière de terre louée, le preneur pourra acheter des terres dans la région comprise dans le bail pour une maison de ferme et un corral, moyennant le prix de \$2.00 par acre payable comptant.

e. Le preneur encourra la résiliation de son bail s'il manque de se conformer aux conditions de ce dernier.

17. Si deux personnes ou plus sollicitent chacune un bail pour les mêmes terres à pâturage, des soumissions seront demandées, et le bail sera accordé à la personne offrant la plus forte prime en sus de la rente. La dite prime payable avant la conclusion du bail.

DISPOSITIONS GÉNÉRALES.

18. Les paiements pour les terres pourront être faits en numéraire, en scrip, ou en certificats de primes militaires ou de police.

19. Les présents règlements ne s'appliqueront pas aux terres qui ont quelque valeur comme emplacements de ville, ni aux terrains houillers ou autres terrains miniers, ni aux carrières de marbre ou de pierre, ni aux terres sur lesquelles se trouveront des pouvoirs d'eau; ils n'affecteront non plus, les sections 11 et 29 dans chaque township, qui sont des terres d'écoles publiques, ni les sections 8 et 26, qui sont des terres de la compagnie de la baie d'Hudson.

Par ordre,
LINDSAY RUSSELL,
Arpenteur-général.

Département de l'Intérieur,

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comté auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de bateaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

DEMANDÉS AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comté auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

CHAMBER OF THE SENATE,

Ottawa, Thursday, 9th February, 1882.

This day, at THREE o'clock P.M., His EXCELLENCY THE GOVERNOR GENERAL proceeded in statu to the Chamber of the Senate, in the Parliament Buildings,

and took His Seat upon the Throne. The Members of the Senate being assembled, His Excellency was pleased to command the attendance of the House of Commons, and that House being present, His EXCELLENCY was pleased to open the FOURTH SESSION of the FOURTH PARLIAMENT OF THE DOMINION OF CANADA, with the following Speech:—

Honorable Gentlemen of the Senate:

Gentlemen of the House of Commons:

The hope I expressed at the close of the last session, that on the re-assembling of Parliament we should be able to congratulate ourselves on a season of peace and prosperity has been fully realized.

Canada has been favored with a year of great prosperity.

Her farmers have enjoyed a plentiful harvest and remunerative prices.

Her manufacturing and other industries have been and continue to be developed under favorable auspices.

Her trade and commerce have been steadily increasing, and peace and order prevail within her borders.

For these various blessings we cannot be sufficiently thankful to the Giver of all good things.

The Chief Magistrate of the United States has been cut off by the hand of an assassin, and it is fitting that the sorrow of our people for a loss which was not that of our friends and neighbours alone, should be here adverted to as another instance of the sympathy which unites in brotherhood the British Empire and the American Republic.

During the recess I had the pleasure of visiting the Province of Manitoba, and of traversing the extensive prairies of the North West, and from personal examination can sincerely congratulate Canada on the possession of so magnificent and fertile a region to be inhabited, I trust, in the course of years, by millions of thriving and contented subjects of Her Majesty.

The immigrants have not confined themselves to Manitoba or its vicinity, but are scattered over the country westward to the base of the Rocky Mountains, and from the international boundary to the banks of the northern Saskatchewan. It is, therefore, thought that the time has come for the division of the Territories into four or more Provisional Districts with an appropriate nomenclature. This subject will be submitted for your consideration.

During my journey I was met by numerous Indian tribes, all expressing confidence in the continuance of the traditional policy of kindness and justice which has

hitherto governed the relations between the Government and the Aborigines.

I regret, however, to say that the necessity of supplementing the food supply of the Indians still exists and is likely to continue for some years.

Every exertion has been made to settle the Indian Bands on Reserves, and to induce them to betake themselves to the raising of cattle and cultivating the soil.

These efforts have met with a fair measure of success, but we can only expect by a long continuance of patient firmness to induce these children of the Prairie and the Forest to abandon their nomadic habits, become self-supporting, and ultimately add to the industrial wealth of the country.

The influx of a white population has greatly increased the danger of collision between the settler and Red man, and in my opinion renders an augmentation of the Mounted Police a matter of urgency. Your sanction to this increase will be sought.

The second report of the Commission appointed to investigate the existing system of the Civil Service will be laid before you, and a measure on the subject submitted for your consideration.

The decennial Census having been taken last year, the duty of reconsidering and readjusting the representation in the House of Commons is imposed upon you. A measure for the purpose will be laid before you.

Several other measures of importance will be submitted to you. Among them will be Bills for the winding up of Insolvent Banks, Insurance Companies and Trading Corporations; for the consolidation and amendment of the Laws respecting the Dominion Lands; for the amendment of the Acts relating to the Supreme Court of Canada, and Bills relating to the tenure of office of the Judges of County Courts, and to Fugitive Offenders within the Empire; and your attention will be called to the present anomalous position of the Vice-Admiralty jurisdiction.

The work of construction on that portion of the Canadian Pacific Railway between Prince Arthur's Landing and Winnipeg is being pressed to completion, and it is confidently expected that in July next, railway communication will be established between those places. The section between Rat Portage and Winnipeg, one hundred and thirty-five miles in length, has been completed and transferred under the terms of the contract, to the Canadian Pacific Railway Company, by whom it is now operated. Considerable progress has been made on the Eastern Section, commencing at Callander Station, and the vigorous prosecution of the work on that portion of the line during the present year provided for.

In British Columbia the work upon the section between Savona's Ferry and Emory's Bar is being carried on, with every prospect of its completion within the time specified in the contract, and the line from the latter place to Port Moody which has been carefully located during the past season is now being placed under contract with a view to its completion at the same date as the section from Savona's Ferry to Emory's Bar.

Upon the sections to be constructed by the Railway Company, the work has been most energetically carried forward. During the past summer the road has been graded for the distance of two hundred and eighteen miles, and of this, one hundred and sixty-one miles are open for traffic.

The Company have, in addition, graded eighty-nine miles of branch lines.

I am pleased to be able to state that the traffic on the Intercolonial Railway has largely increased, and that this line was during the last fiscal year, for the first time in its history, worked without loss to the country.

The works on the Welland Canal were so far advanced that the waters of Lake Erie were introduced for its supply in June last, and in September the new portion of the Canal between Allanburg and Port Dalhousie was opened for traffic.

You will be pleased to know that a monthly line of steamers which has been subsidized under the authority of Parliament, is now plying between the Dominion and Brazil with good hopes of a mutually profitable trade.

The Report of a Royal Commission issued to inquire into the question of factory labour, and into the best means of promoting the comfort and well-being of the workingman and his family, without undue interference with the development of our manufacturing industries, will be laid before you, and I invite your earnest consideration of this report.

Gentlemen of the House of Commons :

The Accounts of the last year will be laid before you. It will be satisfactory to you to find that the Expenditure has been less and the Revenue considerably more than the Estimates of last year, leaving a surplus of over four millions of dollars. A portion of this sum has been used in the reduction of the public debt by the redemption of matured debentures bearing six per cent. interest, and the remainder applied to the payment for public works chargeable to capital account. The necessity of issuing the Debenture Loan authorized by Parliament for those purposes has therefore been obviated.

The Estimates of the ensuing year will also be submitted, and will, I trust, be found to have been framed with due regard to economy and the efficiency of the public service.

Honorable Gentlemen of the Senate :

Gentlemen of the House of Commons :

I now invite your attention to the several subjects mentioned and to the general business which will come before you, with full confidence in your ability and patriotic desire to forward the best interests of the country.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

CHAMBRE DU SÉNAT,

Ottawa, jeudi, 9 février 1882.

Aujourd'hui, à Trois heures, P.M., SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL s'est rendu avec le cérémonial ordinaire, à la Chambre du Sénat, dans l'édifice du parlement, et a pris son siège sur le Trône. Les Membres du Sénat étant assemblés, il a plu à Son Excellence d'y faire requérir la présence des Communes, et cette Chambre s'y étant rendue, SON EXCELLENCE a ouvert la QUATRIÈME SESSION du QUATRIÈME PARLEMENT de la PUISSANCE DU CANADA, par le discours suivant :—

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

L'espoir que j'exprimais, à la fin de la dernière session, qu'à la prochaine réunion du parlement nous aurions à nous féliciter d'une saison de paix et de prospérité, s'est réalisé pleinement.

Le Canada a eu l'avantage d'une année de grande prospérité.

Ses cultivateurs ont eu une abondante récolte, et leurs produits se sont vendus à des prix avantageux.

Ses industries manufacturières, et autres, se sont développées et continuent à se développer sous de favorables auspices.

Ses affaires et son commerce ont régulièrement augmenté, et la paix et l'ordre règnent dans les limites de ses frontières.

De ces divers bienfaits nous ne saurions être assez reconnaissants envers le Dispensateur de tous biens.

Le président des Etats-Unis a péri par la main d'un assassin, et il convient que l'affliction qu'a causée parmi notre population une perte qui n'était pas seulement celle de nos amis et voisins, soit mentionnée ici comme une preuve nouvelle de la sympathie fraternelle qui unit l'Empire Britannique à la République Américaine.

Pendant les vacances du parlement, j'ai eu le plaisir de visiter la province du Manitoba et de traverser les vastes prairies du Nord-Ouest, et, après m'être ainsi renseigné par moi-même, je puis sincèrement féliciter le Canada de posséder une région si magnifique et si fertile qui, avec le temps, sera habitée, j'en ai la confiance, par des millions de sujets de Sa Majesté, vivant dans la prospérité et le contentement.

Les immigrants ne se sont pas fixés seulement au Manitoba ou dans son voisinage, mais sont répartis dans la région de l'ouest jusqu'au pied des montagnes Rocheuses, et depuis la frontière internationale jusqu'aux rives de la Saskatchewan du Nord. On croit donc que le temps est venu de diviser les territoires en quatre districts provisoires, ou un plus grand nombre, désignés sous des noms convenables. Cette question sera soumise à votre considération.

Dans le cours de mon voyage, nombre de tribus sauvages sont venues à ma rencontre, et toutes m'ont exprimé leur confiance de voir continuer le système traditionnel de bienveillance et de justice qui a marqué, jusqu'à ce jour, les relations du gouvernement et des autochtones.

Je regrette, néanmoins, d'avoir à dire que la nécessité de fournir aux Sauvages un supplément à leurs provisions alimentaires, existe encore et existera vraisemblablement pendant quelques années.

Tous les efforts ont été faits pour établir les bandes sauvages sur des réserves et pour les induire à se livrer à l'élevage du bétail et à la culture du sol.

Ces efforts ont assez bien réussi, mais c'est seulement par la longue pratique d'une fermeté patiente que nous pouvons espérer induire ces fils de la prairie et de la forêt à abandonner leurs habitudes nomades, à ne compter que sur eux-mêmes et, ultérieurement, à augmenter la richesse industrielle du pays.

L'arrivée d'une population de blancs a grandement augmenté le danger de conflits entre les colons et les Peaux-Rouges, et, à mon avis, a rendu urgente une augmentation de l'effectif de la police à cheval. On vous demandera de sanctionner cette augmentation.

Le deuxième rapport de la commission nommée pour étudier l'organisation actuelle du service civil vous sera soumis, et une mesure à ce sujet sera également soumise à votre considération.

Le recensement décennal ayant été fait l'année dernière, le devoir vous est imposé de considérer et répartir de nouveau la représentation à la Chambre des Communes. Une mesure à ce sujet sera mise devant vous.

Plusieurs autres mesures importantes seront soumises à vos délibérations, entre autres des projets de lois concernant la liquidation des affaires des banques, compagnies d'assurances et corporations commerciales en faillite; la refonte et l'amendement des lois relatives aux terres fédérales; l'amendement des Actes relatifs à la Cour Suprême du Canada, et des projets de loi concernant l'occupation de charge des juges des cours de comté, et les criminels fugitifs réfugiés dans l'empire; et l'on appellera aussi votre attention sur la position anormale dans laquelle se trouve actuellement la juridiction de vice-amirauté.

On presse en ce moment l'achèvement des travaux de construction de cette partie du chemin de fer

Canadien du Pacifique comprise entre Prince Arthur's Landing et Winnipeg, et l'on espère avec confiance qu'au mois de juillet prochain les communications par chemin de fer seront établies entre ces deux points. La section qui relie le Portage du Rat à Winnipeg, et dont le parcours est de cent trente-cinq milles, a été achevée et transférée, aux termes du contrat, à la Compagnie du chemin de fer Canadien du Pacifique, qui l'exploite actuellement. On a fait un progrès considérable sur la section de l'Est, commençant à la Station de Callander, et l'on a pris des mesures vigoureuses pour continuer les travaux sur cette partie de la ligne durant la présente année.

A la Colombie-Britannique, les travaux de la section qui relie Savona's Ferry à Emory's Bar se continuent, avec toute apparence qu'ils seront exécutés dans la période de temps spécifiée au contrat, et la ligne qui relie la seconde de ces localités à Port Moody, et qui a été soigneusement tracée pendant la dernière saison, va être donnée à l'entreprise, en vue de son achèvement à la même date que la section qui relie Savona's Ferry à Emory's Bar.

Sur les sections que la compagnie du chemin de fer est tenue de construire, les travaux ont été poussés avec la plus grande énergie. Pendant l'été dernier, la ligne a été nivelée sur un parcours de deux cent dix-huit milles, et cent soixante et un milles de ce parcours sont ouverts à la circulation.

En outre, la compagnie a nivelé quatre-vingt-neuf milles d'embranchements.

Je suis heureux d'avoir à vous informer que le mouvement du commerce sur le chemin de fer Intercolonial a considérablement augmenté, et que, pendant la dernière année fiscale, pour la première fois depuis sa mise en opération, cette ligne a été exploitée sans perte pour le pays.

Les travaux du canal Welland sont assez avancés pour que l'on ait pu y introduire, en juin dernier, les eaux du lac Erié, et, au mois de septembre, la nouvelle section du canal, qui relie Allanburg à Port-Dalhousie, a été ouverte à la circulation.

Vous serez heureux d'apprendre qu'un service mensuel de bateaux à vapeur, subventionné avec l'autorisation du parlement, se fait actuellement entre le Canada et le Brésil, avec bon espoir d'établir ainsi un commerce mutuellement profitable.

Le rapport d'une commission royale, nommée pour étudier la question de la main-d'œuvre dans les manufactures et les meilleurs moyens d'assurer le confort et le bien-être à l'ouvrier et à sa famille, sans nuire au développement de nos industries manufacturières, vous sera soumis, et je recommande ce rapport à votre sérieuse considération.

Messieurs de la Chambre des Communes :

Les comptes publics de l'année dernière vous seront soumis. Vous y verrez avec satisfaction que les dépenses ont été moindres et le revenu considérablement plus élevé que le budget de l'an dernier, ce qui laisse un surplus d'au delà de quatre millions de piastres. Une partie de cette somme a été affectée à la réduction de la dette publique, par le rachat des débetures arrivées à échéance et portant six pour cent d'intérêt, et la balance a été affectée au paiement de travaux publics imputables au compte du capital. On a donc obvié à la nécessité d'émettre l'emprunt sur débetures autorisé par le parlement à cette fin.

Le budget de l'année prochaine vous sera également soumis, et vous trouverez, je l'espère, qu'il a été convenablement dressé en vue de l'économie et du bon fonctionnement du service civil.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Je recommande maintenant à votre attention les divers sujets mentionnés et les affaires générales qui vous seront soumises, avec pleine confiance dans votre habileté et dans votre patriotique désir de travailler au développement des intérêts les plus importants du pays.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de bateaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

APPLICATIONS TO PARLIAMENT.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height

of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté, ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.
