TO HIS HONOUR SIR WILLIAM MORTIMER CLARK, Kt., K.C., LL.D., &c.

Lieutenant-Governor of the Province of Ontario.

MAY IT PLEASE YOUR HONOUR:

I have the pleasure to present herewith for the consideration of your Honour the Report of the Bureau of Archives of Ontario for 1906.

Respectfully submitted,

ARTHUR J. MATHESON,
Provincial Treasurer.

Toronto, 1907.
FOURTH REPORT

OF THE

BUREAU OF ARCHIVES

To the Honourable Arthur J. Matheson, M.P.P., etc.
Provincial Treasurer.

Sir,—I have the honour to submit to you the following Report for 1906 in connection with the Bureau of Archives for the Province of Ontario.

I have the honour to be, Sir,
Your obedient servant,

ALEXANDER FRASER,
Provincial Archivist.

Toronto, 1907.
"The collection of original documents, like any other collection, is a matter of slow, careful, and systematic labour. In no place is there a greater division of positive work. The accumulation of a mass of any material, say money, and then theorize upwards or downwards as you will, is an art of itself requiring special capacity.

"When the effort is a collection of National Archives you have to establish what is required, what is indispensably necessary, to know where to seek for it and to take the means to obtain it, and to be careful not to pay twice over for the same commodity. The second stage is to assort all this matter, to classify it, to place it in such a form, and to give it such reference that on necessity immediately it can be found. The third condition is to draw up a calendar of it, describe it, and in short make it available to the ordinary inquirer."

—KINGSFORD.
Ex rebus antiquis eruditio oriatur.

PREFATORY.

While the year 1906 does not present any striking feature with respect to the material collected by the Bureau of Archives, several valuable additions have been obtained, notably the Hamilton Merritt Papers, donated by Dr. Merritt-St. Catharines; a collection of papers, pamphlets and books made by the late Hon. J. G. Currie, St. Catharines, donated by Mrs. Currie; and papers of exceptional value from the Rev. A. E. Jones, St. Mary's College, Montreal.

From other outside sources interesting documents have been received, to which have been added a considerable quantity of records that have passed out of current use, by transfer from the Government Departments.

As the safe preservation of the Archives placed in the custody of the Bureau is of first importance, the following letter from the Government Architect is given as an assurance of such safety.

DEPARTMENT OF PUBLIC WORKS,
TORONTO, June 3rd, 1905.

ALEXANDER FRASER, Esq.,
Provincial Archivist, Parliament Buildings.

DEAR SIR: In reply to your favor of this date in which you say you are often asked whether the vault recently constructed for your Department in the basement of the Parliament Buildings is fire and damp proof, I am pleased to be in a position to state that it is fire-proof and perfectly dry, as special care was taken in the construction to ensure both results. The ceiling is built entirely independent of the ceiling and floor above it, of concrete one and half a foot in thickness, reinforced with expanded metal, forming one solid slab, which is supported on steel beams encased with concrete. The strength of the floor is such that in case of fire there would not be any danger from falling beams or other materials breaking through, the concrete being able of sustaining a load of 275 lbs. to the super foot. This is the only type of construction which satisfactorily stood the test in the comparatively recent fire in Baltimore. Heavy brick and stone walls form the sides. The entrances are enclosed with double fire-proof doors and the windows with wrought iron shutters. To prevent dampness, the floor was constructed by first laying a layer of concrete 4 in in thickness on top. As a further precaution against dampness the outer wall has been plastered with cement on the outside; attention has also been paid to the heating, sufficient steam pipes being left to keep the temperature at about 65 degrees. You will, of course, understand that what I have said applies wholly to protection from the outside; the protection with the inside rests with yourself.

Yours truly,
(Signed) F. R. HEAKES,
The disposition of material in the vault is as follows:

North Side, A., contains printed documents originating with the Legislative Assembly of Ontario; the Ontario Government Departments; Public Institutions of Ontario. East Side, B., contains two series of shelving, one for material relating to the counties and cities of Ontario, and the other, for material relating to Ontario townships, villages and school sections. South Side, C., contains contributions from private collections relating to Ontario; Dominion and Imperial Government papers relating to Ontario. West Side, D., miscellaneous papers. Centre, E., extended through the centre of the vault, is a large stand of specially fitted drawers and shelving for the accommodation of newspaper fyles, &c., and the safe and convenient disposal of maps. The vault is well lighted from outside, and is supplied with desk and writing convenience, for the public, in cases where open documents are being examined or copied.

Scope of the Bureau of Archives: [Reproduced from First Report.]

(1) The Bureau is equally related and attached to all the Government Departments, and will receive papers and documents of historical interest, not in current use from all branches of the public service. When possible these documents will be classified and calendared.

The Bureau will devote attention to:

(2) The copying and printing of important Ontario records lying in the Canadian Archives at Ottawa, in the State Departments there and elsewhere.

(3) The collection of documents having, in the widest sense, a bearing upon the political or social history of Ontario, and upon its agricultural, industrial, commercial, and financial development.

(4) The collection of municipal, school and church records.

(5) The collection and preservation of pamphlets, maps, charts, manuscripts, papers, regimental muster rolls, etc., bearing on the past or present history of Ontario.

(6) The collection and preservation of facts illustrative of the early settlements of Ontario pioneer experience—customs, mode of living—prices—wages—boundaries—areas cultivated—homes, etc.

(7) The collection and preservation of correspondence—letters from and to settlers, documents in private hands pertaining to public and social affairs, etc., reports of local events and historic incidents in the family or public life.

(8) The rescuing from oblivion of the memory of the pioneer settlers, to obtain and preserve narratives of their early exploits, and of the part they took in opening up the country for occupation.

(9) Co-operation with the Historical Societies of Ontario and societies kindred to them, to help to consolidate and classify their work, and, as far as practicable, direct local effort on given lines.

The following plan of work has been adopted as one on which the various Archives can be easily classified and catalogued, viz.: To divide the history of Ontario until Confederation, 1867, into its political periods, arranging the material secured in chronological order, and giving each period a series of Reports. Thus, the work can be carried on in all the divisions simultaneously, and when sufficient material will have accumulated in any one of them, it can be utilized either by the publication of documents or calendars in the annual reports without undue delay. From Confederation onward, the larger quantity of
material to be dealt with, and the probable absence of sweeping constitutional changes to mark eras, suggest a chronological rather than a political basis of division. The periods are:

(1) 1763 To the close of the French Regime, or the period of French Discovery.

(2) 1791 To the organization of the Province of Upper Canada.

(3) 1841 To the Legislative Union of Upper and Lower Canada.

(4) 1867 To Confederation.

(5) 1900 To the end of the Nineteenth Century.

In each of these Divisions there is much work to be done. Each has its own distinctive feature, and there is abundance of minor incident.

(1) The French Regime includes the study of official records, printed and MS. books, pamphlets, correspondence, the reports and maps of early French and British explorers, traders and missionaries, soldiers and surveyors, down to the U. E. Loyalist immigration.

(2) In the period between 1763 to 1791 the feature is the Loyalist immigration, with its accompanying settlement, and the conditions and circumstances influencing the form of government adopted for Upper Canada.

(3) From the organization of the Province to 1841. Here we have properly the commencement of our Provincial history, the introduction of constitutional government; the work of the Legislature, some of whose early records are lost; the outbreak of the War of 1812; the progress of settlement, and the development of municipal, educational, and commercial institutions; the restiveness leading to the rising of 1837, and the concessions made to Responsible Government.

(4) The periods of Legislative Union. Immigration, settlement, and migration are prominent events; while the introduction of railways, the improvement of waterways, the settlement of many great political, educational, and ecclesiastical questions, lend to this period unusual importance.

(5) From Confederation onwards the periods suggested are fruitful of documentary history, but at such short range it is unnecessary to indicate the special events of unusual interest.

The extent and character of the documents thus collected would determine the arrangement of material for annual publication.

The documents published in this Report consist of Proclamations issued by the Governors and Lieutenent Governors of the Province of Quebec from 1769 to 1791, and of the Lieutenant Governors of Upper Canada, from A.D. 1792 to 1840, when Upper and Lower Canada were united.

It is to be regretted that the collection here given does not include all such Proclamations, so as to make it complete, and further search will be necessary in order to trace the missing ones.

In addition to the usual repositories of official documents, the Quebec Gazette, the British Parliamentary Papers pertaining to Canada, and the early newspapers of Canada were examined, with the view of extracting the Proclamations therein. The enquiry will be continued in whatever field offers, and the Bureau will gratefully receive any helpful information on the subject.
The value of these Proclamations is not only historical but official also, and that even one should be unproducible is a rather serious matter. It is therefore to be hoped that librarians or others possessing any of these, will deposit them in the Bureau of Archives, or, at least, permit authenticated transcripts to be made. Copies of the Upper Canada Gazette would be valuable contributions to the Provincial Archives. Complete sets are not known to be in existence, and as the Gazette were the chief media of official publication in this Province, it will be easily understood how great, in this respect, is the loss. The library of the Ontario Legislature possesses the largest number of volumes of the Upper Canada Gazette, but the issues for many years are entirely wanting. The following tables have been compiled, and are here given to assist in the work of completing, if possible, the collection. It will also be of service to the investigator. From 1809 to 1821 there are no entries; and those within that period bringing statutes into operation or dealing with other public business are meagrely represented in this volume:—

The Upper Canada Gazette or American Oracle, are in the Legislative Library from 18th April, 1793, to 25th April, 1807.

The York Gazette, from 2nd May, 1807, to 24th June, 1809.

The Upper Canada Gazette and U. E. Loyalist, printed together from 3rd June, 1826, to 24th May, 1828, when they continued separately.

The Loyalist, from 7th June, 1828, to 27th December, 1828.

The Upper Canada Gazette, from May 29th, 1828, to May 1st, 1845.

Following are the details of the volumes in the Ontario Legislative Library to 12th May, 1836, after which the volumes on hand (to 1845) are fairly complete:—

The four volumes of the *Upper Canada Gazette*, beginning Vol. XI., No. 1, May 19th, 1838, to the 7th May, 1840, in the library of the Ontario Legislature, from which the Proclamations in this Report for that period have been taken, are complete, and therefore the details, as above, are not given.

Since the above details were set in type a volume has been found entitled "Newspapers, Minor Series," which contains three numbers of the *Upper Canada Gazette*, published at York, U.C., viz., No. 56, dated 11th March, 1822; No. 57, 18th March, 1822; and No. 61, 15th April, 1822.

Also numbers of the first four volumes of the *Upper Canada Gazette* (New Series) and *Weekly Register* combined, published at York, U. C., viz.:

Vol. I, 1822, beginning with No. 1, dated 18th April, the following numbers being missing: No. 16, 1st Aug.; No. 17, 8th Aug.; No. 22, 12th Sept.; No. 23, 19th Sept.; No. 25, 3rd Oct.; No. 26, 10th Oct.; No. 27, 17th Oct.; No. 28, 24th Oct.; Nos. 30 to 37, from 7th Nov. to 26th Dec., 1822.

Vol. II, 1823, beginning on 2nd January; No. 1, January 2nd, and No. 2, Jan. 9th, are missing; No. 4, 23rd Jan.; No. 6, 6th Feb.; No. 11, 13th March; No. 13, 27th March, are also missing.

Vol. III, 1824, beginning with No. 1, dated 1st January, the following numbers being missing: No. 3, 19th Feb.; No. 24, 10th June; No. 25, 17th June; Nos. 28, 24th June; and Nos. 33 to 53, from 12th Aug. to 30th Dec., 1824.

Vol. IV., 1825, No. 50, dated 15th December; all the other numbers are missing. (See page xxiii.)

The Proclamations found in these volumes have been copied and published in this Report.

After the re-union of Upper and Lower Canada into the Province of Canada, the *Canada Gazette* was issued, beginning with No. 1 dated 2nd October, 1841, and was published at Kingston, U.C. The *Upper Canada Gazette*, however, was continued for some years, when the official and legal notices were withdrawn from it.
In 1849 an Act (120, Victoria, chap. 26), was passed to provide for the insertion of certain Official and Legal Notices in the Canada Gazette only, in the following terms:—

WHEREAS it would be more for the public convenience, if the Advertisements and Notices hereinafter mentioned were all inserted in the Canada Gazette, the circulation whereof is great and co-extensive with the Province, instead of some of them being inserted as they are now, in the said Canada Gazette, and others in the Quebec Gazette, published by Authority, or in the Upper-Canada Gazette, published by Authority, the circulation of both of which is limited and local: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, intituled, An Act to re-unite the Provinces of Upper and Lower-Canada, and for the Government of Canada, and it is hereby enacted by the authority of the same, That from and after such day as shall be fixed by Proclamation for this Act to come into force, as hereinafter provided, all advertisements, notices or publications, which by any Act or Law in force in this Province or in any part thereof, are required to be inserted by the Provincial Government or any Department thereof, or by any Sheriff or other Officer, or by any Municipal authority or in the Upper-Canada Gazette by Authority, shall not be inserted therein, but shall be inserted in the Canada Gazette, and being so inserted shall have the same effect to all intents and purposes whatsoever, as without this Act they would have had if inserted in the Quebec Gazette by Authority or in the Upper-Canada Gazette by Authority, for both of which the said Canada Gazette is hereby substituted, and to which the provisions of such Act or Law as aforesaid shall apply, as if it had been mentioned therein instead of the Gazettes aforesaid, or either of them; and if upon, or before the said day, any such advertisement, notice or publication shall have been inserted either in the said Quebec Gazette by Authority or the said Upper-Canada Gazette by Authority, for any period or number of times, and its insertion should be required under such Act or Law as aforesaid for a longer period or a greater number of times, then it shall be inserted in the said Canada Gazette for the remaining period or the remaining number of times, so as to make up the period or number of times required by such Act or Law.

II. And it shall be enacted, That this Act shall come into force, upon from and after such day as shall be appointed for that purpose in and by any Proclamation under the Great Seal that shall or may be issued for that purpose, and not before.

The Proclamation referred to in Sec. II, as above was issued on the 4th of Sept., 1849, as follows:

A Proclamation.

ROBERT BALDWIN, Attorney General.

WHEREAS at the session of our Provincial Parliament of Our Province of Canada, held at Our City of Montreal, on the Eighteenth day of January, in the twelfth year of Our Reign, and in the year of our Lord, one thousand eight hundred and forty-nine, there was passed amongst others a certain Act of the said Parliament, chaptered amongst the Public General Acts of the said Session as Chapter Twenty-six, and intituled, “An Act to provide for the insertion of certain Official and Legal Notices in the Canada Gazette only,” and in and by
which said Act it is amongst other things enacted, that the said Act shall come into force upon, from and after such day as shall be appointed for that purpose in and by any Proclamation under the Great Seal, that shall or may be issued for that purpose, and not before; And whereas We have thought fit, by and with the advice of Our Executive Council, of and for Our said Province, to fix Monday, the First day of October next, for such purpose. NOW KNOW YE, that by and with such advice as aforesaid, We have fixed and appointed, and by these presents do fix and appoint MONDAY, the first day of OCTOBER next, as the day upon, from and after which the said Act shall come into FULL FORCE and EFFECT; and We do hereby declare that upon, from and after the said first day of October aforesaid, the said Act of Parliament shall be and remain in full force and effect; Of all which premises all Our loving subjects, and all others whom it doth or may in any wise concern, are hereby required to take notice and to govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Our Said Province of Canada to be hereunto affixed; WITNESS, Our Right Trusty and Right Well-Beloved Cousin JAMES, EARL OF ELGIN AND KINCARDINE, Knight of the Most Ancient and Most Noble Order of the Thistle, Governor-General of British North America, and Captain-General and Governor-in-Chief in and over Our Provinces of Canada, Nova Scotia, New Brunswieck and the Island of Prince Edward, and Vice-Admiral of the same, &c, &c, &c. At Our Government House, in Our City of Montreal, in Our said Province, this FOURTH day of SEPTEMBER, in the year of Our Lord, one thousand eight hundred and forty-nine, and in the thirteenth day of Our Reign.

J. LESLIE, Secretary.

A number of portraits are given of Governors-General and Lieutenant-Governors by whom most of the proclamations in this volume were issued. Of these, Governor-General James Murray acted as Military Governor from 1760 to 1763, and as Governor-General from 1763 to 1767. Lord Dorchester was appointed Lieutenant-Governor and Acting Governor-General in 1766, and Governor-General in 1768, continuing until 1777, and resuming in 1786 to 1796. Governor-General Sir Frederick Haldimand was appointed Governor-General in 1778, and held office until 1784. Lieutenant-Governor Simcoe, as first Lieutenant-Governor of Upper Canada, issued his first Proclamation from Quebec on the 7th February, 1792. PART I.—OFFICIAL PROCLAMATIONS, ETC.

Proclamation. (31 Oct., 1760.)

By His Excellency Mr. James Murray, Governor of Quebec, etc.

Our chief object having been, in the government which it has pleased His Majesty to entrust to us, to ensure the administration of Justice to his new subjects, Canadian as well as French, settled in the town and neighbourhood of this Government, we have likewise thought it necessary to establish the form of procedure; to fix the day for our audiences, as well as those of our military council, which we have established in this town: to the end that every one may conform to it, in the causes that they may require to have judged at our courts, or such as we may think necessary to send to the said Council. For this reason, we have ruled and ordered by the present regulations as follows:

1st Article.—All complaints, or matters of civil or criminal interest shall be brought before us by petitions, or requests, addressed to us, which shall, however, be delivered to M. H. Cramahé, our secretary, who shall return them, so that the summons may then be delivered to the defendants by the first bailiff, so that they may appear to defend themselves in our Court, at the time appointed, regard being paid to the distance of the places.

2d Article.—The Court days shall be Tuesday in each week, from ten in the morning till noon, and they shall be held at our residence, beginning with next Tuesday, the 4th of November.

3rd Article.—The petitions, or requests which shall have been returned by our secretary, in the manner explained in the first article, having been served on the defendants, and the term allowed in the summons having expired, shall be re-delivered to our secretary, on the day before the hearing, that is to say, on the Monday, for the hearing of Tuesday; failing this, they shall not be judged, but shall be postponed till the next sitting.

4th Article.—The defendants, who shall have any papers or writings available for the defence of their cause, shall likewise be obliged to deliver them to our secretary, on the day before the hearing, otherwise judgment will be given on the demand of the plaintiff.

5th Article.—If the parties summoned have no writing to produce they shall be obliged to appear at our Court, on the day fixed, either in person or through an attorney, otherwise no plea will be allowed them in default, and in like manner judgment will be given, on the single summons which shall have been served on them, in order to avoid long lawsuits, and the increase of costs.

6th Article.—If the excessive amount of business does not allow the judging of all cases at a single sitting, they shall be postponed till the next one, and the parties shall be obliged to appear, without other summons.

7th Article.—Judgments which shall be delivered at our Residence at the Court, shall be executed without appeal, and the parties shall be compelled to give satisfaction according to what shall be decreed, with the exception of such cases as we may think fit to send to the Military Council to be tried; which shall be delivered to one of the Councillors whom we shall name, who will make his report to the Council, so that judgment may be given on the same for him to whom it shall belong.

1 ari. [1]
8th Article.—The Council of War shall assemble on the Wednesdays and Saturdays of each week, and shall be held in the house of M. de Beaujeu, rue St. Louis.

9th Article.—Judgments given in our Courts, as well as the military decrees, shall be inscribed on the register, by the registrar whom we have appointed for this purpose, and copies delivered by him to the parties.

10th Article.—All the above shall be executed, as well for the town as for the country; with the exception however of disputes that the habitants of the district may have amongst themselves, with respect to enclosures, damages, or other provisional cases, of which we authorize the commandant of the troops to take cognizance in each locality and try summarily, reserving appeals to the Military Council, if the case pertains thereto, and there is reason for it.

And the present regulation shall be read, published and posted in the usual places and precincts of this town, as well as in every part of this government, that no one may urge the plea of ignorance, and that all shall be compelled to conform to it; and we interdict all other courts and jurisdictions which may have been established as well in the town, as in the suburbs and country.

Executed and given under our seal, and countersigned by our secretary, at Quebec, the 31st October, 1760.

By His Excellency,
(Signed) H. T. Cramahe.

GEORGE R.

ROYAL PROCLAMATION.

(7 Oct., 1763.)

WHEREAS We have taken into Our Royal consideration the extensive and valuable acquisitions in America, secured to Our Crown by the late definitive Treaty of Peace, concluded at Paris the tenth day of February last; and being desirous that all our loving subjects, as well as of our Kingdoms as of our Colonies in America, may avail themselves, with all convenient speed, of the great benefits and advantages which must accrue therefrom to their commerce, manufactures, and navigation; We have thought fit, with the advice of our Privy Council, to issue this Our Royal Proclamation, hereby to publish and declare to all our loving subjects, that We have, with the advice of our said Privy Council, granted our Letters Patent, under our Great Seal of Great Britain, to erect within the Countries and Islands, ceded and confirmed to Us by the said Treaty, four distinct and separate Governments, stiled and called by the names of QUEBEC, EAST FLORIDA, WEST FLORIDA, and GRENADA, and limited and bounded as follows, viz.:

Firstly, The Government of Quebec, bounded on the Labrador Coast by the River Saint John, and from thence by a line drawn from the head of that River, through the Lake Saint John, to the south end of the Lake Nipissin; from whence the said line crossing the River Saint Lawrence, and the Lake Champlain in forty-five degrees of north latitude, passes along the high lands which divide the rivers that empty themselves into the said River Saint Lawrence, from those which fall into the sea, and also along the north coast of the Bay des Chaleurs, and the coast of the Gulf of Saint Lawrence to Cape Rosiers, and from thence crossing the mouth of the River Saint Lawrence by the west end of the Island of Anticosti, terminates at the aforesaid River Saint John.
Secondly. The Government of *East Florida*, bounded to the westward by the Gulf of *Mexico* and the *Apalachicola* River; to the northward by a line drawn from that part of the said river where the *Catahouchee* and *Flint* Rivers meet, to the source of *Saint Mary's* River, and by the course of the said river to the Atlantic Ocean and to the East and South by the Atlantic Ocean, and the Gulf of *Florida*, including all the islands within six leagues of the sea coast.

Thirdly. The Government of *West Florida*, bounded to the southward by the Gulf of *Mexico*, including all islands within six leagues of the coast from the River *Apalachicola* to Lake *Ponchartrain*, to the westward by the said lake, the Lake *Maurepas*, and the River *Mississippi*, to the northward by a line drawn East from that part of the River *Mississippi* which lies in thirty-one degree North latitude to the River *Apalachicola* or *Catahouchee*, and to the Eastward by the said river.

Fourthly. The Government of *Grenada*, comprehending the islands of that name, together with the *Grenadines*, and the Islands of *Dominico*, *Saint Vincent*, and *Tobago*.

And to the end that the open and free Fishery of our subjects may be extended to, and carried on, upon the coast of *Labrador* and the adjacent islands, we have thought fit, with the advice of our said Privy Council, to put all that coast from the River *Saint John's* to *Hudson's Straights*, together with the Islands of *Anticosti* and the *Magdeline*, and all smaller islands lying upon the said coast, under the care and inspection of our Governor of *Newfoundland*.

We have also, with the advice of our Privy Council, thought fit to annex the Islands of *Saint John* and *Cape Breton*, or *Isle Royale*, with the lesser islands adjacent thereto, to our Government of *Nova Scotia*.

We have also, with the advice of our Privy Council aforesaid, annexed to our Province of *Georgia* all the lands lying between the Rivers *Attamaha* and *Saint Mary's*.

And whereas it will greatly contribute to the speedy settling our said new Governments, that our loving subjects should be informed of our Paternal care for the security of the liberty and properties of those who are and shall become inhabitants thereof; we have thought fit to publish and declare, by this our Proclamation, that we have, in the Letters Patent under our Great Seal of *Great Britain*, by which the said Governments are constituted, given express power and direction to our Governors of our said colonies respectively, that so soon as the state and circumstances of the said colonies will admit thereof, they shall, with the advice and consent of the members of our Council, summon and call general assemblies within the said Governments respectively, in such manner and form as is used and directed in those colonies and provinces in *America* which are under our immediate government; and we have also given power to the said Governors, with the consent of our said Councils, and the Representatives of the people, so to be summoned as aforesaid, to make, constitute, and ordain Laws, Statutes, and Ordinances for the public peace, welfare and good government of our said colonies, and of the people and inhabitants thereof, as near as may be agreeable to the Laws of *England*, and under such regulations and restrictions as are used in other colonies; and in the meantime, and until such assemblies can be called as aforesaid, all persons inhabiting in or resorting to our said colonies may confide in our royal protection for the enjoyment of the benefit of the Laws of our Realm of *England*; for which purpose we have given power under our Great Seal to the Governors of the said colonies respectively, to erect and constitute, with the advice of our said Councils respectively,
courts of Judicature and public justice within our said colonies, for the hearing and determining all causes, as well criminal as civil, according to Law and Equity, and, as near as may be, agreeable to the Laws of England, with liberty to all persons, who may think themselves aggrieved by the sentence of such courts, in all civil cases, to appeal, under the usual limitations and restrictions, to us, in our Privy Council.

We have also thought fit, with the advice of our Privy Council as aforesaid, to give unto the Governors and Councils of our said three new colonies upon the continent, full power and authority to settle and agree with the inhabitants of our said new colonies or any other person who shall resort thereto, for such lands, tenements, and hereditaments as are now, or hereafter shall be, in our power to dispose of, and to grant to any such person or persons, upon such terms and under such moderate quit rents, services, and acknowledgements as have been appointed and settled in other colonies, and under such other conditions as shall appear to us to be necessary and expedient for the advantage of the grantees and the improvement and settlement of our said colonies.

And whereas we are desirous upon all occasions to testify our Royal sense and approbation of the conduct and bravery of the officers and soldiers of our armies, and to reward the same, We do hereby command and empower our Governors, of our said three new colonies, and other our Governors of our several provinces of the Continent of North America, to grant, without fee or reward, to such reduced officers and soldiers as have served in North America during the late war, and are actually residing there, and shall personally apply for the same, the following quantities of land, subject at the expiration of ten years, to the same quit rents as other lands are subject to in the province within which they are granted, as also subject to the same conditions of cultivation and improvement, viz.

We do likewise authorize and require the Governors and Commanders-in-Chief of all our said colonies upon the Continent of North America, to grant the like quantities of land, and upon the same conditions, to such reduced officers of our navy of like rank as served on board our ships of war in North America at the times of the reduction of Louisville and Quebec, in the late war, and who shall personally apply to our respective Governors for such grants.

And whereas it is just and reasonable, and essential to our interest, and the security of our colonies, that the several nations or tribes of Indians with whom we are connected, and who live under our protection, should not be molested or disturbed in the possession of such parts of our dominions and territories as, not having been ceded to us, are reserved to them, or any of them, as their hunting grounds; we do therefore, with the advice of our Privy Council, declare it to be our Royal will and pleasure that no Governor or Commander-in-Chief, in any of our Colonies of Quebec, East Florida or West Florida, do presume upon any pretence whatever, to grant warrants of survey, or pass any Patents for lands beyond the bounds of their respective Governments, as described in their commissions; as also that no Governor or Commander-in-Chief of our other colonies or plantations in America do
presume for the present, and until our further pleasure be known, to grant warrants of survey or pass any Patent for lands beyond the heads or sources of any of the rivers which fall into the Atlantic Ocean from the West or North-west; or upon any lands whatever which not having been ceded to, or purchased by us, as aforesaid, are reserved to the said Indians, or any of them.

And we do further declare it to be our Royal will and pleasure, for the present as aforesaid, to reserve under our sovereignty, protection, and dominion, for the use of the said Indians, all the land and territories not included within the limits, and territory granted to the Hudson's Bay Company; as also all the lands and territories lying to the Westward of the sources of the rivers which fall into the sea from the West and North-west as aforesaid; and we do hereby strictly forbid, on pain of our displeasure, all our loving subjects from making any purchases or settlements whatsoever, or taking possession of any of the lands above reserved without our special leave and license for that purpose first obtained.

And we do further strictly enjoin and require all persons whatsoever, who have either willfully or inadvertently seated themselves upon any lands within the countries above described, or upon any other lands, which, not having been ceded to or purchased by us, are still reserved to the said Indians as aforesaid, forthwith to remove themselves from such settlements.

And whereas great frauds and abuses have been committed in the purchasing lands of the Indians, to the great prejudice of our interests, and to the great dissatisfaction of the said Indians; in order, therefore, to prevent such irregularities for the future, and to the end that the Indians may be convinced of our justice and determined resolution to remove all reasonable cause of discontent, we do, with the advice of our Privy Council, strictly enjoin and require, that no private person do presume to make any purchase from the said Indians of any lands reserved to the said Indians within those parts of our colonies where we had thought proper to allow settlement; but if at any time any of the said Indians should be inclined to dispose of the said Lands, the same shall be purchased only for us, in our name at some public meeting or assembly of the said Indians, to be held for that purpose by the Governor or Commander-in-Chief of our colony respectively within which they shall lie; and in case they shall lie within the limits of any proprietaries, conformable to such directions and instructions as we or they shall think proper to give for that purpose: and we do, by the advice of our Privy Council, declare and enjoin, that the trade with the said Indians shall be free and open to all our subjects whatever; provided that every person who may incline to trade with the said Indians do take out a license for carrying such trade from the Governor or Commander-in-Chief of any of our colonies respectively, where such person shall reside, and also give security to observe such regulations as we shall at any time think fit, by ourselves or commissaries, to be appointed for this purpose, to direct and appoint for the benefit of the said trade; and we do hereby authorize, enjoin, and require the Governors and Commanders-in-Chief of all our colonies respectively, as well those under our immediate government, as those under the government and direction of proprietaries, to grant such licenses without fee or reward, taking especial care to insert therein a condition that such license shall be void, and the security forfeited, in case the person to whom the same is granted shall refuse or neglect to observe such regulations as we shall think proper to prescribe as aforesaid.

And we do further expressly enjoin and require all officers whatever, as well military as those employed in the management and direction of the
Indian affairs within the territories reserved, as aforesaid, for the use of the said Indians, to seize and apprehend all persons whatever, who standing charged with treason, misprision of treason, murder, or other felonies or misdemeanors, shall fly from justice and take refuge in the said territory, and to send them under a proper guard to the colony where the crime was committed of which they shall stand accused, in order to take their trial for the same.

Given at our Court, at St. James’s, the 7th day of October, one thousand seven hundred and sixty-three, in the third year of our reign.

GOD SAVE THE KING.

By His Excellency James Murray, Esq., Captain-General and Governor-in-Chief in and over the Province of Quebec and Territories depending thereon in America, Vice-Admiral of the same, Governor of the Town of Quebec and the Colonel-Commandant of the Second Division of the Royal American Regiment of Foot, etc., etc., etc.

A Proclamation. (7 Oct., 1763.)

Whereas His Majesty, by his Royal Proclamation, given at St. James’s, the seventh day of October, one thousand seven hundred and sixty-three, in the third year of his Reign, hath thought fit to declare and enjoin, That the Trade with the several nations or Tribes of Indians with whom he is connected, and who live under his protection, should be free and open to all his subjects whatever; Provided that every Person who may incline to trade with the said Indians do take out a license for Carrying on such a trade from the Governor or Commander-in-Chief of His Majesty’s Colonies respectively, where such person shall reside; and also give security to observe such regulations as His Majesty shall at any time think fit by His Royal Order, or by His Commissaries, to be appointed for that purpose, to direct and appoint for the Benefit of the same Trade; and that the Governors or Commanders-in-Chief of His said Colonies respectively should grant such Licenses without fee or reward, taking especial care to insert therein a Condition that such license shall be void and the security forfeited in case the Person to whom the same is granted shall refuse or neglect to observe such regulations as His Majesty shall think proper to prescribe as aforesaid. And whereas all Hostilities with the several Indian nations who lately appeared in arms against His Majesty are ceased, and a friendly intercourse between His Majesty’s subjects and them is thereby happily restored;

I have therefore thought fit, with the advice of His Majesty’s Council to issue this Proclamation, thereby notifying the Same, and Strictly Enjoining and Commanding all His Majesty’s subjects of this Province to forbear any Act of Hostility on the said Indians, or any or either of them. Hereby also declaring all intercourse and trade with the several Indian Nations living under His Majesty’s Protection, free and open to all His Subjects, under the restrictions mentioned in His Majesty’s said Royal Proclamation, and subject to such other regulations as shall hereafter be established by His Majesty, or His Commissaries, to be appointed for that Purpose. Provided that no person or persons whatsoever, until His Majesty’s further pleasure be known, do trade or traffic, vend or dispose of any Goods, Wares, or Merchandise, of any kind whatsoever, to any Indian or Indians within the
Country reserved for the Indians by Royal Proclamation, except in such
Ports or Posts already, or which shall hereafter be established by His
Majesty, and Garrisoned by His Troops, for which purpose Licenses will be
granted at the Secretary's Office in Quebec, and at that of his deputy at
Montreal: For the due observance thereof, every Trader is required to
enter into Bond for double the Value of the Goods upon Oath, and Specify
the Quantity of Arms and Ammunition they shall carry with them.

By His Excellency's Command.

J. GOLDFRAP, D. Secy.

GOD SAVE THE KING.

INSTRUCTIONS TO GOVERNOR MURRAY.

(7th Dec., 1763.)

GEORGE R.

Instructions to Our Trusty and Wellbeloved James Murray,
Esq., Our Captain General and Governor in Chief in and
over Our Province of Quebec in America, and of all Our
Territories dependent thereupon. Given at Our Court at
St James's the Seventh Day of December 1763 in the
Fourth Year of Our Reign.

1. With these Our Instructions You will receive Our Commission
under Our Great Seal of Great Britain, constituting You Our Captain
General and Governor in Chief in and over Our Province of Quebec in
America, bounded on the Labrador Coast by the River St John, and from
thence by a Line drawn from the Head of that River through the Lake St
John to the South End of the Lake Nipissin; from whence the said Line
crossing the River St Lawrence and the Lake Champlain in forty five
Degrees of North Latitude, passes along the High Lands, which divide the
Rivers that empty themselves into the said River St Lawrence, from those
which fall into the Sea; and also along the North Coast of the Baye des
Chaleurs and the Coast of the Gulph of St Lawrence to Cape Rosieres, and
from thence crossing the Mouth of the River St Lawrence by the West End
of the Island of Anticosti, terminates at the aforesaid River St John: You
are therefore to take upon You the Execution of the Office and Trust We
have reposed in You, and the Administration of Government, and to do
and execute all Things in due manner that shall belong to your Command,
according to the several Powers and Authorities of Our said Commission
under Our Great Seal of Great Britain, and these Our Instructions to You,
or according to such further Powers and Instructions as shall at any Time
hereafter be granted or appointed You under Our Signet and Sign Manual,
or by Our Order in Our Privy Council.

2. And You are, with all due Solemnity, to cause Our said Commission
to be published at Quebec, which We do appoint to be the Place of your
Residence and the principal Seat of Government, in the Districts of Mon-
treal and Trois Rivieres, and in such other parts of your Government as
You shall think necessary and expedient, as soon as possible; which being
done, You are in the next place to nominate and establish a Council for
Our said Province, to assist You in the Administration of Government,
which Council is, for the present, to be composed of the Persons, whom
We have appointed to be Our Lieutenant Governors of Montreal and Trois Rivieres, Our Chief Justice of Our said Province, and the Surveyor General of Our Customs in America for the Northern District, and eight other Persons to be chosen by You from amongst the most considerable of the Inhabitants of, or Persons of Property in Our said Province; which Persons so nominated and appointed by You as aforesaid, (Five of which We do hereby appoint to be a Quorum), are to be Our Council for Our said Province, and to have and enjoy all the Powers, Privilege and Authority usually exercised and enjoyed by the Members of Our Councils in Our other Plantations, and also such others as are contained in Our said Commission under Our Great Seal of Great Britain, and in these Our Instructions to You; and they shall meet together at such Time or Times, Place or Places, as You, in your Discretion, shall think necessary and expedient: It is nevertheless Our Will and Pleasure, that the said Chief Justice, or Surveyor General of Our Customs, shall not be capable of taking the Administration of the Government upon the Death or Absence of You Our Governor, or the Commander in Chief for the Time being.

3. And You are forthwith to call Our said Council together, or such of them as can be conveniently assembled, and to cause Our said Commission to You to be read at such Meeting; which being done, You shall then take yourself, and also administer to Our Lieutenant Governors respectively, and to the Members of Our said Council, the Oaths mentioned in an Act, passed in the first Year of the Reign of His Majesty King George the First, intituled, "An Act for the further Security of His Majesty's Person and Government, and the Succession of the Crown in the Heirs of the late Princess Sophia, being Protestants, and for extinguishing the Hopes of "the pretended Prince of Wales, and his open and secret Abettors:"—as also to make and subscribe, and cause them to make and subscribe the Declaration mentioned in an Act of Parliament made in the Twenty fifth Year of the Reign of King Charles the Second, intituled, "An Act for preventing Dangers which may happen from Popish Recusants." And You and every one of Them are likewise to take an Oath for the due Execution of your and their Places and Trusts, with regard to your and their equal and impartial Administration of Justice;—and You are also to take the Oath required by an Act passed in the seventh and eighth Years of the Reign of King William the Third to be taken by Governors of Plantations, to do their utmost that the Laws relating to the Plantations be observed.

4. And You are forthwith to transmit unto Our Commissioners for Trade and Plantations, in order to be laid before Us for Our Approbation or Disallowance, the Names of the Members of the Council so to be appointed by You, as aforesaid; as also a List of the Names and Characters of Eight other Persons in Our said Province, whom You judge properly qualified to serve in that Station; to the End that, if any of the Persons appointed by You, as aforesaid, shall not be approved and confirmed by Us, under Our Signet and Sign Manual, the Place or Places of such Persons so disapproved may be forthwith supplied from the said List, or otherwise, as We shall think fit.

5. And if it shall at any time happen, that, by the Death, Departure out of Our said Province, Suspension of any of Our said Councillors, or otherwise, there shall be a Vacancy in Our said Council, Our Will and Pleasure is, that You signify the same to Our Commissioners for Trade and Plantations by the first Opportunity, that We may, under Our Sign Manual, constitute and appoint Others in their stead; to which End, You are, whenever such Vacancy happens, to transmit to Our said Commission-
ers, in order to be laid before Us, the Names of three or more Persons, Inhabitants of Our said Province, whom You shall esteem best qualified for such Trust.

6. But that Our affairs may not suffer for want of a due Number of Councillors, if ever it shall happen, that there be less than Seven residing in Our said Province, We do hereby give and grant unto You, the said James Murray, full Power and Authority to chuse as many Persons out of the principal Inhabitants of Our said Province, as will make up the full Number of the Council to be Seven, and no more; which Persons, so chosen and appointed by You, shall be, to all Intents and Purposes, Councillors in Our said Province, till either they shall be confirmed by Us, or, by the Nomination of Others by Us, under Our Signet and Sign Manual, Our said Council shall have Seven or more Persons in it.

7. And it is Our Will and Pleasure, that You do, and You are hereby authorized and empowered to suspend and remove any of the Members of Our said Council from sitting, voting, and assisting therein, if You shall find just Cause for so doing; (and also in like manner to suspend any of Our Lieutenant Governors of Our said Province from the Execution of their Commands), and to appoint Others in their stead, until Our Pleasure shall be known. It is nevertheless Our Will and Pleasure that You do not suspend or remove any of the Lieutenant Governors of Our said Province respectively, or any of the Members of Our Council, when they shall have been confirmed by Us, as aforesaid, without good and sufficient Cause, nor without the Consent of the Majority of the said Council, signified in Council, after due Examination of the Charge against such Lieutenant Governor, or Councillor, and his Answer thereunto; and in case of Suspension of any of them, You are to cause your Reasons for so doing, together with the Charges and Proofs against such Person, and his Answer thereunto, to be duly entered upon the Council Books, and forthwith to transmit Copies thereof to Our Commissioners for Trade and Plantations, in order to be laid before Us; nevertheless if it should happen, that You have Reasons for suspending any of the said Persons, not fit to be communicated to the Council, You may in that Case suspend such Person without the Consent of said Council; but You are thereupon immediately to send to Our Commissioners for Trade and Plantations, in order to be laid before Us, an Account of your Proceedings therein, together with your Reasons at large for such Suspension, as also your Reasons at large for not communicating the same to the Council; and Duplicates thereof by the next Opportunity.

8. Whereas We are sensible, that effectual Care ought to be taken to oblige the Members of the Council to a due Attendance therein, in order to prevent the many Inconveniences that may happen from the Want of a Quorum of the Council, to transact Business as Occasion may require; It is Our Will and Pleasure, that if any of the Members of Our said Council shall hereafter absent themselves from the said Province, and continue absent above the Space of six Months together, without Leave from You, or from Our Commander in Chief of Our said Province for the time being, first obtained under your or his hand and seal; or shall remain absent for the Space of one Year, without Our Leave given them under Our Royal Signet and Sign Manual, their Place or Places in the said Council shall immediately thereupon become Void: and that, if any of the Members of Our said Council, then residing in the Province under your Government, shall hereafter wilfully absent themselves, when duly summoned, without
a just and lawful Cause, and shall persist therein after Admonition, You suspend the said Councillors so absenting themselves till Our further Pleasure be known, giving Us timely Notice thereof: And We do hereby will and require You, that this Our Royal Pleasure be signified to the several Members of Our Council aforesaid, and entered in the Council Books of Our Province under your Government, as a standing Rule—

9. You are forthwith to communicate such and so many of these Our Instructions to Our said Council, wherein their Advice and Consent are mentioned to be requisite; as likewise all such others, from time to time, as You shall find convenient for Our Service to be imparted to them.

10. You are to permit the Members of Our said Council to have and enjoy Freedom of Debate and Vote, in all Affairs of public Concern that may be debated in Council.

11. And whereas it is directed, by Our Commission to You under Our great Seal that so soon as the Situation and Circumstances of Our said Province will admit thereof, You shall, with the Advice of Our Council summon and call a General Assembly of the Freeholders in Our said Province, You are therefore, as soon as the more pressing Affairs of Government will allow to give all possible attention to the carrying of this important Object into Execution: But, as it may be impracticable for the present to form such an Establishment, You are in the mean time to make such Rules and Regulations, by the Advice of Our said Council, as shall appear to be necessary for the Peace, Order and good Government of Our said Province, taking Care that nothing be passed or done, that shall any ways tend to affect the Life, Limb or Liberty of the Subject, or to the imposing any Duties or Taxes; and that all such Rules and Regulations be transmitted to Us, by the first Opportunity after they are passed and made, for Our Approbation or Disallowance. And it is Our Will and Pleasure, that when an Assembly shall have been summoned and met, in such manner as You, in your Discretion, shall think most proper, or as shall be hereafter directed and appointed, the following Regulations be carefully observed in the framing and passing all such Laws, Statutes and Ordinances, as are to be passed by You, with the Advice and Consent of Our said Council and Assembly; Viz:

That the Style of Enacting the said Laws, Statutes and Ordinances be by the Governor, Council, and Assembly, and no other;—

That each different Matter be provided for by a different Law, without including in one and the same Act such Things as have no proper Relation to each other;—

That no Clause be inserted in any Act or Ordinance, which shall be foreign to what the Title of it imports; and that no perpetual Clause be part of any temporary Law;—

That no Law or Ordinance whatever be suspended, altered, continued, revived, or repealed by general Words; but that the Title and Date of such Law or Ordinance be particularly mentioned in the enacting part;—

That no Law or Ordinance, respecting private Property, be passed without a Clause suspending it's Execution, until Our Royal Will and Pleasure is known; nor without a Saving of the Right of Us, Our Heirs and Successors, and of all Bodies politic and corporate, and of all Persons, except such as are mentioned in the said Law or Ordinance, and those claiming by, from, and under them; and before such Law or Ordinance is passed, Proof must be made before You, in Council, and entered in the Council Books, that public Notification was made of the Party's Intention
to apply for such Act in the several Parish Churches, where the Lands in Question lie, for three Sundays at least successively before any such Law or Ordinance shall be proposed; and You are to transmit, and annex to the said Law, or Ordinance, a Certificate under your hand, that the same passed through all Forms abovementioned;—

That in all Laws or Ordinances for levying Money, or imposing Fines, Forfeitures or Penalties, express mention be made, that the same is granted or reserved to Us, Our Heirs and Successors, for the public Uses of the said Province, and the Support of the Government thereof, as by the said Law, or Ordinance shall be directed; and that a Clause be inserted, declaring, that the Money arising by the Operation of the said Law, or Ordinance shall be accounted for unto Us in this Kingdom, and to Our Commissioners of Our Treasury, or Our High Treasurer for the time being, and audited by Our Auditor General of Our Plantations, or his Deputy;—

That all such Laws, Statutes and Ordinances be transmitted by You within three Months after their passing, or sooner, if Opportunity offers, to Our Commissioners for Trade and Plantations; that they be fairly abstracted in the Margents, and accompanied with very full and particular Observations upon each of them, that is to say, whether the same is intro ductive of a new Law, declaratory of a former Law, or does repeal a Law then before in being; and you are also to transmit, in the fullest manner, the Reasons and Occasion for enacting such Laws, or Ordinances, together with fair Copies of the Journals of the Proceedings of the Council and Assembly, which You are to require from the Clerks of the said Council and Assembly.

12. And to the end that nothing may be passed or done to the Prejudice of the true Interests of this Our Kingdom, the just Rights of Us, Our Heirs and Successors, or the Property of Our Subjects; it is Our express Will and Pleasure, that no Law whatever, which shall in any wise tend to affect the Commerce or Shipping of this Kingdom, or which shall any ways relate to the Rights and Prerogative of Our Crown, or the Property of Our Subjects, or which shall be of an unusual or extraordinary Nature, be finally ratified and assented to by You, until You shall have first transmitted a Draught of such Law, and shall have received Our Directions thereupon, unless You take care, that a Clause be inserted, suspending and deferring the Execution thereof, until Our Pleasure is known concerning the same.

13. And whereas Laws have formerly been enacted in several of Our Plantations in America for so short a time, that Our Royal Assent or Refusal thereof could not be had before the Time, for which such Laws were enacted, did expire; You shall not give your Assent to any Law, that shall be enacted for a less Time than two Years, except in Cases of imminent Necessity, or immediate temporary Expediency; and You shall not reenact any Law, to which Our Assent shall have been once refused, without express Leave for that purpose first obtained from Us, upon a full Representation by You to be made to Our Commissioners for Trade and Plantations, in order to be laid before Us, of the Reasons and Necessity for passing such Law; nor give your Assent to any Law for repealing any other Law, which shall have passed in your Government, and shall have received Our Royal Approbation, unless You take Care that there be a Clause inserted therein, suspending and deferring the Execution thereof, until Our Pleasure shall be known concerning the same.

14. And We do particularly require You to take Care, that fair Books of Accounts of all Receipts and Payments of all Publick Money be duly
kept, and the Truth thereof attested upon Oath; and that all such Accounts be audited, and attested by Our Auditor General of Our Plantations, or his Deputy, who is to transmit Copies thereof to Our Commissioners of Our Treasury, or to Our High Treasurer, for the time being; and that You do, every half Year or oftener, send another Copy thereof, attested by yourself, to Our Commissioners for Trade and Plantations, and Duplicate thereof by the next Conveyance; in which Books shall be specified every particular Sum raised or disposed of, together with the Names of the Persons to whom any Payment shall be made; to the end We may be satisfied of the right and due Application of the Revenue of Our said Province, with the Probability of the Increase or Diminution of it under every Head and Article thereof.

15. And whereas the Members of several Assemblies in the Plantations have frequently assumed to themselves Privileges no ways belonging to them, especially of being protected from Suits at Law during the Term they remain of the Assembly, to the great Prejudice of their Creditors and the Obstruction of Justice; and some Assemblies have presumed to adjourn themselves at Pleasure, without Leave from Our Governor first obtained; and Other have taken upon them the sole framing of Money Bills, refusing to let the Council alter or amend the same; all which Practices are very detrimental to Our Prerogative; If therefore You find, that the Members of the Assembly of Our Province of Quebec insist upon any of the said Privileges, You are to signify to them that it is Our express Will and Pleasure, that You do not allow any Protection to any Member of the Council or Assembly, further than in their Persons, and that only during the Sitting of the Assembly; and that You do not allow them to adjourn themselves otherwise than de die in diem, except Sundays and Holy-days, without Leave from You, or the Commander in Chief for the time being, first obtained; It is also our further Pleasure, that the Council have the like Power of framing Money Bills as the Assembly.

16. And whereas by Our aforesaid Commission under Our Great Seal of Great Britain, You are authorized and impowered, with the Advice and Consent of Our Council, to constitute and appoint Courts of Judicature and Justice: it is therefore Our Will and Pleasure, that You do, as soon as possible, apply your Attention to these great and important Objects; and that, in forming the necessary Establishments for this purpose, You do consider what has taken place in this respect in Our other Colonies in America, more particularly in Our Colony of Nova Scotia.

17. And whereas it is for the Ease, Satisfaction and Benefit of all Our Subjects, that Appeals should be allowed, in all Civil Causes, from the Courts in Our Plantations; it is therefore Our Will and Pleasure, that, when the several Courts and Offices necessary for the Administration of Justice shall have been settled, appointed and confirmed, in Consequence of the Power vested in You by Our Commission under Our Great Seal and by these Our Instructions, You do, as near as different Circumstances will admit, conform yourself to the Regulations prescribed in the Instructions given to Our Governor of Nova Scotia in respect to such Appeals, Copies of which Instructions are hereunto annexed.

18. You are, with the Advice and Consent of Our Council in the Province under your Government, to take especial Care to regulate all Salaries and Fees belonging to Places, or paid upon Emergencies, that they be within the Bounds of Moderation, and that no Exaction be made on any Occasion whatsoever; as also that Tables of all Fees be publicly hung up
in all Places where such Fees are to be paid; and You are to transmit Copies of all such Tables of Fees to Our Commissioners for Trade and Plantations, in order to be laid before Us.

19. It is Our express Will and Pleasure, that You do, by the first Opportunity, and with all convenient Speed, transmit unto Us, by Our Commissioners for Trade and Plantations, authentic Copies of all Acts, Orders, Grants, Commissions or other Powers, by Virtue of which any Courts, Offices, Jurisdictions, Pleas, Authorities, Fees and Privileges have been settled or established, for Our Confirmation or Disallowance; and in case all or any of them shall, at any time or times, be disallowed and not approved, then such and so many as shall be so disallowed and not approved, and so signified by Us, shall cease, determine, and be no longer continued or put in Practice.

20. You shall not appoint any Person to be a Judge or Justice of the Peace, without the Advice and Consent of the Majority of the Members of Our Council, present in Council; nor shall You execute yourself, or by Deputy, any of the said Offices; and it is Our further Will and Pleasure, that all Commissions, to be granted by You, to any Person or Persons to be Judges or Justices of the Peace, or other necessary Officers, be granted during Pleasure only.

21. You shall not displace any of the Judges, Justices of Peace, or other Officers or Ministers, without good and sufficient Cause, which You shall signify in the fullest and most distinct manner to Our Commissioners for Trade and Plantations, in order to be laid before Us, by the first Opportunity after such Removals.

22. And whereas frequent Complaints have heretofore been made of great Delays and undue Proceedings in the Courts of Justice in several of Our Plantations, whereby many of Our good Subjects have very much suffered; and it being of the greatest Importance to Our Service, and to the Welfare of Our Plantations, that Justice be every where speedily and duly administered, and that all Disorders, Delays, and other undue Practices in the Administration thereof, be effectually prevented; We do particularly require You to take especial Care, that in all Courts, where You are authorized to preside, Justice be impartially administered; and that in all other Courts, established within Our said Province, all Judges, and other Persons therein concerned, do likewise perform their several Duties without any Delay or Partiality.

23. You are to take Care, that all Writs be issued in Our Name throughout the Province under your Government.

24. Whereas there are several Offices in Our Plantations granted under the Great Seal of Great Britain, and Our Service may be very much prejudiced by reason of the Absence of the Patentees, and by their appointing Deputies not fit to officiate in their Stead; You are therefore to inspect such of the said Offices as are in the Province under your Government, and to enquire into the Capacity and Behaviour of the Persons exercising them, and to report thereupon, to Our Commissioners for Trade and Plantations, what you think fit to be done or altered in relation thereto; and you are, upon the Misbehaviour of any of the said Patentees or their Deputies, to suspend them from the Execution of their Office, till you shall have represented the whole Matter unto Us, and received Our Directions therein; And in case of the Death of any such Deputy, it is Our express Will and Pleasure, that You take Care that the Person appointed to execute the Place, until the Patentee can be informed thereof and appoint another Deputy,
do give sufficient Security to the Patentee, or, in case of Suspension, to the Person suspended, to be answerable to him for the Profits accruing during such Interval by Death, or during such Suspension, in case We shall think fit to restore the Person suspended to his Place again. It is nevertheless Our, Will and Pleasure, that the Person executing the Place during such Interval by Death or Suspension, shall, for his Encouragement, receive the same Profits as the Person dead, or suspended did receive; And it is Our further Will and Pleasure, that, in case of a Suspension of a Patentee, the Person appointed by you to exercise the Office during such Suspension, shall receive a Moiety of the Profits which would otherwise become due to such Patentee, giving Security to such Patentee to be answerable to him for the other Moiety, in case We shall think fit to restore him to his Office again; and it is Our further Will and Pleasure, that you do countenance and give all due Encouragement to all Our Patent Officers in the Enjoyment of their legal and accustomed Fees, Rights, Privileges and Emoluments, according to the true Intent and Meaning of their Patents.

25. You are not, by Colour of any Power or Authority hereby or otherwise granted, or mentioned to be granted unto you, take upon you to give, grant or dispose of any Office or Place within Our said Province, which now is or shall be granted under the Great Seal of this Kingdom, or to which any Person is or shall be appointed by Warrant under Our Signet and Sign Manual, any further than that you may, upon the Vacancy of any such Office or Place, or upon the Suspension of any such Officer by You, as aforesaid, put in any fit Person to officiate in the interval, till you shall have presented the Matter unto Our Commissioners for Trade and Plantations, in order to be laid before Us, as aforesaid, (which You are to do by the first Opportunity,) and till the said Office or Place be disposed of by Us, Our Heirs or Successors, under the Great Seal of this Kingdom, or until some Person shall be appointed thereto by Warrant under Our Signet and Sign Manual, or Our further Directions be given therein.

26. And whereas several Complaints have been made by the Surveyor General, and other Officers of Our Customs in Our Plantations in America, that they have frequently been obliged to serve as Jurors, and personally to appear in Arms whenever the Militia is drawn out, and thereby are much hindered in the Execution of their Employments; Our Will and Pleasure is, that You take effectual Care, and give the necessary Directions, that the several Officers of Our Customs be excused and exempted from serving on any Juries, or personally appearing in Arms in the Militia, unless in case of absolute Necessity, or serving any parochial Offices, which may hinder them in the Execution of their Duty.

27. And whereas the Surveyor General of Our Customs in the Plantations are impowered, in case of the Vacancy of any of Our Offices of the Customs by Death, Removal, or otherwise, to appoint other Persons to execute such Offices, until they receive Directions from Our Commissioners of the Treasury, or Our High Treasurer, or Commissioners of Our Customs, for the time being; but in regard the Districts of Our said Surveyors General are very extensive, and that they are required at proper times to visit the Offices in the several Governments under their Inspection; and that it might happen that some of the Officers of Our Customs in the Province under your Government may die, at the Time when the Surveyor General is absent in some distant Part of his District, so that he cannot receive Advice of such Officer's Death within a reasonable Time, and thereby make Provision for carrying on the Service, by appointing some other Person in the room of such Officer who may happen to die; therefore, that there be
no Delay given on such Occasion to the Masters of Ships or Merchants in their Dispatches, it is Our further Will and Pleasure, in case of such Absence of the Surveyor General, or if he should happen to die, and in such Cases only, that, upon the Death of any Collector of Our Customs within Our said Province, You, or, in your Absence, our Lieutenant Governor or Commander in Chief, shall make Choice of a Person of known Loyalty, Experience, Diligence and Fidelity, to be Employed in such Collector’s room, for the Purposes aforesaid, until the Surveyor General of Our Customs shall be advised thereof, and appoint another to succeed in such Place, and that further Directions shall be given therein by Our Commissioners of Our Treasury, or Our High Treasurer, or by the Commissioners of Our Customs, for the time being, which shall be first signified; taking care that You do not, under any Pretence of this Instruction, interfere with the Powers and Authorities given by the Commissioners of Our Customs to the said Surveyors General, when they are able to put the same in Execution.

28. And whereas We have stipulated, by the late Definitive Treaty of Peace concluded at Paris the 10th Day of February 1763, to grant the Liberty of the Catholick Religion to the Inhabitants of Canada, and that We will consequently give the most precise and most effectual Orders, that Our new Roman Catholick Subjects in that Province may profess the Worship of their Religion, according to the Rites of the Romish Church, as far as the Laws of Great Britain permit; It is therefore Our Will and Pleasure, that you do, in all things regarding the said Inhabitants, conform with great Exactness to the Stipulations of the said Treaty in this respect.

29. You are, as soon as possible, to summon the Inhabitants to meet together, at such Time or Times, Place or Places, as you shall find most convenient, in order to take the Oath of Allegiance, and make and subscribe the Declaration of Abjuration mentioned in the aforesaid Act passed in the first Year of the Reign of King George the First, for the further Security of His Majesty’s Person and Government, and the Succession of the Crown in the Heirs of the late Princess Sophia, being Protestants, and for extinguishing the hopes of the pretended Prince of Wales, and his open and secret Abettors; which Oath shall be administered to them by such Person or Persons as you shall commissionate for such Purpose; and in case any of the said French Inhabitants shall refuse to take the said Oath, and make and subscribe the Declaration of Abjuration, as aforesaid, You are to cause them forthwith to depart out of Our said Government.

30. And it is Our further Will and Pleasure, that all such Inhabitants, professing the Religion of the Romish Church, do, at all such Meetings, or at such other Time or Times as You shall think proper, and in the Manner you shall think least alarming and inconvenient to the said Inhabitants, deliver in upon Oath an exact Account of all Arms and Ammunition, of every Sort in their actual Possession, and so, from time to time, of what they shall receive into their Possession, as aforesaid.

31. You are as soon as possible to transmit to Us, by Our Commissioners for Trade and Plantations, an exact and particular Account of the Nature and Constitution of the several Religious Communities of the Romish Church, their Rights, Claims, Privileges and Property, and also the Number, Situation and Revenue of the several Churches heretofore established in Our said Province, together with the Number of Priests or Curates officiating in such Churches.
32. You are not to admit of any Ecclesiastical Jurisdiction of the See of Rome, or any other Ecclesiastical Jurisdiction whatsoever in the Province under your Government.

33. And to the End that the Church of England may be established both in Principles and Practice, and that the said Inhabitants may by Degrees be induced to embrace the Protestant Religion, and their Children be brought up in the Principles of it; We do hereby declare it to be Our Intention, when the said Province shall have been accurately surveyed, and divided into Townships, Districts, Precincts or Parishes, in such manner as shall be hereinafter directed, all possible Encouragement shall be given to the erecting Protestant Schools in the said Districts, Townships and Precincts, by settling, appointing and allotting proper Quantities of Land for that Purpose, and also for a Glebe and Maintenance for a Protestant Minister and Protestant School-Masters; and you are to consider and report to Us, by Our Commissioners for Trade and Plantations, by what other Means the Protestant Religion may be promoted, established and encouraged in Our Province under your Government.

34. And You are to take especial Care, that God Almighty be devoutly and duly served throughout your Government, the Book of Common Prayer, as by Law established, read each Sunday and Holyday, and the blessed Sacrament administered according to the Rites of the Church of England.

35. You are not to prefer any Protestant Minister to any Ecclesiastical Benefice in the Province under your Government, without a Certificate from the Right Reverend Father in God the Lord Bishop of London, of his being conformable to the Doctrine and Discipline of the Church of England, and of a good Life and Conversation; And if any Person hereafter preferred to be a Benefice shall appear to you to give Scandal, either by his Doctrine or Manners, you are to use the best Means for his Removal.

36. You are to give Orders forthwith, that every Orthodox Minister within your Government be one of the Vestry in his respective Parish; and that no Vestry be held without him, except in case of Sickness, or, after Notice of a Vestry summoned, he omit to come.

37. And to the End that the Ecclesiastical Jurisdiction of the Lord Bishop of London may take place in Our Province under your Government, as far as conveniently may be, We do think fit, that You give all Countenance and Encouragement to the Exercise of the same, excepting only the collating to Benefices, granting Licenses for Marriage, and Probates of Wills, which We have reserved to You, Our Governor, and to the Commander in Chief of Our said Province for the time being.

38. And We do further direct, that no Schoolmaster, who shall arrive in Our said Province from this Kingdom, be henceforward permitted to keep School, without the Licence of the said Lord Bishop of London; and that no other Person now there, or that shall come from other Parts, shall be admitted to keep School in your Government, without your License first obtained.

39. And You are to take especial Care, that a Table of Marriages, established by the Canons of the Church of England, be hung up in all Places of publick Worship, according to the Rites of the Church of England.

40. And it is Our further Will and Pleasure, that, in order to suppress, as much as in you lies, every Species of Vice and Immorality, You forthwith, do cause all Laws already made against Blasphemy, Profaneness, Adultery, Fornication, Polygamy, Incest, Profanation of the Lord's
Day, Swearing and Drunkenness, to be vigorously put in Execution in every part of your Government; And that you take due Care for the Punishment of these, and every other Vice and Immorality, by Presentment upon Oath to be made to the Temporal Courts, by the Church Wardens of the several Parishes, at proper Times of the year to be appointed for that Purpose; and, for the further Discouragement of Vice, and Encouragement of Virtue and good living, (that by such Examples the Infidels may be invited and persuaded to embrace the Christian Religion, You are not to admit any Persons to publick Trusts and Employments in the Province under your Government, whose Ill-Fame and Conversation may occasion Scandal.

41. And whereas it is stipulated by the aforesaid Treaty concluded at Paris the 10th Day of February 1763, that the French Inhabitants, or Others, who have been Subjects of the Most Christian King in Canada, may retire with all Freedom and Safety wherever they shall think proper, and may sell their Estates, provided it be to Our Subjects, and bring away their Effects, as well as their Persons, without being restrained in their Emigration under any Pretence whatsoever, except that of Debts, or criminal Prosecution, and that the Time limited for the Emigration shall be fixed to the Space of Eighteen Months, to be computed from the Day of the Exchange of the Ratifications of the Treaty; You are therefore in all things to conform yourself to this Stipulation, and to take care, that such of the French Inhabitants as intend to remove within the Time limited, be not obstructed or impeded, provided they do not sell their Estates to Others than His Majesty’s Subjects, and that, so long as they remain under your Government, they do in all things conform thereto in like manner as Our other Subjects.

42. And it is Our further Will and Pleasure, that all and every the French Inhabitants in Our said Province, who are now possessed of Lands within the said Province, in virtue of Grants or Concessions made before the signing of the Preliminary Articles of Peace on the Third Day of November 1762; do, within such limited Time as you in your Discretion shall think fit, register the several Grants, or other Deeds or Titles, by which they hold or claim such Lands, in the Secretary’s Office; which said Grants, Deeds or other Titles, shall be entered at large in the said Office, so that the particular Quantity of Land, its Site and Extent, the Conditions upon which it is granted, either as to Rents, Services, or Cultivation, may appear fully and at length.

43. And in case it shall appear, upon a strict and accurate Examination of the said Grants and Title Deeds, to be taken in such manner as You shall think proper, that any of the Grantees, or Persons claiming Lands under such Grants and Title Deeds, are in Possession of more Land than is contained within such Grants or other Concessions; or that the Terms and Conditions, upon which the Lands were granted, have not been complied with, agreeable to what is stipulated in such Grants or Concessions; It is Our Will and Pleasure, that you forthwith represent the same to Us, by Our Commissioners for Trade and Plantations, to the End that you may receive such Directions thereupon, as the Nature and Circumstances of the Case shall appear to require.

44. And whereas it is necessary, in order to the advantageous and effectual Settlement of Our said Province, that the true State of it should be fully known; You are therefore, as soon as conveniently may be, to cause an accurate Survey to be made of the said Province by such able and skilful Person as is or shall be appointed for that Service, who is to report
to you in writing, for your Judgment in the Measures which you may in
general pursue for the making of Settlements, not only the Nature and
Quality of the Soil and Climate, the Rivers, Bays and Harbours, and every
other Circumstances attending the natural State of it; but also his opinion,
in what manner it may be most conveniently laid out into Counties, and to
annex to his Report a Map of such Survey, with the several Divisions pro-
posed marked upon it: But as the Making such Survey will be a Work of
great Length, You are in the meantime to carry on Settlements upon that
Plan, which shall appear to you to be most expedient from the best In-
formation You can collect.

45. And whereas it has been found by Experience, that the settling
Planters in Townships hath very much redounded to their Advantage, not
only with respect to the Assistance they have been able to afford Each other
in their civil Concerns, but likewise with regard to the Security they have
thereby acquired against the Insults and Incursions of neighbouring In-
dians, or other Enemies; You are therefore to lay out Townships of a con-
venient Size and Extent in such Places, as you, in your Discretion, shall
judge most proper. And it is Our Will and Pleasure, that each Township
do consist of about Twenty Thousand Acres, having, as far as may be,
natural Boundaries extending up into the Country, and comprehending a
necessary Part of the River St Lawrence, where it can be conveniently
had.

46. You are also to cause a proper Place in the most convenient Part
of each Township, to be marked out for building a Town sufficient to con-
tain such a Number of Families as you shall judge proper to settle there,
with Town and pasture Lots convenient to each Tenement, taking Care,
that the said Town be laid out upon, or, as near as conveniently may be,
to some navigable River, or the Sea Coast; And you are also to reserve to
Us proper Quantities of Land in each Township for the following Purposes,
viz; For erecting Fortifications, and Barracks, where necessary, or for
other military or naval Services, and more particularly for the Growth
and Production of Naval Timber, if there are any Wood-Lands fit for that
Purpose.

47. And it is Our further Will and Pleasure, that a particular Spot,
in, or as near each Town as possible, be set apart for the building a Churc.
and four Hundred Acres adjacent thereto allotted for the Maintenance of
a Minister, and two Hundred for a Schoolmaster.

48. And you are to give strict Orders to the Surveyors, whom you
shall employ to mark out the said Townships and Towns, to make Returns
to you of their Surveys as soon as possible, with a particular Description of
each Township, and the Nature of the Soil within the same.

49. And You are to oblige all such Persons as shall be appointed to
be Surveyors of the said Lands in each Township, to take an Oath for the
due Performance of their Offices, and for obliging them to make exact Sur-
veys of all Lands required to be set out.

50. And whereas nothing can more effectually tend to the speedy
settling Our said Colony, the Security of the Property of Our Subjects, and
the Advancement of Our Revenue, than the disposing of such Lands as are
Our Property upon reasonable Terms, and the establishing a regular and
proper method of proceeding with respect to the passing of Grants of such
Land; It is therefore Our Will and Pleasure, that all and every Person
and Persons, who shall apply to You for any Grant or Grants of Land,
shall, previous to their obtaining the same, make it appear before you in
Council, that they are in a Condition to cultivate and improve the same, by settling thereon, in Proportion to the Quantity of Acres desired, a sufficient Number of White Persons and Negroes; And in case you shall, upon a Consideration of the Circumstances of the Person or Persons applying for such Grants, think it advisable to pass the same, in such Case you are to cause a Warrant to be drawn up, directed to the Surveyor General, or other proper Officers, empowering him or them to make a faithful and exact Survey of the Lands so petitioned for, and to return the said Warrant within six Months at furthest from the Date thereof, with a Plot or Description of the Lands so surveyed thereunto annexed; Provided that you do take Care, that before any such Warrant is issued, as aforesaid, a Doctquet thereof be entered in the Auditor’s and Register’s Office: And when the Warrant shall be returned by the said Surveyor, or other proper Officer, the Grant shall be made out in due Form, and the Terms and Conditions required by these Our Instructions be particularly and expressly mentioned in the respective Grants. And it is Our Will and Pleasure, that the said Grants shall be registered within six Months from the date thereof in the Register’s Office there, and a Doctquet thereof be also entered in Our Auditor’s Office there, in Case such Establishment shall take Place in Our said Province, or that, in Default thereof, such Grant shall be void: Copies of all such Entries shall be returned regularly, by the proper Officer, to Our Commissioners of Our Treasury and to Our Commissioners for Trade and Plantations, within six Months from the Date thereof.

51. And whereas great Inconveniences have arisen in many of our Colonies in America from the granting excessive Quantities of Land to particular Persons, who have never cultivated or settled it, and have thereby prevented Others more industrious from improving the same; in order therefore to prevent the like Inconveniences for the future, You are to take especial Care, that in all Grants to be made by you, by and with the Advice and Consent of Our Council, to Persons applying for the same, the Quantity be in Proportion to their Ability to cultivate; And you are hereby directed to observe the following Directions and Regulations in all Grants to be made by you; Vizt

That one hundred Acres of Land be granted to every Person being Master or Mistress of a Family, for himself or herself, and fifty Acres for every white or black Man, Woman or Child, of which such Person’s Family shall consist, at the actual Time of making the Grant; and in case any Person applying to you for Grants of Land shall be desirous of taking up a larger Quantity than the actual Number of Persons in his or her Family would intitle such Persons to take up; it is Our Will and Pleasure, and you are hereby allowed and permitted, to grant unto every such Person or Persons, such further Quantity of Land as they may desire, not exceeding one Thousand Acres over and above what they are intituled to by the Number of Persons in their respective Families;—Provided it shall appear to you, that they are in a Condition and Intention to cultivate the same; and provided also, that they do pay to the Receiver of Our Quit Rents, or to such other Officer as shall be appointed to receive the same, the Sum of five Shillings only for every fifty Acres, so granted, on the Day of the Date of the Grant;—

That all Grantees be subject to the payment of two Shillings Sterling for every Hundred Acres, to commence at the Expiration of two years from the Date of such Grant, and to be paid yearly and every Year, or in Default of such payment, the Grant is to be void;—
That every Grantee, upon giving Proof that he or she has fulfilled the Terms and Conditions of his or her Grant, shall be entitled to another Grant, in the Proportion and upon the conditions abovementioned:—

That for every Fifty Acres of Land accounted plantable, each Patentee shall be obliged, within three years after the Date of his Patent, to clear and work three Acres at the least, in that part of his Tract which he shall judge most convenient and advantageous; or else to clear and drain three Acres of swampy or sunken Grounds, or drain three Acres of Marsh, if any such be within the Bounds of his Grant:—

That for every Fifty Acres of Land accounted barren, every Patentee shall be obliged to put and keep on his Land, within three years after the Date of his Grant, three neat Cattle; which Number he shall be obliged to continue on his Land, until three Acres for every Fifty be fully cleared and improved:—

That if any Person shall take up a Tract of Land, wherein there shall be no Part fit for present Cultivation without manuring and improving the same, every such Grantee shall be obliged, within three years from the Date of his Grant, to erect on some part of his Land one good Dwelling-House, to contain at least twenty Feet in Length, and sixteen Feet in Breadth; and also to put on his Land the like Number of three neat Cattle, for every fifty Acres:—

That if any Person, who shall take up any stony or rocky Grounds not fit for planting or pasture, shall, within three years after the passing of his Grant, begin to employ thereon, and so continue to work, for three years then next ensuing, in digging any Stone Quarry or other Mine, one good and able Hand for every hundred Acres of such Tract, it shall be accounted a sufficient Cultivation and Improvement:—

That every three Acres, which shall be cleared and worked, as aforesaid, and every three Acres, which shall be cleared and drained, as aforesaid, shall be accounted a sufficient Seating, Planting, Cultivation and Improvement, to save for ever from Forfeiture Fifty Acres of Land in any Part of the Tract contained within the same Patent; and the Patentee shall be at liberty to withdraw his Stock, or to forbear working in any Quarry or Mine, in proportion to such Cultivation and Improvement, as shall be made upon the plantable Lands, or upon the Swamps, sunken Grounds and Marshes, which shall be included in the same Patent:—

That when any Person, who shall hereafter take up and patent any Lands, shall have seated, planted and cultivated, or improved the said Land, or any part of it, according to the Directions and Conditions abovementioned, such Patentee may make Proof of such Seating, Planting, Cultivation and Improvement in the general Court, or in the Court of the County, District or Precinct, where such Lands shall lie, and have such Proof certified to the Register’s Office, and there entered with the Record of the said Patent, a Copy of which shall be admitted, on any Trial, to prove the seating and planting of such Land:—

And lastly, in order to ascertain the true Quantity of plantable and barren Land contained in each Grant hereafter to be made within Our said Province, you are to take especial Care, that, in all Surveys hereafter to be made, every Surveyor be required and enjoyned to take particular Notice, according to the best of his Judgment and Understanding, how much of the Land so surveyed is plantable, and how much of it is barren and unfit for Cultivation; and accordingly to insert in the Survey and Plott by him to be returned into the Register’s Office, the true Quantity of each kind of Land.
52. And it is Our further Will and Pleasure, that in all Grants of Land to be made by You, as aforesaid, regard be had to the profitable and unprofitable Acres, so that each Grantee may have a proportionable Number of one Sort and the other; as likewise that the Breadth of each Tract of Land, to be hereafter granted, be one Third of the Length of such Tract; and that the Length of each Tract do not extend along the Banks of any River, but into the main Land, that thereby the said Grantee may have such a convenient Share of what Accommodation the said River may afford for Navigation or otherwise.

53. And whereas it hath been represented to Us, that many Parts of the Province under your Government are particularly adapted to the Growth and Culture of Hemp and Flax; It is therefore Our Will and Pleasure, that, in all Surveys of Land for Settlement, the Surveyor be directed to report, whether there is any, or what Quantity of Lands, contained within such Survey, fit for the Production of Hemp and Flax; And You are to take particular Care to insert a Clause in every Grant of Land, where any part hereof is fit for such Production, obliging the Grantee annually to sow a proportionable Part of his Grant with Hemp or Flax Seed.

54. And whereas it hath been further represented to Us, that a great part of the Country in the neighbourhood of Lake Champlain, and between that Lake and the River St. Lawrence, abounds with Woods producing Trees fit for Masting for Our Royal Navy, and other useful and necessary Timber for Naval Construction; You are therefore expressly directed and required to cause such Parts of the said Country, or any other within your Government, that shall appear upon a Survey to abound with such Trees, and shall be convenient for Water Carriage, to be reserved to Us, and to use your utmost Endeavour to prevent any Waste being committed upon the said Tracts, by punishing in due Course of Law any Persons who shall cut down or destroy any Trees growing thereon; and you are to consider and advise with Our Council, whether some Regulation that shall prevent any Saw Mills whatever from being erected within your Government, without a Licence from you, or the Commander in Chief of Our said Province for the Time being, may not be a Means of preventing all Waste and Destruction in such Tracts of Land as shall be reserved to Us for the Purposes aforesaid.

55. And whereas it appears from the Representations of Our Governor of the District of Trois Rivieres, that the Iron Works at St. Maurice in that District are of great Consequence to Our Service; It is therefore Our further Will and Pleasure, that no part of the Lands, upon which the said Iron Works were carried on, or from which the Ore used in such Works are procured, or which shall appear to be necessary and convenient for that Establishment, either in respect to a free Passage to the River St. Lawrence, or for producing a necessary Supply of Wood, Corn and Hay, or for Pasture for Cattle, be granted to any private Person whatever; and also that as large a District of Land as conveniently may be, adjacent to and lying round the said Iron Works, over and above what may be necessary for the above Purposes, be reserved for Our Use, to be disposed of in such manner as We shall hereafter direct and appoint.

56. And whereas it is necessary, that all Persons who may be desirous of settling in Our said Province, should be fully informed of the Terms and Conditions, upon which Lands will be granted in Our said Province; You are therefore, as soon as possible, to cause a Publication to be made, by Proclamation or otherwise, as you in your Discretion shall think most
advisable, of all and every the foregoing Terms, Conditions and Regulations of every kind, respecting the Grants of Lands; in which Proclamation it may be expedient to add some short Description of the natural Advantages of the Soil, and Climate, and it's peculiar Conveniences for Trade and Navigation; and you are to take such Steps as you shall think proper for the publishing such Proclamation in all the Colonies in North America.

57. And it is Our further Will and Pleasure, that all the foregoing Instructions to you, as well as any which You may hereafter receive, relative to the Form and Method of passing Grants of Lands, and the Terms and Conditions to be annexed to such Grants, be entered upon Record, with the Grants themselves, for the Information and Satisfaction of all Parties whatever, that may be concerned therein.

58. And it is Our further Will and Pleasure, that you do consider of a proper and effectual Method of collecting, receiving and accounting for Our Quit Rents, whereby all Fraud, Concealment, Irregularity or Neglect therein may be prevented, and whereby the Receipt thereof may be effectually checked and controlled; And if it shall appear necessary to pass an Act for the more effectually ascertaining, and the more speedily and regularly collecting Our Quit Rents, you are to prepare the Heads of such a Bill, as you shall think may most effectually conduce to the procuring the good Ends proposed, and to transmit the same to Our Commissioners for Trade and Plantations, in order to be laid before Us for Our further Directions therein.

59. And it is Our further Will and Pleasure, that the Surveyor General, or such other Person or Persons as you shall think proper to appoint, do, once in every year or oftener as Occasion may require, inspect the State of all Grants of Lands made by you, and make report thereof to you in Writing, specifying whether the Conditions therein contained have or have not been complied with, or that Progress has been made towards fulfilling the same; and you are annually to transmit Copies of such Reports to Our Commissioners for Trade and Plantations.

60. And whereas Our Province of Quebec is in part inhabited and possessed by several Nations and Tribes of Indians, with whom it is both necessary and expedient to cultivate and maintain a strict Friendship and good Correspondence, so that they may be induced by Degrees, not only to be good Neighbours to Our Subjects, but likewise themselves to become good Subjects to Us; You are therefore, as soon as you conveniently can, to appoint a proper Person or Persons to assemble, and treat with the said Indians, promising and assuring them of Protection and Friendship on Our part, and delivering them such Presents, as shall be sent to you for that purpose.

61. And you are to inform yourself with the greatest Exactness of the Number, Nature and Disposition of the several Bodies or Tribes of Indians, of the manner of their lives, and the Rules and Constitutions, by which they are governed or regulated. And You are upon no Account to molest or disturb them in the Possession of such Parts of the said Province, as they at present occupy or possess; but to use the best means You can for conciliating their Affections, and uniting them to Our Government, reporting to Us, by Our Commissioners for Trade and Plantations, whatever Information you can collect with respect to these People, and the whole of your Proceedings with them.

62. Whereas We have, by Our Proclamation dated the seventh day of October in the Third year of Our Reign, strictly forbid, on pain of Our Displeasure, all Our Subjects from making any Purchases or Settlements
whatever, or taking Possession of any of the Lands reserved to the several Nations of Indians, with whom We are connected, and who live under Our Protection, without Our especial Leave for that Purpose first obtained; It is Our express Will and Pleasure, that you take the most effectual Care that Our Royal Directions herein be punctually complied with, and that the Trade with such of the said Indians as depend upon your Government be carried on in the Manner, and under the Regulations prescribed in Our said Proclamation.

63. You are to use your best Endeavours in improving the Trade of those Parts by settling such Orders and Regulations therein, with the Advice of Our said Council, as may be most acceptable to the Generality of the Inhabitants. And it is Our express Will and Pleasure, that you do not, upon any Pretence whatever, upon pain of Our highest Displeasure, give your Assent to any Law or Laws for setting up any Manufactures and carrying on any Trades, which are hurtful and prejudicial to this Kingdom; and that You do use your utmost Endeavours to discourage, discontinue and restrain any Attempts which may be made to set up such Manufactures, or establish any such Trades.

64. Whereas by the 5th and 6th Articles of the Treaty of Peace and Neutrality in America, concluded between England and France the 6th. 16th Day of November, 1686, the Subjects and Inhabitants of each Kingdom are prohibited to trade and fish in all Places possessed, or which shall be possessed by the other in America; and if any Ships shall be found trading contrary to the said Treaty, upon the due Proof the said Ships shall be confiscated; but in case the subjects of either King shall be forced by Stress of Weather, Enemies, or other Necessity into the Ports of the other in America, they shall be treated with Humanity and Kindness, and may provide themselves with Victuals, and other Things necessary for their Sustenance, and the Reparation of their Ships, at reasonable Rates; provided they do not break bulk, nor carry any Goods out of their Ships, exposing them for Sale, nor receive any Merchandize on board, under Penalty of Confiscation of Ship and Goods; It is therefore Our Will and Pleasure, that You signify to Our Subjects under your Government the Purport and Intent of the above-said two Articles; and that you take particular Care, that none of the French Subjects be allowed to trade from their said Settlements to the Province under your Government, or to fish upon the Coast thereof.

65. And it is Our Will and Pleasure, that You do not dispose of any Forfeitures or Escheats to any Person, until the Sheriff, or other proper Officer, have made Enquiry, by a Jury upon their Oaths, into the true Value thereof, nor until you have transmitted to Our Commissioners of Our Treasury, and to Our Commissioners for Trade and Plantations, a particular Account of such Forfeitures and Escheats, and the Value thereof. And you are to take Care, that the Produce of such Forfeitures and Escheats, in case We shall think proper to give You Directions to dispose of the same, be duly paid to Our Treasurer or Receiver General of Our said Province, and a full Account transmitted to Our Commissioners of Our Treasury, or Our High Treasurer for the Time being, and to Our Commissioners for Trade and Plantations, with the Names of the Persons to whom disposed.

66. And whereas Commissions have been granted unto several Persons in Our respective Plantations in America for the trying of Pirates in those Parts, pursuant to the Acts for the more effectual Suppression of Piracy; and by a Commission already sent to Our Province of New York, Our Governor there is empowered, together with Others therein mentioned, to
proceed accordingly in Reference to Our said Province; Our Will and Pleasure is, that you do use your best Endeavours to apprehend all Persons whatever who may have been guilty of Piracy within your Government, or who having committed such Crimes at other Places, may come within your Jurisdiction; and until we shall think proper to direct the like Commission to be established for Our Government of Quebec, You are to send such Pirates, with what Proofs of their Guilt You can procure or collect, to Our Governor of New York to be tried and punished under the Authority of the Commission established for those Parts.

67. And whereas you will receive from Our Commissioners for executing the Office of High Admiral of Great Britain and of Our Plantations, a Commission constituting you Vice Admiral of Our said Province; You are hereby required and directed carefully to put into Execution the several Powers thereby granted to you.

68. Whereas great Inconveniences have happened heretofore by Merchant Ships and other Vessels in the Plantations wearing the Colours borne by Our Ships of War, under Pretence of Commissions granted to them by the Governors of the said Plantations, and, by trading under those Colours, not only amongst Our own Subjects, but also those of other Princes and States, and committing divers Irregularitys, they may very much dishonor Our Service; For preventing thereof You are to oblige the Commanders of all such Ships, to which you shall grant Commissions, to wear no other Colours than such as are described in an Order of Council of the seventh of January 1730, in relation to Colours to be worn by all Ships and Vessels, except Our Ships of War.

69. And whereas there have been great Irregularitys in the manner of granting Commissions in the Plantations to private Ships of War, You are to govern yourself, whenever there shall be Occasion, according to the Commissions and Instructions granted in this Kingdom: But you are not to grant Commissions of Marque or Reprizar against any Prince or State, or their Subjects, in Amity with us, to any Person whatsoever, without Our special Command.

70. Whereas We have been informed that, during the time of War, Our Enemies have frequently got Intelligence of the State of Our Plantations by Letters from private Persons to their Correspondents in Great Britain, taken on board Ships coming from the Plantations, which has been of dangerous Consequence; Our Will and Pleasure therefore is, that you signify to all Merchants, Planters and Others, that they be very cautious, in time of War, whenever that shall happen, in giving any Accounts by Letters of the public State and Condition of Our Province under your Government; And you are further to give Directions to all Masters of Ships, or other Persons to whom you may entrust your Letters, that they put such Letters into a Bag, with a sufficient weight to suit the same immediately in Case of imminent danger from the Enemy; And you are also to let the Merchants and Planters know, how greatly it is for their Interest that their Letters should not fall into the Hands of the Enemy, and therefore that they should give like Orders to Masters of Ships in relation to their Letters; And you are further to advise all Masters of Ships, that they do sink all Letters, in case of Danger, in the Manner before mentioned.

71. And whereas, in Time of War, the Merchants and Planters in Our Plantations in America did correspond and trade with Our Enemies, and carry Intelligence to them, to the great Prejudice and Hazard of Our said Plantations; You are therefore by all possible Methods to endeavour to hinder such Trade and Correspondence in Time of War.
72. And You are to report to Us, by Our Commissioners for Trade and Plantations,—

What is the Nature of the Soil and Climate of the Province under your Government. If it differs in these Circumstances from Our other Northern Colonies, in what that Difference consists? And what beneficial Articles of Commerce the different Parts of it are capable of producing?

What Rivers there are, and of what Extent and Convenience to the Planters?

What are the principal Harbours; how situated, of what Extent; and what is the Depth of Water, and Nature of the Anchorage in each of them?

What Quantity of Land is now under actual Improvement and Settlement? What are the chief Articles of Produce and Culture; the annual Amount of the Quantity of each; and upon what Terms and Conditions the Inhabitants hold their Lands, either of Cultivation, Rent, or Personal Service?

What is the Quantity, Nature and Property of the Land uncultivated; how much of it is capable of Culture; and what part thereof is private Property?

What is the Number of Inhabitants, Whites and Blacks, distinguishing each? What Number of the Former is capable of bearing Arms, and what Number of the Latter is annually necessary to be supply'd in proportion to the Land cultivated?

What was the Nature, Form and Constitution of the Civil Government; what Judicatures were there established, and under what Regulations did the French Inhabitants carry on their Commerce?

73. You are from time to time to send unto Us, by Our Commissioners for Trade and Plantations, as aforesaid, an Account of the Increase and Decrease of the Inhabitants, Whites and Blacks, and also an Account of all Persons born, christened and buried.

74. Whereas it is absolutely necessary, that We be exactly informed of the State of Defence of all Our Plantations in America, as well in relation to the Stores of War that are in each Plantation, as to the Forts and Fortifications there; and what more may be necessary to be built for the Defence and Security of the same; You are as soon as possible to prepare an Account thereof with relation to Our said Province in the most particular manner; And You are therein to express the present State of the Arms, Ammunition and other Stores of War, belonging to the said Province, either in public Magazines, or in the Hands of private Persons; together with the State of all Places, either already fortified, or that you judge necessary to be fortified for the Security of Our said Province; And you are to transmit the said Accounts to Our Commissioners for Trade and Plantations, as also a Duplicate thereof to Our Master General or principal Officers of Our Ordinance; Which Accounts are to express the Particulars of Ordinance, Carriages, Balls, Powder, and other Sorts of Arms and Ammunition in Our public Stores, and so from time to time of what shall be sent you, or bought with the public Money, and to specify the Time of the Disposal, and the Occasion thereof; And You are half yearly to transmit a general Account of the State of the Fortifications and War-like Stores, specify'd in the manner above mentioned.

75. You are from time to time to give an Account, what Strength your Neighbours have by Sea and Land, and of the Condition of their Plantations, and what Correspondence You keep with them.
76. And in case of any Distress of any other of Our Plantations, You shall, upon Application of the respective Governors thereof unto you, assist them with what Aid the Condition and Safety of Our Province under Your Government can spare.

77. If anything shall happen, which may be of Advantage or Security to Our Province under your Government, which is not herein, or by your Commission provided for, We do hereby allow unto you, with the Advice and Consent of Our Council, to take Order for the present therein, giving unto Our Commissioners for Trade and Plantations speedy Notice thereof, in order to be laid before Us, that you may receive Our Ratification, if We shall approve the same:—provided always, that you do not, by Colour of any Power or Authority hereby given you, commence or declare War without Our Knowledge and particular Commands therein.

78. And whereas We have, by the second Article of these Our Instructions to you, directed and appointed that your chief Residence shall be at Quebec; you are nevertheless frequently to visit the other parts of your Government, in order to inspect the Management of all public Affairs, and thereby the better to take Care, that the Government be so administered, that no disorderly Practices may grow up contrary to Our Service and the Welfare of Our Subjects.

79. And whereas great Prejudice may happen to Our Service, and the Security of the Province, by your Absence from those Parts, You are not, upon any Pretence whatsoever, to come into Europe, without having first obtained Leave for so doing from Us under Our Sign Manual and Signet, or by Our Order in Our Privy Council; Yet nevertheless in case of Sickness, You may go to South Carolina, or any other of Our Southern Plantations, and there stay for such Space as the Recovery of your Health may absolutely require.

80. And whereas We have thought fit by Our Commission to direct, that in case of your Death or Absence, and the Death or Absence of Our Lieutenant Governors of Montreal and Trois Rivieres, and in Case there be at that time no Person within Our said Province, commissioned or appointed by Us to be Commander in Chief, that the Eldest Councillor, who shall be at the time of your Death or Absence, or at the Death or Absence of Our Lieutenant Governors, as aforesaid, residing within Our said Province under your Government, shall take upon him the Administration of Government, and execute Our said Commission and Instructions, and the several Powers and Authorities therein directed; It is nevertheless Our express Will and Pleasure, that in such Case the said President shall forbear to pass any Act or Acts, but what are immediately necessary for the Peace and Welfare of the said Province, without Our particular Order for that purpose; And that he shall not remove or suspend any of the Members of Our Council, nor any Judges, Justices of the Peace, or other Officers Civil or Military, without the Advice and Consent of at least Seven of the Members of Our said Council, nor even then without good and sufficient Reasons for the same, which the said President is to transmit, signed by himself and the rest of Our said Council, to Our Commissioners for Trade and Plantations, by the first Opportunity in order to be laid before Us.

81. And whereas We are willing in the best manner to provide for the Support of the Government of Our Province aforesaid, of which You are Governor, by setting apart sufficient Allowances to such as shall be Our Governor or Commander in Chief, residing for the time being within the
same; Our Will and Pleasure is, that when it shall happen that you are absent from Our said Province, One full Moiety of the Salary, and all Perquisites and Emoluments whatsoever, which would otherwise become due unto You, shall, during the time of your Absence, be paid and satisfied unto Our Commander in Chief, who shall be resident within Our said Province for the Time being; which We do hereby order and allot unto him for his Maintenance, and for the better Support of the Dignity of that Our Government.

82. And You are upon all Occasions to send unto Our Commissioners for Trade and Plantations only, a particular Account of all your Proceedings, and of the Condition of Affairs within Your Government, in order to be laid before Us: provided nevertheless, whenever any Occurrences shall happen within your Government of such a Nature and Importance as may require Our more immediate Directions by One of Our Principal Secretaries of State, and also upon all Occasions and in all Affairs wherein you may receive Our Orders by One of Our Principal Secretaries of State, you shall in all such Cases transmit to Our Secretary of State only an Account of all such Occurrences, and of your Proceedings relative to such Orders.

Province of Quebec.

By His Excellency the Honorable James Murray, Esq., Captain-General, Governor and Commander-in-Chief in and over the said Said Province, and Vice-Admiral of the same, &c., &c., &c.

A Proclamation. (1 Mch., 1765.)

Whereas the King, by His Royal Instructions, has Commanded me to issue a Proclamation to make known the terms and conditions on which all persons may obtain Grants of Lands in the said Province: I do, in obedience to His Majesty’s said instructions, issue this my Proclamation, and make known to all persons, That they may on application to me in Council at Quebec obtain grants of Land in the said Province in the following quantities and on the following Terms and Conditions:

That One Hundred Acres of Land will be granted to every person being Master or Mistress of a Family, for himself, or herself, and fifty acres for every white or black man, woman or child, of which such person’s family shall consist at the actual time of making the grant.

And in case any person applying as aforesaid shall be desirous to take up a larger quantity of Land than the family right entitles such person to, upon showing a probability of Cultivation, an additional number of acres not exceeding One Thousand, may be obtained, upon paying to the Receiver of the Quit Rents the sum of Five Shillings Sterling for every Fifty Acres of such additional grant.

That all Grantees be subject to the payment of Two Shillings Sterling for every Hundred acres, to commence at the expiration of two years from the date of such grant, and to be paid yearly, and every year; or in default of such payment the grant to be void.

That in all grants of Land to be made, regard will be had to the profitable and unprofitable acres, so that such Grantee may have a proportionable number of one sort and the other, as likewise that the Breadth of each Tract
of Land be one-third of the length of Such Tract, and that the length of each tract do not extend along the Banks of any River, but into the Mainland, that thereby the said Grantees may have each a Convenient share of what accommodation the Said River may afford either for navigation or otherwise.

That all persons, on fulfilling the terms of their first Grant, may have a further grant of the like quantity of Lands, on the Terms and Conditions aforesaid.

That for every fifty acres of Plantable land, each Grantee shall be obliged within three years after the Date of his or her grant to clear and work Three acres at least on that part of his or her tract which he or she shall think most convenient or advantageous, or else to clear and drain three acres of Swampy or sunk in Ground, or drain three acres of Marsh if any such be within his or her grant.

That for Every Fifty Acres of Land accounted barren every person shall be obliged to put on his or her, within three years after the date of his or her grant, three Neat Cattle, which number every person shall be obliged to continue on his or her Lands, till three acres for Every Fifty be fully cleared and improved.

That if any person shall take up a tract of Land wherein there shall be no part fit for present cultivation, without manuring and improving the same, every such Grantee shall be obliged, within three years from the date of his or her grant, to Erect upon some part of his or her Land one good dwelling house, at least Twenty feet in length and Sixteen feet in Breadth, and also put on his or her land the like Number of three Neat Cattle for Every Fifty Acres.

That if any person who shall take up any stony or rocky Grounds, not fit for Culture or Pasture, shall within three years after passing his or her grant, begin to Employ thereon and so continue to work, for three years then next ensuing, in digging any stone quarry or other mine, one good and able hand for every hundred acres of such Tract, it shall be accounted a Sufficient Cultivation and Improvement.

That every three acres which shall be cleared and worked as aforesaid, and every three acres that shall be drained as aforesaid shall be accounted as sufficient Seating, Planting, Cultivation and Improvement to save for ever from forfeiture Fifty Acres of land, in any part contained within the said Grant: And the Grantee shall be at liberty to withdraw his or her stock, or to forbear working in any quarry or mine in proportion to Such Cultivation and improvement as shall be made on the plantable Lands, or upon the Swampy or sunk-in grounds or marshes which shall be included in the same grant.

That when any person who shall hereafter take up and patent any Land shall have seated, planted, and cultivated or improved the said Land or any part of it according to the conditions and directions above mentioned, such Patentee may make proof of such seating, planting and cultivation or improvement in any Court of Record in the said Province or in the Court of the County, District or Precinct where such land shall be, and have such proof certified to the Register and Office and there entered with the Record of the said Patent a Copy of which shall be admitted on any Tryal to prove the seating and planting of such land.

And whereas this Province has been represented barren and incapable of improvement from the length and severity of the Winter, it becomes necessary in this Proclamation to remove these Errors.
The Lands in General are fertile, producing Wheat and every other European Grain at the rate of Ten for one from the Canadian culture, which is perhaps the worst that is practiced by any Civilized People.

The Meadows in a state of nature yield amazing quantities of Hay, and the Droughts so frequent in the more Southern Colonies are not known here.

The Frost and Snow so much dreaded by those who are ignorant of their effects, yield a peculiar happiness to this Province. They not only contribute to fertilize the soil, but they certainly render Land Carriage three-fourths cheaper here than in other countries. Hence none of the colonies are in a Situation to vie with this in the Articles of Lumber, Pot-ash, Iron and Ship timber, as the whole country abounds with the proper materials, and is every way intersected with Rivers capable to convey them to the great River St. Lawrence, the navigation of which River is now known to be easy and safe; And the Advantages which the lower parts of it afford to Adventurers in the Whale and Cod-fishing should induce them to settle in the Bays of Gaspé, Chaleur and Places adjacent.

Seven Islands where there is an excellent harbour are also convenient for fishing establishments.

Nature has bestowed more than an equal share of the Fur trade upon this Province. The Populous Towns of Quebec and Montreal afford Markets for every thing the industrious farmer can raise: and it may be asserted that the air of the Province of Quebec is as healthy as any under the sun, for in no country do people live to a greater age with more uninterrupted good health.

Given under my hand and the Great Seal of the Province, this first day of March, in the year of our Lord One Thousand Seven Hundred and Sixty-five, and in the Fifth Year of His Majesty's Reign.

A PROCLAMATION. (18 May, 1765.)

Whereas by an Act of Parliament made in the fourth year of the Reign of His Present Majesty King George the Third, certain Duties are granted to His Majesty in the British Colonies and Plantations in America for the purposes therein mentioned. In Order therefor Effectually to enforce a due obedience thereto in this Province, and that the several duties thereby granted may be duly and properly collected and also that the several Acts of Parliament concerning Trade and Navigation may be duly observed and Complied with, and that no one may plead ignorance thereof, I have therefore thought fit to issue this Proclamation, hereby requiring and Commanding all Masters of Ships or other Vessels (except His Majesty's Ships or Vessels of War) whether in His Majesty's service or not, immediately on their
arrival at and before their departure from the Port of Quebec to any other Port or place in this Province to make Report of their Vessels, and at the same time to bring Two true manifests of their cargoes, one whereof to be delivered to the Collector of His Majesty's Customs of this Province, and the other to the Comptroller or Searcher: And that all Merchants or others importing or exporting goods and Merchandize into or out of this Province do for the future make proper entries thereof at the Custom House, agreeable to the farms to be there put up for that purpose, before lading or unloading such goods and merchandize, delivering one copy to the Collector and another to the Comptroller or Searcher: And that all Masters of Vessels, Merchants or other persons whom it doth or may concern, do comply with and yield Strict Obedience to the Several acts of Trade and Navigation, particularly the Acts of the 14th of Cha: II. Chap: 11, and the 7 and 8 of William III. Chap. 22, and the several other Acts of Parliament since made for the increasing and securing revenues of the Crown, under penalty of incurring the Several Forfeitures in the Said Acts respectively mentioned.

Given under my hand & the Great Seal of the Said Province at the Castle of St. Louis, in the City of Quebec, this 18th Day of May, in the year of our Lord, 1765, in the Fifth year of His Majesty's Reign.

Whereas by the departure of His Excellency the Governor for Britain the Command of this Province devolves upon me: And whereas it is necessary, for the peace and good Government of said Province, That all officers within the same should continue in their several offices and employments: I have therefor thought fit, by and with the advice and consent of His Majesty's Council, to issue this Proclamation, hereby ordering and directing that the said officers do continue in their several employments until further orders: of which all persons concerned are required to take notice.

A Proclamation. (5 July, 1765.)

Whereas at the Court of St. James's, the 22nd Day of November, 1765, present the King's Most Excellent Majesty in Council, the report of the Right Honorable the Lords of the Committee of Council for Plantation Affairs, dated the 19th day of the said month of November, in the same year, was read at the Board (amongst other things, setting forth), That whilst the Colony of Quebec was under the Dominion of the French King, certain revenues were raised therein, which if continued would probably produce more than sufficient to defray the expense of the Civil Government of said colony; it being most certain, That all the Duties payable to the French King before the Conquest and cession, are now due and payable to and vested in His Majesty by right of Conquest at Common Law, which Report His Majesty having taken into consideration was pleased, with the advice of His Privy Council to approve thereof, and to order that the Right Honorable the Lords Commissioners of His Majesty's Treasury do give instructions to the Receiver-General of the Colony of Quebec to receive and to collect all, or such part of the said Revenues (to be applied to defray the charges of Civil Government of the said Colony and to any other use) as they shall think proper and expedient. And whereas the Right Honorable the Lords Commissioners of His Majesty's Treasury have by their instructions, dated at the Treasury Chambers at Whitehall, the 10th day of March last, directed Thomas Mills, Esq., His Majesty's Receiver-General and Collector of all his Revenues in the Province of Quebec, &c., to receive and collect all such Duties and Revenues as were collected in this colony when under the Dominion of the French King, to be applied to defray the charges of the Civil Government thereof.

A PROCLAMATION. (22 Dec., 1766.)

Whereas advices have been received, That several unprovoked Violences and Murthers have been committed upon Indians under His Majesty's protection in the Countries adjoining to His Majesty's Provinces in North America & that Settlements have been made in the said Countries beyond the Limits prescribed by His Majesty's Royal Proclamation of 1763 in the
grounds therein allotted to the Indians, whereby the said Indians have been
greatly and justly discontented, His Excellency the Lieutenant-Governor-in-
Council of this Province, do hereby strictly enjoin and Command all the
inhabitants of the same to avoid every occasion of giving the Indians offence,
and to treat them as friends and brothers, entitled to His Majesty’s Royal
Protection, & if any of the Said inhabitants have made any Settlements on
the Indian Grounds, to abandon them without delay, under pain in case of
failure herein of being prosecuted as Disturbers of the Peace of the Pro-
vince, with the utmost Rigour of the Law. 

And to the end that the persons guilty of the above mentioned Violences
may be speedily discovered & brought to Justice, His Excellency the Lieu-
tenant-Governor and Council of the Province do hereby give public notice.
That if any will make Discovery of any Murther or Imprisonment, or other
illegal Violence, committed upon any of the Indians on the Borders of this
Province, or of any destruction made of their Houses, Settlements, or Goods,
or of any violent interruption of them in their hunting upon the grounds
allotted to them by His Majesty’s Royal Proclamation, dated at Saint
James’s, the 7th Day of October, 1763, or of any Settlement illegally made
by any of His Majesty’s Subjects of this Province on the said grounds, so
that any of the said Offenders may be convicted of such offence upon a legal
Prosecution, the Person making such discovery shall upon the conviction of
the Offender receive a Reward of Fifty Pounds.

Given under my Hand at the Castle Saint Lewis, in the City of Quebec,
this 22nd day of December, in the 7th year of His Majesty’s Reign, in the
year of our Lord 1766.

By the Lieutenant-Governor’s Command.

J. Goldfrap, D. Secy.

GOD SAVE THE KING.

INSTRUCTIONS TO GOVERNOR CARLETON.

(A.D. 1768.)

Instructions to Our Trusty and Well beloved Guy Carleton Esquire, Our
Captain General and Governor in Chief in and over Our Province of
Quebec in America and of all Our Territories Dependent thereupon

Given

First—With these Instructions You will receive Our Commission
under Our Great Seal of Great Britain, constituting You Our Captain
General and Governor in Chief in and Over Our Province of Quebec in
America, bounded on the Labrador Coast by the River St John, and from
thence by a Line drawn from the Head of that River through the lake St
John to the South End of the Lake Nipisso; from whence the said Line
crossing the River St Lawrence and the Lake Champlain in forty-five
Degrees of North Latitude, passes along the Highlands which divide the
Rivers that Empty themselves into the said River St Lawrence from those
which fall into the Sea, and also along the North Coast of the Bay des
Chaleurs and the Coast of the Gulph of St Lawrence to Cape Rosieres and
from thence crossing the Mouth of the River St Lawrence by the West End
of the Island of Anticosti, terminates at the aforesaid River St John. You
are therefore to take upon you the Execution of the Office and Trust We
have reposed in You, and the Administration of Government, and to do and Execute all things in due manner that shall belong to Your Command according to the several powers and Authorities of Our said Commission under Our Great Seal of Great Britain and these Our Instructions to You, or according to such further powers and Instruction as shall at any time hereafter be Granted or appointed You under Our Signet and Sign Manual or by Our Orders in Our Privy Council, and you are to call together at Quebec, which We do appoint to be the place of Your residence, and the principal Seat of Government the following persons whom We do hereby appoint to be Our Council for Our said Province of Quebec viz. William Hey, Our Chief Justice of Our said Province, Hector Theophilus Cramahé, James Goldfrap, Hugh Finlay, Thomas Mills, Thomas Dunn, Walter Murray, Samuel Holland, Francis Mounier, Benjamin Price, and Colin Drummond Esquires—It is nevertheless Our Will and Pleasure, that Our Chief Justice or Chief Justice for the time being shall not be capable of taking upon him the Administration of the Government upon your Death or Absence, or the Death or Absence of the Commander in Chief for our said province for the time being—

2. And You are with all due and usual Solemnity to cause Our said Commission to be read and published at the said meeting of Our Council which being done, You shall then take and also administer to each of the members of Our said Council, the Oaths mentioned in an Act passed in the first year of the Reign of His Majesty King George the first, intitled “An Act for the further Security of His Majestys person and Government, and the Succession of the Crown, in the Heirs of the late Princess Sophia being Protestants, and for extinguishing the hopes of the pretended Prince of Wales and his Open and secret abettors,” And in an Act passed in the sixth Year of Our Reign, intitled, “An Act altering the Oath of Abjuration and the Assurance, and for amending so much of An Act of the seventh year of Her late Majesty Queen Anne, Intituled, An Act for the Improvement of the Union of the two Kingdoms, as, after the time therein Limited requires the Delivery of certain Lists and Copies therein mentioned to persons Indicted of High Treason or Misprison of Treason:” as also make and Subscribe, and cause them to make and Subscribe, the Declaration mentioned in an Act of Parliament made in the 25th year of the Reign of King Charles the second intitled “An Act for preventing Dangers which may happen from Popish Recusants”—And You and every one of them are likewise to take an Oath for the due Execution of Your and their places and Trusts, with regard to Your and their equal and impartial Administration of Justice; And You are also to take the Oath required by an Act passed in the seventh and eighth Years of the Reign of King William the third to be taken by Governors of Plantations to do their Utmost that the Laws relating to the plantations be observed.

3. And that We may be always Informed of the Names and Characters of persons fit to Supply the Vacancies which shall happen in Our said Council, You are to transmit to Us by One of Our principal Secretaries of State the Names and Characters of three persons Inhabitants of Our said province who You shall esteem the best Qualified for that Trust and You are also to Transmit a Duplicate of the said Account to Our Commissioners for Trade and plantations for their Information.

4. And if it shall at any time happen, that by the Death, Departure out of Our said province, suspension of any of Our said Councillors, or otherwise, there shall be a Vacancy in Our said Council, Our Will and Pleasure is that You signify the same to Us, by One of Our principal Sec-
retaries of State, by the first Opportunity, that We may under Our Sign Manual, constitute and appoint others in their Stead; to which end You are whenever such Vacancy happens, to transmit unto Us by One of Our principal Secretaries of State, the Names of three or more persons, Inhabitants of Our said province whom you shall esteem best Qualified, for such Trust, and you are also to Transmit duplicates of such Accounts to Our Commissioners for Trade and plantations for their Information.

5. But that Our Affairs may not Suffer for want of a due number of Councillors; if ever it shall happen that there be less than Seven residing in Our said province, We do hereby give and grant unto You the said Guy Carleton full power and Authority to choose as many persons out of the principal Inhabitants of our said province, as will make up the full number of the Council to be seven and no more, which persons so chosen and appointed by You, shall be to all Intents and purposes, Councillors in Our said Province 'till either they shall be confirmed by Us, or, by the Nomination of others by Us under Our Sign Manual and Signet, Our said Council shall have seven, or more persons in it.

6. And it is Our Will and Pleasure, that You do, and You are hereby Authorized and Impowered to Suspend and amove any of the Members of Our said Council, from Sitting, Voting, and Assisting therein, if You shall find just Cause for so doing, and to appoint others in their Stead until Our pleasure shall be known, It is nevertheless Our Will and Pleasure, that You do not Suspend or Remove any of the Members of Our Council when they shall have been Confirmed by Us as aforesaid, without good and sufficient cause, nor without the Consent of the Majority of the said Council, signified in Council, after due Examination of the Charge against such Councillor, and his Answer thereunto; and in Case of suspension of any of them, You are to cause Your Reasons for so doing, together with the Charges and proofs against such person, and his Answer thereto be duly entered upon the Council-Books, And forthwith to transmit Copies thereof to Us, by one of Our principal Secretaries of State, and also Duplicates to Our Commissioners for Trade and Plantations for their Information nevertheless if it should happen that You should have Reasons for Suspending any of the said Persons, not fit to be communicated to the Council, You may in that Case suspend such person without the Consent of Our said Council; but You are thereupon immediately to send to Us by One of Our principal Secretaries of State An Account of Your proceedings therein, together with Your Reasons at large for such suspension as also your Reasons at large for not communicating the same to the Council and Duplicates thereof by the first opportunity and you are also to transmit a Duplicate of such Account to Our Commissioners for Trade and plantations for their Information.

7. Whereas We are Sensible that Effectual Care ought to be taken to oblige the Members of Our Council to a due attendance therein, in order to prevent the many Inconveniences that may happen for the want of a Quorum of the Council to transact business as occasion may require; It is Our Will and Pleasure that if any of the Members of Our said Council shall hereafter absent themselves from the said Province and Continue absent above the Space of Six Months together, without leave from you, or from Our Commander in Chief of Our said Province for the time being first obtained, under your or his Hand and Seal, or shall remain absent for the Space of One Year without Our Leave given them under Our Royal Signet and Sign Manual their place or places in the said Council shall immediately thereupon become Void: and that if any of the members of
Our said Council, then residing in the province under Your government shall hereafter wilfully absent themselves when duly summoned, without a just and lawful Cause and shall persist therein after admonition, you suspend the said Councillors so absenting themselves 'till Our further pleasure be known giving Us timely notice thereof; And We do hereby Will and Require You that this Our Royal Pleasure be Signified to the several Members of Our Council aforesaid, and entered in the Council-Books of the province under Your Government as a Standing rule—

8. You are forthwith to communicate such and so many of these Our Instructions to Our said Council, wherein their Advice and Consent are mentioned to be requisite, as likewise all such others, from time to time, as You shall find Convenient for Our Service to be Imparted to them—

9. You are to permit the Members of Our said Council to have and Enjoy freedom of Debate and Vote in all Affairs of publick concern that may be debated in Council—

10. And Whereas it is directed by Our Commission to You under Our Great Seal, that as soon as the Situation and Circumstances of Our said Province will admit thereof You shall with the Advice of Our Council, Summon and call a general Assembly of the Freeholders of our said province, You are therefore as soon as the more pressing Affairs of Government will allow, to give all possible attention to the carrying this Important Object into Execution, but as it may be Impracticable for the present to form such an Establishment You are in the mean time to make such Rules and Regulations by the Advice of Our said Council as shall appear to be necessary for the peace, Order and good government of our said province; taking Care that nothing be done or passed that shall any way tend to affect the Life Limb or Liberty of the Subject, or the Imposing any Duties or Taxes; and that all such rules and Regulations be transmitted to Us by the first Opportunity after they are passed and made for our Approbation or Disallowance. And it is Our Will and Pleasure that when An Assembly shall have been Summoned and met in such manner as you in Your discretion shall think most proper, or as shall be hereafter directed and appointed, the following Regulations be carefully observed in the framing and passing all such Laws Statutes and Ordinances, as are to be passed by You with the Advice and Consent of Our said Council and Assembly Vis't. That the Stile of Enacting the said Laws, Statutes and Ordinances be by the Governor, Council and Assembly and no other——That each different matter be provided for by a different Law without including in one and the same Act, such things as have no proper relation to each other;——That no Clause be inserted in any Act or Ordinance which shall be foreign to what the title of it Imports and that no perpetual Clause be part of any temporary Law;——That no Law or Ordinance whatever be suspended, altered Continued, revived or repealed by general Words; but that the title and Date of such Law or Ordinance be particularly mentioned in the enacting part;——That no Law or Ordinance respecting private property be passed without a Clause suspending it's Execution, until Our Royal Will and pleasure is known, nor without a Saving of the Right of Us, Our Heirs and Successors, and of all Bodies Politick and Corporate, and of all other persons except such as are mentioned in the said Law or Ordinance, and those claiming by, from, or under them, and before such Law or Ordinance is passed, proof must be made before You in Council and Entered in the Council-Books, that Publick Notification was made of the party's Intention to apply for such Act in the several parish Churches, where the Lands in Question lye for three Sundays at least successively before any such
Law or Ordinance shall be proposed; and you are to transmit and Annex to the said Law or Ordinance a Certificate under your Hand that the same passed through all the Forms above mentioned; That in all Laws or Ordinances for the Levy ing Money, or Imposing Fines, forfeitures or penalties, express mention be made, that the same is granted or reserved to Us Our Heirs and Successors for the Publick Uses of the said province, and the Support of the Government thereof, as by the said Law or Ordinance shall be directed; and that a clause be Inserted, declaring that the Money arising by the Operation of the said "Law or Ordinance shall be accounted for unto Us in this Kingdom, and to Our Commissioners of the Treasury or Our High Treasurer for the Time being and audited by Our Auditor General of our Plantations or his Deputy—That all such Laws, Statutes and Ordinances be transmitted by You within three Months after their passing or sooner if opportunity offers, to Us, by One of Our principal Secretaries of State and Duplicates thereof to Our Commissioners for Trade and plantations for their Information—That they be fairly abstracted in the Margents and accompanied with very full and particular observations upon each of them (that is to say) whether the same is Introductory of a new Law, Declaratory of a former Law, or does repeal a Law then in being. And you are also to transmit in the fullest manner the Reasons and Occasion for Enacting such Laws or Ordinances together with fair Copies of the Journals of the proceedings of the Council and Assembly which You are to require from the Clerks of the said Council and Assembly—

11. And to the End that nothing may be passed or done to the prejudice of the true Interests of this Our Kingdom the Just Rights of Us Our Heirs and Successors or the property of Our Subjects It is Our Express Will and pleasure, That no Law whatsoever which shall in any wise tend to Affect the Commerce or Shipping of this Kingdom, or which shall any ways relate to the Rights and prerogative of Our Crown or the property of Our Subjects or which shall be of an Unusual or Extraordinary Nature be finally ratified or Assented to by You, until You shall have first transmitted unto Us by one of Our principal Secretaries of State, and to Our Commissioners for Trade and plantations for their Information a Draught of such Law, and shall have received Our Directions thereupon Unless You take Care that a Clause be Inserted therein, suspending and Deferring the Execution thereof until Our pleasure is known concerning the same.—

12. And Whereas Laws have formerly been Enacted in several of Our Plantations in America for so short a time that Our Royal Assent or Refusal thereof could not be had before the time for which such Laws were Enacted did expire. You shall not give Your Assent to any Law that shall be Enacted for a less time than two Years, except in Cases of imminent Necessity, or imminent temporary expediency and You shall not re-enact any Law to which Our Assent shall have been once refused, without Express leave for that purpose first obtained from Us upon a full representation by You to be made to Us by One of Our principal Secretaries, and to Our Commissioners for Trade and Plantations for their Information, of the Reasons and necessity for passing such Law; nor give Your Assent to any Law for repealing any other Law, which shall have passed in Your Government, and shall have received Our Royal Approbation unless You take Care that there be a Clause inserted therein Suspending and Deferring the Execution thereof until Our pleasure shall be known concerning the same—

13. And We do particularly require you to take care, that fair Books of Accounts of all Receipts and Payments of all publick Money be duly...
kept, and the truth thereof attested upon Oath and that all such Accounts be audited and attested by Our Auditor General of our plantations or his Deputy, who is to Transmit Copies thereof to Our Commissioners of Our Treasury, or to Our High Treasurer for the time being And that You do every half Year or oftener, send another Copy thereof, Attested by Yourself to Our Commissioners for Trade and plantations, and duplicates thereof by the next Conveyance; in which Books shall be specified, every particular Sum raised or Disposed of together with the Names of the persons to whom any payment shall be made, to the End We may be satisfied of the Right and due application of the Revenue of Our said province with the probability of the Increase or diminution of it under every head and Article thereof.

14. And Whereas the Members of several Assemblies in the plantations have frequently Assumed to themselves privileges no ways belonging to them especially of being protected from Suits at Law during the Term they remain of the Assembly to the great prejudice of their Creditors and the Obstruction of Justice; and some Assemblies have presumed to adjourn themselves at pleasure without leave from Our Governor first obtained; and others have taken upon themselves the sole framing of Money Bills, refusing to let the Council Alter or amend the same; all which practices are very detrimental to Our Prerogative. 'If therefore you find that the Members of Our Province of Quebec Insist upon any of the said Privileges, You are to signify to them that it is Our Express Will and Pleasure, that You do not allow any protection to any member of the Council or Assembly further than in their persons, and that only during the sitting of the Assembly, and that You do not allow them to adjourn themselves otherwise than do diem, except Sundays and Holidays, without Leave from you or the Commander in Chief for the time being first obtained: It is also Our further pleasure that the Council have the like power of framing Money Bills as the Assembly.—

15. And Whereas by Our aforesaid Commission under Our Great Seal of Great Britain, You are authorized and impowered with the Advice and Consent of Our Council to Constitute and appoint Courts of Judicature and Justice; It is therefore Our Will and Pleasure, that You do as soon as possible apply Your attention to these great and Important Objects and that in forming the necessary Establishments for this purpose, You do consider what has been Established in this respect in Our other Colonies in America more particularly in Our Colony of Nova Scotia—

16. Our Will and Pleasure is, that You or the Commander in Chief for the time being do in all civil Cases, on application being made to You or the Commander in Chief for the time being for that purpose, permit and allow appeals from any of the Courts of Common Law in Our said Province until You or the Commander in Chief, and the Council of the said Province, and You are for that purpose to Issue a Writ in the manner which has been usually accustomed, returnable before Yourself and the Council of the said province, who are to proceed to hear and Determine such Appeal, wherein such of the said Council, as shall be at that Time Judges of the Court from whence such appeal shall be made to You Our Captain General, or to the Commander in Chief for the time being and to Our said Council as aforesaid shall not be admitted to Vote upon the said Appeal, but they may nevertheless be present at the hearing thereof, to give the Reasons of the Judgment given by them, in the Causes wherein such Appeal shall be made provided nevertheless that in all such appeals the Sum or Value appealed for do exceed the sum of three hundred pounds Sterling, and that Security be first duly given by the Appellant to Answer
such Charges as shall be awarded in Case the first Sentence be affirmed; and if either party shall not rest satisfied with the Judgment of You or the Commander in Chief for the time being and Council as aforesaid, Our Will and Pleasure is that they may then appeal unto Us in Our Privy Council; Provided the Sum or Value so appealed for unto Us do exceed five hundred pounds Sterling, and that such appeal be made within fourteen Days after Sentence and good security given by the Appellant, that he will Effectually prosecute the same and answer the Condemnation as also pay such Costs and Damages as shall be awarded by Us in Case the sentence of You or the Commander in Chief for the time being and Council be affirmed; provided nevertheless where the matter in Question relates to the taking or Demand ing any Duty payable to Us or to any Fee of Office, or annual Rents or other such like matter or thing where the Rights in future may be bound in all such Cases You are to admit An Appeal to Us in Our privy Council, though the Immediate Sum or Value appealed for be of less Value; And it is Our further Will and Pleasure, that in all places where, by Your Instructions you are to admit Appeals unto Us in Our privy Council, execution be suspended until the final Determination of such Appeal, unless good and sufficient Security be given by the Appellee to make ample Restitution of all that the Appellants shall have lost by means of such Decree or Judgment in Case upon the Determination of such Appeal such Decree or Judgment should be reversed and restitution awarded to the Appellant.

17. You are also to admit Appeals unto Us in Our privy Council in all Cases of Fines Imposed for Misdemeanours provided the Fines so Imposed, Amount to or Exceed One hundred pounds Sterling; the Appellant first giving good Security, that he will Effectually prosecute the same, and answer the Condemnation If the Sentence by which such fine was Imposed in Quebec shall be Confirmed.

18. You are, with the advice and Consent of Our Council in the Province under Your government to take Especial care to regulate all Salaries and fees belonging to places, or paid upon Emergencies, that they be within the bounds of Moderation, and that no Exaction be made on any Occasion whatsoever; as also that Tables of all Fees be publickly hung up in all places where such Fees are to be paid and You are to transmit Copies of all such Tables of Fees unto Us by One of our principal Secretaries of State and duplicates thereof to Our Commissioners for Trade and Plantations for their Information—

19. It is Our Express Will and Pleasure that You do by the first Opportunity and with all convenient Speed transmit unto Us by One of Our principal Secretaries of State and duplicates thereof to Our Commissioners for trade and plantation for their Information Authentick Copies of all Acts, Orders, Grants, Commissions or other powers by virtue of which any Courts, Offices, Jurisdictions, pleas, Authorities, Fees and privileges, have been Settled or Established, for our Confirmation or Disallowance; and in case all or any of them shall at any time or times be disallowed and not approved then such and so many as shall be disallowed and not approved, and so Signified by Us shall cease, determine and be no longer continued or put in practice.—

20. You shall not appoint any person to be a judge or Justice of the peace, without the advice and Consent of the Majority of the Members of Our Council, present in, nor shall You Execute yourself or by Deputy any of the said Offices; and it is Our further Will and Pleasure that all Com missions to be Granted by You to any person or persons to be Judges or Justices of the peace, or other necessary officers, be granted during pleasure only—
21. You shall not displace any of the Judges Justices of the peace or other Officers or Ministers without good and sufficient Cause, which You shall Signify in the fullest and most Distinct manner to Us by one of our principal Secretaries of State and to Our Commissioners for Trade and Plantations for their Information—

22. And Whereas frequent Complaints have heretofore been made of Great Delays and undue proceedings in the Courts of Justice in several of Our plantations, whereby many of Our Good Subjects have very much Suffered, And it being of the greatest Importance to Our Service and to the Welfare of Our Plantations that Justice be every where speedily and Duly administered, and that all Disorders Delays and other undue practices, in the administration thereof be Effectually prevented; We do particularly require You to take Especial Care, that in all Courts, where you are Authorized to preside, Justice be Impartially administered, and that in all other Courts, established within Our said Province all Judges and other persons therein concerned do likewise perform their several Duties without any Delay or partiality.

23. You are to take Care, that all Writs be issued in Our Name throughout the Province under Your Government.

24. Whereas there are several Offices in Our plantations Granted under the Great Seal of Great Britain, and Our Service may be very much prejudiced by reason of the absence of the Patentees, and by their appointing Deputies not fit to officiate in their Stead, You are therefore to Inspect such of the said Offices as are in the province under Your Government, and to Enquire into the Capacity and behaviour of the persons exercising them, and to report thereupon to Us by One of Our principal Secretaries of State and to Our Commissioners for Trade and Plantations what You think fit to be done or Altered in Relation thereunto; and You are upon the misbehaviour of any of the said Patentees of their Deputies to Suspend them from the Execution of their Office 'till You shall have represented the whole matter unto Us as aforesaid and received our Directions therein And in Case of the Death of any such Deputy, It is Our Express Will and pleasure, that you take Care, that the person appointed to Execute the place until the patentee can be Informed thereof and appoint another Deputy, do give sufficient Security to the patentee, or, in Case of Suspension to the person Suspended to be answerable to him for the profits accruing during such Interval by death or during Suspension, in Case We shall think fit to restore the person Suspended to his place again—It is nevertheless Our Will and pleasure that the person Executing the place during such Interval, by Death or Suspension shall for his Encouragement receive the same Profits as the person suspended or dead did receive; And it is Our further Will and Pleasure, that, in Case of a Suspension of a patentee, the person appointed by You to Execute the office during such Suspension shall receive a Moiety of the profits which would otherwise become due to such patentee, giving Security to such patentee to be answerable to him for the other Moiety, in Case We shall think fit to restore him to his Office again, And it is Our further Will and pleasure, that You do countenance and give all due Encouragement to all Our Patent Officers in the Enjoyment of their legal and Accustomed Fees, Rights privileges and Emoluments according to the true Intent and meaning of their patents—

25. You shall not by Colour of any power or Authority hereby or otherwise Granted or mentioned to be Granted unto You, take upon You to give, grant or Dispose of any office or place within Our said Province which now is or shall be Granted under the Great Seal of this Kingdom, or to which
any person is or shall be appointed by Warrant under Our Signet and Sign Manual, any further than that You may, upon the Vacancy of any such Office or place, or upon the Suspension of any such Officer by you, as aforesaid put in any fit person to Officiate in the Interval ‘till You shall have represented the matter unto Us by one of our principal Secretaries of State; and to Our Commissioners for Trade and Plantations, for their Information as aforesaid, which You are to do by the first Opportunity, and ‘till the said Office or place be disposed of by Us Our Heirs or Successors under the Great Seal of this Kingdom, or until some person shall be appointed thereto by Warrant under Our Signet and Sign Manual or Our further Directions be given therein—

26. And Whereas several Complaints have been made by the Officers of Our Customs in Our plantations in America, that they have frequently been obliged to serve as Jurors, and personally to Appear in Arms whenever the Militia is drawn out and thereby are much hindred in the Execution of their Employments, Our Will and Pleasure is that You take Effectual Care and give the necessary Directions that the several officers of Our Customs be Excused and exempted from serving on any Juries, or personally appearing in Arms in the Militia, unless in Cases of absolute Necessity or serving any parochial Offices which may hinder them in the Execution of their Duty—

27. And Whereas We have Stipulated by the late Definitive Treaty of Peace concluded at Paris the 10th Day of February 1763 to Grant the Liberty of the Cathlick Religion to the Inhabitants of Canada, and that We will consequently give the most precise, and most Effectual Orders, that Our New Roman Cathlick Subjects in that Province may profess the Worship of their Religion according to the Rites of the Romish Church, as far as the Laws of Great Britain permit; It is therefore Our Will and Pleasure that You do in all things regarding the said Inhabitants Conform with Great Exactness to the Stipulations of the said Treaty in this respect—

28. You are as soon as possible to Summon the Inhabitants to meet together at such time or times, place or places, as You shall find Convenient in Order to take the Oath of Allegiance, and make and Subscribe the Declaration of Abjuration mentioned in the aforesaid Act passed in the first Year of the Reign of King George the 1st for the further Security of His Majestys person and Government, and the Succession of the Crown in the Heirs of the late Princess Sophia, being Protestants, and for Extinguishing the Hopes of the pretended Prince of Wales and his Open and Secret Abettors, and in the aforesaid Act passed in the Sixth Year of Our Reign for Altering the Oath of Abjuration and the Assurance and for amending so much of an Act of the seventh Year of her late Majesty Queen Anne Intitled An Act for the Improvement of the Union of the two Kingdoms as after the time therein Limited requires the Delivery of certain Lists and Copies therein mentioned to persons Indicted of High Treason, or Misprison of Treason; which Oath shall be Administered to them by such person or persons as You shall Commissionate for that purpose, and in Case any of the said French Inhabitants shall refuse to take the said Oath and make and Subscribe the Declaration of Abjuration as aforesaid, You are to cause them forthwith to Depart out of Our said Government—

29. And it is Our further Will and Pleasure that all such Inhabitants professing the Religion of the Romish Church, do at all meetings, or at such other time or times You shall think proper and in the manner you shall think least alarming and Inconvenient to the said Inhabitants Deliver in
upon Oath an Exact Account of all Arms and Ammunition of every sort in their Actual possession, and so from time to time, of what they shall receive into their Possession as aforesaid—

30. You are as soon as possible to Transmit to Us by one of Our principal Secretaries of State, and to Our Commissioners for Trade and plantations for their Information, an Exact and particular Account of the Nature and Constitution of the several Religious Communities of the Romish Church, their Rights claims privileges and property, and also the Number Situation and Revenues of the several Churches heretofore established in Our said province together with the Number of Priests or Curates Officiating in such Churches—

31. You are not to admit of any Ecclesiastical Jurisdiction of the See of Rome or any other foreign Ecclesiastical Jurisdiction whatever in the province under Your Government—

32. And to the End that the Church of England may be Established both in principles and practice, and that the said Inhabitants may by Degrees be Induced to Embrace the Protestant Religion, and that their Children be brought up in the principles of it We do hereby declare it to be Our Intention, when the said Province shall have been accurately Surveyed and Divided in Townships, Districts precincts or parishes in such manner as shall be herein after directed, all possible Encouragement shall be given to the Erecting protestant Schools in the said Districts Townships and precincts by Settling appointing and Allotting proper Quantities of Land for that purpose; and also for a Glebe and maintenance for a Protestant Minister and protestant SchoolMasters; and You are to Consider and to Report to Us by one of Our principal Secretaries of State and to Our Commissioners for Trade and Plantations for their Information, by what other means the Protestant Religion may be promoted, established, and Encouraged in Our said province under Your Government.

33. And You are to take especial Care that God Almighty be devoutly and duly served throughout Your Government; the Book of Common Prayer as by Law Established read each Sunday and Holiday; and the blessed Sacrament administered according to the Rights of the Church of England—

34. You are not to prefer any Protestant Minister to any Ecclesiastical Benefice in the Province under your Government without a Certificate from the Right Reverend Father in God the Lord Bishop of London, of his being Conformable to the Doctrine and Discipline of the Church of England, and of good Life and Conversation—And if any person hereafter preferred to a Benefice shall appear to You to give Scandal either by his Doctrine and manners You are to use the best means for his Removal.

35. You are to give Orders forthwith that every Orthodox Minister within Your Government be one of the Vestry in his respective parish, and that no Vestry be held without him, except in Case of Sickness or after Notice of a Vestry Summoned he omit to come—

36. And to the End that the Ecclesiastical Jurisdiction of the Lord Bishop of London may take place in Our Province under your Government as far as conveniently may be, We do think fit that You give all Countenance and Encouragement to the Exercise of the same, excepting only the collating to Benefices, granting Licenses for Marriage and probates of Wills which We have reserved to You our Governor and to the Commander in Chief of Our said province for the time being—

37. And We do further Direct that no Schoolmaster who shall arrive in Our said Province from this Kingdom, be henceforward permitted to keep School, without the License of the said Lord Bishop of London, and
that no other person now there or that shall come from other parts shall be admitted to keep School in Your Government without Your Licence first obtained.

38. And You are to take Especial Care, that a Table of Marriages, established by the Cannons of the Church of England be hung up in all places of Publick Worship according to the Rites of the Church of England.

39. And it is Our further Will and Pleasure, that in Order to Suppress as much as in You lies, every Species of Vice and Immorality, You forthwith do cause all Laws already made against Blasphemy, Prophaneness, Adultery, Fornication, Polygamy, Incest, profanation of the Lord's Day, Swearing and Drunkenness to be rigorously put in Execution in every part of Your Government, and that You take due care for the punishment of these, and every other Vice and Immorality by presentment upon Oath, to be made to the Temporal Courts by the Church Wardens of the several parishes, at proper times of the Year to be appointed for that Purpose; and for the further Discouragement of Vice, and Encouragement of Virtue and good living (that by such Examples the Infidels may be Invited and persuaded to Embrace the Christian Religion). You are not to admit any persons to publick Trusts and Employment in the Province under Your Government whose ill Fame and Conversation may Occasion Scandal—

40. And it is Our further Will and Pleasure, that all and every the French Inhabitants in Our said Province who are now possessed of Lands within the said Province in Virtue of Grants or Concessions made before the Signing of the preliminary Articles of Peace on the 3rd Day of Nov. 1762, within such Limited time as You in Your Discretion shall think fit, Register the several Grants or other Deeds, or Titles, by which they hold or Claim such Lands, in the Secretary's Office which said Grants, Deeds or other Titles, shall be Entered at large in the said Office, so that the particular Quantity of Land, it's Scite and Extent, the Conditions upon which it is Granted, either as to Rents, Services, or Cultivation, may appear fully and at length—

41. And in Case it shall appear, upon a Strict and Accurate Examination of the said Grants and Title Deeds, to be taken in such manner as You shall think proper, that any of the Grantees or Persons claiming Lands under such Grants and Title Deeds, are in Possession of more Land than is contained within such Grants or other Concessions, or that the Terms and Conditions upon which the Lands were Granted have not been complied with agreeable to what is Stipulated in such Grants or Concessions, It is Our Will and Pleasure, that You forthwith represent the same to Us, by One of Our principal Secretaries of State to the End You may receive such Directions thereupon as the nature and circumstances of the Case shall appear to require, and You are to send a Duplicate of such Representation to Our Commissioners for Trade and plantations for their Information—

42. And Whereas it is necessary in Order to the advantageous and Effectual Settlement of Our said Province, that the true State of it should be fully known; You are therefore as soon as conveniently may be, to cause an Accurate Survey to be made of the said Province, by such Able and Skillful person as is or shall be appointed for that Service, who is to Report to You in Writing for Your Judgment in the measures which You may in General pursue for the making of Settlements, not only the Nature and Quality of the Soil and Climate, the Rivers, Bays and Harbours, and every other Circumstance attending the Natural State of it; but also his opinion in what manner it may be most conveniently laid out into Counties, and to annex to his Report a Map of such Survey, with the several Divisions
proposed marked upon it. But as the making each Survey, with the several Divisions proposed will be a Work of Great Length, You are in the mean time to carry-on Settlements upon that plan, which shall appear to you to be most Expedient from the best Information You can collect—

43. And Whereas it has been found by Experience, that the Settling Planters in Townships hath very much reddened to their Advantage, not only with respect to the Assistance they have been able to Afford each other in their Civil Concerns, but likewise with regard to the Security they have thereby acquired against the Insults and Incursions of neighbouring Indians or other Enemies; You are therefore to lay out Townships of a Convenient Size and Extent in such places as You in Your Discretion shall Judge most proper; And it is Our Will and Pleasure that each Township do consist of about twenty thousand Acres, having as far as may be natural Boundaries, extending up into the Country, and comprehending a necessary part of the River St Lawrence where it can be conveniently had—

44. You are also to cause a proper place in the most convenient part of each Township to be marked out for building a Fort sufficient to contain such a Number of Families as You shall judge proper to Settle there, with Town and Pasture Lots convenient to each Tenement, taking Care that the said Town be laid out upon, or as near as conveniently may be to some Navigable River or the Sea Coast, and You are also to reserve to Us proper Quantities of Land in each Township for the following purposes, Vizt For Erecting Fortifications and Barracks where necessary or for other Military or Naval Services, and more particularly for the Growth and Produce of Naval Timber, if there are any Wood Lands fit for that purpose—

45. And it is Our further Will and Pleasure that a particular Spot in or as near each Town as possible be set apart for the Building a Church, and four hundred Acres adjacent thereto, allotted for the Maintenance of a Minister and two hundred Acres for a Schoolmaster.

46. And You are to give Strict Orders to the Surveyors whom You shall Employ to mark out the said Townships and Towns, to make returns to you of their Surveys as soon as possible with a particular Description of each Township, and the Nature of the Soil within the same.

47. And You are to oblige all such persons, as shall be appointed to be Surveyors of the said Lands in each Township, to take an Oath for the due performance of their Offices and for obliging them to make extra Surveys of all Lands required to be set out—

48. And Whereas nothing can more effectually tend to the Speedy settling our said Colony, the Security of the property of Our Subjects and the advancement of Our Revenue than the disposing of such Lands as are our property upon Reasonable Terms, and the establishing a regular and proper method of proceeding with respect to the passing of Grants of such Land; It is therefore Our Will and Pleasure that all and every person and persons who shall apply to you for any Grant or Grants of Land shall previous to their obtaining the same make it appear before You in Council, that they are in a Condition to Cultivate and Improve the same by settling thereon in proportion to the Quantity of Acres desired, a sufficient Number of white persons and Negroes; and in Case You shall upon a Consideration of the Circumstances of the person or persons applying for such Grants, think it advisable to pass the same, in such Case You are to cause a Warrant to be drawn up, directed to the Surveyor General or other proper Officers, empowering him or them to make a faithful and Exact Survey of the Lands so petitioned for, and to return the said Warrant within six Months at furthest from the date thereof, with a plot or Description of the Lands so
Surveyed thereunto annexed, provided that You do take Care, that before any such Warrant is Issued as aforesaid, a Docket thereof be entered in the Auditors and Registers Office, and when the Warrant shall be returned by the said Surveyor or other proper Officer, the Grant shall be made out in due form, and the Terms and Conditions required by these Our Instructions be particularly and Expressly mentioned in the respective Grants: And it is Our Will and pleasure, that the said Grants shall be registered within Six Months from the date thereof in the Registers Office there, and Docket thereof be also entered in Our Auditors Office there, in case such Establishment shall take place in Our said Province, or that in Default thereof such Grant shall be Void, Copies of all which Entries shall be returned regularly by the proper Officer to Our Commissioners of Our Treasury and to Our Commissioners for Trade and plantations within six Months from Date thereof.

49. And Whereas great Inconveniences have arisen in many of Our Colony in America from the granting excessive Quantities of Land to particular persons who have never cultivated or Settled it, and have thereby Prevented others more Industrious from Improving the same; in Order therefore to prevent the like Inconveniences for the future, You are to take especial Care, that in all Grants to be made by You, by and with the Advice and Consent of Our Council, to persons applying for the same, the Quantity be in proportion to their Ability to Cultivate: And You are hereby directed to observe the following Directions and Regulations in all Grants to be made by You Viz:

That One hundred Acres of Land be granted to every person being Master or Mistress of a Family for himself or herself and fifty Acres for every White or Black Man Woman or Child of which such persons Family shall consist, at the Actual time of making the Grant, and in Case any Person applying to You for Grants of Lands shall be desirous of taking up a larger Quantity than the Actual Number of Persons in his or her Family would Intitle such persons to take up, It is Our Will and Pleasure and You are hereby allowed and permitted to grant unto every such person or persons such further Quantity of Land as they may desire, not exceeding one thousand Acres over and above what they are entitled to, by the number of persons in their respective Families, provided it shall appear to you that they are in a Condition and Intention to Cultivate the same; and provided also that they do pay to the Receiver of Our Quit rents or to such other Officer as shall be appointed to receive the same the Sum of five Shillings only for every fifty Acres so Granted on the Day of the Date of the Grant—

That all Grantees be Subject to the payment of two Shillings Sterling for every hundred Acres to commence at the expiration of two Years from the Date of such Grant and to be paid Yearly and every Year, or in Default of such payment the Grant to be void —

That every Grantee upon giving proof that he or she has fulfilled the Terms and Conditions of his or her Grant, shall be Entitled to another Grant in the proportion and upon the Conditions above mentioned.—

That for every fifty Acres of Land accounted plantable each patentee shall be Obliged within three Years after the Date of his patent to clear and Work three Acres at the least in that part of his Tract which he shall Judge most Convenient and Advantageous, or else to clear and drain three Acres of Swampy or sunken Grounds or drain three Acres of Marsh if any such be within the Bounds of His Grant —

That for every fifty Acres of Land accounted Barren every patentee shall be obliged to put and keep on his Land within three years after the
Date of his Grant three neat Cattle which number shall be obliged to continue on his Land until three Acres for every fifty be fully cleared and Improved.

That if any person shall take up a tract of Land wherein there shall be no part fit for present Cultivation without manuring and improving the same every such Grantee shall be obliged within three years from the Date of his Grant, to Erect on some part of his Land one Good Dwelling House to contain at least twenty feet in length and Sixteen Feet in Breadth and also to put on his Land the like Number of three neat Cattle for every fifty Acres—

That if any person who shall take up any Stony or Rocky Grounds not for planting or pasture shall, within three years after the passing of his Grant begin to Employ thereon, and so continue to work for three years then next ensuing in Digging any Stone Quarry or other Mine one good able Hand for every hundred Acres of such Tract, it shall be accounted a sufficient Cultivation and Improvement.

That every three Acres which shall be Cleared and Worked as afore-said, and every three Acres which shall be Cleared and Drained as afore-said, shall be accounted a sufficient Seating, plantation, Cultivation and Improvement to save for ever from Forfeiture fifty Acres of Land in any part of the Tract contained within the same patent; and the patentee shall be at Liberty to withdraw his Stock, or to forbear working in any Quarry or mine, in proportion to such Cultivation and Improvement, as shall be made upon the Swamps, sunken Grounds and Marshes which shall be Included in the same patent—

That when any person who shall hereafter take up and patent any Lands, shall have seated planted and Cultivated, or Improved the said Land or any part of it according to the Directions and Conditions above mentioned such patentee may make proof of such Seating planting Cultivation and Improvement in the General Court, or in the Court of the County, District or precinct where such lands shall lie, and have such proof certified to the Registers Office and there entered with the Record of the said patent, a Copy of which shall be admitted on any Trial to prove the Seating and planting of such Land.

And Lastly to ascertain the true Quantity of Plantable and Barren Land contained in each Grant hereafter to be made within Our said province You are to take especial Care that in all Surveys hereafter to be made every Surveyor be required and enjoyned to take particular Notice according to the best of his Judgment and understanding how much of the Land so Surveyed is plantable and how much of it is Barren and unfit for Cultivation, and according to Insert in the Survey and plot to him to be returned into the Registers Office the true Quantity of each kind of Land.

50. And Whereas it hath been represented to Us that the Governors of several of Our Colonies in America have Granted Lands away close to the Forts belonging to Us by which means the Garrisons of such Forts have been obliged to pay the proprietors of those Lands extravagant prices for Wood cut for a necessary supply of Fuel, and thereby a great and Unreasonable Expense has been brought upon the Military Contingencies It is Our Express Will and Pleasure that You do take Especial Care, that in all Warrants for Surveying of Lands adjacent or Contiguous to a Fort or Fortification, whether such Warrant be Granted upon an Original Petition to you in Council, or upon Our Order in Our privy Council there be an Express Direction to the Surveyor that he do reserve to Us Our Heirs and Successors for the Use of the Fort, near to which the Lands shall lye such
a part of the Land petitioned for (being Woodland) and in such a situation as the Commander in Chief of the said Fort (with whom he is to be required to Consult and Advise in all such Cases) shall Judge Convenient and sufficient for a permanent and Certain Supply of Fuel for such a Garrison as the said Fort may be able to Contain. And it is Our further pleasure, that a regular plot of such reserved Land, describing the Bounds, expressing the Quantity of Acres, and properly signed and attested by such Surveyor, be delivered to the Comanding Officer of each Fort, to be there publicly hung up and a Duplicate thereof also Recorded in the Secretary’s Office or other proper Office of Record in Our province under Your Government; and as we judge the due Execution of this Our Order to be essential to Our Service, You are hereby required to take Care, that the Regulations above prescribed be duly entered upon the Council Books of Our said Province, as a standing Order to all persons, who may be Instrusted with the powers to which they refer—

51. And it is Our further Will and Pleasure that in all Grants of Lands to be made by You as aforesaid, regard be had to the profitable and unprofitable Acres so that each Grantee may have a proportionable Number of One Sort and the other; as likewise that the Breadth of each Tract of Land to be hereafter Granted be one third of the Length of such Tract, and that the Length of each Tract do not Extend along the Banks of any River but into the Main Land that thereby the said Grantees may have each a Convenient Share of what accommodation the said River may Afford for Navigation or otherwise—

52. And Whereas it hath been represented to Us, that many Parts of the Province under your Government are particularly adapted to the Growth and Culture of Hemp and Flax, It is therefore Our Will and pleasure that in all Surveys of Land for Settlement, the Surveyor be directed to Report whether there is any or what Quantity of Lands contained within such Survey, fit for the production of Hemp and Flax and you are to take particular Care to insert a Clause in every Grant of Land where any part thereof is fit for such production, obliging the Grantee annually to sow a proportionable part of his Grant with Hemp or Flax Seed—

53. And Whereas it hath been further represented to Us that a great part of the Country in the Neighbourhood of Lake Champlain, and between that Lake and the River St Lawrence, abounds with Woods, producing Trees fit for masting for Our Royal Navy, and other Useful and necessary Timber for naval Construction; You are therefore expressly directed and required to cause such parts of the said Country or any other within Your Government, that shall appear upon a Survey to abound with such Trees and shall lye convenient for Water Carriage, to be reserved to Us, and to Use Your best Endeavour to prevent any Waste being Committed upon the said Tracts by punishing in due Course of Law any persons who shall Cut Down or Destroy any Trees growing thereon, and You are to Consider and advise with Our Council, whether some Regulation that shall prevent any Saw Mills whatever from being Erected within your Government without a License from you or the Commander in Chief of Our said Province for the time being, may not be a means of preventing all Waste and Destruction in such Tracts of Land as shall be reserved to Us for the purposes aforesaid—

54. And Whereas it appears from the Representations of Our late Governor of the District of Trois Rivieres that the Iron Works at St Maurice in that District are of great Consequence to Our Service; It is therefore Our Will and Pleasure that no part of the Lands, upon which the said Iron
Works were carried on, or from which the Ore Used in such Works was procured, which shall appear to be necessary and Convenient for that Establishment, either in respect to a free passage to the River St Lawrence, or for producing a necessary Supply of Wood, Corn and Hay, or for pasture for Cattle, be Granted to any private person whatever, and also that as large a District of Land, as conveniently may be adjacent to and lying round the said Iron Works, over and above what may be necessary for the above purposes be reserved for Our Use to be disposed of in such manner as We shall hereafter direct and appoint—

55. And Whereas it is necessary that all Persons who may be desirous of Settling in Our said province, should be fully Informed of the Terms and Conditions upon which Lands will be granted in Our said province, You are therefore as soon as possible to cause a publication to be made by proclamation or otherwise as you in Your Discretion shall think most advisable of all and every the foregoing Terms, Conditions and Regulations of every kind respecting the Grants of Lands, in which proclamation it may be Expedient to add some short Description of the natural Advantages of the Soil and Climate, and its peculiar Advantages for Trade and Navigation; and you are to take such Steps as You shall think proper for the publishing such proclamation in all the Colonies in North America—

56. And it is Our further Will and Pleasure that all the foregoing Instructions to You as well as any which You may hereafter receive relative to the form and method of passing Grants of Lands, and the Terms and Conditions to be annexed to such Grants be entered upon Record with the Grants themselves for the Information and Satisfaction of all parties whatever that may be concerned therein.

57. And it is Our further Will and Pleasure that You do consider of a proper and Effectual Method of Collecting receiving and accounting for Our Quit Rents whereby all Frauds Concealment Irregularity or Neglect therein may be prevented and whereby the Receipt thereof may be Effectually chequed and Controlled, and if it shall appear necessary to pass An Act for the more effectually ascertaining and the more speedily and regularly collecting Our Quit Rents, You are to prepare the Heads of such a Bill, as you shall think may most Effectually conduce to the procuring the good Ends proposed, and to Transmit the same to Us by one of Our principal Secretaries of State, for Our further Directions therein, and You are also to Transmit a Duplicate thereof to Our Commissioners for Trade and Plantations for their Information—

58. And it is Our further Will and Pleasure that the Surveyor General or such other person or persons as you shall think proper to Appoint, do, once in every Year or oftener, as Occasion may require, inspect the State of all Grants of Land made by you, and make Report thereof to You in Writing, Specifying whether the Conditions therein contained have or have not been complied with, or what Progress has been made towards fulfilling the same; and you are annually to transmit Copies of such Reports to Us by One of Our principal Secretaries of State, and Duplicates thereof to Our Commissioners for Trade and Plantations for their Information—

59. And Whereas Our Province of Quebec is in part Inhabited and Possessed by several Nations and Tribes of Indians, with whom it is both necessary and Expedient to cultivate and maintain a Strict Friendship and good Correspondence, so that they may be Induced by Degrees not only to be good Neighbours to Our Subjects, but likewise to be good Subjects to Us, You are therefore as soon as You conveniently can, to appoint a proper
person or persons to Assemble and treat with the said Indians, promising and Assuring them of Protection and Friendship on our part and delivering them such presents as shall be sent to You for that purpose—

60. And You are to Inform yourself with the greatest Exactness of the Number, Nature and Disposition of the several Bodies or Tribes of Indians, of the manner of their Lives, and the Rules and Constitutions by which they are governed and regulated, and You are upon no Account to molest or disturb them in the possession of the said province as they at present Occupy, or Possess, but to Use the best means You can for Conciliating their Affections and Uniting them to Our Government, reporting to Us, by One of Our principal Secretaries of State, and to Our Commissioners for Trade and Plantations whatever Information You can collect with respect to these people, and the whole of Your proceedings with them.—

61. Whereas We have by Our proclamation dated the 7th Day of October in the 3rd Year of Our Reign, strictly forbid, on pain, of Displeasure, all our Subjects from making any purchases or Settlements whatever, or taking possession of any of the Lands reserved to the several Nations of Indians, with whom we are connected, and who live under our protection without our special leave for that purpose first obtained It is Our Express Will and Pleasure that you take the most Effectual Care, that Our Royal Directions herein be punctually complied with, and that the Trade with such of the said Indians as depend upon Your Government be carried on in the manner and under the Regulations prescribed in Our said proclamation.—

62. You are to use Your best Endeavours in Improving the Trade of those parts by settling such Orders and Regulations therein, with the Advice of our said Council as may be most acceptable to the Generality of the Inhabitants. And it is Our Express Will and Pleasure, that You do not upon any pretence Whatever, upon pain of Our Highest Displeasure, give Your Assent to any Law or Laws for setting up any Manufactures and carrying on any Trades which are hurtful and prejudicial to this Kingdom, and that You do Use Your Utmost Endeavours to discourage, discontinue and restrain any Attempts which may be made to set up such Manufactures or establish any such Trades—

63. And it is Our Will and Pleasure, that You do not dispose of any Forfeitures or Escheats to any Person, until the Sheriff or other proper Officer have made Enquiry by a Jury upon their Oaths, into the true Value thereof, nor until You have transmitted to Our Commissioners of Our Treasury a particular Account of such Forfeitures and Escheats, and the Value thereof. And You are also to take Care that the produce of such Forfeitures and Escheats, in Case We think proper to give You Directions to dispose of the same, be duly paid to Our Treasurer or Receiver General of Our said province, and a full Account transmitted to Our Commissioners of Our Treasury, or Our High Treasurer for the Time being with the Names of the persons to whom disposed.

64. And Whereas Commissions have been Granted unto several persons in Our Respective Plantations in America for the Trying of pirates in those parts pursuant to the Acts for the more Effectual Suppression of Piracy, And by a Commission already sent to Our province of New York Our Governor there is Impowered together with others therein mentioned to proceed accordingly in Reference to Our said Province; Our Will and pleasure is that you do Use Your best Endeavours to apprehend all persons whatever who may have been guilty of Piracy within Your Government or who having Committed such Crimes at other places may come within your Juris-
diction; and until we shall think proper to direct the like Commission to be Established for Our Government of Quebec, You are to send such pirates with what proofs of their Guilt You can procure or Collect, to Our Governor of New York to be tryed and punished under the Authority of the Commission established for those parts—

65. And Whereas You will Receive from our Commissioners for Executing the Office of High Admiral of Great Britain, and of Our Plantations, a Commission constituting You Vice Admiral of Our said Province, You are hereby required and Directed Carefully to put in Execution the several powers thereby Granted you—

66. Whereas great Inconveniences have happened heretofore by Merchant Ships and other Vessels in the Plantations, wearing the Colours born by Our Ships of War under pretence of Commissions granted to them by the Governors of the said plantations, and by trading under those Colours not only amongst Our Own Subjects, but also those of other princes and States, and committing divers Irregularities, they may very much dishonor Our Service; for preventing thereof You are to oblige the Commanders of all such Ships, to which You shall grant Commissions, to wear no other Colours than such as are described in an Order of Council of the 7th of January 1730 in relation to Colours to be Worne by all Ships and Vessels, Except Our Ships of War.

67. And Whereas there have been some great Irregularities in the manner of Granting Commissions in the plantations to private Ships of War, You are to govern Yourself, whenever there shall be Occasion according to the Commission and Instructions granted in this Kingdom but You are not to grant Commissions of Marque or Reprisal against any prince or State or their Subjects in Amity with Us to any person whatsoever without Our Especial Command.

68. Whereas We have been Informed that during the time of War Our Enemies have frequently got Intelligence of the State of our plantations by Letters from private persons to their Correspondence in Great Britain, taken on board Ships coming from the plantations, which has been of Dangerous Consequence; Our Will and Pleasure therefore is, that You signify to all Merchants, Planters and others, that they be very Cautionous in time of War whenever that shall happen in giving any Account by the Letters of the publick State and Condition of Our province under your Government; And You are further to give directions to all masters of Ships or other persons to whom you may Entrust Your Letters, that they put such Letters into a Bag, with a Sufficient Weight to sink the same Immediately in case of Imminent Danger from the Enemy, and You are also to let the Merchants and Planters know, how greatly it is for their Interest that their Letters should not fall into the Hands of the Enemy; and therefore that they should give like Orders to Masters of Ships in Relation to their Letters; and You are further to advise all Masters of Ships that they do sink all Letters in Case of Danger in the manner before mentioned—

69. And Whereas the Merchants and Planters in Our plantations in America have, in time of War, Corresponded and traded with our Enemies, and carried Intelligence to them, to the great Prejudice and Hazard of Our said plantations; You are therefore by all possible Methods, to endeavour to hinder such Trade and Correspondence in time of War—

70. And You are to Report to Us, by one of Our principal Secretaries of State; What is the Nature of the Soil and Climate of the province under your Government; if it differs in those Circumstances from Our other Northern Colonies, in what that Difference consists, and what beneficial Articles of Commerce the different parts of it are capable of producing—
What Rivers there are, and of what extent and convenience to the planters?
What are the principal Harbours, how situated, of what extent, and what is the Depth of Water and Nature of the Anchorage in each of them? What quantity of Land is now under actual Improvement and Settlement? what are the chief Articles of produce and Culture, the annual amount of the Quantity of each, and upon what Terms and Conditions the Inhabitants hold their Lands, either of Cultivation, Rent, or personal Service? —
What is the Quantity, Nature and property of the Land uncultivated, how much of it is capable of Culture, and what part thereof is private property? —
What is the number of Inhabitants, Whites and Blacks distinguishing each; what number of the former is capable of bearing Arms, and what number of the latter is annually necessary to be supplied in proportion to the Land Cultivated.
What was the nature, form and Constitution of the Civil Government; what Judicatures were there Established, and under the Regulations did the French Inhabitants carry on their Commerce, and You are to transmit a Duplicate of such Account to Our Commissioners for Trade and plantations for their Information.
71. You are from time to time to send unto Us by One of Our principal Secretaries of State as aforesaid; An account of the Increase and Decrease of the Inhabitants, Whites and Blacks; And also an Account of all persons, Born, Christened and Buried and You are to Transmit duplicates of such Accounts to Our Commissioners for Trade and plantations for their Information.
72. — Whereas it is absolutely necessary that We be exactly Informed of the State of Defence of all our plantations in America, as well in Relation to the Stores of War, that are in each plantation, as the Forts and Fortifications there, and what more may be necessary to be built for the Defence and Security of the same, You are as soon as possible to prepare an Account thereof with Relation to Our said province in the most particular manner, and You are therein to Express the present State of the Arms, Ammunition, and other Stores of War, belonging to the said Province, either in publick Magazines, or in the Hands of private persons; together with the State of all places, either already forfeited or what you Judge Necessary to be forfeited for the Security of Our said province; and You are to transmit the said Accounts to Us by One of Our principal Secretaries of State, and also Duplicates thereof to Our Commissioners for Trade and Plantations, for their Information, and also a Duplicate thereof to Our Master General or Principal Officers of Our Ordnance; which Accounts are to Express the particulars of Ordnance, Carriages, Balls, Powder, and other Sorts of Arms, and Ammunition in Our publick Stores, and so from time to time of what shall be sent to you, or bought with the publick Money, and to Specify the time of the disposal and the Occasion thereof; and You are half yearly to transmit a General Account of the State of the Fortifications and Warlike Stores, specified in the manner above mentioned —
73. You are from time to time to give an Account what Strength your Neighbours have by Sea and Land, and of the Condition of their plantations, and what Correspondence You keep with them —
74. And in Case of any Distress of any other of Our plantations, You shall, upon application of the respective Governors thereof unto you, assist them with what aid the Condition and Safety of Our province under Your Government can spare.
75. If any thing shall happen which may be of advantage or Security to Our province under Your Government, which is not herein, or by Your Commission provided for, We do hereby allow unto You with the Advice and Consent of Our Council, to take Order for the present therein, giving unto Us by One of Our principal Secretaries of State Speedy Notice thereof, that You may receive Our Ratification, if We shall approve the same; Provided always that You do not, by Colour of any power or Authority hereby given You, Commence or Declare War without Our Knowledge and particular Commands therein; and you are also to Transmit duplicate of such Notice, as aforesaid, to Our Commissioners for Trade and plantations for their Information—

76. And Whereas We have by the first Article of these Our Instructions to You directed and Appointed, that Your Chief Residence shall be at Quebec, You are nevertheless frequently to Visit the other parts of Your Government, in Order to Inspect the Management of all publick Affairs and thereby the better to take care, that the Government be so administered, that no disorderly practice may grow up contrary to Our Service and the welfare of Our Subjects—

77. And Whereas great Prejudice may happen to Our service, and the security of the Province by Your absence from those parts, You are not upon any pretence whatsoever to come into Europe, without having first obtained leave for so doing from Us under Our Sign Manual and Signet or by Our Order in Our privy Council; Yet nevertheless in Case of Sickness, You may go to South Carolina, or any other of Our Southern plantations, and there Stay for such Space as the Recovery of Your Health may absolutely require—

78. And Whereas We have thought it fit by Our Commission to direct, that in Case of Your Death or absence from Our said province, and in Case there be at that time no person within Our said province Commissioned or Appointed by Us to be Our Lieutenant Governor or Commander in Chief that the Eldest Councillor, who shall be at the time of Your Death or absence residing within Our said Province under Your Government, shall take upon him the Administration of Government, and execute our said Commission and Instructions, and the several powers and Authorities therein directed—It is nevertheless Our Will and Pleasure that in such Case the said President shall forbear to pass any Act or Acts but what are immediately necessary for the peace and Welfare of the said Province, without our particular Orders for that purpose, and that he shall not remove or Suspend any of the Members of Our Council, nor any Judges, Justices of the peace, or other Officers Civil or Military, without the advice and consent of at least Seven of the Members of Our said Council, nor even then without good and sufficient Reasons for the same which the said President is by the first Opportunity to transmit Signed by himself and the rest of Our said Council, to Us by One of Our principal Secretaries of State, and he is also to transmit a Duplicate of such Reasons to Our Commissioners for Trade and plantations for their Information—

79. And Whereas We are willing in the best manner to provide for the Support of the Government of Our Province aforesaid, of which You are Governor, by setting apart sufficient allowances to such as shall be Our Governor or Commander in Chief residing for the time being within the same, Our Will and Pleasure is, that when it shall happen, that You shall be Absent from Our said Province, One full Moiety of the Salary and all perquisites and Emoluments whatsoever, which would otherwise become due unto you, shall during the time of Your absence, be paid and satisfied unto
Our Commander in Chief, who shall be resident within our said province for the time being, which we do hereby Order and allot to him for his Maintenance and for the better Support of the Dignity of that Our Government.

80. And You are upon all Occasions to send unto Us by One of Our principal Secretaries of State a particular Account of all Your proceedings, and of the Condition of Affairs within Your Government, and also a Duplicate thereof to Our Commissioners for Trade and plantations, for their Information, except in cases of a Secret Nature.

By the Honorable Guy Carleton, Lieutenant-Governor & Commander-in-Chief of the Province of Quebec, Brigadier-General of His Majesty's Forces, &c., &c.

A Proclamation.  
(27 Sp., 1768.)

Whereas I have received an order of His Majesty-in-Council, dated the 26th day of June, 1767, in the words following, viz:—

At the Court of Saint James’s,  
The 26th day of June, 1767.

Present.

The King’s Most Excellent Majesty.

Lord President.  Earl Shelborne.
Lord Steward.  Viscount Barrington.
Earl Huntingdon.  Viscount Clare.
Earl Denbigh.  Viscount Villiers.
Earl Litchfield.  Lord Sandy.
Earl Cholmondeley.  James Stuart Mackenzie, Esq.
Earl Marchmont.  James Oswald, Esq.
Earl of Bristol.  Sir Edward Hawke.
Earl Ashburnham.

Whereas there was read this day at the Board a Report from the Right Honorable the Lords of the Committee of Council for Plantation Affairs, dated the 12th of this Instant, in the words following, viz:—

Your Majesty having been pleased by your order-in-Council of the 3rd of December last, to refer unto this Committee the humble petition of Anthony Merry, of London, Merchant, in behalf of himself, George Alsopp, Joseph Howard, and Edward Chinn, Merchants, and Inhabitants of Your Majesty’s Province of Canada in North America, setting forth among other things that, in consequence of Your Majesty’s Royal Proclamation of the 7th of October, 1763, and of another Proclamation issued in Your Majesty’s Name, by His Excellency General Murray, Governor of Quebec, on the 31st of January, 1765, the Petitioners were Encouraged to load a Vessel with sundry Merchandize, provide Canoes, and everything necessary and proper for carrying on the Trade with the Indians at a place called the King’s Posts of Tadousac Chegotimi, on the River Saguenay, in the neighbourhood
of Lake St. John, and having built a Shed or Warehouse for the reception of their Goods and at a very considerable expense, established themselves, gained the Indians to their Interest, and made a Settlement on Lake St. John, they were prohibited from prosecuting their plan, by Your Majesty's Receiver-General and the President and Council of Quebec; and humbly praying, That your Majesty will be graciously pleased to grant them an order for liberty to dispose of such goods as they had sent up, or your Majesty's Royal Mandate for a grant of such Lands as are mentioned in a Petition presented by them to Governor Murray, or to be otherwise relieved in the Premises.

The Lords of the Committee, in obedience to Your Majesty's said order of reference; this day took the said petition, together with a Report made thereon by the Lords Commissioners for Trade & Plantations, dated the 2nd of this instant, into their Consideration, and do agree humbly to report to Your Majesty, as their opinion that the Petitioners had no right, by Your Majesty's Proclamation of the 7th of October 1763, to trade at the Posts of the Royal domain at Tadousac & Chigotimi, on the River Sagenay, in the Province of Canada, or to erect any Magazines, or make any Establishment for the purpose of Trade there, and that Your Majesty's right thereto ought to be Considered as excluded from the general right of Free Trade, granted by the said Proclamation, & ought to be carried on only by Your Majesty's Lessees, under your particular License for that purpose, and the Buildings and Magazines erected at the said Posts by the Petitioners should be demolished, and that the goods sent there by the Petitioners be returned to them, notwithstanding the manner in which they conveyed them thither. And their Lordships humbly submit to Your Majesty that the said petition of Anthony Merry and others should be dismissed.

His Majesty taking the same into Consideration, was pleased with the advice of his Privy Council, to approve thereof, & to order, as it is hereby ordered, that the Buildings and Magazines erected at the said Posts by the Petitioners be demolished, and that the goods sent there by the Petitioners be returned to them.

And it is hereby further ordered that the said petition of Anthony Merry and others be dismissed this Board, whereof the Governor, Lieutenant-Governor, or Commander-in-Chief of His Majesty's Province of Quebec for the time being, and all others whom it may Concern, are to take notice and govern themselves accordingly.

W. Blair, 12th July, 1768.

All persons are therefor required to pay due obedience to this His Majesty's orders-in-Council, and govern themselves accordingly, as they will answer the Contrary at their peril.

ADDITIONAL INSTRUCTIONS TO CARLETON.

George R. (2 July, 1771.)

[L.S.] Additional Instruction to Our Trusty and Wellbeloved Guy Carleton Esquire, Our Captain General & Governor in Chief in and over Our Province of Quebec, in America, Given at Our Court at St James’s the 2d Day of July 1771. In the Eleventh Year of Our Reign.

Whereas it hath been represented to Us, that the Terms and Conditions, under which you are by our Royal Instructions to you, authorized and directed to make Grants of Lands within our Province of Quebec under your Government, have been found to be inconvenient and inadequate; and that it would be more for our advantage, & for the benefit of Our Subjects inhabiting in, and resorting to our said Province, if the ancient Mode of granting Lands which prevailed under the French Government before the Conquest and Cession of the said Province, was to be adopted; We therefore taking the same into Our Royal Consideration, and being desirous to promote as far as in Us lies, the Welfare and Prosperity of Our said Province, have thought fit to revoke & do hereby revoke and annul all such parts of our said Instructions to you; & every Clause, Matter and Thing therein, which contain any Powers or Directions in respect to the granting of Lands within Our said Province; And it is Our Will and Pleasure & you are hereby authorized and empowered to grant, with the Advice of the Council of Our said Province, the Lands which remain subject to Our disposal, in Fief or Seigneurie, as hath been practised heretofore antecedent to the Conquest thereof; omitting however in such Grants, so to be made by you, the reservation of the exercise of such judicial Powers, as hath been long disused within Our said Province. And it is Our further Will and Pleasure that all Grants in Fief and Seigneurie, so to be passed by you, as aforesaid, be made subject to Our Royal Ratification, and also be registered within Our said Province, in like manner as was Practised in regard to Grants held in Fief and Seigneurie under the French Government.

G. R.

By His Excellency William Tryon, Esq., Capt. General and Governor-in-Chief, in and over the Province of New York, and the Territories depending thereon in America, Chancellor & Vice-Admiral of the Same.

A PROCLAMATION. (17 Aug., 1771.)

Whereas sundry Persons, under Titles derived from the Government of France, while in possession of Canada, claim Property & Lands situate on the part of Lake Champlain, which lies within the limits of the Province of New York, but have not stated or otherwise made known to this Government the nature and extent of such their Claims, for want of which information real prejudice may arise to the Claimants themselves: and the interests of the Crown and of the Colony be greatly affected by discouragement of the Growth & Settlement of that part of the Country.
I have therefor thought fit, with the Advice of His Majesty's Council, to issue this Proclamation, hereby notifying to all persons holding or laying claim under such Titles as aforesaid, to any Lands upon Lake Champlain, Northward of Crown Point, and to the Southward of the 45th degree of Northern Latitude to transmit into the Secretary's Office of this Province within the space of 3 months from the date hereof, authentic exemplifications of the original grants together with satisfactory Evidence of the Situation of the Lands therein mentioned, and of the validity of the Title of the Claimants thereof at the time of the Surrender of Canada to the Crown of Great Britain. To the end that the Government of this Province, by being duly apprized thereof may be enabled to give the claims under such French grants the attention they shall appear to merit.

Given under my hand & Seal at Arms at Fort George, in the City of New York, the 17th day of August, 1771, and in the 11th year of the Reign of Our Sovereign Lord, George III, by the Grace of God of Great Britain, France and Ireland, King Defender of the Faith.

I have therefore thought fit by & with the Advice and Consent of His Majesty's Council to issue this Proclamation hereby ordering & directing, That all Officers of Government within the said Province, do continue in their several Offices & Employments, until further Orders, of which all persons concerned are required to take notice, and to govern themselves accordingly.

GOD SAVE THE KING.

INSTRUCTIONS TO GOVERNOR CARLETON.

(3 January, 1775.)

George R.
[L.S.]

Instructions to Our Trusty and Welbeloved Guy Carleton Esquire, Our Captain General and Governor in Chief in, and over Our Province of Quebec in America and of all Our Territories dependent thereupon. Given at Our Court at St James's the Third Day of January 1775. In the Fifteenth year of Our Reign.

First, With these Our Instructions you will receive our Commission under Our Great Seal of Great Britain, constituting you Our Captain General and Governor in Chief in, and over Our Province of Quebec in America, and all Our Territories thereunto belonging, as the said Province and Territories are bounded and described in, and by the said Commission. You are therefore to take upon you the Execution of the Office and Trust We have reposed in you, and the Administration of the Government, and to do and execute all things in due manner, that shall belong to your Command according to the several Powers and Authorities of our said Commission under Our Great Seal of Great Britain, and these Our Instruc-
tions to you, or according to such further Powers and Instructions, as shall at any time hereafter be granted or appointed you under Our Signet and Sign Manual, or by Our Order in Our Privy Council; and you are to call together at Quebec, (Which We do hereby appoint to be the place of your ordinary Residence, and the principal Seat of Government,) the following persons whom We do hereby, with the Advice of Our Privy Council, constitute and appoint to be Our Council for the Affairs of Our said Province of Quebec, and the Territories thereunto belonging; Viz, Hector Theophilus Cramabé Esquire, Our Lieutenant Governor of Our said Province or Our Lieutenant Governor of Our said Province for the time being, Our Chief Justice of Our Province for the time being, Hugh Finlay, Thomas Dunn, James Cuthbert, Colin Drummond, Francis Les Vesques; Edward Harrison, John Collins, Adam Mahean.—De Lery,—St. Ours, Picodyte Contrecoeur, Our Secretary of Our said Province for the time being, George Alsopp,—De La Naudière, La Corne Saint Luc, Alexander Johnston, Conrad Gugy,—Bellestrés,—Rigauville, and John Fraser Esquires; All and every of which Person and Persons shall hold and enjoy his & their Office and Offices of Councillor or Councillors for Our said Province of Quebec, for and during Our Will and Pleasure, and his or their Residence within Our said Province, and not otherwise.

2. It is Our further Will and Pleasure, that any five of the said Council shall constitute a Board of Council for transacting all Business, in which their Advice and consent may be requisite, Acts of Legislation only excepted, (in which Case you are not to act without a Majority of the whole,) And it is Our further Will and Pleasure, that the Members of Our said Council shall have and enjoy all the Powers, Privileges and Emoluments enjoyed by the Members of Our Councils in Our other Plantations; and also such others as are contained and directed in Our said Commission under Our Great Seal of Great Britain, and in these Our Instructions to you; and that they shall meet together at such time and times, place and places, as you in your discretion shall think necessary, except when they meet for the purpose of Legislation, in which Case they are to be assembled at the Town of Quebec only.

3. And You are with all due and usual Solemnity to cause Our said Commission to be read and published at the said Meeting of Our Council, which being done, you shall then take and also administer to each of the Members of Our said Council, (not being a Canadian, professing the Religion of the Church of Rome,) the Oaths mentioned in an Act passed in the first year of the Reign of His Majesty King George the first, intituled, "An Act for the further Security of His Majesty’s Person, and Government, and the Succession of the Crown in the Heirs of the late Princess Sophia, being Protestants; and for extinguishing the hopes of the pretended Prince of Wales, and his open and secret Abettors," as altered and explained by an Act passed in the sixth year of Our Reign, intituled, "An Act for altering the Oath of Abjuration, and the Assurance and for amending so much of an Act of the seventh year of Her late Majesty Queen Anne, intituled, "An Act for the Improvement of the Union of the two Kingdoms, as, after the time therein limited, requires the delivery of certain Lists and Copies, therein mentioned, to persons indicted of High Treason, or Misprision of Treason," as also make and subscribe, and cause them to make and subscribe the declaration mentioned in an Act of Parliament made in the twenty fifth Year of the Reign of King Charles the second, intituled, "An Act for preventing Dangers, which may happen from Popish Recusants," and you and every one of them are likewise to take an Oath for the Use
Execution of your and their Places and Trusts, with regard to your and their equal and impartial Administration of Justice; and you are also to take the Oath required by an Act passed in the seventh and eighth years of the Reign of King William the third, to be taken by Governors of Plantations to do their utmost, that the Laws relating to the Plantations be observed.

4. And Whereas by an Act passed in the fourteenth year of Our Reign, intituled, “An Act for making more effectual provision for the Government of the Province of Quebec in North America,” it is enacted and provided, that no person, professing the Religion of the Church of Rome, and residing in the said Province, shall be obliged to take the Oath of Supremacy required by an Act passed in the first year of the Reign of Queen Elizabeth, or any other Oaths substituted by any other Act in the place thereof; but that every such Person, who by the said Statute is required to take the Oaths therein mentioned, shall be obliged, and is thereby required, under certain Penalties, to take and subscribe an Oath in the form and Words therein prescribed, and set down; It is therefore Our Will and Pleasure, that you do administer to each and every Member of Our said Council, being a Canadian, and professing the Religion of the Church of Rome, and cause each of them severally to take and subscribe the Oath mentioned in the said Act passed in the fourteenth year of Our Reign, intituled; “An Act for making more effectual provision for the Government of the Province of Quebec in North America;” and also cause them severally to take an Oath for the due Execution of their places and Trusts, and for their equal and impartial administration of Justice.

5. And that We may be always informed of the Names and Characters of Persons fit to supply the Vacancies, which may happen in Our said Council, You are from time to time to transmit to Us, by one of Our Principal Secretaries of State, the Names and Characters of such persons, Inhabitants of Our said Colony, whom you shall esteem the best qualified for that Trust; And you are also to transmit a duplicate of the said Account to Our Commissioners for Trade and Plantations, for their Information.

6. And if it shall at any time happen, that by the death or departure out of Our said Province, of any of Our said Councillors, there shall be a Vacancy in Our said Council, Our Will and Pleasure is; that you signify the same to Us by one of Our principal Secretaries of State, and to Our Commissioners for Trade and Plantations, by the first Opportunity, that we may by Warrant under Our Signet and Sign Manual, and with the Advice of Our Privy Council, constitute and appoint others in their stead.

7. You are forthwith to communicate such and so many of these Our Instructions to Our said Council, wherein their Advice and Consent are mentioned to be requisite, as likewise all such others from time to time, as you shall find convenient for Our Service to be imparted to them.

8. You are to permit the Members of Our said Council to have and Enjoy Freedom of Debate and vote in all Affairs of Public Concern, that may be debated in Council.

9. And Whereas by the aforesaid Act passed in the fourteenth year of Our Reign, intituled, “An Act for making more effectual Provision for the Government of the Province of Quebec in North America,” It is further enacted and Provided, that the Council for the Affairs of the said Province, to be constituted and appointed in Manner therein directed, or the Major Part thereof, shall have power and Authority to make Ordinances for the peace, Welfare, and good Government of the said Province with the Consent of Our Governor, or, in his absence, of the Lieutenant Governor,
or Commander in Chief for the time being; provided, that no Ordinance shall be passed, unless upon some urgent Occasion at any Meeting of the Council, except between the first day of January and the first day of May. (And Whereas the State and condition of Our said Province do require, that immediate provision should be made by Law for the Great Variety of Arrangements and Regulations essentially necessary to the Government thereof; It is therefore Our Will and Pleasure, that you do within a convenient time issue Summons for the Assembling of our said Council in their Legislative Capacity either on the first day of April next, or as soon after as may be convenient, in Order to deliberate upon, and frame such Ordinances, as the Condition of Affairs within Our said Province shall require, and as shall, in your and their Judgement, be fit and necessary for the Welfare of Our said Province, and the Territories thereunto belonging.)

10. You are nevertheless to take especial Care,

That no Ordinance be passed at any Meeting of the Council, where less than a Majority of the Council is present, or at any time, except between the first day of January and the first day of May, as aforesaid, unless upon some urgent Occasion; in which Case every Member thereof resident at Quebec, or within fifty Miles thereof shall be personally summoned to attend the same.

That no Ordinance be passed for laying any Taxes or Duties, such Rates and Taxes only excepted, as the Inhabitants of any Town or District may be authorized to assess, levy, and apply within the said Town or District, for the making Roads, erecting and repairing public Buildings, or for any other purpose respecting the Local Convenience and Economy of such Town or District.

That no Ordinance touching Religion, or by which any punishment may be inflicted greater than Fine or Imprisonment for three Months, be made to take effect, until the same shall have received Our Approbation.

That no Ordinance be passed relative to the Trade, Commerce, or Fisheries of the said Province, by which the Inhabitants thereof shall be put upon a more advantageous footing, than any other His Majesty’s Subjects either of this Kingdom, or the Plantations.

That no Ordinance respecting private property be passed without a Clause suspending its Execution, until Our Royal Will and Pleasure is known; nor without a saving of the Right of Us, Our Heirs, and Successors, and of all Bodies politic and corporate, and of all other persons, except such as are mentioned in the said Ordinance, and those claiming by, from, and under them; And, before such Ordinance is passed, proof must be made before you in Council, and entered in the Council-Books, that public Notification was made of the Party’s Intention to apply for such Ordinance in the several Parish Churches, where the Lands in Question lye, for three Sundays at least successively, before any such Ordinance shall be proposed; and you are to transmit and annex to the said Ordinance a Certificate under your hand that the same passed through all the Forms abovementioned.

That no Ordinance shall be enacted for a less time than two years, except in Cases of imminent Necessity, or immediate temporary Expediency; and you shall not reenact any Ordinance, to which Our Assent shall have been once refused, without express leave for that purpose first obtained from Us, upon a full Representation by you to be made to Us by one of Our Principal Secretaries of State, and to Our Commissioners for Trade and Plantations, for their Information, of the Reasons and Necessity for passing such Ordinance; nor give your Assent to any Ordinance for repealing any other Ordinance, which hath passed in your Government, and shall
have received Our Royal Approbation, unless you take Care, that there be a Clause inserted suspending and deferring the Execution thereof, until Our Pleasure shall be known, concerning the Same.

That in all Ordinances imposing Fines, Forfeitures, or Penalties, express Mention be made, that the same is granted, or reserved to Us, Our Heirs, and Successors for the public Uses of the said Province, and the Support of the Government thereof, as by the said Ordinance shall be directed; and that a Clause be inserted declaring, that the Money, arising by the Operation of the said Ordinance, shall be accounted for unto Us in this Kingdom, and to Our Commissioners of Our Treasury for the time being; and audited by Our Auditor General of Our Plantations, or his Deputy.

That all such Ordinances be transmitted by you within Six Months after their passing, or sooner, if opportunity offers, to Us by One of our Principal Secretaries of State, and Duplicates thereof to Our Commissioners for Trade and Plantations, for their Information, that they be abstracted in the Margents, and accompanied with very full and particular Observations upon each of them, that is to say, whether the same is introductory to a new Law, or does repeal a Law then before in being; and you are also to transmit in the fullest manner the Reasons and Occasion for enacting such Ordinances, together with fair Copies of the Journals of the proceedings of the Council, which you are to require from the Clerk of the said Council.

11. In the Consideration of what may be necessary to be provided for by Law within Our said Province, as created and established by the aforesaid Act, intituled, “an Act for making more effectual Provision for the “Government of the Province of Quebec in North America,” a Great Variety of important Objects hold themselves forth to the Attention of the Legislative Council.

12. The Establishment of Courts, and a proper Mode of administering Civil and Criminal Justice throughout the whole Extent of Our Province, according to the Principles declared in the said Act “for making more “effectual provision for the Government thereof,” demand the greatest Care and Circumspection; for, as on the one hand it is Our Gracious purpose, conformable to the Spirit and Intention of the said Act of Parliament, that Our Canadian Subjects should have the benefit and use of their own Laws, Usages, and Customs in all Controversies respecting Titles of Land, and the Tenure, descent, Alienation, Incumbrances, and Settlement of Real Estates, and the distribution of the personal property of Persons dying intestate; so on the other hand, it will be the duty of the Legislative Council to consider well in framing such Ordinances, as may be necessary for the Establishment of Courts of Justice, and for the better Administration of Justice, whether the Laws of England may not be, if not altogether, at least in part the Rule for the decision in all Cases of personal Actions grounded upon Debts, Promises, Contracts, and Agreements, whether of a Mercantile or other Nature; and also of Wrongs proper to be compensated in damages; and more especially where Our natural-born Subjects of Great Britain, Ireland, or Our other Plantations residing at Quebec, or who may resort thither, or have Credits, or Property within the same, may happen to be either Plaintiff or defendant in any civil Suit of such a nature.

13. Security to personal Liberty is a fundamental Principle of Justice in all free Governments, and the making due provision for that purpose is an object the Legislature of Quebec ought never to lose Sight of; nor can
they follow a better Example than that, which the Common Law of this Kingdom hath set in the Provision made for a Writ of Habeas Corpus, which is the Right of every British Subject in this Kingdom.

14. With Regard to the Nature and number of the Courts of Justice, which it may be proper to establish, either for the whole Province at large, or separately for its dependencies, and the times and places for holding the said Courts, no certain Rule can be laid down in a Case, in which the Judgement must in many Respects at least be altogether guided by Circumstances of local Convenience and Consideration.

15. In General it may be proper, that there should be a Superior or Supreme Court of Criminal Justice and Jurisdiction for the Cognizance of all Pleas of the Crown, and for the Trial of all manner of Offences whatsoever, to be held before the Chief Justice for the time being at such times and places, as shall be most convenient for the due and speedy Administration of Justice, and the preventing long Imprisonments; the said Court to be called and known by the name of the Court of King’s Bench; That, for the more orderly establishment and Regulation of Courts of Civil Jurisdiction, the Province of Quebec, as limited and bounded by the aforesaid Act of Parliament “for making more effectual Provision for the Government of the Province of Quebec in North America,” be divided into two Districts by the names of Quebec and Montreal, each district to be limited and bounded in such manner, as shall be thought best adapted to the Object of the Jurisdiction to be established therein; That there be established in each of the said Districts a Court of Common pleas to be held at such times and places, as shall be judged most convenient, and to have full power, Jurisdiction and Authority to hear and determine all Civil Suits and Actions cognizable by the Court of Common Pleas in Westminster Hall, according to the Rules prescribed by the said Act of Parliament “for making more effectual Provision for the Government of the Province of Quebec in North America,” and according to such Laws and Ordinances, as shall from time to time be enacted by the Legislature of the said Province in manner therein directed; that there be three Judges in each of the said Courts of Common Pleas, that is to say, two of Our natural-born Subjects of Great Britain, Ireland, or Our other Plantations, and one Canadian; and also one Sheriff appointed for each district; That besides the foregoing Courts of Criminal and Civil Jurisdiction for the Province at large, there be also an Inferior Court of Criminal and Civil Jurisdiction in each of the Districts of the Illinois, St. Vincenne, Detroit, Missillimackinac, and Gaspee by the Names of the Court of King’s Bench for such district, to be held at such times, as shall be thought most convenient, with Authority to hear and determine in all Matters of Criminal Nature according to the Laws of England, and the Laws of the Province hereafter to be made and passed; and in all Civil matters according to the Rules prescribed by the aforesaid Act of Parliament “for making more effectual Provision for the Government of Quebec in North America;” That each of the said Courts shall consist of one judge, being a natural-born Subject of Great Britain, Ireland, or Our other Plantations, and of one other Person, being a Canadian, by the name of Assistant or Assessor, to give advice to the Judge in any Matter, when it may be necessary; but to have no Authority or Power to attest at issue any Process, or to give any Vote in any order, Judgment, or decree; that the said Judges, so to be appointed, as aforesaid, for each District, shall have the same power and Authority in Criminal Cases, as is vested in the Chief Justice of Our said Province; and also the same Power and Authority in Civil Cases, as any other Judge of Common Pleas within Our said Province, excepting only that, in Cases of Treason, Murder, or
other Capital Felonies, the said Judges shall have no Authority, than that of Arrest and Commitment to the Gaols of Quebec, or of Montreal, where alone Offenders in such Cases shall be tried before Our Chief Justice; That a Sheriff be appointed in each of the said Districts for the Execution of Civil and Criminal Process; That the Governor and Council (of which, in the absence of the Governor and Lieutenant Governor, the Chief Justice is to be President,) shall be a Court of civil Jurisdiction for the hearing and determining all Appeals from the Judgement of the other Courts, where the matter in dispute is above the value of Ten Pounds; That any Five of the said Council, with the Governor, Lieut. Governor, or Chief Justice shall constitute a Court for that purpose; and that their Judgment shall be final in all Cases not exceeding the Value of £500 sterling, in which Cases an Appeal from their Judgement is to be admitted to Us in Our Privy Council. It is however Our Will and Pleasure, that no Appeal be allowed, unless security be first duly given by the Appellant, that he will effectually prosecute the same, and answer the Condemnation, as also pay such Costs and Damages, as shall be awarded by Us, in case the Sentence be affirmed; Provided nevertheless, where the matter in question relates to the taking or demanding any Duty payable to Us, or to any Fee of Office, or annual Rents, or other such like matter or thing, where the Rights in future may be bound, in all such Cases appeal to Us, in Our Privy Council is to be admitted, tho’ the immediate sum or value appealed for be of less value.—And it is Our further Will and Pleasure, that in all Cases, where Appeals are admitted unto Us in Our Privy Council, execution be suspended until the final determination of such Appeal, unless good and sufficient security be given by the Appellee to make ample restitution of all, that the Appellant shall have lost by means of such decree or judgment, in case, upon the determination of such Appeal, such decree or judgment should be reversed, and restitution awarded to the Appellant. Appeals unto Us in Our Privy Council are also to be admitted in all cases of Fines imposed for misdemeanors; Provided the fines, so imposed, amount to, or exceed the sum of £100 sterling, the Appellant first giving good Security, that he will effectually prosecute the same and answer the Condemnation, if the sentence, by which such Fine was imposed in Quebec, be affirmed.

16. It is Our Will and Pleasure, that all Commissions to be granted by you to any person or persons to be judges or justices of the peace, or other necessary Officers, be granted during pleasure only.

17. You shall not displace any of the Judges, Justices of the peace or other Officers or Ministers without good and sufficient cause, which you shall signify in the fullest and most distinct manner to Us by one of Our principal Secretaries of State, and to Our Commissioners for Trade and Plantations, for their information.

18. And whereas frequent complaints have heretofore been made of great delays and undue proceedings in the Courts of Justice in several of Our Plantations, whereby many of Our good Subjects have very much suffered; and it being of the greatest importance to Our Service, and to the welfare of Our Plantations, that Justice be every where speedily and duly administered; and that all disorders, delays, and other undue Practises in the administration thereof be effectually prevented; We do particularly require you to take especial Care, that in all Courts, where you are or shall be authorized to preside, justice be impartially administered; and that in all other Courts established, or to be established within Our said Province,
all Judges and other Persons therein concerned do likewise perform their several Duties without any delay or partiality.

19. You are to take care, that all Writs be issued in Our Name throughout the Province under your Government.

20. The establishment of proper regulations in matters of ecclesiastical concern is an Object of very great importance, and it will be your indispensable duty to lose no time in making such arrangements in regard thereto, as may give full satisfaction to Our new Subjects in every point, in which they have a right to any indulgence on that head; always remembering, that it is a toleration of the free exercise of the religion of the Church of Rome only, to which they are entitled, but not to the powers and privileges of it, as an established Church, for that is a preference, which belongs only to the Protestant Church of England.

21. Upon these principles therefore, and to the end, that Our just Supremacy in all matters ecclesiastical, as well as civil, may have its due scope and influence, it is Our Will and Pleasure,——

First, that all Appeals to, or correspondence with any foreign ecclesiastical jurisdiction, of what nature or kind so ever, be absolutely forbidden under very severe Penalties.

Secondly, That no Episcopal or Vicarial Powers be exercised within Our said Province by any Persons professing the Religion of the Church of Rome, but such only, as are essentially and indispensably necessary to the free exercise of the Romish Religion; and in those cases not without a License and Permission from you under the Seal of Our said Province, and during Our Will and Pleasure, and under such other limitations & restrictions, as may correspond with the spirit and provision of the Act of Parliament, “for making more effectual provision for the Government of “the Province of Quebec;” And no person whatever is to have holy Orders conferred upon him, or to have the Cure of Souls without a License for that purpose first had or obtained from you.

Thirdly, That no person professing the Religion of the Church of Rome be allowed to fill any ecclesiastical Benefice, or to have and enjoy any of the Rights or Profits belonging thereto, that is not a Canadian by birth, (such only excepted, as are now in possession of any such Benefice,) and that is not appointed thereto by Us, or by, or under Our Authority, and present, or appoint to any vacant Benefice, other than such as may lay claim to the patronage of Benefices, as a Civil Right, be absolutely abolished. No Person to hold more than one Benefice, or at least not more than can reasonably be served by one and the same Incumbent.

Fourthly, That no person whatever, professing the Religion of the Church of Rome, be appointed Incumbent of any Parish, in which the Majority of the Inhabitants shall solicit the appointment of a Protestant Minister; in such case the Incumbent shall be a Protestant, and entitled to all Tythes payable within such Parish; But nevertheless the Roman Catholics may have the use of the Church for the free exercise of their Religion at such time, as may not interfere with the Religious Worship of the Protestants: And in like manner the Protestant Inhabitants in every Parish where the Majority of Parishioners are Roman Catholics, shall notwithstanding have the use of the Church for the exercise of their Religion at such times, as may not interfere with the Religious Worship of the Roman Catholics.

Fifthly, That no Incumbent professing the Religion of the Church of Rome be appointed to any Parish, shall be entitled to receive any Tythes for Lands, or Possessions occupied by a Protestant; but such Tythes shall be received by such Persons, as you shall appoint, and shall be reserved
in the hands of Our Receiver General, as aforesaid, for the support of a Protestant Clergy in Our said Province to be actually resident within the same, and not otherwise, according to such directions as you shall receive from Us in that behalf.—And in like manner all growing Rents and Profits of a vacant Benefice shall, during such vacancy, be reserved for, and applied to the like uses.

Sixthly, That all Persons professing the Religion of the Church of Rome, which are already possessed of, or may hereafter be appointed to any ecclesiastical Benefice, or who may be licensed to exercise any Power or Authority in respect thereto, do take and subscribe before you in Council, or before such Person as you shall appoint to administer the same, the Oath required to be taken and subscribed by the aforesaid Act of Parliament passed in the fourteenth year of Our Reign, intituled, “An Act for making more effectual Provision for the Government of the Province of Quebec in North America.”

Seventhly, That all Incumbents of Parishes shall hold their respective Benefices during good behaviour, subject however, in cases of any Conviction for criminal Offences, or upon due proof of seditious Attempts to disturb the Peace and Tranquility of Our Government, to be deprived, or suspended by you with the Advice and Consent of a Majority of Our said Council.

Eighthly, That such Ecclesiastics, as may think fit to enter into the holy state of Matrimony, shall be released from all Penalties, to which they may have been subjected in such Cases by any Authority of the See of Rome.

Ninthly, That freedom of Burial of the Dead in Churches and Church yards be allowed indiscriminately to every Christian Persuasion.

Tenthly, That the Royal Family be prayed for in all Churches and Places of Holy Worship, in such manner and form, as are used in this Kingdom; and that Our Arms and Insignia be put up not only in all such Churches and Places of holy Worship, but also in all Courts of Justice; and that the Arms of France be taken down in every such Church or Court, where they may at present remain.

Eleventhly, That the Society of Romish Priests, called the Seminaries of Quebec and Montreal, shall continue to possess and occupy their Houses of Residence, and all other Houses and Lands, to which they were lawfully intituled on the 13th of September 1759; and it shall be lawful for those Societies to fill up Vacancies, and admit new Members according to the Rules of their Foundations, and to educate Youth, in order to qualify them for the Service of Parochial Cures; as they shall become vacant. It is nevertheless Our Will and Pleasure, that not only these Seminaries, but all other Religious Communities, so long as the same shall continue, be subject to visitation by You Our Governor, or such other Person or Persons, as you shall appoint for that purpose, and also subject to such Rules and Regulations, as you shall, with the Advice and Consent of Our Council, think fit to establish and appoint.

Twelfthly, It is also Our Will and Pleasure, that all other Religious Seminaries and Communities (that of the Jesuits only excepted) do for the present and until We can be more fully informed of the true State of them, and how far they are, or are not essential to the free exercise of the Religion of the Church of Rome, as allowed within Our said Province, remain upon their present Establishment; but you are not to allow the admission of any new Members into any of the said Societies or Communities, the Religious Communities of Women only excepted, without our express orders
for that purpose. That the Society of Jesuits be suppressed and dissolved, and no longer continued, as a Body corporate and politic, and all their Rights, Possessions and Property shall be vested in Us for such purposes, as We may hereafter think fit to direct and appoint; but We think fit to declare Our Royal Intention to be, that the present Members of the said Society, as established at Quebec shall be allowed sufficient stipends and Provisions during their natural Lives;—That all Missionaries amongst the Indians, whether established under the Authority of, or appointed by the Jesuits, or by any other ecclesiastical Authority of the Romish Church, be withdrawn by degrees, and at-such times and in such manner, as shall be satisfactory to the said Indians, and consistent with the Public Safety; and Protestant Missionaries appointed in their places; That all ecclesiastical Persons whatsoever, of the Church of Rome, be inhibited, upon Pain of Deprivation, from influencing any Person in the making a Will, from inveigling Protestants to become Papists, or from tampering with them in matter of Religion, and that the Romish Priests be forbid to inveigh in their Sermons against the Religion of the Church of England, or to marry, baptize, or visit the sick, or bury any of Our Protestant Subjects, if a Protestant Minister be upon the Spot.

22. You are at all times and upon all occasions to give every Countenance and Protection in your Power to such Protestant Ministers, and School Masters, as are already established within Our said Province, or may hereafter be sent thither, to take Care, that such Stipends and Allowances, as We may think fit to appoint for them, be duly paid; that the Churches already appropriated, or which may hereafter be appropriated to the use of Divine Worship according to the Rites of the Church of England, as by Law established, be well and orderly kept; and, as the Number of Protestants shall, by God's Blessing, increase, to lay out new Parishes in convenient Situations, and set apart and appropriate proper Districts of Land therein for the Site of Churches, and Parsonage Houses, and for Glebes for the Ministers and Schoolmasters.

23. You are to take especial Care, that God Almighty be devoutly and duly served in all Protestant Churches and Chapels throughout Our said Province, in which Divine Service is performed according to the Rites of the Church of England; the Book of Common Prayer, as by Law established, be read each Sunday and Holiday; and the Blessed Sacrament duly administered.

24. You are not to prefer any Protestant Minister to any ecclesiastical Benefice in the Province under your Government, without a Certificate from the Right Reverend Father in God the Lord Bishop of London, of his being conformable to the Doctrine and Discipline of the Church of England, and of a good Life and Conversation; and if any Person hereafter preferred to a Benefice shall appear to you to give Scandal either by his doctrine or manners, you are to use the best means for his Removal.

25. You are to give orders forthwith, that every Protestant Minister within your Government, be one of the Vestry in his respective Parish, and that no Vestry be held without him, except in case of Sickness, or, after Notice of a Vestry summoned, he omit to come.

26. And to the end, that the ecclesiastical Jurisdiction of the Lord Bishop of London may take place in Our Province under your Government, as far as conveniently may be; We do think fit, that you give all Countenance and Encouragement to the exercise of the same, excepting only the collating to Benefices, granting Licenses for Marriage, and Probates of Wills, which We have reserved to you Our Governor, and to the Commander in Chief of Our said Province for the time being.
27. And We do further direct, that no School master, who shall arrive in Our said Province from this Kingdom, be henceforward permitted to keep School without the License of the said Lord Bishop of London; and that no other Person now there, or that shall come from other Parts, shall be permitted to keep School in your Government without your License first obtained.

28. You are to take especial Care, that a Table of Marriages, established by the Canons of the Church of England, be hung up in all places of public Worship according to the Rites of the Church of England.

29. And it is Our further Will and Pleasure, that, in order to suppress, as much as in you lies, every species of Vice and Immorality, You forthwith do cause all Laws already made against Blasphemy, Prophaneness, Adultery, Fornication, Polygamy, Incest, Profanation of the Lord’s day, Swearing, and Drunkenness, to be vigorously put in execution in every part of your Government; and that you take due Care for the punishment of these and every other Vice and Immorality by presentment upon Oath, to be made to the Temporal Courts by the Church Wardens of the several Parishes at proper times of the Year to be appointed for that purpose; And for the further discouragement of Vice and encouragement of Virtue and good Living, (that by such Examples the Infidels may be invited and persuaded to embrace the Christian Religion,) You are not to admit any Persons to public Trusts and Employments in the Province under your Government, whose ill fame and conversation may occasion Scandal.

30. The Extension of the Limits of the Province of Quebec necessarily calls forth your Attention to a Variety of new Matter and new Objects of Consideration; The protection and control of the various Settlements of Canadian Subjects, and the regulation of the Peltry Trade in the upper or interior Country on the one hand, and the protection of the Fisheries in the Gulph of St Lawrence, and on the Labrador Coast on the other hand, point to Regulations, that require deliberation and despatch.

31. The institution of inferior Judicatures with limited Jurisdiction in Criminal and Civil Matters for the Illinois, Poste St Vincenne, the Detroit, Missilimakinac, and Gaspée has been already pointed out, and the Appointment of a Superintendent at each of these Posts is all, that is further necessary for their Civil concerns; But it will be highly proper, that the Limits of each of those Posts, and of every other in the interior Country should be fixed and ascertained; and that no Settlement be allowed beyond those Limits; seeing that such Settlements must have the consequence to disgust the Savages; to excite their Enmity; and at length totally to destroy the Peltry Trade, which ought to be cherished and encouraged by every means in your Power.

32. It is Our Royal Intention, that the Peltry Trade of the interior Country should be free and open to all Our Subjects, Inhabitants of any of Our Colonies, who shall, pursuant to what was directed by our Royal Proclamation of 1763, obtain Licenses from the Governors of any of Our said Colonies for that purpose, under penalties to observe such Regulations, as shall be made by Our Legislature of Quebec for that purpose; Those Regulations therefore, when established, must be made public throughout all Our American possessions, and they must have for their object the giving every possible facility to that Trade, which the nature of it will admit, and as may consist with fair and just dealing towards the Savages, with whom it is carried on. The fixing stated times and places for carrying on the Trade, and adjusting modes of settling Tariffs of the prices of Goods and Furs, and above all the restraining the Sale of Spirituous Liquors to the Indians will be the most probable and effectual means of answering the
ends proposed. These and a variety of other regulations, incident to the nature and purpose of the Peltry Trade in the interior Country, are fully stated in a Plan proposed by Our Commissioners for Trade and Plantations in 1764, a Copy of which is hereunto annexed, and which will serve as a Guide in a variety of cases, in which it may be necessary to make provision by Law for that important Branch of the American Commerce.

33. The Fisheries on the coast of Labrador, and the Islands adjacent thereto are objects of the greatest Importance, not only on account of the Commodities they produce, but also as Nurseries of Seamen, upon which the Strength and Security of Our Kingdoms depend.

34. Justice and Equity demand, that the real and actual property and possession of the Canadian Subjects on that Coast should be preserved entirely; and that they should not be molested or hindered in the exercise of any Sedentary Fisheries they may have established there.

35. Their Claims however extend to but a small District of the Coast, on the greatest part of which District a Cod Fishery is stated to be impracticable.

36. On all parts of the Coast, where there are no Canadian Possessions, and more especially where a valuable Cod Fishery may be carried on, it will be your Duty to make the Interests of Our British Subjects going out to fish there in Ships fitted out from Great Britain the first object of your care, and, as far as circumstances will admit, to establish on that Coast the Regulations in favour of British fishing Ships, which have been so wisely adopted by the Act of Parliament passed in the Reign of King William the Third "for the encouragement of the Newfoundland Fishery"; and you are on no account to allow any possession to be taken, or sedentary Fisheries to be established upon any parts of the Coast, that are not already private Property, by any persons whatever, except only such as shall produce annually a Certificate of their having fitted out from some Port in Great Britain.

37. We have mentioned to you the Fisheries upon the Coast of Labrador, as the main object of your attention; but the Commerce carried on with Savages of that Coast, and the state and condition of those Savages deserve some regard; The Society of Unitas Fratrum, urged by a laudable Zeal for promoting Christianity, has already, under Our Protection, and with Our Permission, formed Establishments in the Northern parts of that Coast for the purposes of civilizing the Natives, and converting them to the Christian Religion. Their success has been answerable to their Zeal; and it is Our express Will and Pleasure, that you do give them every countenance and Encouragement in your power, and that you do not allow any Establishment to be made, but with their consent, within the limits of their possessions.

38. By Our Commission to you under Our Great Seal of Great Britain you are authorized and empowered, with the advice and consent of Our Council, to settle and agree with the Inhabitants of Our said Province of Quebec for such Lands, Tenements, and Hereditaments, as now are, or shall hereafter be in Our Power to dispose of. It is therefore Our Will and Pleasure, that all Lands, which now are, or hereafter may be subject to Our Disposal, be granted in Fief or Seigneurie, in like manner as was practised antecedent to the Conquest of the said Province; omitting however in any Grant, that shall be passed of such Lands, the Reservation of any Judicial powers, or privileges whatever. And it is Our further Will and Pleasure, that all Grants in Fief or Seigneurie, so to be passed by you, as aforesaid, be made subject to Our Royal Ratification, or Disallowance, and
to a due Registry thereof within a limited time, in like manner as was 
practised in regard to Grants and Concessions held in Fief and Seigneurie 
under the French Government.

39. It is Our Will and Pleasure however, that no Grants be made of 
any Lands, on which there is any considerable growth of white Pines fit 
for Mastiging Our Royal Navy, and which lie convenient for water carriage; 
But that you do cause all such Lands to be set apart for Our Use, and 
proper regulations made, and penalties inflicted, to prevent trespasses on such 
Tracts, and the cutting down, or destroying the Trees growing thereon.

40. And whereas it appears from the Representation of Our late Gov-
ernor of the District of Trois Rivières that the Iron Works at Saint Maurice 
in that District are of great consequence to Our Service. It is therefore 
Our Will and Pleasure, that no part of the Lands, upon which the said 
Iron Works were carried on, or from which the Ore used in such Works 
was procured, or which shall appear to be necessary and convenient for 
that Establishment, either in respect to a free passage to the River Saint 
Lawrence, or for producing a necessary supply of Wood, Corn, and Hay, 
or for Pasture for Cattle, be granted to any private person whatever. And 
also that as large a District of Land, as conveniently may be, adjacent to, 
and lying round the said Iron Works, over and above what may be necessary 
for the above purposes, be reserved for Our Use, to be disposed of in such 
manner as We shall hereafter direct and appoint.

41. And it is Our further Will and Pleasure, that you do consider of 
a proper and effectual method of collecting, receiving, and accounting for 
Our Quit rents, whereby all Frauds, Concealments, Irregularity, or neglect 
therein may be prevented, and whereby the receipt may be effectually 
checked and controlled. And if it shall appear necessary to pass an Act 
for the more effectually ascertaining, and the more speedily and regularly 
collecting Our Quit rents, you are to prepare the heads of such a Bill, as 
you shall think may most effectually conduce to the procuring the good 
ends proposed; and to transmit the same to Us by one of Our principal 
Secretaries of State for Our further Directions therein. And you are also 
to transmit a Duplicate thereof to Our Commissioners for Trade and Plant-
tions for their information.

42. You are to use your best endeavours in improving the Trade of the 
Province under your Government by settling such Orders and Regulations 
therein, with the advice of Our said Council, as may be most acceptable to 
the generality of the Inhabitants; And It is Our express Will and Pleasure, 
that you do not upon any pretence whatever, upon pain of Our Highest 
Displeasure, give your assent to any Law or Laws for setting up any Manufactures, 
and carrying on any Trades, which are hurtful and prejudicial to this Kingdom; and that you do use your utmost endeavours to discourage, 
discountenance, and restrain any attempts, which may be made to set up such Manufactures, or establish any such Trades.

43. And it is Our Will and Pleasure, that you do not dispose of any 
Forfeitures or Escheats to any person, until the Sheriff or other proper 
Officer have made enquiry by a Jury upon their Oaths into the true value 
thereof; nor until you have transmitted to Our Commissioners of Our 
Treasury a particular account of such Forfeitures, and Escheats, and the 
Value thereof: and you are to take care, that the produce of such Forfeitures and Escheats, in case We shall think proper to give you directions 
*to dispose* of the same, be duly paid to Our Treasurer or Receiver General
of Our said Province; and a full account transmitted to Our Commissioners of Our Treasury, or Our High Treasurer for the time being, with the names of the persons, to whom disposed.

44. And whereas Commissions have been granted unto several persons in Our respective Plantations in America for the trying of Pirates in those parts, pursuant to the Acts for the more effectual suppression of Piracy; and by a Commission already sent to Our Province of New York Our Governor there is empowered, together with others therein mentioned, to proceed accordingly in reference to Our said Province; Our Will and Pleasure is that you do use your best endeavours to apprehend all persons whatever, who may have been guilty of Piracy within your Government, or who, having committed such Crimes at other places, may come within your Jurisdiction, and until we shall think proper to direct the like Commission to be established for Our Government at Quebec, you are to send such Pirates, with what proofs of their Guilt you can procure or collect, to Our Governor of New York, to be tried and punished under the authority of the Commission established for those parts.

45. And whereas you will receive from Our Commissioners for executing the Office of High Admiral of Great Britain and of Our Plantations a Commission constituting you Vice Admiral of Our said Province; you are hereby required and directed carefully to put in execution the several powers thereby granted you.

46. Whereas great Inconveniences have happened heretofore by Merchant Ships and other Vessels in the Plantations wearing the Colours borne by Our Ships of War, under pretence of Commissions granted to them by the Governors of the said Plantations, and by trading under those Colours, not only among Our own Subjects, but also those of other Princes and States, and committing divers Irregularities, they may very much dishonour Our Service; For preventing thereof, you are to oblige the Commanders of all such Ships, to which you shall grant Commissions, to wear no other Colours, than such as are described in an Order of Council of the 7th of January 1730, in relation to Colours to be worn by all Ships and Vessels, except Our Ships of War.

47. And whereas there have been great Irregularities in the manner of granting Commissions in the Plantations to private Ships of War, you are to govern yourself, whenever there shall be occasion, according to the Commissions and Instructions granted in this Kingdom; But you are not to grant Commissions of Marque or Reprisal against any Prince or State, or their Subjects in amity with Us to any person whatsoever without Our special Command.

48. Whereas We have been informed, that during the time of War, Our Enemies have frequently got Intelligence of the State of Our Plantations by Letters from private persons to their Correspondents in Great Britain, taken on board Ships coming from the Plantations, which hath been of dangerous consequence; Our Will and Pleasure therefore is, that you signify to all Merchants, Planters, and others, that they be very cautious in time of War, whenever that shall happen, in giving any accounts by Letters of the public State and Condition of Our Province under your Government and you are further to give directions to all Masters of Ships, or other persons, to whom you may entrust your Letters, that they put such Letters into a Bag with a sufficient weight to sink the same immediately, in case of imminent danger from the Enemy: And you are also to let the Merchants and Planters know, how greatly it is for their Interest, that their Letters should not fall into the hands of the Enemy:
and therefore that they should give like Orders to Masters of Ships in relation to their Letters; and you are further to advise all Masters of Ships, that they do sink all Letters, in case of danger, in the manner before mentioned.

49. And whereas the Merchants and Planters in Our Plantations in America, have in time of War, corresponded and traded with Our Enemies, and carried Intelligence to them, to the great prejudice and hazard of Our said Plantations; you are therefore by all possible methods to endeavour to hinder such Trade and Correspondence in time of War.

50. Whereas it is absolutely necessary, that We be exactly informed of the State of Defence of all Our Plantations in America, as well in relation to the Stores of War, that are in each Plantation, as to the Forts and Fortifications there, and what more may be necessary to be built for the Defence and Security of the same; you are as soon as possible to prepare an account thereof with relation to Our said Province in the most particular manner; and you are therein to express the present State of the Arms, Ammunition, and other Stores of War belonging to the said Province, either in public Magazines, or in the hands of private persons, together with the State of all places either already fortified, or that you may judge necessary to be fortified for the Security of Our said Province; and you are to transmit the said accounts to Us by one of Our principal Secretaries of State, and also Duplicates thereof to Our Commissioners for Trade and Plantations, for their information, and also a Duplicate thereof to Our Master General, or principal Officers of Our Ordinance, which accounts are to express the particulars of Ordinance, Carriages, Balls, Powder, and other sorts of Arms and Ammunition in Our public Stores, and so from time to time of what shall be sent to you, or bought with the public Money; and to specify the time of the disposal, and the occasion thereof; And you are half yearly to transmit a general account of the State of the Fortifications and Warlike Stores specified in the manner above mentioned.

51. And in case of any Distress of any other of Our Plantations, you shall, upon application of the respective Governors thereof unto you, assist them with what aid the condition and safety of Our Province under your Government can spare.

52. If any thing shall happen, which may be of advantage or security to Our Province under your Government, which is not herein, or by your Commission provided for, We do hereby allow unto you, with the advice and consent of Our Council, to take order for the present therein, giving unto Us, by one of Our principal Secretaries of State, speedy notice thereof, that you may receive Our Ratification, if We shall approve the same; Provided always, that you do not by colour of any power or authority hereby given you, commence or declare War without Our Knowledge and particular Commands therein; and you are also to transmit a Duplicate of such notice, as aforesaid, to Our Commissioners for Trade and Plantations for their information.

53. And whereas we have by the first article of these Our Instructions to you directed and appointed, that your chief Residence shall be at Quebec, you are nevertheless frequently to visit the other parts of your Government, in order to inspect the management of all public affairs, and thereby the better to take care, that the Government be so administered, that no disorderly practices may grow up contrary to Our Service and the welfare of Our Subjects.

54. And whereas great prejudice may happen to Our Service, and the security of the Province by your absence from those parts, you are not upon any pretence whatsoever to come into Europe without having first obtained
leave for so doing from Us under Our Sign Manual and Signet, or by Our Order in Our Privy Council; Yet nevertheless, in case of Sickness, you may go to South Carolina, or any other of Our Southern Plantations, and there stay such a space of time, as the recovery of your Health may absolutely require.

55. And whereas We have thought fit by Our Commission to direct, that, in case of your death, or absence from Our said Province, and in case there be at that time no person within Our said Province commissioned or appointed by Us to be Our Lieutenant Governor, or Commander in Chief, that the eldest Councillor, being a natural born Subject of Great Britain, Ireland, or the Plantations, and professing the Protestant Religion, who shall be at the time of your death or absence residing within Our said Province under your Government, shall take upon him the administration of Government, and execute Our said Commission, and Instructions, and the several powers and authorities therein directed; It is nevertheless Our express Will and Pleasure, that in such case the said President shall forbear to pass any Act or Acts, but what are immediately necessary for the Peace and Welfare of the said Province, without Our particular Order for that purpose.

56. And whereas We are desirous, that a proper provision should be made for the support of Our Government within Our said Province of Quebec. We do therefore hereby declare it to be Our Royal Intention, that the following annual Salaries and Allowances be discharged and paid out of any Revenues arising to Us within the same, or out of such other Monies, as shall be granted or appropriated to the Uses and Services of Our said Province of Quebec, that is to say,

All which Salaries and Allowances are to commence on, and be payable from, and after the first day of May next ensuing.

57. And whereas We are further willing in the best manner to provide for the support of the Government of Our said Province, by setting apart a sufficient Allowance to such, as shall be Our Lieutenant Governor, Commander in Chief, or President of Our Council for the time being within the same; Our Will and Pleasure therefore is, that, when it shall happen, that you shall be absent from Our said Province, one full Moiety of the Salary, and of all Perquisites and Emoluments whatsoever, which would otherwise become due unto you, shall, during the time of your absence from Our said Province, be paid and satisfied unto such Lieutenant Governor, Commander in Chief, or President of Our Council, who shall be, resident upon the place for the time being, which We do hereby order and allot unto him towards his Maintenance, and for the better Support of the Dignity of that Our Government.

G. R.

PLAN FOR THE FUTURE MANAGEMENT OF INDIAN AFFAIRS, REFERRED TO IN THE THIRTY SECOND ARTICLE OF THE FOREGOING INSTRUCTIONS.

1. That the Trade and Commerce with the several Tribes of Indians in North America under the protection of His Majesty shall be free and open to all His Majesty's subjects, under the several Regulations and Restrictions hereafter mentioned, so as not to interfere with the Charter to the Hudson's Bay Company.

2. That for the better Regulation of this Trade, and the Management of Indian Affairs in general, the British Dominions in North America be divided into two Districts, to comprehend and include the several Tribes of Indians mentioned in the annexed Lists A. and B.

3. That no Trade be allowed with the Indians in the southern District, but within the Towns belonging to the several Tribes included in such District and that in the Northern District the Trade be fixed at so Many Posts, and in such Situations, as shall be thought necessary.

4. That all Laws, now in Force in the several Colonies for regulating Indian Affairs, or Commerce, be repealed.

5. That there be one general Agent or Superintendent appointed by His Majesty for each District.

It is estimated, that the annual Expence of supporting the Establish-
ments, proposed in the foregoing plan, providing presents for the Indians,
and other contingent Expences, may amount to about twenty thousand
pounds; and it is proposed to defray this Expence by a Duty upon the
Indian Trade, either collected upon the Exportation of Skins and Furs,
(Beaver excepted,) from the Colonies, or payable by the Traders at the
posts and places of Trade, as shall, upon further Examination and the
fullest Information, be found most practicable, and least burthensome to
the Trade.

C.O.
INSTRUCTIONS RELATING TO TRADE AND NAVIGATION.

(3 January, 1775.)

[L.S.] Orders and Instructions to Our Trusty and Well beloved Guy Carleton Esquire Our Captain General and Governor in Chief in and over Our Province of Quebec in America, In pursuance of several Laws relating to the Trade and Navigation of this Kingdom of Great Britain and our Colonies and Plantations in America, Given at Our Court at St. James's the Third Day of January 1775. In the Fifteenth year of Our Reign.—

First You shall inform yourself of the principal Laws relating to the Plantation Trade, and shall take a solemn Oath to do your utmost that all the Clauses, Matters and Things contained in all Acts of Parliament now in force, or that hereafter shall be made relating to Our Colonies or Plantations be punctually and bona fide observed according to the true intent and meaning thereof.

2d And whereas, by an Act made in the Seventh and Eighth Years of the Reign of King William the Third, intituled “An Act for preventing “Frauds, and regulating abuses in the Plantation Trade” the Officers appointed for the performance of certain things mentioned in the Act passed in the fifteenth year of the Reign of King Charles the Second, intituled “An Act for the encouragement of Trade” commonly known by the Name of the Naval Officers, are to give security to the Commissioners of Our Customs in Great Britain for the Time being, or such as shall be appointed by them, for Our use, for the true and faithful performance of their duty, you, shall take care, that the said Naval Officers do give such Security to the said Commissioners of Our Customs or the Persons appointed by them, who are empowered to take the same in the manner thereby enjoined, and that he or they produce to you a certificate from them, of his, or their having given Security pursuant to a Clause in the said Act, and you are not to admit any Person to act, as Naval Officer who does not within two Months, or as soon as conveniently may be, after he has enter'd upon the execution of his Office, produce a Certificate of his having given such Security as aforesaid.

3d And whereas it is necessary for the more effectual dispatch of Merchants and others, that the Naval Officers and the Collectors of the Customs should reside at the same Ports or Towns, you are therefore to take care, that this regulation be observed, and to consult with the Surveyor General of Our Customs, in what place it may be most convenient to have the Custom-House fixed in part of his District; and to take Care, that the Collector and Naval Officer reside within a convenient Distance of the Custom-House for the Dispatch of Business.

4. Whereas by the Act for the encouraging and increasing of Shipping and Navigation passed in the twelfth year of the reign of King Charles the Second, no Goods or Commodities whatsoever are to be imported into, or exported out of any of Our Colonies or Plantations in any other ships or Vessels whatsoever, but in such as do truly and without Fraud belong only to Our People of Great Britain, or Ireland, or are of the Built of, and belonging to any of Our Lands, Islands, or Territories, as the Proprietors and right Owners thereof, and whereof the Master and three fourths of the Mariners at least are British under the Penalty of the forfeiture and loss of all the Goods and Commodities, which shall be imported into, or exported out of any of the said Places in any other Ship or Vessel, as also of the Ship or Vessel with her Guns, Furniture &c: And whereas by a Clause in the
Act for preventing Frauds, and regulating Abuses in the Customs passed in the thirteenth and fourteenth years of the reign of King Charles the Second, no foreign built Ship, that is to say, not built in any of Our Dominions of Asia, Africa, and America shall enjoy the Privilege of a Ship belonging to Great Britain or Ireland, although owned and manned by British Subjects, (excepting such Ships only as shall be taken at Sea by Letters of Mart, or Reprizal, and Condemnation thereof made in Our Court of Admiralty as lawful Prize,) but all such Ships shall be deemed as Aliens Ships and be liable to all duties that Aliens Ships are liable to by Virtue of the aforesaid Act, for the encouraging and increasing Shipping and Navigation: And whereas by a Clause in the Act for preventing Frauds and regulating Abuses in the Plantation Trade, it is enacted that no Goods or Merchandizes whatsoever shall be imported into or exported out of any of Our Colonies or Plantations in Asia, Africa, or America, or shall be laden in, or carried from any one Port or place in the said Colonies or Plantations to any other Port or Place in the same, or to Our Kingdom of Great Britain in any Ship or Bottom but what is or shall be of the Built of Great Britain, or Ireland, or of the said Colonies or Plantations, and wholly owned by the People thereof, or any of them, and navigated with the Master and three fourths of the Mariners of the said Places only, except such Ships only, as shall be taken as Prize, and Condemnation thereof made in one of the Courts of Admiralty in Great Britain, Ireland, or the said Plantations to be navigated by the Master and three fourths of the Mariners British, or of the said Plantations as aforesaid, and whereof the Property does belong to British Subjects, on pain of forfeiture of Ship and Goods; And Whereas by another Clause in the said Act for the more effectual prevention of Frauds, which may be used by colouring foreign Ships under British Names: It is further enacted, that no Ship or Vessel whatsoever shall be deemed or pass as a Ship of the Built of Great Britain, Ireland, Guernsey, Jersey, or any of Our Plantations in America, so as to be qualified to trade to, from, or in any of the said Plantations, until the Person or Persons claiming property in such Ship or Vessel shall register the same in manner thereby appointed: You shall take care and give in charge that these Matters and things be duly observed within Our said Province under your Government according to the true intent and meaning of the said Acts & the Offences & Offenders prosecuted according to the directions thereof, and where it is required, that the Master and three fourths of the Mariners be British; You are to understand, that the true-intent and meaning thereof is, that they shall be such during the whole Voyage unless in case of Sickness, Death, or being taken Prisoners in the Voyage to be proved by the Oath of the Master or other Chief Officer of the Ship, and none but Our Subjects of Great Britain, Ireland, or the Plantations are to be accounted British.

5. Whereas, by the said Act of Navigation, as the same stands amended and altered by the aforesaid Act for regulation of the Plantation Trade, it is enacted that for every Ship or Vessel, which shall set Sail out of, or from Great Britain for any British Plantation in America, Asia, or Africa, sufficient Bond shall be given with one Surety to the chief Officer of the Customs of such Port or Place, from whence the said Ship shall set Sail, to the value of One thousand Pounds if the Ship be of less burthen, than one hundred Tons, and of the Sum of two thousand Pounds, if the Ship shall be of greater Burthen: That in case the said Ship or Vessel should load any of the Commodities therein enumerated, Vizt Sugar, Tobacco, Cotton Wool, Indigo, Ginger, Fustick or other dying Wood, of the growth, production, or Manufacture of any British Plantation in America, Asia, or Africa, at any of the said British Plantations, the said Commodities shall by the said Ship
brought to some Port of Great Britain, and be there unladen and put on
Shore, the danger of the Seas only excepted; and for all Ships coming from
any Port or Place to any of the aforesaid Plantations which by this Act
are permitted to trade there, that the Governors of such British Plantations
shall before the said Ship or Vessel be permitted to load on board any of
the said Commodities, take Bond in manner and to the value aforesaid for
each respective Ship or Vessel, that such Ship or Vessel shall carry all the
aforesaid Goods, that shall be laden on board the said Ship or Vessel, to some
other of the said British Plantations, or to Great Britain; and that every
Ship or Vessel which shall load or take on board any of the aforesaid Goods,
until such Bond be given to the said Governor, or Certificate produced from
the Officers of any Custom House of Great Britain, that such Bond hath
there been duly given, shall be forfeited with her Guns, Tackle, Apparel,
and Furniture to be employed and recovered, as therein is directed: And
whereas by two Acts passed in the Third & Fourth years of the Reign of
Queen Anne, the one intituled, "An Act for the encouraging the importa-
tion of Naval Stores from Her Majesty's Plantations in America," and
the other an Act for granting to Her Majesty "a further Subsidy on Wines
and Merchandizes imported;" And by two other Acts passed in the Eighth
year of the reign of King George the first, the one intituled "an Act, for
the encouragement of the Silk Manufactures of this Kingdom, and for tak-
ing off several duties on Merchandizes exported, and for reducing the
Duties upon Beaver Skins, Pepper, Mace, Cloves, and Nutmegs imported,
and for importation of all Furs of the product of the British Plantations
into this Kingdom only" the other intituled "An Act to prevent the clan-
destine running of Goods &c and to subject Copper Ore of the produc-
tion of the British Plantations to such Regulations as other enumerated Com-
modities of the like production are subject continued by an Act passed in
the Eighth year of His said late Majesty's Reign; and still in force, all
Rice (except under the Regulations prescribed in the Acts of the third year
of His late Majesty's Reign, and the fourth and fifth years of our Reign),
Molasses, Furs, Hemp, Pitch, Tar, Turpentine, Masts, Yards, Bowsprits,
and Copper Ore, and by an Act passed, in the fourth year of Our Reign,
all Coffee, Pimento, Cocoa Nuts, Whale Fins, Raw Silk, Hides, and Skins,
Pot, and Pearl Ashes of the growth, production, or Manufacture of any
British Colony or Plantation in America, under the like Securities and
Penalties restrained to be imported into this Kingdom as the other above
mentioned enumerated Commodities, And whereas by an Act passed in the
fifth year of Our Reign, intituled "An Act for more effectually preventing
the Mischiefs arising to the Revenue and Commerce of Great Britain and
Ireland from the illicit and clandestine Trade to, and from the Isle of
"Man" no Rum or other Spirits shall be shipped or laden in any British
Colony or Plantation in America, but on condition that the same shall not
be carried to, or landed in the Isle of Man, under the like Securities, Penal-
ties, and Forfeitures; And whereas by another Act made in the Sixth year
of Our Reign, intituled "An Act for opening and establishing certain Ports
"in the Islands of Jamaica, and Dominica, for the more free importation
"and exportation of certain Goods and Merchandizes, for granting certain
"Duties to defray the expenses of opening, maintaining, securing, and im-
"proving such Ports, for ascertaining the duties to be paid upon importation
"of Goods from the said Island of Dominica into this Kingdom, and for
"securing the Duties upon Goods imported from the said Island into any
"other British Colony" all Wool, Cotton-Wool, Indigo, Cochineal, Fustick,
and all manner of dying Drugs, or Woods, Drugs used in Medicine, Hairs,
Furs, Hides and Skins, Pot and Pearl Ashes, Whalefins, and Raw Silk, of
the growth and produce of any foreign Colony, or Plantation, shall upon
the exportation thereof from either of the said Islands of Dominica or
Jamaica, be imported from thence directly into Great Britain, under the
like Securities, Penalties, and Forfeitures, and by the said Act of the sixth
year of Our Reign, no Goods whatever shall, or may be exported from the
said Island of Dominica, to any Port of Europe to the northward of Cape
Finisterre, except to Great Britain, and such Goods shall be there landed
under the same Securities, Regulations and restrictions and subject to the
like Penalties and Forfeitures, you are therefore to take particular Care,
and give the necessary directions that the true intent and meaning of all
the said Acts be strictly and duly complied with.

6. You shall carefully examine all Certificates which shall be brought
to you of Ships giving Security in this Kingdom to bring their Lading of
Plantation Goods hither, as also Certificates of having discharged their
Ladings of Plantation Goods in this Kingdom, pursuant to their Securities;
And whereas the better to prevent any of the aforesaid Certificates from
being counterfeited, the Commissioners of Our Customs have thought fit to
sign the same, It is therefore Our Will and Pleasure, that no such Certi-
фикates be allowed of, unless the same be under the hands and Seals of the
Customer, Comptroller, and Collector of the Customs in some Port in this
Kingdom or two of them, as also under the hands of four of the Commiss-
ioners of the Customs at London, or three of Our Commissioners of the
Customs at Edinburgh, and where there shall be reasonable ground of Sus-
picion, that the Certificate of having given Security in this Kingdom is false
and counterfeit, in such case, you or the Person or Persons appointed under
you shall require and take sufficient Security for the discharge of the Plantat-
on Lading in this Kingdom, and where there shall be cause to suspect
that the Certificate of having discharged the Lading of Plantation Goods in
this Kingdom is false and counterfeit, you shall not cancel or vacate the
Security given in the Plantations, until you shall be informed from the
Commissioners of Our Customs in Great Britain, that the Matter of the said
Certificate is true; And if any Person or Persons shall counterfeit, raze, or
falsify any such Certificate for any Vessel or Goods, or shall knowingly or
wittingly make use thereof, you shall prosecute such Person for the forfei-
ture of the Sum of five hundred Pounds according to the Clause of the afore-
said Act for preventing Frauds, and regulating Abuses in the Plantation
Trade; and pursuant to the said Act you shall take care, that in all such
Bonds to be hereafter given or taken in the Province under your Govern-
ment, the Sureties therein named be persons of known residence and ability
there, for the value mentioned in the said Bonds, and that the Condition of
the said Bonds be within eighteen Months after the Date thereof, the danger
of the Seas excepted, to produce a Certificate of having landed and dis-
charged the Goods therein mentioned in One of Our Plantations, or in this
Kingdom, otherwise to attest the Copy of such Bonds under your hand and
Seal, and to cause Prosecution thereof. And it is Our further Will and
Pleasure that you do give Directions to the Naval Officer or Officers not to
admit any Person to be Security for another, who has Bonds standing out
and undischarged, unless he be esteemed responsible for more than the Value
of such Bonds.

7. And you are also to give Directions to the said Naval Officer or
Officers to advise with the Collector of the Port or District in taking Bonds,
and not to admit any Person to be Security in any Plantation Bond until
approved by the said Collector; And whereas Lists of all Certificates, granted
in South Britain for the Discharge of Bonds given in the Plantations, are
every Quarter sent to the Collectors of the Districts, where such Bonds are
given, the said Naval Officer or Officers is, or are to take care, that no Bond be discharged or cancell'd by him or them without first advising with the Collector, and examining the said List; to see that the Certificate is not forged or counterfeited; And whereas the Principal Officers of Our Customs in America are directed to examine from time to time, whether the Plantation Bonds be duly and regularly discharged, you are to give directions, that the said Officers be permitted to have recourse to the said Bonds, as well as the Book or Books in which they are or ought to be entered and to examine as well whether due Entry thereof be made, as whether they are regularly taken and discharged, and where it shall appear, that Bonds are not regularly discharged, you are to order that, such Bond be put in Suit.

8. You are to understand that the Payment of the rates and Duties imposed by an Act intituled, “An Act for the encouragement of the Green-land and Eastland Trades; and for the better securing the Plantation Trade” passed in the twenty fifth Year of the Reign of King Charles the Second, on the several Plantation Commodity therein enumerated doth not give Liberty to carry the said Goods to any other Place, than to some of Our Plantations, or to Great Britain only, and that, notwithstanding the Payment of the said Duties, Bond must be given to carry the said Goods to some of the said Plantations, or to Great Britain, and to no other Place.

9. You shall every three Months, or oftener, or otherwise as there shall be opportunity of Conveyance, transmit to the Commissioners of Our Treasury, or our High Treasurer for the Time being, and to the Commissioners of Our Customs in London, a list of all Ships and Vessels trading in the said Province according to the Form and Specimen hereunto annexed, together with a List of the Bonds taken, pursuant to the Act passed in the twenty second and twenty third years of King Charles the Second’s reign, intituled “An Act to prevent planting Tobacco in England; and for regulating the Plantation Trade;” and you shall cause Demand to be made of every Master at his clearing of an Invoice of the Contents and Quality of his Lading &c, according to the Form hereunto also annexed, and inclose a Copy thereof by some other Ship, or for want of such Opportunity by the same Ship under Cover, sealed, and directed to the Commissioners of Our Treasury, or Our High Treasurer for the Time being, and to the Commissioners of Our Customs in London, and send another Copy of the said Invoice in like manner to the Collector of that Port, in this Kingdom for the Time being, to which such Ship shall be said to be bound.

10. Whereas by the aforesaid Act for the Encouragement of Trade, no Commodities of the Growth, Production, or Manufacture of Europe, except Salt for the Fishery of New England and Newfoundland, Wines of the Growth of six Madeira’s or Western Islands of Azores, Servants and Horses from Ireland and all sorts of Victuals of the growth and production of Ireland, and salt to the Provinces of Pennsylvania, New-York, Nova Scotia, and Quebec, in pursuance of five Acts passed in the Thirteenth year of the reign of King George the First, in the Third year of His late Majesty’s reign, and in the Second, Fourth and Sixth years of Our Reign, shall be imported into any of Our Colonies or Plantations, but what shall be bonâ fide, and without Fraud Laden and Shipped in Great Britain, and in Ships duly qualified, you shall use your utmost endeavour for the due observation thereof; and if contrary hereunto any Ship or Vessel shall import into our said Province under Your Government any Commodities of the growth, production, or Manufacture of Europe, but what are before excepted, of which due Proof shall not be made, that the same were Shipped or Laden in some port of Great Britain by producing Cocquets or Certificates under the hands and
Seals of the Officers of Our Customs in such Port or Place where the same were Ladén, such Ship or Vessel and Goods shall be forfeited; and you are to give in Charge, that the same be seized and prosecuted accordingly.

11. And in order to prevent the acceptance of forged Coquets or Certificates which hath been practised to Our great Prejudice, you are to give effectual Orders, that for all such European Goods as by the said Act are to be shipped and laden in Great Britain Coquets for the same from hence be produced to the Collectors or other Officers of Our Customs in Our aforesaid Province under your Government for the Time being, before the unloading thereof, and you shall give Order that no European Goods be landed but by Warrant from the said Collector in the Presence of an Officer appointed by him, and for the better prevention of Frauds of this Kind you shall take care, that according to the said Act of Trade, no Ship or Vessel shall be permitted to lade or unlade any Goods or Commodities whatsoever, until the Master or Commander thereof shall first have made known to you, or such Officer, or other Person as shall be thereunto authorized and appointed, the arrival of such Ship or Vessel, with her Name, and the Name and Surname of the Master, and hath shown, that she is a Ship duly navigated, and otherwise qualified according to Law, and hath deliver'd to you, or such other Person, as aforesaid, a true, and perfect Inventory of her lading, together with the Place or Places, in which the said Goods were laden, and taken into the said Ship or Vessel, under forfeiture of such Ships and Goods.

12. You shall not make or allow of any laws, Bye Laws, Usages or Customs in Our said Province under your Government, which are repugnant to the Laws herein before mentioned, or any of them or to any other Law already made or hereafter to be made in this Kingdom, so far as such Laws relate to, and mention the said Plantations, but you shall declare all such Laws, Bye Laws, Usages, or Customs in Our said Province under Your Government, which are any wise repugnant to the said Laws, or any of them, to be illegal, null and void, to all intents and Purposes whatsoever.

13. You shall be aiding and assisting to the Collector and other Officers of Our Admiralty, and Customs appointed, or that shall hereafter be appointèd by the Commissioners of Our Customs in this Kingdom, by and under the Authority and Direction of the Commissioners of Our Treasury, or Our High Treasurer of Great Britain for the time being, or by Our High Admiral or Commissary for executing the Office of High Admiral of Great Britain for the Time being, in putting in execution the several Acts of Parliament before mentioned; and you shall cause due Prosecution of all such Persons, as shall any ways hinder or resist any of the said Officers of Our Admiralty or Customs in the performance of their duty. It is likewise our Will and Pleasure, and you are hereby required by the first Opportunity to move the Legislative Council of Our said Province that they provide for the expense of making Copies for the principal Officers of Our Customs, in Our said Province for the time being, of all Acts and Papers, which bear any relation to the Duty of their Office; and in the mean time you are to give Orders, that the said Officers for the time being as aforesaid, be allowed a free Inspection in the publick Offices within Your Government of all such Acts and Papers without paying any Fee or Reward for the same.

14. Whereas the Commissioners appointed for collecting the Six Pence per Month from Seaman's Wages for Our Royal Hospital at Greenwich, pursuant to an Act of Parliament passed in the second year of His late Majesty's Reign, intituled "An Act for the more effectual collecting in "Great Britain and Ireland, and other parts of His Majesty's Dominions "the duties granted for the Support of the Royal Hospital at Greenwich,"
have given Instructions to their receivers in foreign Ports for their Government therein. It is therefore Our Will and Pleasure, that you be aiding and assisting to the said Receivers in your Government in the due execution of their Trusts.

15. And whereas by an Act passed in the Sixth year of His late Majesty's reign, intituled "An Act for the better securing and encouraging the Trade of His Majesty's Sugar Colonies in America" and by another Act passed in the fourth year of Our Reign, intituled "An Act for granting certain duties in the British Colonies and Plantations in America &c." Duties are laid on all Sugar Panales, and several other Species of Goods therein enumerated of the Produce & Manufacture of any of the Plantations, not in Our Dominions, which shall be imported into any of Our Colonies or Plantations; notwithstanding which, we are informed, that great Quantities of foreign Sugar, Paneles, and other Goods mentioned in the aforesaid Acts, are clandestinely landed in Our Plantations without Payment of the said Duties. Our Will and Pleasure is, that you be aiding and assisting to the Collectors and other Officers of Our Customs, in Your Government in collecting the said Duties, and seizing all such Goods, as shall be so clandestinely landed, or put on Shore without paymant of the Duties, and you shall cause due Prosecution of all such Sugar Paneles, and other Goods, as shall be seized for Non Payment of the Duties, as well as the Persons aiding or assisting in such unlawful Importations, or that shall hinder, resist, or molest the Officers in the due Execution of the said Laws, and you are to observe that Our share of all Penalties and Forfeitures, so recovered is pursuant to the said Act made in the fourth year of Our Reign to be paid into the hands of Our Collector of the Customs at the Port or Place, where the same shall be recovered for Our Use.

16. You shall take care that upon any Actions, Suits, and Informations that shall be brought, commenced or entered in Our said Province under your Government upon any Law or Statute concerning Our Duties, or Ships, or Goods, to be forfeited by reason of any unlawful Importations or Exportations there be not any Jury, but of such as are Natives of Great Britain, or Ireland, or any born in any of Our said Plantations.

17. You shall take care that all places of Trust in the Courts of Law, or in what relates to the Treasury of our said Province under your Government, be in the Hands of Our Native-born Subjects of Great Britain or Ireland or the Plantations.

18. And that there may be no Interruption or Delay in matters of Prosecution and Execution of Justice in Our Courts of Judicature within Our said Province under your Government by the death or removal of any of Our Officers employed therein until We can be advised thereof, and appoint others to succeed in their Places, you shall make choice of Persons of known Loyalty, Experience, Diligence, and Fidelity to be employed for the purposes aforesaid until you shall have Our Approbation of them or the Nominations of others from hence.

19. You shall from time to time correspond with the Commissioners of Our Customs in London for the Time being, and advise them of all Failures, Neglects, Frauds, and Misdemeanours of any of the Officers of Our Customs in Our said Province under your Government and shall also advise them, as occasion shall offer, of all occurrences necessary for their Information relating either to the aforesaid Laws of Trade and Navigation, or to Our Revenue of Customs and other Duties under their management, both in Great Britain and the Plantations.
20. If you shall discover, that the Persons or their Assigns claiming any Right or Propriety in any Island or Tract of Land in America, by Charter or by Letters Patent shall at any time hereafter, alien, sell or dispose of such Island, Tract of Land, or Propriety other than to Our natural born Subjects of Great Britain, without the Licence or Consent of Us, our Heirs, or Successors signified by Our or their Order in Council first had and obtained, You shall give Notice thereof to Us, and to Our Commissioners of Our Treasury or to Our High Treasurer of Great Britain for the Time being.

21. Whereas by the aforesaid Act for preventing Frauds, and regulating Abuses in the Plantation Trade, it is provided for the more effectual prevention of Frauds which may be used to elude the Intention of the said Act by colouring foreign Ships under British Names; That no Ship or Vessel shall be deemed or pass as a Ship of the Built of Great Britain or Ireland, Guernsey, Jersey, or any of Our Plantations in America, so as to be qualified to Trade to, from, or in any of Our said Plantations until the Person or Persons claiming Property in such Ship or Vessel shall register the same in manner thereby directed, You shall take care that no foreign Built Ships be permitted to pass as a Ship belonging to Our kingdom of Great Britain, or Ireland, until proof be made upon Oath of one or more of the owners of the said Ship before the Collector or Comptroller of Our Customs in such Port to which she belongs or upon like Proof before yourself, with the principal Officer of Our Revenue residing in Our aforesaid Province, under your Government, if such Ships shall belong to the said Province which Oath you, and the Officers of Our Customs respectively are authorized to administer in manner thereby directed, and being attested by you and them so administering the same, and registered in due form according to the specimen hereunto annexed, you shall not fail immediately to transmit a Duplicate thereof to the Commissioners of Our Customs in London in order to be entered in a general register to be there kept for that purpose with Penalty upon every Ship or Vessel trading to, from, or in any of Our said Plantations in America as aforesaid, and not having made Proof of her Built and Property, as by the afore-mentioned Act is directed, and shall be liable to such Prosecution and Forfeiture as any Foreign Ship (except Prize condemned in Our high Court of Admiralty) would for trading with Our Plantations, by the said Law be liable unto, with this Proviso, that all such Ships as have been or shall be taken at Sea, by Letters of Marque or Reprizal and Condemnation thereof made in Our High Court of Admiralty as lawful Prize, shall be especially registered, mentioning the Capture and Condemnation instead of the Time and Place of Building, with Proof also upon Oath, that the entire Property is British before any such Prize be allowed the privilege of a British Built Ship according to the meaning of the said Act, And that no Ship’s Name registered be afterwards changed without registering such Ship de Novo, which by the said Act is required to be done upon any Transfer of Property to another Port, and delivering up the former Certificate to be cancelled, under the same Penalties, and in like Method and in case of any Alteration of Property, in the same Port, by the Sale of one or more Shares in any Ship after registering thereof, such Sale shall always be acknowledged by Endorsement on the Certificate of Register before two Witnesses, in order to prove, that the entire property in such Ship remains to some of Our Subjects of Great Britain, if any Dispute shall arise concerning the same.

22. Whereas by the Act passed in the Twenty first year of His late Majesty’s Reign for encouraging the making of Indigo in the British Plantations in America, as the same stands continued & amended by an
Act passed in the third year of Our Reign, a premium of four pence p Pound is allowed on the Importation of Indigo of the Growth of the British Plantations; and there are likewise contained in the said Act several Provisions to prevent Frauds, by importing foreign Plantation-made Indigo, or any false Mixtures in what is made in the British Plantations, with a view to recover the said Premium; It is therefore Our Will & Pleasure, that if there now are, or hereafter shall be any Plantations of Indigo within Our said Province under your Government, you do take particular Care, that the said Provisions be duly and punctually complied with, and do likewise from time to time transmit to Us, by One of Our Principal Secretaries of State, an Account of all such Plantations of Indigo, with the Names of the Planters, and the Quantity of Indigo they make, as also the Quantity of such Indigo exported from the said Province, distinguishing the time, when exported, and the Port where shipped, the Names of the Vessels, and the Port, to which bound; and if there be any foreign Indigo imported into the said Province, It is Our further Will & Pleasure, that you do in like manner transmit an Account of such foreign Indigo imported, distinguishing the time when, and the Place from whence imported, together with an Account of such foreign Indigo exported, and the Port where shipped, the Names of the Vessels, and the Port to which bound.

23. Whereas by the Act passed in the tenth year of the Reign of King William the Third, "to prevent the Exportation of Wool out of the Kingdom of Ireland, and England to foreign Parts, and for the Encouragement of the Woollen Manufactures in the Kingdom of England." It is amongst other Things, therein enacted, that no Wool, Woolfels, Shortlings, Mortlins, Wool-flocks, Worsted-Bays, or Kerseys, Says, Friezes, Druggets, Cloth Serges, Shalloons, or any other Drapery Stuffes, or Woollen Manufactures whatsoever made or mixed with Wool or Woolflocks, being of the Product or Manufacture of any of the British Plantations in America, shall be laden or laid on board in any Ship or Vessel in any Place or Port within any of the said British Plantations, upon any pretence whatsoever, as also that no such Wool, or other the said Commodities, being of the product of Manufacture of any of the said British Plantations, shall be laden upon any Horse, Cart, or other Carriage, to the intent & purpose to be exported, transported, carried or conveyed out of the said British Plantations to any other of our Plantations, or to any other place whatsoever, upon the same & like Pains, Penalties & Forfeitures to, and upon all the Offender and Offenders therein, within all and every of Our said British Plantations respectively, as are provided and prescribed by the said Act for the like Offences committed within Our Kingdom of Ireland; You are to take effectual Care, that the true Intent & Meaning thereof, so farth as it relates to you, be duly put in Execution.

24. In the Act made in the twenty fourth year of His late Majesty's Reign, "for the more effectually securing the Duties upon Tobacco," there is a Clause to prevent Frauds in the Importation of Bulk-Tobacco, enacting that no Tobacco shall be imported into this Kingdom, otherwise than in Cask, Chest, or Case, containing Four Hunderd & fifty Pounds Weight of Tobacco each, under Penalty of the Forfeiture thereof; you shall take care, that this part of the said Act be made publick, that none may pretend Ignorance: and the true Intent & Meaning thereof be duly put in execution within your Government.

25. And Whereas His Majesty King George the First was informed, that a Clandestine Trade had been carried on, as well by British as foreign Ships from Madagascar, and other Parts beyond the Cape of Bona Esperanza, within the Limits of Trade granted to the united East India Company,
directly to Our Plantations in America, to the great Detriment of these Realms, and in breach of the several Laws in force relating to Trade & Navigation, Our Will & Pleasure is, that you, the said Guy Carleton, or in your Absence the Commander in Chief of Our said Province of Quebec for the time being, duly observe and cause to be strictly observed the several Laws & Statutes now in force for the regulating of Trade and Navigation, particularly the several Acts of Parliament already mentioned in your general and these Instructions and in order to the better Execution of the Laws & Statutes above-mentioned, upon the first notice of the Arrival of any Ship or Ships, within the Limits of any Port of, or belonging to your Government, which have or are suspected to have on board any Negroes, Goods, or Commodities of the Growth, Produce or Manufacture of the East Indies, Madagascar, or any Parts or Places beyond the Cape of Bona Esperanza, within the Limits of Trade granted to the United East India Company, pursuant to the aforementioned Act of the Ninth & Tenth of King William, you shall immediately cause the Officers of our Customs in your Government, and any other Officers or Persons in aid of them, to go on board such Ship or Ships, and to visit the same, and to examine the Masters or other Commanders, the Officers & Sailors, on board such Ship or Ships, and their Charter Parties, Invoices, Cocquetas, and other Credentials, Testimonials, or Documents; and if they find, that such Ship or Ships came from the East Indies, Madagascar, or any other Parts or Places beyond the Cape of Bona Esperanza within the Limits of Trade granted to the said united East India Company; and that there are on board any such Goods, Commodities, or Negroes, as abovementioned, that they do give notice to the Master or other Person having then the Command of such Ship or Ships forthwith to depart out of the Limits of your Government, without giving them any Relief, Support, Aid or Assistance, alto' it should be pretended, that such Ship or Ships, were or the same really should be in Distress, Want, Disability, Danger of sinking, or for, or upon any other Reason or Pretence whatsoever, And that you Our Governor or Commander in Chief do by no means suffer any Goods, Merchandize, or Negroes from on board such Ship or Ships to be landed or brought on shore upon any Account or Excuse whatsoever; And it is Our further Will and Pleasure, that, if any such Ship or Ships, being foreign, having on board any such Goods, Merchandize, or Negroes, do not upon notice given to the Master or other Person having the Command thereof, as soon as conveniently may be, depart out of the Limits of your Government, and from the Coasts thereof, without Landing selling or Bartering any of the said Goods, or Negroes, you our Governor or the Commander in Chief for the time being, shall cause the said Ship or Ships, and Goods and Negroes to be seized and proceed against according to Law; But if such Ship or Ships, having such Goods or Negroes on board, and entering into any Port or Place, or coming upon any of the Coasts or Shores of our said Province under your Government, do belong to Our Subjects, and do break Bulk, or sell, barter, exchange, or otherwise dispose of the said Goods, or Negroes, or any part thereof, contrary to Law; you are to take care, that such Ship or Ships, with the Guns, Tackle, Apparel and Furniture thereof, and all Goods and Merchandize laden thereupon, and the Proceeds and Effects of the same be immediately seized; and that the Laws in such case made and provided be put in execution with the greatest Care, Diligence, and Application; But if any Ship belonging to the Subjects of any foreign State or Potentate, having on board any Negroes, or East Indian Commodities, shall be actually bound to some Place or Port in the West Indies belonging to any foreign Prince or State, from some European Port, and such Ship shall happen to be driven in by necessity,
and be in real Distress, the same may be supplied with what is absolutely necessary for her Relief; but you shall not take, have, or receive, nor permit or suffer any Person to take, have or receive, any Negroes, or other the said East India Commodities, in payment or satisfaction for such Relief; that if any Officer of our Customs, or other Officer employed by you our Governor or Commander in Chief in visiting, searching, or seizing such Ship or Ships, Goods, Merchandize, or Negroes, be corrupt, negligent or remiss in the discharge of his Duty therein, We do hereby require you to suspend him from the execution of his said Office; and that you do by the first Opportunity send an Account of such Officer’s Behaviour to Us, by one of Our Principal Secretaries of State, that care may be taken, that such Officer be removed from his Employment, and further punished according to his Demerit,—And Our further Will and Pleasure is, that you Our Governor or Commander in Chief, do constantly from time to time, and by the first Opportunity that shall offer, send us by one of Our Principal Secretaries of State, true, full, and exact Accounts of your Proceedings, and of all other Transactions & Occurrences in, or about the Premises, or any of them.

26. And Whereas, notwithstanding the many good Laws made from time to time, for the preventing of Frauds in the Plantation Trade, it is manifest, that very great Abuses have been and continue still to be practised to the prejudice of the same, which Abuses must needs arise either from the Insolvency of Persons, who are accepted for Security, or from the Remissness or Conivance of such, as have been, or are Governors in the several Plantations, who ought to take care, that those persons, who give Bond, should be duly prosecuted in case of non-performance; You are to take notice, that we take the Good of Our Plantations and the Improvement of the Trade thereof, by a strict and punctual Observance of the several Laws in force concerning the same, to be of so great Importance to the Benefit of this Kingdom, and to the Advancing the Duty of Our Customs here, that, if We shall hereafter be informed, that at any time there shall be any failure in the due Observance of those Laws, and of these present Instructions, by any wilful fault or neglect on your part, We shall esteem such Neglect to be a Breach of the aforesaid Law; And it is our fixed and determined Will & Pleasure, that you or the Commander in Chief respectively be for such Offence, not only immediately removed from your Employments, and be liable to the fine of one Thousand Pounds, as likewise suffer such other Fines, Forfeitures, Pains & Penalties, as are inflicted by the several Laws now in force relating thereunto; but shall also receive the most rigorous Marks of Our highest Displeasure, and be prosecuted with the utmost Severity of the Law for your Offence against Us in a Matter of this consequence, that We now so particularly charge you with.

BY HIS EXCELLENCY GUY CARLETON.

Capt. General & Governor-in-Chief & over the Province of Quebec, & the territories depending thereon in America, Vice Admiral of the same, Keeper of the Great Seal thereof and Major General of his Majesty's Forces in the Northern District, &c., &c.

A Proclamation. (26 Ap., 1775.)

Whereas for the reasons set forth in an Act passed in the 14th year of His present Majesty's Reign, intituled, An Act for making more Effectual Provision for the Government of the Province of Quebec in North America, All Commissions, Ordinances, & Authorities relative to the present Administration of Justice in this Province cease and become void, from and after the 1st day of May in this present year 1775. And whereas the weight and importance of erecting proper Courts for the future administration of Justice in this Province demand much Time & deliberation, by reason whereof the same cannot be immediately established, but whereas much Mischief & Inconvenience might in the meantime arise to the Public, if some proper persons were not authorized in this Province to render all Offenders against the Law, and absconding debtors Amenable to Justice, by obliging them to appear before such Courts when the same shall be established, & then & there to answer the Charges that shall be respectively exhibited against them.

I have therefore thought fit to issue this Proclamation, in order to make known to all persons residing in this Province, and others whom it may concern, that by Virtue of the Powers & Authorities to be given by His Majesty's Commission, under the Great Seal of Great Britain, bearing date at Westminster, the 27th day of December in the 15th year of His Reign, & published at Quebec, the 24th day of this Instant April. I have constituted and appointed Adam Mabane, Thomas Dunn, John Fraser, & John Martelhe, Esquires, His Majesty's Justices of the Courts of Common Pleas for the district of Quebec and Montreal in this Province; and Hertel Rouville of Montreal, and John Claude Panet of Quebec, Esquires, or any two more of them, to be from and after the said 1st day of May next ensuing, during pleasure, or until proper Courts of Judicature can be established in the said Districts, Conservators of the Peace throughout the same, with all necessary powers and Authorities for that and other purposes aforesaid to be done and Executed according to Law, and further,
from and during all the time aforesaid to be Commissioners for suing out
Civil Process and causing the same to be executed in the said districts in
such manner as the Law directs and by their Commission is appointed.

And all His Majesty’s subjects of this Province are hereby required,
when called upon to aid and assist the above named Conservators of the
Peace, and Commissioners in the Execution of their said office. And
whereas it is also judged inexpedient for the present, to appoint New Bail-
iffs for the said districts of Quebec & Montreal, I have thought fit to con-
tinue in the Exercise of the same until further Orders, whereof they, & all
whom it may concern, are required to take notice, & so govern themselves
accordingly.

A Proclamation. (8 May, 1775.)

Whereas some Evil designing person did in the night between the 30th
April & May 1st last past, wantonly and maliciously disfigure the Bust of
His Majesty in the Town of Montreal in this Province, & further did then
& there affix thereto a False & Scandalous Libel in Writing, tending to
lessen him in the Esteem of his subjects, weaken his government and raise
jealousies between him & his people to the intent therefor that all such ill-
disposed Persons may be discovered and brought to Justice, I have
thought fit to publish this Proclamation, hereby offering a Reward of Two
hundred dollars, and if a Party concerned His Majesty’s Pardon to any one
except the Person who actually did disfigure the said Bust, or affix the said
Libel, who shall discover the Persons guilty of the above offence; to be paid
by the Receiver General of this Province on the Conviction of any one or
more of them.

A PROCLAMATION.

(9 June, 1775.)

Whereas a Rebellion prevails in many of His Majesty's Colonies
in America, & particularly in some of the neighbouring ones. And whereas
many of the aforesaid Rebels have with an armed force made Incursions
of late into this Province, attacking and Carrying away from thence a Party
of His Majesty's Troops, together with a Parcel of Stores and a Vessel
belonging to His Majesty and are at present actually invading this Province
with Arms in a traitrous and hostile manner to the great terror of His
Majesty's Subjects, & in open defiance of His Laws and Government falsely
& maliciously giving out, by themselves and their Abettors that the Motives
for so doing, are to prevent the inhabitants of this Province from being
taxed and oppressed by Government, together with divers other false and
seditious Reports, tending to inflame the minds of the People and alienate
them from His Majesty: To this end therefor that so treasonable an inva-
sion may be soon defeated that all such Traitors with their said Abettors
may be speedily brought to Justice and the Publick Peace and Tranquility
of this Province again restored, which the ordinary course of the Civil Law
is at present unable to effect, I have thought fit to issue this Proclamation,
hereby declaring that, until the aforesaid good purpose can be attained, I
shall, in virtue of the Powers & Authority to me given by His Majesty,
execute Martial Law, and cause the same to be executed throughout the
Province, and to that end I shall order the Militia within the same to be
forthwith raised, but as a sufficient number of commissions to the several
officers thereof cannot be immediately made out, I shall in the meantime
direct all those having any Militia Commissions from the Honorable
Thomas Gage, the Hon. James Murray, Ralph Burton, and Fredrick
Haldimand, Esqrs, heretofor His Majesty's Governors in this Province, or
either of them, to obey the same, and execute the powers therein mentioned,
until they shall receive orders from me to the Contrary. And I do accord-
ingly in His Majesty's name hereby require and Command all His Subjects
in this Province and others whom it may concern, on pain of disobedience
to be aiding and assisting to such Commissioned officers and others who are
or may be commissioned by me, in the execution of their said Commissions
for His Majesty's Service.

A Proclamation.

(12 June, 1775.)

Whereas the infatuated Multitudes who have long suffered themselves to be conducted by certain well known Incendiaries, and Traitors in a fatal Progression of crimes against the Constitutional Authority of the State have at length proceeded to avowed Rebellion: And the good Effects which were expected to arise from the Patience and Lenity of the King's Government, have been often frustrated and are now rendered hopeless, by the influence of the same evil counsels, it only remains for those, who are entrusted with supreme rule, as well for the punishment of the guilty, as the protection of the well affected, to prove they do not bear the Sword in vain.

The infringements which have been Committed upon the most sacred rights of the Crown and People of Great Britain, are too many to enumerate on this side, and are all too atrocious to be palliated on the other. All unprejudiced people who have been witnesses of the late Transactions, in this and the neighbouring Provinces, will find upon a transient Review, Marks of Premeditation and Conspiracy that would justify the fulness of chastisement. And even those who are least acquainted with Facts, cannot fail to receive a just impression of their Enormity, in Proportion as they discover the Arts & Assiduity by which they have been falsified or concealed. The authors of the present unnatural Revolt never daring to trust their Cause or their Actions to the Judgments of an impartial Public, or even to the dispassionate reflection of their followers, have uniformly placed their chief Confidence in the Suppression of Truth: And while indefatigable & shameless Pains have been taken to obstruct every appeal to the real Interest of the People of America, the grossest forgeries, Calumnies, and absurdities that ever insulted human understanding, have been imposed upon their credulity. The Press, that distinguished Appendage of Public Liberty, and when fairly and impartially employed its best support, has been invariably prostituted to the most contrary purposes. The animated language of ancient and virtuous times calculated to vindicate & promote the just rights and Interests of mankind, have been applied to countenance the most abandoned violation of those sacred blessings; and not only from the flagitious Prints, but from the Popular Harangues of the Times. Men have been taught to depend upon activity in Treason, for the security of their persons & properties, till to complete the horrid profanation of Terms and ideas, the name of God has been introduced in the Pulpits to excite and justify devastation and massacre.

The minds of men having been thus gradually prepared for the worst extremities, a number of armed persons, to the amount of many thousands, assembled on the 19th of April last, and from behind walls, & lurking holes, attacked a detachment of the King's Troops who not expecting so consummate an act of Phrenzy, unprepared for vengeance, and willing to decline it, made use of their arms in their own defence. Since that period the Rebels, deriving Confidence from Impunity, have added insult to Outrage, have repeatedly fired upon the King's Ships & Subjects with Cannon and Small Arms, have possessed the roads and other communications by which the Town of Boston was supplied with Provisions, and with a preposterous parade of military
arrangement, they affect to hold the Army besieged, while part of their body make daily and indiscriminate invasions upon private property, and with a wantonness of cruelty ever incident to Lawless Tumult carry Depredation & Distress wherever they turn their steps.

The actions of the 19th of April are of such notoriety, as must baffle all attempts to contradict them, and the Flames of Buildings and other property from the Islands and adjacent country for some weeks past spread a melancholy Confirmation of the subsequent assertions.

In this exigency of complicated calamities, I avail myself of the last effort within the Bounds of my Duty, to spare the effusion of Blood: to offer, and I do hereby in His Majesty's name, offer & promise his most gracious pardon to all persons who shall forthwith lay down their arms and return to the duties of peaceable subjects. Excepting only from the benefit of such pardon, Samuel Adams, and John Hancock, whose offences are of too flagitious a nature to admit of any other consideration than that of condign punishment.

And to the end that no person within the limits of this proffered mercy may plead ignorance of the Consequences of refusing it, I by these Presents not only the Persons above-named and excepted, but also all their adherents, associates, & abettors, meaning to comprehend in those terms, all & every person & persons of what class, Denomination or Description soever, who have appeared in arms against the King's Government and shall not lay down the same as aforementioned, and likewise all such as shall so take arms after the date thereof, or who shall in any-wise protect or conceal such offenders, or assist them with Money, Provision, Cattle, Arms, Ammunition, Carriages, or any other necessary of subsistence or offence, or shall hold Secret Correspondence with them by letter, message, signal or otherwise, to be Rebels and Traitors, and as such to be treated.

And whereas during the Continuance of the present unnatural Rebellion, Justice cannot be administered by the Common Law of the Land, the Cause whereof has, for a long time past been violently impeded, and wholly interrupted: from whence results a necessity for using and exercising the Martial Law. I have therefor thought fit by the authority invested in me, by the Royal Charter of this Province, to publish, and I do hereby publish, proclaim and order the use and exercise of the Law Martial, within and throughout this Province, for so long time as the present unhappy occasion shall necessarily require: Whereof all persons are hereby required to take notice, and govern themselves, as well to maintain order & regularity among the peaceable inhabitants of the Province, & to resist, encounter and subdue the Rebels and Traitors above described by such as shall be called upon for those purposes.

To these inevitable, but I trust salutary measures, it is a far more pleasing Part of my Duty, to add the assurances of Protection and Support, to all who in so trying a Crisis, shall manifest their allegiance to the King, and affection to the Parent State. So that such persons as may have been intimidated to quit their Habitations in the Course of this alarm, may return to their respective Callings and Professions; and stand distinct and separate from the Parricides of the Constitution, till God in his Mercy shall restore to his creatures, in this distracted Land, that system of Happiness from which they have been seduced, the Religion of Peace and Liberty founded upon law.

Copy of a Letter from Genl. Carleton to Genl. Howe, dated

QUEBEC, January 12th, 1776.

SIR,—The 5th of December, Mr. Montgomery took Post at St. Croix within less than 2 miles from Quebec, with some Field Artillery, His heavy Canon were landed at Cap Rouge: at the same time Arnold’s party took possession of the other Avenues leading to the Town, and prevented all communication with the Country. The 7th a woman stole into Town with Letters addressed to the principal Merchants, advising them to an immediate submission & promising great indulgences in Case of their Compliance. Inclosed was a letter to me in very extraordinary language, & a summons to deliver up the Town. The messenger was sent to prison for a few days and drummed out.

To give more efficacy to these letters, 5 small mortars were brought to St. Rock’s and a Battery of 5 Cannon & one Howitzer raised upon the heights

within seven hundred yards of the Walls. Soon after Arnold appeared with a White Flag, said he had a letter for me but was refused admittance & ordered to carry back his letter.

After every preparatory stratagem had been used to intimidate our wretched garrison, as Mr. Montgomery was pleased to call it, an Assault was given the 31st December, between Four and Five in the Morning during a Snow Storm from the North East. The Alarm was general. From the side of the River St. Lawrence along the fortified, round to the Basin, every part seemed equally threatened.

Two real attacks took place upon the Lower Town. One under Capt. Diamond, led by Mr. Montgomery, the other by Mr. Arnold, upon that part called the Sault au Matelot. This at first met with some success, but in the end was stopped. A Sally from the Upper-Town under Captain Laws attacked their Rear, and sent in many Prisoners: Capt. McDougal afterwards reinforced this party, & followed the Rebels into the Post they had taken.

Thus Mr. Arnold’s Corps, himself and a few others excepted, who were wounded and carried off early were completely ruined. They were caught as it were in a Trap, we brought in their Five Mortars & one Cannon.

The other attack was soon repulsed with slaughter, Mr. Montgomery was left among the Dead. The Rebels have on this Assault between 6 and 7 hundred men & between 40 and 50 officers killed, wounded & taken prisoners. We had only one Lieut. of the Navy, doing duty as Capt. in the Garrison, and four Rank and File, killed, and 13 rank and file wounded, two of the latter are since dead.

You will be pleased to transmit a Copy of my Letter to the Secretary of State, by the first opportunity, for His Majesty’s information.

Letter from Genel. Carleton to Lord George Germain.

QUEBEC, May 14th, 1776.

My LORD,—After this Town had been closely invested by the Rebels for 5 months, and had defeated all their attempts, the Surprise Frigate, Isis & Sloop Martin came into the Basin the 6th inst.

As soon as that part of the 29th they had on Board with their Marines, in all about 200, were landed, they with the greatest part of the garrison, by this time much improved, and in high spirits, marched out of the Ports of St. Louis and St. John’s to see what these mighty boasters were about, they were found very busy in their preparations for a Retreat, a few shots being exchanged, the line marched forward & the Plains were soon cleared of those Plunderers. All their Artillery, Military Stores, Scaling Ladders, Pitards, &c., &c. were abandoned.

The Surprise, Martin and a Province Armed Vessel went up the River, when they also quitted the Gaspé & the Armed Schooner, Mary.

The Rear of the Rebels have halted at Dechambault, & the Surprise with the other two Vessels, is a little upon this side of the Falls of Richelieu.

Thus ended our Siege & Blockade, during which the mixed Garrisons of Soldiers, Sailors, British & Canadian Militia with the Artificers from Halifax & Newfoundland, shewed great zeal & patience, under very severe duty & uncommon vigilance, indispensable in a place liable to be stormed, besides great labour necessary to render such attempts less practicable.
Notwithstanding the inclement season they preserved good health, &
their spirits increased every day. A copy of my letter to General Howe
will inform your Lordship of our Situation to the defeat of the Rebels upon
the 31st December.

For three months after they Confined their operations to the preventing
all Supplies from coming to Town, & in burning our Suburbs & Shipping,
the latter have almost all escaped, but the greatest part of the Suburbs of
St. Roch and St. John have been burnt, the remainder was brought into
Town for fuel, which was much wanted.

The beginning of February the Rebels again attempted to enter into a
correspondence, by a Flag of Truce. Encouraged to it, I suppose, by a per-
mission granted for the Prisoners' Baggage to enter the Town, but as they
were told immediately to withdraw unless they came to implore the King’s
mercy, they have not since returned.

March 25th and the advanced guard of a Party raised by Mr. Beaujeu to
relieve the Town, was defeated, the rest dispersed. The 31st it was dis-
covered that the Rebel Prisoners had formed a Plot to escape, to seize the
guard of St. John’s Gate and let in Mr. Arnold which was effectually dis-
appointed.

The 4th April the Rebels opened a Battery of 4 guns, one Howitzer
from the opposite side of the River St. Lawrence, and the 22nd another of
2 guns and one Howitzer from the opposite side of the River St. Charles.
These were also intended to burn the Town and Shipping. From both they
fired Red Hot balls. The 23rd they attempted throwing Some Shells into
Town from a Battery on the heights opposite to Port St. Louis. All these
Batteries were much damaged by our Artillery.

May 3rd about 10 at night, a Fireship attempted to run down into the
Cul de Sac where the greatest part of our Shipping was laid up, but this
also proved abortive, & she burned to the Water’s Edge, without doing us
the least injury. It is supposed they intended a general assault, if they
succeeded in setting fire to the Ships and Lower Town.

I cannot conclude this letter without doing Justice to Lieutenant-Col.
Maclean who has been indefatigably zealous in the King's Service, & to
his Regiment, wherein he has collected a number of experienced good officers,
who have been very useful. Col. Hamilton, who commanded the Battalion
of Seamen, his officers, & men discharged their duty with great alacrity &
spirit. The same thing must be acknowledged of the Masters, inferior
officers, & Seamen belonging to His Majesty’s Transports, & Merchantmen
detained here last Fall. Only one Seaman deserted the whole time. The
Militia, British & Canadian, behaved with a steadiness & resolution that
could hardly have been expected from men unused to arms. Judges and
other officers of Government, as well as Merchants, cheerfully submitted to
every inconvenience, to preserve the Town. The whole indeed upon the
occasion shewed a spirit and perseverance that do them great honour.

The 47th from Halifax & the greatest part of the 29th is since arrived.

Major Caldwell, who commanded the British Militia all winter as
Lt. Col. Commandant & is bearer of these despatches to your Lordship, has
proved himself a faithful subject of His Majesty, & an active diligent officer.
He & indeed almost every loyal subject, are very considerable sufferers by
the present hostile Invasion.

I am &c.,

Guy Carleton.

A PROCLAMATION.

(30 Aug., 1776.)

Whereas there remains on hand a great quantity of the last year’s wheat, and the crops of this year are very abundant, a Considerable part of which is already got in, and it is conceived that it will not be detrimental to the Province, nor to His Majesty’s Troops therein, to suffer an exportation thereof, I hereby make known to all His Majesty’s Subjects in this Province that I do allow a general exportation of wheat. But inasmuch as the exportation of any cattle or live flock out of the Province, or of Flour and Biscuit elsewhere than to the Fisheries of Nova Scotia & the West Indies, may at this time be greatly prejudicial to the Province and His Majesty’s Troops therein, I have thought proper to order, and I do hereby strictly order that no person or persons whatsoever, at any time after the publication hereof, & before the 1st day of December next shall directly or indirectly export or cause to be exported out of this Province, any Cattle or live Stock to any place whatsoever, or any flour or biscuit elsewhere than to the Fisheries of Nova Scotia or the West Indies.

And I do hereby forbid all the Officers of His Majesty’s Customs within this Province to make any Entries or clearances of any Vessel or Vessels which shall have on Board any Cattle or live-stock, or any Flour or Biscuit other than for the Fisheries, Nova Scotia or the West Indies; excepting only such and so much of the said Commodities as shall be necessary to be carried for the sustenance, diet & support of the Commanders, Masters, Mariners, passengers, or others in the same Vessels for their respective voyages.

After the victory at Lake Champlain the Citizens of Quebec congratulated the Governor as follows:—

To His Excellency Sir Guy Carleton, Knight of the Bath, Capt. General & Governor-in-Chief of the Province of Quebec, &c., &c., &c.

May it Please Your Excellency.

We His Majesty’s faithful & loyal British Subjects, the Gentlemen, Merchants & Citizens residing in Quebec, most sincerely congratulate your Excellency on the Signal Victory obtained by the Forces under your Command over the Rebel Fleet on Lake Champlain.
Impressed with a just & lively sense of the Excellence of our glorious Constitution, we are determined under all circumstances to preserve it inviolate. Firmly attached to our most Gracious Sovereign & truly sensible of the inestimable Blessings we enjoy under the protection of His Government, we behold with sorrow & Indignation the mad attempts of factious men on either side the Atlantic, by whose diabolical machinations the greatest part of this continent is plunged into all the horrors of a Civil War.

With grateful hearts we acknowledge, That the peace & Tranquility we now enjoy is owing (under providence) to that determined resolution, steady perseverance and unshaken Constancy which, during the tedious Siege of this City, shone conspicuous in every part of Your Excellency's Conduct. If we, on our parts, have been in any degree conducive to the preservation of the Garrison, we are happy in the reflection of having done an act of Duty to our King & Country.

We take the Liberty to request your Excellency will assure our most Gracious Sovereign, that we will, to the utmost of our power, on every occasion, with our lives & fortunes, protect, maintain & support his Royal Person, his family & Government.

Permit us also to add our Congratulations on your safe return to this City, where, we truly wish, you may enjoy, without interruption those Endearing and Domestic Blessings of which you have been so long deprived by the Duties inseparably annexed to your public Character.

This address was unanimously signed by those (and those only) who assisted in the defence of the Garrison last Winter. His Excellency returned the Following Answer:

GENTLEMEN.—I return you thanks for this dutiful and affectionate Address. You may assure yourselves it will not be less agreeable to me to represent, than it must be grateful to our Sovereign to know, the Loyalty & firm attachment of Subjects, whose actions have so well evinced the sincerity of their Professions.

I have no doubt that you will, upon every occasion, exert the same ardour & Spirit in the cause of your King & Government, as was so manifest in the Trial to which you were so lately put.

A Proclamation.  (3 May, 1777.)

Whereas it is inexpedient, and might prove dangerous, at this time, and in the present circumstances of the province, to allow of a free exportation of the provisions thereof, I have thought fit by and with the advice of his majesty's council, to issue this proclamation, hereby strictly forbidding and prohibiting all cattle or other live stock, during the course of the present year, and until the last day thereof, to be exported or sent out of the same; except such as shall have been purchased for the use of his majesty's forces under my command, or that shall be necessary for the sustenance, diet, and support of the commanders, mariners, passengers, or others belonging to his majesty's ships, or other vessels departing therefrom; and I do order and direct that no corn, flour, or biscuit be exported or sent out of the province, except for the use and purposes above mentioned, until it can be exactly ascertained whether the same may be with safety permitted; whereof due notice shall be given by proclamation or otherwise. And of this, the officers of his majesty's customs, and all others whom these may concern, are required to take notice, and govern themselves accordingly.

PROCLAMATION.

(17 May, 1779.)

Whereas His Majesty's service in the Month of November last did
require a temporary prohibition upon the Exportation of Wheat, Flour &
Biscuit, of this Province, such Prohibition was directed and Com-
manded by my Proclamation on the 7th day of November last, and to con-
tinue unto the 1st day of August next.

And whereas by the artful management of rapacious and designing
men, Wheat & Flour at a time of great plenty have been advanced to an
exorbitant price; to the great prejudice, the oppression of His Majesty's
Subjects in this Province in general and of the poor in particular. His
Majesty's service, the Comfort and happiness of his subjects, make it ne-
necessary further to extend the prohibition made by the above-mentioned Pro-
clamation.

I have therefore thought fit with the Advice of His Majesty's Council,
to issue this Proclamation hereby prohibiting all persons whomsoever, to
lade on board any Ship, Boat, or Vessel, for Exportation, or to Export, out
of this Province, by any means howsoever, any Wheat, Flour, or Biscuit,
until and after the 1st day of January next.

And of this Proclamation & Prohibition, I do require the several officers
of His Majesty's Customs and all others whom it may Concern, to take
notice and govern themselves accordingly.

And the more Effectually to prevent such acts of public Oppression and
distress by the just punishment of those whom the love of gain, or other
more insidious motives have induced to violate the Laws: to commit actions
which must bring inevitable calamity and distress upon all His Majesty's
Subjects in this Province, the Commissioners of the Peace, and others whom
it may concern, are hereby enjoined and required to be diligent in discover-
ing the Persons who have offended, or may hereafter offend, in Forstalling,
Regrating and Engrossing.

GOD SAVE THE KING.

HALIFAX, July 6th.

Yesterday arrived in this Harbour, His Majesty's Ship Blonde, An-
drew Barkley, Esq., Commander, and we are informed, that General Mc-
Lean, with the Troops he took from hence the 2nd of last Month, had
arrived at Penobscut, under Convoy of His Majesty's Ships Blonde, Na-
tilus, North, &c., where he had taken a very secure & advantageous Post.

S A R.
The Blonde, with the Armed Schooner Arbuthnot, came from thence last Thursday.
On their arrival the following Proclamation was published:

**A Proclamation.**

(15 June, 1779.)

By Brigadier-General Francis McLean and Andrew Barkley, Esqr., Commanding detachments of His Majesty's Land and Naval Forces in the River Penobscot:

Whereas it is well known that there are in the several Colonies in North America, now in open Rebellion, many persons who still retain a sense of their duty, and who are only detained from an open profession of it by the fear of becoming objects of the cruel treatment which they have seen exercised on others, by persons who, having plunged their Country into the horrors and distress it now labours under, industriously seize every opportunity of gratifying their avaricious & wicked dispositions, by the wanton oppression of individuals, And whereas it has been represented that the inhabitants on the River Penobscot and the several Islands therein are well affected to his Majesty's person and the ancient Constitution under which they formerly lived, and from the restoration of which they can alone expect relief from the distressed situation they now are in,

Their Excellencies the Commanders in Chief of His Majesty's land and Naval Forces in North America, taking the good disposition of the inhabitants above mentioned (as represented to them) into consideration, and desiring of encouraging & protecting the persons professing them, and securing them from any molestation on that account, have ordered here the forces under our respective Commands for that purpose.

We therefor, in obedience to their directions, hereby invite and earnestly request the Inhabitants on the River Penobscot and the Islands therein in general, to be the first to return to that state of good order and government, to which the whole must in the end submit, and openly to profess that Loyalty and Allegiance, from which they have been led to swerve by arguments and apprehensions, of falsehoods of which they must have been long ago sensible, as well as of the views of those who first promoted them.

We also call all those in whom these principles have never been shaken, to embrace the present opportunity of manifesting them without dread or apprehension, as we hereby assure them of every protection in the power of the Forces under our respective Commands to bestow.

And to quiet the apprehensions of any person who might be deterred from embracing this opportunity by the dread of being punished for any former acts of Rebellion, which they may have been led to commit.

We hereby declare that we will extend our protection and give every encouragement to all persons of whatever denomination, who shall within 8 days from the date hereof take the Oaths of Allegiance and Fidelity to his Majesty before such persons as we shall appoint either at the Headquarters of His Majesty's Troops at Magebugeuduce-Neck, or at Fort Pownall; which oaths of Allegiance and Fidelity we require all persons whatever to come and take within the required time, and not, by neglecting to give such testimony of their Loyalty, give room to look on them as desirous of continuing in an obstinate and unavailing Rebellion, and subject themselves to the treatment such Conduct will deserve.
To all persons, who by returning to their allegiance shall merit it, we
not only promise protection and encouragement, with the relief that shall
lie in our power to alleviate their present distresses, but we also declare that
we will employ the Forces under our Command to punish all persons what-
ever, who shall attempt in any manner to molest them either in their per-
sons or property on account of their Loyalty or Conduct towards us, and if
forced by their behaviour to punish any man or set of men, we declare that
we will do it in such an exemplary manner as we hope will deter others
from obliging us to have recourse to such severe means in future.

And whereas the Inhabitants to whom this Proclamation is addressed,
as well as those in general settled in that part of the Country called the
Province of Main, have seated themselves on lands and cultivated them,
without any Grant or Title, by which their possessions can be secured to
them or their posterity, We therefor declare that we have full power to
promise, and we do hereby promise, that no person whatever who shall take
the oath of allegiance as above required, and give such other testimony of
their attachment to the Constitution, as we or other Officers Commanding
His Majesty’s Forces may require, shall not be disturbed in their possess-
sions, but that whenever Civil Government takes place, they shall receive
gratuitous grants from His Majesty (who alone has the Power of giving
them) of all Lands they may have actually cultivated and improved.

And whereas the leaders of the present Rebellion, in pursuit of the
views which first instigated them to foment it, and probably to blind the
people with regard to the cause of the severe distress under which they now
labour, have industriously propagated a notion, That the Officers of His
Majesty’s sea and land Forces willingly add to their sufferings.

We therefor, to remove such prejudices in as far as in us lies to alleviate
the misery of the Inhabitants of the Villages and Islands along the Coast of
New England, hereby declare, that such of them as behave themselves in a
peaceable, orderly manner shall have full liberty to Fish in their ordinary
Coast Fishing Craft, without any molestation on our part; on the Contrary,
they shall be protected in it by all vessels and parties under our Command.

Given on Board His Majesty’s Ship Blonde, in Magebeguiduce River,
the 15th June, 1779.

FRANCIS McLEAN.
ANDREW BARKLEY.

"On which, before the Blonde sailed for this Port, 651 persons came
voluntarily & signed & took the following declaration & oath," &c., &c., &c.

Additional Instruction to Our Trusty and Well beloved Frederick
Haldimand Esquire, Our Captain General and Governor in
Chief in and over Our Province of Quebec in America, or to
the Commander in Chief of Our said Province for the Time
being. Given at Our Court at St James’s the Sixteenth day
of July 1779. In the Nineteenth year of Our Reign.

Whereas it is expedient and agreeable to Our Royal Will and Pleasure
that Our Subjects Inhabitants of Our Province of Quebec, under your Gov-
ernment, should have, and enjoy every Benefit and Security resulting to
them from a speedy and effectual Distribution of Law and Justice, accord-
ing to the principles of the British Constitution, as far as the same can be.
adapted to their peculiar Circumstances and Situation. And Whereas according to the practice of the Courts of Civil and Criminal Judicature, as constituted by the Ordinances now in force, the Official Duty of the Chief Justice of Our said Province is confined to Causes of a Criminal Nature only except in Cases of Appeal, where he sits in common with the rest of our Council. In Consideration hereof, and to prevent (as far as in Us lies) the Frequency of Appeals, It is Our Will and Pleasure and you are hereby strictly enjoined and required, by and with the Advice and Consent of Our Council in their Legislative Capacity assembled to frame an Ordinance to be passed for the purposes of explaining and amending the Ordinances before mentioned by directing and enacting that the Chief Justice shall preside and be made a Member of the Court of Common Pleas, and as such shall sit in the said Court four times in the year at Quebec, & twice in the year at Montreal, at the latter place immediately after, or before the present Circuit Business, as shall be deemed most convenient, that notwithstanding his having given his Opinion in the Court below he shall sit and give his Opinion in the Court of Appeal, that such Court of Appeal shall consist of four persons besides the Chief Justice to be nominated by the Governor or Commander in Chief for the time being from among the Members of Our Council, and approved and confirmed by Us, together with the Judges of the Court of that District from whence the Appeal does not come, the Lieutenant Governor of Our Province not to be one; That of these persons five to be a Quorum for the Dispatch of Business, the Chief Justice or the Person or one of the Persons officiating in that Capacity always to be one; And that the said Court of Appeal be confined to examine Errors of Law only taking the facts, as stated in the Transcript transmitted by the Court where such Cause shall have been determined, & without going into New Evidence, or re-examining the Evidence before taken.

Proclamation.

(4 Dec., 1779.)

Whereas Sir Guy Carleton, Knight of the Most Honorable Order of the Bath, late Governor of this Province, on the 28th day of August, 1777, issued a Proclamation therein, requiring all proprietors of Seigniories in this province, holding directly from the Crown (as well Communities as others) to appear in Person or by Attorneys, duly constituted for that purpose, at the Castle of St. Louis, in the City of Quebec, any time before the 1st day of December, 1778, to make and render the Fealty and Homage which they owe to His Majesty, according to the Ancient Laws, Customs, and Usages of this Province, as they stood and were observed before the year 1760.

And the said several proprietors of Seigniories were also required to render their respective Tenors or Land Rolls at the time of making Fealty and Homage, or within forty days thereafter, to be duly Registered.

Quebec, to exhibit their Title deeds and make a declaration of the Several Estates they hold under His Majesty, & the rents and Duties they owe thereupon.

And whereas I thought fit, by the advice of His Majesty’s Council, to issue a Proclamation on the 30th day of November, 1778, to continue the allowance of time mentioned in the Proclamation of the said late Governor, Sir Guy Carleton, to the 31st day of this present month, I now think fit, by the advice of the same Council, to issue this further Proclamation, Hereby Granting and Extending the times before allowed unto the 31st day of December, 1780. On or before which day I do require due obedience to the same by those His Majesty’s Subjects, the tenure of whose Estates makes it a duty incumbent upon them.

Proclamation.

His Majesty’s Service and the Welfare of this Province at this time make it necessary to Assemble the Legislative Council.

God Save the King.

By His Excellency James Robertson, Esqr., Captain-General & Governor-in-Chief in and over the Province of New York & the territories depending thereon in America, Chancellor and Vice-Admiral of the same, and Major-General of His Majesty’s Forces.

A Proclamation.

The King having been graciously pleased to honor me with the care of a Province, where in a long residence I have contracted an esteem for some and an affection for many of its Inhabitants, I proceed with great pleasure to announce His benevolent intentions.
It is His Majesty's wish, by the revival of the Civil Authority, to prove to all the Colonies & Provinces that it is not His design to govern America by Military Law, but that they are to enjoy all the benefits of a local legislation & their former Constitution.

To this end I have brought out the Royal appointments for forming the Council and supplying the places of Lieutenant-Governor and Chief Justice. And in concurrence with the Commander-in-Chief of the British Forces, who is also His Majesty's Commissioner for restoring peace to the Colonies, I shall as speedily as the public exigencies will permit, give order for opening the Courts of Judicature, and Convening the Assembly, and in general proceed to the Execution of the powers reposed in me for the free Course and Complete re-establishment both of the legislative and Executive Authority.

I take great satisfaction in the anticipation of that happy day when relations, friends, and fellow-citizens, having dismissed their gloomy apprehensions, shall re-embrace each other, and return to the offices, pleasures, and employments of peace. Your Country, with your ancient privileges, will then participate in an extensive commerce, and be exempted from all taxations not imposed by yourselves.

Until I meet you regularly in General Assembly for the restoration of mutual Confidence and the remedying of private as well as public evils, I pledge myself to men of all classes in every part of the Province, that it is the Compassionate desire of your Sovereign, and of the parent country, to unite in affection, as in interest, with the Colonies planted by her hand & which have long flourished under her care, that the suggestions of her intentions to impair their rights and privileges are the Arts of Malice & faction, & that every insinuation made by the domestic Enemies of Great Britain of her being disposed to abandon the Provinces to internal Anarchy, and the mischiefs of their jarring interests & claims, or to the fraudulent & ambitious views of foreign, Popish, and arbitrary powers (of whom your fathers had a wise and virtuous jealousy) is equally false and malicious.

Happy herself under a Constitution which is the envy and admiration of surrounding nations, she wishes to include in one Comprehensive system of felicity all the branches of a stock, intimately connected by the ties of language, manners, laws, & customs, habits, interests, religion, and blood.

I lament, with the ingenuous thousands of America, who are irreconcilable to the unnatural separation, so inauspicious to yourselves, as well as all the rest of your fellow-Subjects in the other quarters of the World, that the few who have found means to acquire a Sway in the managements of your affairs, have been averse to every uniting system of policy, and studiously shunned the paths of harmony and peace.

But it is not my aim to call them to a hopeless & mortifying review of their Conduct. Can they want Evidence at this day of the detestation of having everything to fear from their Exhausted patience, I warn them to desist from any attempt to restrain and seduce the Loyalty of others, and wisely to provide against their resentment by signalizing themselves, as heretofore in exciting, so now in closing the scene of their intolerable calamities.

And I hereby give the Strongest Assurances of Effectual Countenance, protection, and support to all persons who avail themselves of the Proclamation issued by His Excellency Sir Henry Clinton, dated at James's Island, on the 3rd day of March.

Less inclined to reproach them than to Conciliate, to aggravate than to forget, even the guilt of those, who privy to the repeated calls of Great Britain to friendship, upon terms adequate to the desire and expectation of their Constituents, yet nevertheless forbore to reveal them, that they might, with
the greatest care press the ancient enmity of foreign foes, to the aid of their own Ambition and Avarice. I exhort them to seek an early refuge in the abundant Clemency of the Crown, from the perils to which they have exposed themselves by measures fraudulently Concerted & tyrannically inforsed, and affording by the Complicated miseries they have brought upon their country and the mighty ruin still impending, irresistible evidence of the folly and malignancy of the Councils by which its affairs have been conducted.

Towards redressing the disorders arising from the loss or want of Charters, I recommend it to all concerned to apply without delay in the ordinary Course for Charters, which shall be granted as soon as Civil Authority takes place.

As to the publick Books of Records, so important to your titles and estates in all parts of the Colony, and formerly lodged in the Secretary's Office, I understand that they were separated from the rest by the provident circumspection of my predecessor, whose merits are above applause & have often had yours; & having been afterwards sent home for safe custody, you may rely upon their being carefully preserved and duly returned as soon as Common tranquility is restored.

I now call upon Every individual in the Colony to show his allegiance, fidelity, and patriotism by affording his Assistance towards accomplishing the King's Most Gracious design of restoring the blessings of peace and good Government. And they who shall most distinguish themselves by their laudable efforts for those good purposes will most assuredly best recommend themselves to the Royal approbation and favour.

Given under my hand and the great Seal of the Province of New York, in the City of New York, the 15th day of April, 1780, in the 20th year of His Majesty's Reign.

A Proclamation. (20 Oct., 1780.)

To the Officers & Soldiers of the Continental Army who have the real interests of their Country at heart, & who are determined to be no longer the tools & dupes of Congress or of France,

Having reason to believe that the principles I have avowed in my address to the public of the 7th inst., animated the greatest part of this Continent, I rejoice in the opportunity I have of inviting you to join His Majesty's Forces.

His Excellency Sir Henry Clinton has authorized me to raise a Corps of Cavalry & Infantry, who are to be clothed subsisted and paid as the other Troops of the British Service, & those who bring in Horses, arms or accoutrements, are to be paid their value or have liberty to sell them. To every non-Commissioned Officer & private a bounty of the Three guineas will be given, & as the Commander-in-Chief is pleased to allow me to nominate the Officers, I shall with infinite satisfaction embrace the opportunity of advancing men whose valour I have witnessed, and whose principles are favourable to an union with Britain, & true American Liberty.
The Rank they obtain in the King's service will bear a proportion to their former rank, & the number of men they bring with them.

It is expected that a Lt.-Col. of Cavalry will bring with him or recruit in a reasonable time. 75 Men.

Major of Horse ........................................... 50 "
Capt. " .................................................. 30 "
Lt. " .................................................. 15 "
Cornet " ............................................. 12 "
Sergt. " .............................................. 6 "

Lieutenant-Col. of Infantry ........................................... 75 "
Major " .................................................. 50 "
Capt. " .................................................. 30 "
Lt. " .................................................. 15 "
Ensign " .................................................. 12 "
Sergt. " .................................................. 6 "

N.B. Each Field Officer will have a Company.

Great as these Encouragements must appear to such as have suffered every distress of want of pay, hunger & nakedness from the neglect, contempt & corruption of Congress, they are nothing to the motives which I expect will influence the brave & generous minds I hope to have the honour to command.

I wish to lead a chosen band of Americans to the attainment of peace, liberty & safety (the first objects in taking the field), & with them to share in the glory of rescuing our native Country from the grasping hand of France, as well as from the ambitious and interested views of a desperate party among ourselves, who in listening to French overtures and rejecting those from Great Britain have brought the Colonies to the very brink of destruction.

Friends, Fellow Soldiers & Citizens, arouse & judge for yourselves—reflect on what you have lost—consider to what you are reduced, & by your courage repel the ruin that still threatens you.

Your country once was happy, & had the proffered peace been embraced your last two years of misery had been spent in peace & plenty, & repairing the desolation of a quarrel that would have set the interest of Great Britain and America in its true light, & cemented their friendship; whereas you are now the prey of Avarice, the Scorn of your Enemies and the pity of your friends.

You were promised Liberty by the leaders of your affairs, but is there an individual in the Enjoyment of it, saving your oppressors, who among you dare speak or write what he thinks, against the tyranny which has robbed you of your property, imprisons your person, drags you to the field of battle, and is daily deluging your Country with your blood. You are flattered with independency as preferable to a redress of grievances, & for that Shadow, instead of real felicity, are sunk into all the wretchedness of poverty by the rapacity of your own rules. Already are you disqualified to support the pride of Character they taught you to aim at, & must inevitably shortly belong to one or other of the great powers their folly & wickedness have drawn into the conflict. Happy for you that you may still become the fellow subjects of Great Britain, if you nobly disdain to be the vassals of France.

What is America now but a land of Widows, orphans & beggars. And should the parent nation cease her exertions to deliver you, what security
remains to you. Even for the enjoyment of the consolation of that religion for which your Fathers braved the ocean, the heathen and the wilderness.

As to you who have Soldiers in the Continental Army, can you at this day want evidence, that the funds of your Country are exhausted, or that the managers have applied them to their own private uses.

In either case you surely can no longer continue in their service with honour or advantage. Yet you have hitherto been their supporters in that cruelty, which, with an equal indifference to yours, as well as to the labour & blood of others is devouring a Country, that, from the moment you quit their colors will be redeemed from their tyranny.

But what need of arguments to such as feel infinitely more misery than tongue can express. I therefor only add my promise of the most affectionate welcome and attention to all who are disposed to join me in measures necessary to close the scene of our afflictions, which, intolerable as they are, must continue to increase until we have the wisdom (Shewn of late by Ireland) in being contented with the liberality of the Parent Country, who still offers her protection, with the immediate restoration of our ancient privileges, civil & sacred, & a perpetual exemption from all taxes, but such as we shall think fit to impose on ourselves.

ADDITIONAL INSTRUCTIONS TO HALDIMAND.

[L.S.]

George R. (16 July, 1783.)

Additional Instruction to Our Trusty and Well beloved Frederick Haldimand Esq. Our Captain General and Governor in Chief of Our Province of Quebec, in America or to the Commander in Chief of the said Province for the time being. Given at Our Court at St James's the 16th Day of July 1783. In the Twenty third year of our Reign.

Whereas many of Our Loyal Subjects Inhabitants of the Colonies and Provinces, now in the united States of America are desirous of retaining their Allegiance to Us, and of living in Our Dominions, and for this purpose are disposed to take up and improve Lands in Our Province of Quebec; and We being desirous to encourage our said Loyal Subjects in such their Intentions, and to testify our approbation of their loyalty to Us, & Obedience to our Government, by allotting Lands for them in our said Province; And whereas We are also desirous of testifying our approbation of the Bravery and Loyalty of our Forces serving in our said Province, and who may be reduced there, by allowing a certain quantity of Land to such of the Non-Commissioned Officers and private Men of Our said Forces, who are inclined to become settlers therein, It is Our Will and pleasure, that immediately after you shall receive this Our Instruction, you do direct our Surveyor General of Lands for our said Province of Quebec, to admeasure & lay out such a Quantity of Lands as you with the advice of our Council shall deem necessary & convenient for the settlement of our said Loyal Subjects, the Non-Commissioned Officers & private Men of our Forces which may be reduced in our said Province, who shall be desirous of becoming Settlers there-in; such Lands to be divided into distinct Seigneuries or Fiefs, to extend from two to four leagues in front, and from three to five leagues in depth, If situated upon a Navigable River, otherwise to be run square, or in such shape and in such quantities, as shall be convenient & practicable—and in each Seigneurie a Glebe to be reserved and laid out in the most convenient spot, to contain not less than 300 nor more than 500 Acres; the property of which Seigneuries or Fiefs shall be and remain vested in Us, our Heirs and Successors, and you shall allot such parts of the same as shall be applied for by any of our said Loyal Subjects Non-Commissioned Officers & Private Men of our Forces reduced as aforesaid, in the following proportions; that to say
To every Master of a Family, One Hundred Acres, and Fifty Acres for each person, of which his Family shall consist.

To every single Man Fifty Acres.

To every Non-Commissioned Officer of Our Forces reduced in Quebec Two hundred Acres.

To every private Man reduced as aforesaid One Hundred Acres.

And for every Person in their Family Fifty Acres.

The said Lands to be held under Us Our Heirs & Successors, Seigneurs of the Seigneurie or Fief in which the same shall be situated, upon the same terms, acknowledgements and services, as Lands are held in our said Province under the respective Seigneurs holding and possessing Seigneuries, or Fiefs therein; and reserving to Us our Heirs and Successors, from and after the expiration of Ten years from the Admission of the respective Tenants, a Quit Rent of one half penny per Acre.

It is our further Will and pleasure, that every person within the Meaning of this Our Instruction, upon their making application for Land, shall take the Oaths directed by Law before you or our Commander in Chief for the time being, or some Person by you or him Authorized for that purpose, and shall also at the same time make and subscribe the following declaration, Viz: "I A-B. do promise and declare that I will maintain and defend 'to the utmost of my power the Authority of the King in his Parliament "as the supreme Legislature of this Province," which Oaths and declaration shall also be taken made and subscribed by every future Tenant before his, her, or their Admission, upon Alienation, descent, Marriage or any other wise howsoever, and upon refusal, the Lands to become revested in Us our Heirs and Successors. And it is our further Will and pleasure, that the expense of laying out and surveying as well the Seigneuries or Fiefs aforesaid as the several Allotments within the same, and of the Deed of Admission shall be paid by the Receiver General of Our Revenue in the said Province of Quebec out of such Monies as shall be in his hands, upon a Certificate from you or our Commander in Chief for the time being in Council, Oath being made by our Surveyor General to the Account of such Expense; Provided however that only one half of the Usual and accustomed Fees of Office shall be allowed to our said Surveyor General or any other of Our Officers in the said Province entitled thereunto upon any Survey or Allotment made, or upon Admission into any Lands by virtue of this our Instruction.

And whereas We have some time since purchased the Seigneurie of Sorel from the then Proprietors, the Lands of which are particularly well adapted for Improvement and Cultivation, and the local situation of the said Seigneurie makes it expedient that the same should be settled by as considerable a number of Inhabitants of approved Loyalty as can be accommodated therein with all possible dispatch.

It is therefore our Will and pleasure that you do cause all such Lands within the same as are undisposed of, to be run out into small allotments, and that you do allot the same to such of the Non-Commissioned Officers and private Men of our Forces, which may be reduced in Our said Province, or such other of Our Loyal Subjects as may be inclined to settle and improve the same, in such proportions as you may Judge the most conducive to their Interest and the more speedy settlement of our said Seigneurie. The Lands so allotted to be held of Us our Heirs and Successors, Seigneurs of Sorel upon the same conditions and under the same reserved rent at the expiration of ten years, as the other Tenants of the Seigneurie now hold their Lands and pay to Us, and also of taking the Oaths and making and subscribing the declaration as herein before is mentioned and directed.
The Expenсе of making the said allotments and Admission thereunto to be also paid and defrayed in like manner as those in the Seignories directed to be laid out by this our Instruction.

And it is Our Will and pleasure that a Record be kept in the Office of the Receiver General of our Revenue of every admission into Lands as well as by virtue of this our Instruction, as in cases of future Admission by Alienation or otherwise, a Docquet of which shall be transmitted yearly to Us thro’ one of our principal Secretary’s of State, and also a Duplicate thereof to Our High Treasurer or the Commissioners of our Treasury for the time being.

Island of Jersey Merchants, but that the same be reserved to Us, Our Heirs 
and Successors, together with a sufficient quantity of Wood-Land adjoin-
ing thereto necessary for the purpose of carrying on the Fishery; The 
Limits of such Wood-Land so to be reserved, to be determined upon and

such manner, as from the most Authentick Information shall appear to you 
and them most Convenient and proper for that purpose; It is Nevertheless 
Our Intention, and We do hereby Signify to you Our Will and pleasure, 
that the Free Use of such Beach and Shore, and of the Wood-Lands so to 
be reserved shall be allowed by you or any person Authorized by you, to 
such of Our Subjects as shall resort thither for the purpose of carrying on 
the Fishery, in such proportions as the Number of Shallops he or they shall 
respectively employ may require; provided that if any Fisherman who shall 
have permission to Occupy any part of the said Beach or Shore and Wood-

vent Abuses as well as disputes and Misunderstanding between the Fish-
ermen resorting to the said Beach or Shore, it is Our Will and Pleasure 
that you by and with the Advice and Consent of Our said Council, do frame 
such Regulations as it you shall appear necessary to Answer those Salutary 
purposes, and transmit the same to Us thro’ One of Our principal Secretaries 
of State for Our pleasure therein by the first Opportunity.

America. Brigadier-General, Commanding-in-Chief, His Majesty’s 
Forces in the said Province, & the Frontiers thereof, &c., &c., &c.

Proclamation. (2 Nov., 1785.)

Whereas it has pleased His most Gracious Majesty to appoint me 
Lieut.-Governor & Commander-in-Chief in & over the Province of 
Quebec, and the Territories depending thereon in America.

And whereas during the absence of His Excellency Fredrick Haldim-
mand, Capt. General and Governor-in-Chief in and over the Province of 
Quebec and the Territories depending thereon in America, the trust re-
posed in him devolves on the Lieut.-Governor of the said Province.

Therefor I have thought fit to issue this Proclamation signifying the 
same, & I do hereby Command and require all officers of His Majesty’s Gov-
ernment of Quebec, & all other persons whom it doth or may concern to take 
otice & henceforth govern themselves accordingly.
Given under my hand & seal at Arms at the Castle of St. Lewis, in the City of Quebec, this 2nd day of November, in the 26th year of His Majesty's Reign, 1785.

PROCLAMATION.

(21 Jan., 1786.)

By the Honorable Henry Hope, Esquire, Lieutenant-Governor & Commander-in-Chief in & over the Province of Quebec & Territories depending thereon, Brigadier-General & Commander-in-Chief of His Majesty's Forces in the said Province & the Frontiers thereof, &c., &c., &c.

Whereas Col. Thomas Dundas and Jeremy Pemberton, Esqrs., Commissioners specially named and appointed by an Act of Parliament, made & passed in the 25th year of His Majesty's Reign, intituled an Act for appointing Commissioners further to enquire into the losses & services of all such persons who have suffered in their rights, Properties & professions during the late unhappy dissensions in America in consequence of their Loyalty to His Majesty, and attachment to the British Government in a dispatch addressed to me, received by express last night by the way of New Brunswick, dated at the office of the American claims at Halifax in Nova Scotia, the 17th of November last, have intimated their arrival there for the purposes specified in the said Act, which they have transmitted to me, together with a copy of a notice or explanation that they have thought necessary to publish "in order to inform any persons concerned of the manner in which they intend to proceed in examining former Claims, and in receiving and examining new ones, requesting of me to make the same public in this Province. And whereas the said Commissioners have observed to me in their letter, that though by the method pointed out in their notice they have greatly consulted the Convenience of persons concerned, so as to prevent a too early or unnecessary attendance, yet that they the said Commissioners wish them also to be aware that they shall proceed from day to day at Halifax with all the expedition in their power; and as the mode adopted by Parliament seems to be by ordering payment upon account to those claimants whose cases are satisfactorily proved, that it is but justice to apprise them of the advantages which they may gain by priority of hearing, and how much it is in their interest to have an early examination of their claims, at which their personal attendance will be necessary, I do hereby, with the advice of His Majesty's Council, notify to all persons whom it may concern within this Province, that on the 15th day of March next I shall dispatch an express to Halifax for the purpose of forwarding to the office of American Claims there, all such claims made conformable to the said notice, as may at any time before that day be transmitted to me at the Castle of Saint Lewis. And for further information and direction of all persons concerned, I have caused the said Act of Parliament and notice to be herewith published in the Quebec Gazette.
Given under my hand and seal at Arms, at the Castle of St. Lewis, in the City of Quebec, the 21st day of January, 1786.

As an encouragement to Deserters who may be willing to return to their duty, but from which they may be deterred through fear of that exemplary punishment, prescribed by the Law for the Crime of Desertion denounced so particularly to this Army against the future Commission of that Offence in the General Orders of the 16th of June, 1785, in consequence of His Majesty’s pleasure signified thereon to the Commander-in-Chief of His Forces in this Province, I hereby nevertheless offer a full pardon for the aforesaid offence, to all such Soldiers as may have deserted previous to the above period from any part of the Army that have served in this Province; and who shall return to their duty by delivering themselves up to any of the Regiments at this time serving under my Command, on or before the 1st of June ensuing.

PRONMATION.

(4 Ap., 1786.)

Whereas it has been represented to me in Council, that the Secretary's Office in the Bishop's Palace was broken into in the night between the 22nd and 23rd day of March last by persons hitherto unknown, & who after having forced open several Drawers, Boxes and other Repositories of public and private papers, took away several articles of Stationery and other effects particularly a brass hilted hanger and black leather Sheath broken at the point.

And whereas it has likewise been represented me in Council that in the night of the 29th of the same month, a store belonging to Wm. Gill in the Lower Town of Quebec was broken into, the Shutters of the Show windows thereof, together with the window frames & several panes of glass being forced open & several articles of earthen ware taken therefrom by persons likewise unknown. And whereas divers other felonies have lately been attempted in & about the City of Quebec. In order to discover & bring to Condemn punishment the perpetrators of the Crimes above described, I have thought fit by the advice of His Majesty's Council to publish this proclamation hereby promising His Majesty's gracious pardon to any person who shall discover his accomplices in perpetrating either of the said Crimes upon Conviction of any one or more of them. And if such person be a Soldier, he shall have his Discharge and Passage to Europe. Moreover, I promise a reward of one hundred dollars to such Informer, to be paid to him by His Majesty's Receiver-General of this Province, immediately upon conviction as aforesaid.

A PROCLAMATION.

(9 May, 1786.)

Whereas in Consequence of Information Conveyed to me from the Acadians and other persons who have been long Settled on ungranted Lands in the Bay of Chaleurs that they suffered great anxiety from the apprehensions of losing the Establishments which they had acquired by their Labour and industry—I did on the 25th day of November last, for the purpose of quieting their minds, issue my proclamation assuring them that while they continued to behave as peaceable and good subjects of the King they would receive protection & encouragement from Government, & that such of them as should produce to Nicholas Cox, Esquire, Lieut.-Governor of Gaspé & its dependencies, authentic proofs of their having cleared & improved the Lands on which they were settled, should (in case the same had not been previously granted) receive deeds of concession thereof, at the
same time, & on the same terms and conditions with the Loyalists lately settled in the said Bay, upon their taking the oaths & making and signing the declaration required from them by His Majesty's Instructions.

And whereas in order to fulfil the said assurances entered into on my part, it is expedient that the said several settlers should on their parts recognize themselves, and make an exact designation as to the extent and boundaries of the Lands they may have severally settled upon and improved.

I have thought fit, by & with the advice of His Majesty's Council, to issue this Proclamation, hereby requiring & commanding all persons whether Acadians, Canadians, or Europeans, settled at Bay Chaleurs who claim, or have any pretentions to any Lands, be it with or without any unwritten titles, to deliver their names in writing and lodge their pretentions to such lands specifically and amply stated, with Samuel Holland, Esqr., Surveyor-General or with John Collins, Esqr., Deputy Surveyor-General of the Province, one of whom I shall direct shortly to repair to Chaleurs Bay to receive the pretensions and claims of the settlers, to make a faithful extract of the Grants or other written titles which may be produced to him, and an exact survey of all their different settlements, in order that upon the return of the Surveyor, and a Report made by the said Samuel Holland, Esquire, or by the said John Collins, Esqr., of all his doings in the premises, such other and further proceedings may be had for the purpose of obtaining grants thereof to them, as to Law and Justice shall appertain.

Given under my hand at Quebec, the 9th day of May, 1786.

4th. And whereas by an Act passed in the fourteenth year of Our Reign, Intituled, “An Act for making more effectual Provision for the Government of the Province of Quebec in North America.” It is enacted and provided that no person professing the Religion of the Church of Rome, and residing in the said Province shall be obliged to take the Oath of Supremacy required by an Act passed in the first year of Queen Elizabeth, or any other Oaths substituted by any other Act in the place thereof, but that every such person, who by the said Statute is required to take the Oaths therein mentioned, shall be obliged and is thereby required under certain Penalties to take and subscribe an Oath in the form and Words therein prescribed and set down, It is therefore Our Will and Pleasure that you do administer to each and every Member of Our said Council, being a Canadian & professing the Religion of the Church of Rome, and cause each of them severally to take and subscribe the Oath mentioned in the said Act passed in the fourteenth year of Our Reign, Intituled, “An Act for making more effectual Provision for the Government of the Province of Quebec in North America,” and also cause them severally to take an Oath for the due Execution of their Places and Trusts and for their equal and impartial Administration of Justice.

5. And that We may be always informed of the Names and Characters of Persons fit to supply the Vacancies which may happen in Our said Council, you are from time to time to transmit to Us by one of Our principal Secretaries of State the Names and Characters of such persons, Inhabitants of Our said Province, whom you shall esteem best qualified for that Trust, and you are also to transmit a Duplicate of the said Account to the Lords of the Committee of Our Privy Council for Trade and Plantations for their Information.

6. And if it shall at any time happen that by the Death or Departure out of Our said Province of any of Our said Councillors there shall be a Vacancy of Our said Council, Our Will and Pleasure is that you signify the same to Us by one of Our principal Secretaries of State and to the Lords of the Committee of Our Privy Council for Trade and Plantations by the first Opportunity, that We may, by Warrant under Our Signet and Sign Manual and with the Advice of Our Privy Council, constitute and appoint others in their stead.

7. You are at your first calling together Our Council to communicate to them such and so many of these Our Instructions wherein their Advice and Consent are mentioned to be requisite, or which contain any Directions as to the framing of Ordinances for the Peace, Welfare and good Government of Our said Province, as likewise all such others from time to time as you shall find convenient for Our service to be imparted to them.

8. You are to permit the Members of Our said Council to have and enjoy freedom of Debate and Vote in All Affairs of publick Concern that may be debated in Council.

9. And whereas by the aforesaid Act passed in the fourteenth year of Our Reign Intituled, “An Act for making more effectual provision for the ‘Government of the Province of Quebec in North America.” It is further enacted and provided that the Council for the Affairs of the said Province
to be constituted and appointed in manner therein directed, or the Major part hereof shall have power and Authority to make Ordinances for the peace, Welfare and good Government of the said Province with the Consent of Our Governor or in his Absence the Lieutenant Governor or Commander in Chief for the time being, Provided that no Ordinance shall be passed, unless upon some urgent Occasion at any Meeting of the Council, except between the first Day of January and the first Day of May, You are to take especial Care that the Directions of the said Act be duly observed and that no Ordinance be passed at any Meeting of the Council where less than a Majority is present, or at any time except between the first Day of January and the first Day of May as aforesaid, unless upon some urgent Occasion in which case every Member thereof resident at Quebec or within fifty Miles shall be personally summoned to attend the same.

10. That no Ordinance be passed for laying any Taxes or Duties, such Rates and Taxes only excepted as the Inhabitants of any Town or District may be authorized to Assess, levy and apply within the said Town or District for the making of Roads, erecting & repairing of publick Buildings, or for any other purpose respecting the local Convenience and Economy of such Town or District.

That no Ordinance touching Religion or by which any Punishment may be inflicted greater than Fine or Imprisonment for three Months, be made to take Effect, until the same shall have received Our Approbation.

That in all Ordinances imposing Fines, Forfeitures or Penalties, express Mention be made that the same is granted or reserved to Us, Our Heirs and Successors for the publick Uses of the said Province, and the Support of the Government thereof, as by the said Ordinance shall be directed, and that a clause be inserted declaring that the Money arising by the Operation of the said Ordinance shall be accounted for unto Us in this Kingdom, and to Our Commissioners of Our Treasury for the time being, and audited by Our Auditor General of Our Plantations or his Deputy.

That no Ordinance be passed relative to the Trade, Commerce, or Fisheries of the said Province, by which the Inhabitants thereof shall be put upon a more advantageous footing than any other of Our Subjects, either of this Kingdom or of the Plantations, who have retained their Allegiance.

That no Ordinance respecting private property be passed without a Clause suspending its Execution until Our Royal Will and Pleasure is known, nor without a Saving of the right of Us, Our Heirs & Successors and of all Bodies Politick and Corporate, and of all other persons, except such as are mentioned in the said Ordinance and those claiming by, from, and under them, And before such Ordinance is passed Proof must be made before you in Council and entered in the Council Books, that publick Notification was made of the Parties' Intention to apply for such Ordinance in the several Parish Churches, where the Lands in question lye for three Sundays at least successively before any such Ordinances shall be proposed, And you are to transmit and annex to the said Ordinance a Certificate under your Hand that the same passed through all the forms abovementioned.

That, except in Cases of imminent Necessity or immediate temporary Expediency, you shall not enact any Ordinance for less than two years, and you shall not re-enact any Ordinance, to which Our Assent shall have been once refused, nor give your Assent to any Ordinance for repealing any other passed in your Government, which shall have received Our royal Approbation, unless you take care that there be a Clause inserted therein suspending the Execution thereof until Our Pleasure shall be known, and in either case
it will be your Duty to make full representation to Us by one of Our principal Secretaries of State, and to the Lords of the Committee of our Privy Council for Trade & Plantations for their Information of the reasons and Necessity which appeared to you for passing such Ordinance.

That all such Ordinances be transmitted by you within six Months after their passing, or sooner if Opportunity offers, to Us by one of Our principal Secretaries of State and Duplicates thereof to the Lords of the Committee of Our Privy Council for Trade & Plantations for their Information; That they be abstracted in the Margins and accompanied with very full and particular Observations where they may be necessary, together with fair Copies of the Journals of the proceedings of the Council, which you are to require from the Clerk of the said Council.

11. In the Consideration of what may be necessary to be provided for by Law within Our said Province, as created and established by the aforesaid Act, Intituled, "An Act for making more effectual Provision for "the Government of the Province of Quebec in North America," a great Variety of Important Objects hold themselves forth in the Attention of the Legislative Council.

12. The Establishment of Courts and a proper Mode of administering Civil and Criminal Justice throughout the whole Extent of Our Province according to the Principles declared in the said Act for making more effectual provision for the Government thereof demand the greatest Care and Circumspection, for as on the one Hand it is Our gracious purpose, conformable to the Spirit and Intention of the said Act of Parliament, that Our Canadian Subjects should have the Benefit and Use of their own Laws, Usages and Customs in all Controversies respecting Titles of Land, and the Tenure, Descent, Alienation, Incumbrances and Settlement of real Estates and the Distribution of personal property of Persons dying intestate, so on the other hand it will be the Duty of the Legislative Council to consider well in framing such Ordinances, as may be necessary for the Establishment of Courts of Justice, and for the better Administration of Justice, whether the Laws of England may not be, if not altogether, at least in part the Rule for the Decision in all Cases of personal Actions grounded upon Debts, Promises, Contracts and Agreements, whether of a Mercantile or other Nature, and also of Wrongs proper to be compensated in Damages, and more especially where Our Natural born Subjects of Great Britain, Ireland, or other Plantations residing at Quebec, or who may resort thither to have Credit or Property within the same, may happen to be either Plaintiff or Defendant in any Civil Suit of such a Nature.

13. Whereas an Ordinance hath been passed in Our Province of Quebec, Intituled, "An Ordinance for securing the Liberty of the Subject "and for the prevention of Imprisonment out of this Province." It is Our Will and Pleasure that you do take effectual Care that the said Ordinance be duly enforced, so that every Security to personal Liberty, which is thereby provided for, may be duly enjoyed by Our Subjects in that Province.

14. Whereas, in pursuance of Our former Instructions to Our Governors and Commanders in Chief, Courts of Justice have been established within Our province of Quebec, It is Our Will and Pleasure that you do take due care that in all Cases whatever the Powers and Authorities granted by Us, or by any Ordinance confirmed by Us, to the said several Courts be duly observed and enforced, and that the Proceedings therein be in all things conformable to the said Act of Parliament "for making more effectual "provision for the Government of the Province of Quebec," and to such Ordinances as may have been or hereafter may be enacted by the Legislature for those purposes; And that the Governor and Council (of which is
the Absence of the Governor and Lieutenant Governor the Chief Justice is to be President) shall continue to be a Court of Civil Jurisdiction for the hearing and determining of all Appeals from the Judgment of the other Courts, where the Matter in dispute is above the Value of ten Pounds; That any five of the said Council (if no more shall upon Summons be present) with the Governor, Lieutenant Governor or Chief Justice shall constitute a Court for that purpose, and that their Judgment shall be final in all Cases not exceeding the Value of five hundred Pounds Sterling; In which Cases an Appeal from their Judgment is to be admitted to Us in Our Privy Council; It is however Our Will and Pleasure that no Appeal be allowed unless Security be first duly given by the Appellant that he will effectually prosecute the same, and answer the Condemnation, as also pay such Costs and Damages as shall be awarded by Us, in case the Sentence be affirmed; Provided nevertheless, where the Matter in Question relates to the taking or demanding of any Duty payable to Us, or to any Fee of Office, or Annual Rents for other such like Matter or Thing, where the Right in future may be bound, in all such Cases Appeal to Us in Our Privy Council is to be admitted, though the immediate Sum or Value appealed for be of less Value; And it is Our further Will and Pleasure that in all Cases where Appeals are admitted unto Us in Our Privy Council Execution be suspended until the final Determination of such Appeal, Unless good and sufficient Security be given by the Appellee to make ample restitution of all that the Appellant shall have lost by means of such Decree or Judgment, in case upon the Determination of such Appeal such Decree or Judgment should be reserved, and restitution awarded to the Appellant: Appeals unto Us in Our Privy Council are to be admitted in all Cases of Fines imposed for Mis-demeanours, Provided the Fines so imposed amount to or exceed the Sum of One hundred Pounds Sterling, the Appellant first giving good Security that he will effectually prosecute the same, & answer the Condemnation, if the Sentence by which Fine was imposed in Quebec be affirmed.

15. And it is Our Will and Pleasure that you do, from time to time as the Circumstances and Condition of Affairs may require, with Our said Council in their Legislative Capacity deliberate upon and frame such Ordinances as may be expedient for continuing, amending or enforcing any Ordinances now in force, or making any further or necessary Changes and regulations in the Courts of Judicature already established, or in the Mode of administering Justice within Our said Province, provided that such Ordinances be strictly conformable to the Act of Parliament aforesaid and these Our Instructions.

16. It is Our Will and Pleasure that all Commissions, to be granted by you to any person or persons to be Judges or Justices of the Peace or other necessary Officers be granted during Pleasure only.

17. You shall not displace any of the Judges, Justices of the peace or other Officers or Ministers without good and sufficient Cause, which you shall signify in the fullest and most distinct Manner to Us by one of Our principal Secretaries of State and to the Lords of the Committee of Our Privy Council for Trade & Plantations for their Information.

18. Whereas it is of the greatest Importance to Our Service and to the Welfare of Our Plantations that Justice be everywhere speedily and duly Administered, and that all Disorders, Delays and other undue Practices in the Administration thereof be effectually prevented, We do particularly require you to take especial Care that in all Courts where you are or shall be authorized to preside Justice be impartially administered, And that in
all other Courts established or to be established within Our said Province, all Judges and other Persons therein concerned do likewise perform their several Duties without Delay or Partiality.

19. You are to take care that all Writs be issued in Our Name throughout the Province under your Government.

20. Whereas the Establishment of proper Regulations in Matters of Ecclesiastical Concern is an object of very great Importance, it will be your indispensable Duty to take care that no Arrangements in regard thereto be made, but such as may give full Satisfaction to Our New Subjects in every Point, in which they have a right to any Indulgence on that Head, always remembering that it is a Toleration of the free Exercise of the Religion of the Church of Rome only, to which they are entitled but not to the powers and Privileges of it as an established Church, that being a Preference which belongs only to the Protestant Church of England.

21. Upon these Principles therefore and to the end that Our just Supremacy in all Matters Ecclesiastical as well as Civil may have its due Scope and Influence It is Our Will and Pleasure First. That all Appeals to, or Correspondence with any foreign Ecclesiastical Jurisdiction, of what Nature or kind soever, be absolutely forbidden under very severe Penalties.

Secondly. That no Episcopal or Vicarial powers be exercised within Our said Province by any person professing the Religion of the Church of Rome, but such only as are essentially and indispensably necessary to the free Exercise of the Romish Religion, and in those Cases not without a Licence and permission from you under the Seal of Our said Province, for and during Our Will and Pleasure, and under such other Limitations and restrictions as may correspond with the Spirit and Provision of the Act of Parliament “for making more effectual Provisions for the Government of the Province of Quebec,” and no Person whatever is to have Holy Orders conferred upon him or to have the Cure of Souls without a License for that purpose first had and obtained from you.

Thirdly. That no person professing the Religion of the Church of Rome be allowed to fill any Ecclesiastical Benefice or to have or enjoy any of the rights or Profits belonging thereto, who is not a Canadian by Birth, (such only excepted as are now in possession of any such Benefice) and who is not appointed thereto by Us or by or under Our Authority, and that all Right or Claim of Right in any other person whatever to nominate, present or appoint to any Vacant Benefice, other than such as may lay Claim to the Patronage of Benefices as a Civil Right, be absolutely abolished, no person to hold more than one Benefice, or at least not more than can reasonably be served by one and the same Incumbent.

Fourthly. That no Person whatever professing the Religion of the Church of Rome be appointed Incumbent of any Parish in which the Majority of the Inhabitants shall solicit the Appointment of a Protestant Minister; in such case the Incumbent shall be a Protestant and entitled to all Tythe payable within such Parish; But nevertheless the Roman Catholics may have the Use of the Church for the free Exercise of their Religion at such times as may not interfere with the Religious Worship of the Protestants; and in like manner the Protestant Inhabitants in every Parish where the Majority of Parishioners are Roman Catholics shall notwithstanding have the Use of the Church for the Exercise of their Religion at such times as may not interfere with the Religious Worship of the Roman Catholics.

Fifthly. That no Incumbent professing the Religion of the Church of Rome appointed by any Parish shall be entitled to receive any Tythes for Lands or Possessions occupied by a Protestant, but such Tythes shall be
reserved in the Hands of Our Receiver General as aforesaid for the Support of a Protestant Clergy in Our said Province to be actually resident within the same and not otherwise, according to such Directions as you shall receive from Us in that behalf, and in like manner all growing Rents and Profits of a Vacant Benefice shall during such Vacancy be reserved for and applied to the like Uses.

Sixthly. That all persons professing the Religion of the Church of Rome, who are already possessed of, or may hereafter be appointed to any Ecclesiastical Benefice, or who may be licensed to exercise any Power or Authority in respect thereto, do take and subscribe before you in Council, or before such Person as you shall appoint to administer the same, the Oath required to be taken and subscribed by the aforesaid Act of Parliament, passed in the fourteenth year of Our Reign, Intituled "An Act for making more "effectual Provision for the Government of the Province of Quebec in North "America."

Seventhly. That all Incumbents of Parishes shall hold their respective Benefices during good Behaviour, subject however, in case of any Conviction for criminal Offences, or upon due proof of seditious Attempts to disturb the Peace and Tranquillity of Our Government, to be deprived or suspended by you with the Advice and Consent of a Majority of Our said Council.

Eighthly. That such Ecclesiasticks as may think fit to enter into the Holy State of Matrimony shall be released from all Penalties to which they may have been subjected in such Cases by any Authority of the See of Rome.

Ninthly. That freedom of the Burial of the Dead in the Churches and Church-yards be allowed indiscriminately to every Christian persuasion.

Tenthly. That the Royal Family be prayed for in all Churches and Places of Holy Worship in such Manner and Form, as is used in this Kingdom, and that Our Arms and Insignia be put up, not only in all such Churches and Places of Holy Worship, but also in all Courts of Justice, and that the Arms of France be taken down in every such Church or Court where they may at present remain.

Eleventhly. That the Society of Romish Priests, called the Seminaries of Quebec and Montreal, shall continue to possess & occupy their Houses of Residence and all other Houses and Lands to which they were lawfully entitled on the 13th of September 1759; and it shall be lawful for those Societies to fill up Vacancies and admit new Members according to the Rules of their Foundations, and to educate Youth in order to qualify them for the Service of Parochial Cures as they shall become vacant. It is nevertheless Our Will and Pleasure that not only those Seminaries, but all other Religious Communities so long as the same shall continue, be subject to Visitation by You Our Governor, or such other Person or Persons as you shall appoint for that purpose, and also subject to such Rules & Regulations as you shall, with the Advice and Consent of Our Council, think fit to establish and appoint.

Twelfthly. It is also Our Will and Pleasure that all other religious Seminaries and Communities (that of the Jesuits only excepted) do for the present and until We can be more fully informed of the true State of them, and how far they are, or are not essential to the free Exercise of the Religion of the Church of Rome, as allowed within Our said Province, remain upon their present Establishment, but you are not to allow the Admission of any new Members into any of the said Societies or Communities (the Religious Communities of Women only excepted) without Our express
Orders for that purpose, That the Society of Jesuits be suppressed and dissolved and no longer continued as a Body Corporate or Politick, and all their Rights, Possessions and Property shall be vested in Us for such purposes as We may hereafter think fit to direct and appoint; But We think fit to declare Our Royal Intention to be, that the present Members of the said Society as established at Quebec shall be allowed sufficient Stipends & Provisions during their natural Lives, that all Missionaries amongst the Indians whether established under the Authority of or appointed by the Jesuits, or by any other Ecclesiastical Authority of the Romish Church be withdrawn by Degrees, and at such times and in such manner as shall be satisfactory to the said Indians and consistent with publick Safety, and Protestant Missionaries appointed in their Places—that all Ecclesiastical Persons whatsoever of the Church of Rome be inhibited, upon pain of Deprivation, from influencing any person in the making of a Will, from inveigling Protestants to become Papists or from tampering with them in Matters of Religion, and that the Romish Priests be forbidden to inveigh in their Sermons against the Religion of the Church of England, or to marry, baptize or visit the Sick or bury any of Our Protestant Subjects, if a Protestant Minister be upon the Spot.

22. You are at all times and upon all Occasions to give every Countenance and Protection in your Power to such Protestant Ministers and Schoolmasters as are already established within Our said Province, or may hereafter be sent thither, to take care that such Stipends and Allowances, as We may think fit to appoint for them, be duly paid, That the Churches already appropriated, or which may hereafter be appropriated to the Use of divine Worship according to the Rites of the Church of England as by Law established, be well & orderly kept, and, as the Number of Protestants shall by God's blessing increase, to lay out new Parishes in convenient Situations, & set apart and appropriate proper Districts of Land therein for the Scite of Churches & Parsonage Houses and for Glebes for the Ministers and Schoolmasters.

23. You are to take especial Care that Almighty God be devoutly & duly served in all Protestant Churches throughout Our said Province in which Divine Service is performed according to the Rites of the Church of England, That the Book of Common Prayer, as by Law established, be read each Sunday & Holiday, and the Blessed Sacrament duly administered.

24. You are not to prefer any Protestant Minister to any Ecclesiastical Benefice in the Province under your Government without a Certificate from the Right Reverend Father in God the Lord Bishop of London of his being conformable to the Doctrine and Discipline of the Church of England, and of a good Life and Conversation, and if any Person hereafter preferred to a Benefice shall appear to you to give Scandal either by his Doctrine and Manners you are to use the best Means for his removal.

25. You are to give Orders forthwith that every Protestant Minister within your Government be one of the Vestry in his respective Parish, and that no Vestry be held without him, except in case of Sickness or, after Notice of a Vestry being summoned, he omit to come.

26. And to the end that the Ecclesiastical Jurisdiction of the Lord Bishop of London may take place in Our Province under your Government as far as conveniently may be, We do think fit that you give all Countenance and Encouragement to the Exercise of the same, excepting only the collating to Benefices, granting Licenses for Marriages and Probates of Wills, Which We have reserved to you Our Governor and to the Commander in Chief of Our said Province for the time being.
27. And We do further direct that no Schoolmaster, who shall arrive in Our said Province from this Kingdom, be henceforward permitted to keep School without the License of the said Lord Bishop of London, and that no other Person now there or that shall come from other Parts shall be admitted to keep School in your Government without your License first obtained.

28. And you are to take especial Care that a Table of Marriages established by the Canons of the Church of England be hung up in all Places of Publick Worship according to the Rites of the Church of England.

29. And it is Our further Will and Pleasure that, in order to suppress as much as in you lies every Species of Vice & Immorality, you forthwith do cause all Laws already made against Blasphemy, Profaneness, Adultery, Fornication, Polygamy, Incest, Profanation of the Lord’s Day, Swearing & Drunkenness to be vigorously put in Execution in every Part of your Government, and that you take due Care for the Punishment of these and every other Vice and Immorality by Presentment upon Oath to be made to the temporal Courts by the Church Wardens of the several Parishes at proper Times of the year to be appointed for that purpose, And for the further Discouragement of Vice and Encouragement of Virtue and good Living (that by such Examples the Infidels may be invited and persuaded to embrace the Christian Religion) you are not to admit any Persons to Publick Trusts and Employments in the Province under your Government whose ill Fame and Conversation may occasion Scandal.

30. The Extension of the Limits of the Province of Quebec necessarily calls forth your Attention to a Variety of new Matter and new Objects of Consideration: The Protection and Controll of the Various Settlements of Canadian Subjects and the Regulation of the Peltry-Trade in the Upper or interior Country on the one hand, And the Protection of the Fisheries in the Gulf of St Lawrence on the Labrador Coast on the other hand point to Regulations that require Deliberation and Dispatch.

31. You are not to allow any Settlements to be made beyond the Boundaries ascertained to the different Posts among the Indian Nations within the Limits of Our Province of Quebec in Alliance with Us, as such Settlements may tend to disgust those Savages, excite their Enmity and perhaps finally destroy the Peltry-Trade which ought to be cherished & encouraged by every Means in your Power.

32. It is Our Royal Intention that the Peltry-Trade of the interior Country should be free and open to all Our Subjects, Inhabitants of any of Our Colonies, who shall, pursuant to what was directed by Our Royal Proclamation of 1763, obtain trading Licenses from the Governors of any of Our said Colonies under penalties to observe such Regulations, as shall be made by Our Legislature of Quebec for that purpose. These regulations therefore when established must be made publick throughout all Our American Possessions and they must have for their Object the giving every possible Facility to that Trade, which the Nature of it will admit, and which may be consistent with fair and just Dealing towards the Savages, with whom it is carried on; The fixing stated Times and Places for carrying on the Trade and adjusting Modes of settling Tarifs of the Prices of Goods and Furs, and above all the restraining the sale of spirituous Liquors to the Indians will be the most probable and effectual Means of answering the Ends proposed; These and a Variety of other Regulations incident to the Nature and purpose of the Peltry-Trade in the interior Country are fully established in a Plan proposed by Our Commissioners for Trade and Plantations
in 1764, a Copy of which will be herewith delivered to you, and which will
serve as a Guide in a Variety of Cases, where it may be necessary to make
Provision by Law for that important Branch of the American Commerce.

33. The Fisheries on the Coast of Labrador and the Islands adjacent
thereto are Objects of the greatest Importance, not only on Account of the
Commodities they produce, but also as Nurseries of Seamen, upon which
the Strength & Security of Our Kingdom depend.

34. Justice & Equity demand that the real and actual Property &
Possession of the Canadian Subjects on that Coast should be preserved
entire, and that they should not be molested or hindered in the Exercise of
any sedentary Fisheries they may have established there.

35. Their Claims however extend to but a small District of the Coast,
on the greatest part of which District a Cod-Fishery is stated to be imprac-
ticable.

36. On all such Parts of the Coast where there are no Canadian
Possessions, and more especially where a Valuable Cod-Fishery may be
carried on, it will be your Duty to make the Interest of Our British Sub-
jects going out to fish there in Ships fitted out from Great Britain the first
Object of your Care, and as far as Circumstances will admit to establish on
that Coast the Regulations in favour of British fishing Ships, which have
been so wisely adopted by the Act of Parliament passed in the Reign of
King William the Third for the Encouragement of the Newfoundland
Fishery and you are on no account to allow any Possession to be taken, or
Sedentary Fisheries to be established upon any parts of the Coast that are
not already private Property by any Persons whatever, except only such
as shall produce annually a Certificate of their having fitted out from some
Port in Great Britain.

37. Whereas it will be for the general Benefit of Our Subjects carry-
ing on the Fishery in the Bay of Chaleur in Our Province of Quebec that
such Part of the Beach & Shore of the said Bay as is ungranted should be
reserved to Us, Our Heirs & Successors, It is therefore Our Will and
Pleasure that you do not in future direct any Survey to be made or Grant
to be passed for any Part of the ungranted Beach or Shore of the said Bay
of Chaleur, except such parts thereof as by Our Orders in Council dated the
29th of June and 21st of July last are directed to be granted to John School-
bred of London, Merchant, and to Messrs. Robin Pipon and Co of the Island
of Jersey, Merchants, but that the same be reserved to Us, Our Heirs and
Successors together with a sufficient Quantity of Wood-Land adjoining
thereto necessary for the purpose of carrying on the Fishery; The Limits of
such Wood-Land so to be reserved, to be determined upon and ascertained
by you and Our Council for Our said Province of Quebec in such manner as
from the most authentick Information shall appear to you & them most con-
venient and proper for that purpose; It is nevertheless Our Intention and
We do hereby signify to you Our Will and Pleasure that the free Use of
such Beach or Shore and of the Wood-Land so to be reserved shall be
allowed by you to any Person authorized by you to such of Our Subjects as
shall resort thither for the Purpose of carrying on the Fishery in such pro-
portions as the Number of Shallops, he or they shall respectively employ,
may require; provided that, if any Fisherman who shall have permission to
occupy any Part of the said Beach or Shore and Wood-Land for the purpose
of the said Fishery shall not during any one Season continue so to occupy
& employ any Part of the said Beach or Shore and Wood-Land so allotted
to him, you or any Person authorized by you as above may & shall allow
the Use of such Part to any other Fisherman who shall apply for same for
the purpose of carrying on the Fishery. And Whereas it may be neces-
sary
to establish local Regulations to prevent Abuses as well as Disputes and Misunderstanding between the Fishermen resorting to the said Beach or Shore; It is Our Will and Pleasure that you, by and with the Advice and Consent of Our said Council, do frame such Regulations from time to time as to you shall appear necessary to answer those salutary Purposes and that you transmit the same to Us throu' One of Our Principal Secretaries of State for Our Pleasure therein by the first Opportunity.

38. We have mentioned to you the Fisheries upon the Coast of Labrador as the Main Object of your Attention, but the Commerce carried on with the Savages of that Coast and the State and Condition of those Savages deserve some regard: The Society of Unitas Fratum urged by a laudable Zeal for promoting Christianity have already under Our protection and with Our permission formed Establishments in the northern Parts of that Coast for the purpose of civilizing the Nations and converting them to the Christian Religion. Their Success has been answerable to their Zeal, and It is Our express Will and Pleasure that you do give them every Countenance & Encouragement in your Power, and that you do not allow any Establishment to be made but with their Consent within the Limits of their Possessions.

39. By Our Commission to you under Our Great Seal of Great Britain you are authorized & impowered with the Advice and Consent of Our Council to settle & agree with the Inhabitants of Our said Province of Quebec for such Lands, Tenements and Hereditaments as now are or shall hereafter be in Our Power to dispose of, It is therefore Our Will and Pleasure that all Lands, which now are or hereafter may be subject to Our Disposal, be granted in Fief or Seigneurie, in like manner as was practised antecedent to the Conquest of the said Province, omitting however in any Grant that shall be passed of such Lands the reservation of any judicial Powers or Privileges whatever; And It is Our further Will and Pleasure that all Grants in Fief or Seigneurie, so to be passed by you as aforesaid, be made subject to Our Royal ratification or Disallowance and a due Registry thereof within a limited time, in like manner as was practised in regard to Grants and Concessions held in Fief or Seigneurie under the French Government.

40. Whereas many of Our Loyal Subjects, Inhabitants of the Colonies and Provinces now the United States of America, are desirous of retaining their Allegiance to Us and of living in Our Dominions, and for this purpose are disposed to take up and improve Lands in Our Province of Quebec, And We being desirous to encourage Our said Loyal Subjects in such their Intentions and to testify Our Approbation of their Loyalty to Us and Obedience to Our Government by allotting Lands for them in Our said Province, And Whereas We are also desirous of testifying Our Approbation of the Bravery and Loyalty of our Forces serving in Our said Province, and who may have been reduced there, by allowing a certain Quantity of Land to such of the Non-Commissioned Officers and Private Men of our said Forces who are inclined to become Settlers therein, It is Our Will and Pleasure that immediately after you shall receive these Our Instructions you do direct Our Surveyor General of Lands for Our said Province of Quebec to admeasure and lay out such a Quantity of Land as you, with the Advice of Our Council, shall deem necessary, and convenient for the settlement of Our said Loyal Subjects, and the Non-Commissioned Officers and Private Men of Our Forces which may have been reduced in Our said province, who shall be desirous of becoming Settlers therein; Such Lands to be divided into distinct Seignuries or Fiefs to extend from two to four Leagues in front and from three to five Leagues in Depth if situated upon a navigable River, otherwise to be run square or in such shape and in such Quantities.
as shall be convenient and practicable, and in each Seigneurie a Glebe to be reserved & laid out in the most convenient Spot, to contain not less than 300, or more than 500 Acres; The Property of which Seigneuries or Fiefs shall be and remain vested in Us, Our Heirs & Successors, And you shall allot such Parts of the same as shall be applied for by any of Our said Loyal Subjects, Non-Commissioned Officers and Private Men of Our Forces reduced as aforesaid, in the following proportions, that is to say,

To every Master of a Family One Hundred Acres and fifty Acres for each Person of which his Family shall consist;
To every single Man fifty Acres;
To every Non-Commissioned Officer of Our Forces reduced in Quebec Two Hundred Acres;
To every private Man reduced as aforesaid One Hundred Acres,
And for every Person in their Families fifty Acres.

The said Lands to be held under Us, Our Heirs and Successors, Seigneurs of the Seigneurie or Fief in which the same shall be situated, upon the same Terms, Acknowledgements & Services as Lands are held in Our said Province under the respective Seigneurs holding and possessing Seigneuries or Fiefs therein, and reserving to Us, Our Heirs and Successors from and after the expiration of Ten Years from the admission of the respective Tenants a Quit Rent of one half penny per Acre.

41. And whereas upon the raising and establishing the Corps late the 84th Regiment of Foot, We did promise and declare that the Officers and Privates of the said Corps should when reduced be intitled to and receive Grants for certain allotments of Lands in proportion to their respective Ranks therein, It is Our Will and Pleasure that you do in manner as herein before directed Grant Warrants of Allotment and Survey to such of the Officers and privates of the said late Eighty fourth Regiment of Foot now reduced, who shall be willing to settle and become Inhabitants of Our said Province of Quebec, and shall apply for the same for such Quantities of Land as they shall be respectively intitled to, In consequence of our said promise and declaration contained in Our Instructions to Our Governors of New York and North Carolina dated the 3rd April 1775 that is to say,

To Field Officers 5000 Acres
  Captains 3000
  Subalterns 2000
Non Commission Officer 200
Private 50

and that the Surveys be made and Grants for the same delivered free of Expence as herein before directed, Provided nevertheless that every Commissioned and NonCommissioned Officer or private belonging to the said late 84th Regiment of Foot, who shall claim and apply for Land in Our Province of Quebec as aforesaid, shall declare upon Oath, that no Land has been obtained by him in any of our other Provinces in America under Our Royal declaration as aforesaid.

42. It is Our further Will and Pleasure, that every Person within the meaning of these Our Instructions upon making application for Land shall take the Oaths directed by Law before you or our Commander in Chief for the time being, or some person by you or him authorized for that purpose and shall also at the same time make and subscribe the following Declaration (Viz.). "I, A B, do promise and declare that I will maintain "and defend to the utmost of my power the authority of the King in His "Parliament, as the supreme Legislature of this Province," which Oaths and declaration shall also be taken, made, and subscribed by every Future
Tenant before his, her, or their admission upon Alienation, Descent, Marriage or otherwise howsoever, and upon refusal the Lands to become re-vested in us Our Heirs and Successors And it is Our further Will and Pleasure that the expence of laying out and surveying as well the Seignuries or Fiefs aforesaid, as the several Allotments within the same and of the Deed of admission shall be paid by the Receiver General of Our Revenue in the said Province of Quebec; out of such Monies as shall be in his hands, upon a Certificate from you or Our Commander in Chief for the time being in Council, Oath being made by Our Surveyor General to the Account of such Expence; Provided however that only one half of the usual and accustomed Fees of Office shall be allowed to Our said Surveyor General or any other of Our Officers in the said Province entitled thereunto upon any Survey or Allotment made, or upon admission into any Lands by Virtue of these Our Instructions.

43. And whereas we have some time since purchased the Seigneurie of Sorel from the then Proprietors, the Lands of which are particularly well adapted for improvement and cultivation; and the local situation of the said Seigneurie makes it expedient that the same should be settled by as considerable a number of Inhabitants of approved Loyalty as can be accommodated therein, with all possible dispatch—it is therefore Our will and Pleasure, that you do cause all such Lands within the same as are undisposed of, to be run into small Allotments, and that you do allot the same to such of the Non-Commissioned Officers and private Men of Our Forces who may have been reduced in Our said Province, or to such other of Our Loyal Subjects as may be inclined to settle and improve the same, in such Proportions as you may judge most conducive to their Interest and the more speedy Settlement of Our said Seigneurie. The Lands so allotted to be held of Us, Our Heirs, and Successors, Seigneurs of Sorel upon the same Conditions and under the same reserved Rent at the Expiration of ten years, as the other Tenants of Seigneuries now hold their Lands and pay to Us, and also of taking the Oaths and making and subscribing the Declaration as herein before is mentioned and directed; The Expence of making the said Allotments and of Admission thereunto be also paid and defrayed in like manner as those in the Seigneuries directed to be laid out by these Our Instructions. It is nevertheless Our Will and Pleasure that the Allotments to be made to such of Our Loyal Subjects from the Provinces or Colonies now the United States of America, as may be disposed to settle and improve Lands in Our said Province of Quebec, shall be limited to those only who may have withdrawn themselves from the said Provinces or Colonies after the signing of the definitive Treaty of Peace with the said United States, & no other.

And it is Our Will and Pleasure that a Record be kept in the Office of the Receiver General of Our Revenue of every Admission into Lands as well by Virtue of these Our Instructions with respect to Our Loving Subjects retiring from the said Provinces & Colonies, now the United States of America, and to Our Forces disbanded as aforesaid, as in Cases of future Admission by Alienation or otherwise, A Docquet of which shall be transmitted yearly to Us, thro’ one of Our principal Secretaries of State, & also a Duplicate thereof to Our High Treasurer or the Commissioners of Our Treasury for the time being.

44. It is Our Will and Pleasure however that no Grants or Allotments be made of any Lands, on which there is any considerable Growth of White Pines fit for Mastng Our Royal Navy, and which lie convenient for Water Carriage, but that you do cause all such Lands to be set apart
for Our Use and proper Regulations to be made and Penalties inflicted to prevent Trespasses on such Tracts and the cutting down or destroying of the Trees growing thereon.

45. And whereas it appears, from the Representations of Our late Governor of the District of Trois Rivières, that the Iron Works at St. Maurice in that District are of great Consequence to Our Service, It is therefore Our Will and Pleasure that no part of the Lands upon which the said Iron Works were carried on, or from which the Ore used in such Works was procured, or which shall appear to be necessary & convenient for that Establishment either in respect to a free Passage to the River St. Lawrence or for producing a necessary Supply of Wood, Corn and Hay, or for Pasture for Cattle, be granted to any private person whatever; And also that as large a District of Land as conveniently may be, adjacent to & lying round the said Iron Works, over & above what may be necessary for the above purposes, be reserved for Our Use to be disposed of in such manner as We shall hereafter direct and appoint.

46. And it is Our further Will and Pleasure that you do consider of a proper and effectual Method of collecting, receiving and accounting for Our Quit Rents, whereby all Frauds, Concealments, Irregularity or Neglect therein may be prevented, and whereby the Receipt may be effectually checked and controlled—And if it shall appear necessary to pass an Ordinance for the more effectually ascertaining, and the more speedily and regularly Collecting Our Quit Rents, you are to prepare the Heads of such a Bill as you shall think may most effectually conduce to the procuring of the good Ends proposed, and to transmit the same to Us by One of Our Principal Secretaries of State for Our further Directions therein, and you are also to transmit a Duplicate thereof to the Lords of the Committee of Our Privy Council for Trade and Plantations for their Information.

47. You are to use your best Endeavours in improving the Trade of the Province under your Government by settling such Orders & Regulations therein, with the Advice of Our said Council, as may be most acceptable to the Generality of the Inhabitants; And it is Our express Will and Pleasure that you do not on any pretence whatever, upon pain of Our highest Displeasure, give your Assent to any Law or Laws for setting up any Manufactures and carrying on any Trades which are hurtful & prejudicial to this Kingdom, and that you do use your utmost Endeavours to discourage discountenance & restrain any Attempts which may be made to set up such Manufactures or establish any such Trades.

48. And it is Our Will and Pleasure that you do not dispose of any Forfeitures or Escheats to any Person until the Sheriff or other proper Officer has made Enquiry by a Jury upon their Oaths into the true Value thereof, nor until you have transmitted to Our Commissioners of Our Treasury a particular Account of such Forfeitures & Escheats and the Value thereof; And you are to take care that the produce of such forfeitures and Escheats, in case We shall think proper to give you Directions to dispose of the same, be duly paid to Our Treasurer or Receiver General of Our said Province, and a full Account transmitted to Our Commissioners of Our Treasury or Our High Treasurer for the time being, with the Names of the persons to whom disposed of.

49. And Whereas Commissions have been granted unto several Persons in Our respective Plantations in America for the trying of Pirates in those parts pursuant to the Acts for the more effectual Suppression of Piracy and by a Commission already sent to Our Governor there is empowered, together with others therein mentioned, to proceed accordingly in reference to Our Will and
Pleasure is that you do use your best Endeavours to apprehend all Persons whatever, who may have been guilty of Piracy within your Government, or who having committed such Crimes at other Places may come within your Jurisdiction, and until We shall think proper to direct the like Commission to be established for Our Government of Quebec, you are to send such Pirates with what Proofs of their Guilt you can procure or collect to Our Governor of , to be tried and punished under the Authority of the Commission established for those Parts.

50. And whereas you will receive from Our Commissioners for executing the Office of High Admiral of Great Britain & of Our Plantations a Commission constituting you Vice Admiral of Our said Province, you are hereby required and directed carefully to put in execution the several Powers thereby granted you.

51. Whereas great Inconveniences have happened heretofore by Merchant-Ships and other Vessels in the Plantations wearing the Colours borne by Our Ships of War under pretence of Commissions granted to them by the Governors of the said Plantations, And by trading under those Colours, not only among Our own Subjects, but also those of other Princes and States, and committing divers Irregularities, they may very much dishonour Our Service; For the preventing thereof you are to oblige the Commanders of all such Ships, to which you shall grant Commissions, to wear no other Colours than such as are described in an Order in Council of the 7th Jan'y. 1730 in relation to Colours to be worn by all Ships & Vessels, except Our Ships of War.

52. And whereas there have been great Irregularities in the Manner of granting Commissions in the Plantations to private Ships of War, you are to govern yourself, whenever there shall be Occasion, according to the Commissions & Instructions granted in this Kingdom, but you are not to grant Commissions of Marque or Reprisal against any Prince or State or their Subjects in Amity with Us to any Person whatever without Our special Command.

53. Whereas We have been informed that during the time of War Our Enemies have frequently got intelligence of the State of Our Plantations by Letters from private Persons to their Correspondents in Great Britain taken on board Ships coming from the Plantations, which has been of dangerous Consequence, Our Will and Pleasure therefore is that you signify to all Merchants, Planters and others, that they be very cautious in time of War, whenever that shall happen, in giving any Accounts by Letters of the Publick State and Condition of the Province under your Government; And you are forthwith to give Directions to all Masters of Ships or other persons to whom you may intrust your Letters that they put such Letters into a Bag with a sufficient Weight to sink the same immediately, in case of imminent Danger from the Enemy; And you are also to let the Merchants and Planters know how greatly it is for their Interest, that their Letters should not fall into the Hands of the Enemy, and therefore that they should give the like Orders to Masters of Ships in relation to their Letters; And you are further to advise all Masters of Ships that they do sink all Letters, in case of Danger in the manner before mentioned.

54. And whereas the Merchants and Planters in Our Plantations in America have in time of War corresponded & traded with Our Enemies and carried Intelligence to them to the great Prejudice & Hazard of Our said Plantations, you are therefore by all possible Methods to endeavour to hinder such Trade & Correspondence in Time of War.
55. Whereas it is absolutely necessary that We be exactly informed of the State of Defence of all Our Plantations in America, as well in relation to the Stores of War that are in each Plantation, as to the Forts & Fortifications there, and what more may be necessary to be built for the Defence and Security of the same, you are as soon as possible to prepare an Account thereof with relation to Our said Province in the most particular manner, And you are therein to express the present State of the Arms Ammunition & other Stores of War belonging to the said Province either in publick Magazines or in the Hands of private Persons; together with the State of all places either already fortified, or that you judge necessary to be fortified for the Security of our said Province, and you are to transmit the said Accounts to Us by One of Our principal Secretaries of State, and also Duplicates thereof to the Lords of the Committee of Our Privy Council for Trade and Plantations for their Information, and also a Duplicate thereof to Our Master General or Principal Officers of Our Ordinance; which Accounts are to express the Particulars of Ordinance, Carriages, Balls, Powder and all other Sorts of Arms & Ammunition in Our publick Stores, and so from time to time of what shall be sent to you or bought with the public Money and to specify the time of the Disposal and the Occasion thereof; And you are half yearly to transmit a general Account of the State of the Fortifications & Warlike Stores specified in the manner abovementioned.

56. And in case of any Distress of any other of Our Plantations, you shall, upon Application of the respective Governors thereof unto you, assist them with what Aid the Condition & Safety of Our Province under your Government can spare.

57. If anything shall happen which may be of Advantage or Security to Our Province under your Government, & which is not herein or by your Commission provided for, We do hereby allow unto you, with the Advice and Consent of Our Council, to take Order for the present therein, giving unto Us by one of Our Principal Secretaries of State speedy Notice thereof, that you may receive Our Ratification, if We shall approve the same; Provided always that you do not, by Colour of any Power or Authority hereby given you, commence or declare War without Our Knowledge and particular Commands therein, and you are also to transmit a Duplicate of such Notice as aforesaid to the Lords of the Committee of Our Privy Council for Trade and Plantations for their Information.

58. And whereas We have by the first Article of these Our Instructions to you directed and appointed that your chief Residence shall be at Quebec, you are nevertheless frequently to visit the other parts of your Government in order to inspect the Management of all public Affairs, and thereby the better to take care that the Government be so administered that no disorderly practice may grow up contrary to Our Service and the Welfare of Our Subjects.

59. And whereas great Prejudice may happen to Our Service & the Security of the Province by your Absence from those Parts, You are not upon any Pretence whatever to come into Europe without having first obtained Leave for so doing from Us under Our Sign Manual & Signet, or by Our Order in Our Privy Council, Yet nevertheless in Case of Sickness you may go to any of Our Islands in the West Indies including therein the Bermuda and Bahama Islands, and there stay such a space of time, as the recovery of Your Health may absolutely require.

60. And whereas We have thought fit by Our Commission to direct that, in case of your Death or Absence from Our said Province, and in case there be at that time no Person within Our said Province commissioned or appointed by Us to be Our Lieutenant Governor or Commander in Chief,
the eldest Councillor, being a natural born subject of Great Britain, Ireland
or the Plantations and professing the Protestant Religion, who shall be
at the time of your Death or Absence residing within Our said Province
under your Government, shall take upon him the Administration of Gov-
ernment and execute Our said Commission and Instructions and the several
Powers and Authorities therein directed; It is nevertheless Our express Will
and Pleasure that in such case the said President shall forbear to pass any
Act or Acts, but what are immediately necessary for the Peace and Welfare
of the said Province, without Our particular Order for that purpose.

61. And whereas We are desirous that a proper Provision should be
made for the Support of Our Government within Our said Province of
Quebec, We do therefore hereby declare it to be Our Royal Intention, that
the following Annual Salaries & Allowances be discharged & paid out of
any Revenues arising to Us within the same, or out of such Monies as
shall be granted or appropriated to the Uses and Services of Our said Pro-
vince of Quebec, that is to say,

MESSAGE FROM HIS MAJESTY TO BOTH HOUSES OF PARLIAMENT, FEBRUARY 25TH, 1791, RELATIVE TO A PROPOSED DIVISION OF CANADA, AND TO THE ESTABLISHMENT OF A GOVERNMENT IN THE DIVIDED PROVINCE.

George R.

His majesty thinks it proper to acquaint parliament, that it appears to his majesty, that it would be for the benefit of his majesty's subjects in his province of Quebec, that the same should be divided into two separate provinces, to be called the province of Upper Canada, and the province of Lower Canada; and that it is accordingly his majesty's intention so to divide the same, whenever his majesty shall be enabled, by act of parliament, to establish the necessary regulations for the government of the said provinces. His majesty therefore recommends this object to the consideration of parliament.

His majesty also recommends it to parliament to consider of such provisions as may be necessary to enable his majesty to make a permanent appropriation of lands in the said provinces, for the support and maintenance of a protestant clergy within the same, in proportion to such lands as have already been granted within the same by his majesty; and it is his majesty's desire that such provision may be made, with respect to all future grants of land within the said provinces respectively, as may best conduce to the same object in proportion to such increase as may happen in the population and cultivation of the said provinces; and for this purpose his majesty consents that such provisions or regulations may be made by parliament, respecting all future grants of lands to be made by his majesty within the said provinces, as parliament shall think fit.

And whereas others of the said applicants who have received orders of
Council preparatory to his Majesty’s grant under the seal of the Province,
subject to the terms aforesaid, from the Lieutenant-governor in Council,
have wilfully perverted his Majesty’s most gracious intentions signified in
the proclamation aforesaid, namely, ‘That the respective patentees of such
lands should take their estates granted to them, severally, free of quit rent, and of any other expenses than such fees as are duly authorized and established, by publicly and openly offering for sale such townships or portions of townships or by affixing an annual rent charge, to be paid for the grant of the same and by many other sinister and illegal transactions in manifest violation of the principles and conditions of the proclamation aforesaid, and of the terms under which they solicited for themselves and associates, such townships, or portion of townships:—Be it known therefore to all concerned, that it was this day resolved in Council, that all persons claiming to hold lands by virtue of an order of Council to receive his Majesty's grant in and for the townships herein after named have forfeited the same—that the townships of Osgoode, Wolford, Montague, Russel, Kitley, Loughborough, Huntingdon, Rawdon, Murray, Clarke, Whitby, and Windham, are, and they are hereby declared to be vacant, and free for the admission of such persons as shall be desirous of occupying and settling the same agreeably to the terms and conditions of the proclamation aforesaid. And whereas many other townships and tracts of land have been appropriated under orders of the Lieutenant-governor in council to various applicants and their associates—And whereas for want of information in respect of the present improvement of the same if any such be made or the future intentions of the said applicant it does not appear to be expedient that such townships or tracts should at present be declared vacant—It was further resolved that all persons who intend to avail themselves of the benefit of any appropriations made in any townships or tracts of land, whatsoever, should be directed, and they are hereby directed accordingly, to signify the same to the Clerk of the honourable the Executive Council, on or before the first day of June 1797, and to shew cause why the order in council made in their behalf should not be declared null and void.

And it was further resolved that all persons who occupy lots of land in any of the townships or tracts aforesaid should be directed to apply (and they are hereby directed to apply) for their respective patents or title deeds agreeably to the terms and conditions specified in the proclamation aforesaid, within the space of six months, or such lands may be considered as vacant and given to other applicants, of which all persons will take notice and govern themselves accordingly.

Proclamation. (1 July, 1796.)

By His Excellency John Graves Simcoe, Esquire, Lieutenant-Governor, and Major General of his Majesty's Forces, and so forth.

To such as are desirous to settle on the lands of the Crown in the province of Upper Canada.

WHEREAS by a proclamation bearing date at Quebec, the seventh day of February, 1792, the terms and conditions on which persons would be settled, who were desirous of settling on the lands of the crown in his majesty's
province of Upper-Canada, were promulgated and made known; and it was, by the eighth article in particular declared, that the respective patentees were to take the estates granted to them severally, free of quit rent, and of any other expenses, than such fees as are or may be allowed to be demanded and received, by the different officers concerned in passing the patent, and recording the same to be stated in a table authorised and established by the government, and publicly fixed up in the several offices of the clerk of the council of the surveyor general and of the secretary of the province.

And whereas it appears to be no longer expedient or necessary that any grant or survey of lands should be hereafter run out or marked by his majesty's surveyor or deputy surveyor at the expense of the crown.

NOW KNOW YE, that I have thought fit by and with the advice of the executive council to revise so much of the eighth article of the said proclamation as declares that, "the respective patentees are to take the estates granted to them severally free of quit rent, and any other expenses than such fees as are or may be allowed to be demanded, and received by the different officers concerned in passing the patent, and recording the same,", and to declare that in addition to the fees established by government on all grants of land, the respective petitioners will, in future, on the receipt of their patents be charged with the expenses of survey in proportion to the extent of their patents, which will be stated in and added to the table of fees as is authorized and established by the government, and publicly fixed up in the several offices of the clerk of the council of the surveyor general and of the secretary of the province.

By His Excellency, PETER HUNTER, Esquire.

Lieutenant Governor of the said Province of Upper-Canada, Lieutenant General Commanding His Majesty's Forces in Upper and Lower Canada, &c., &c., &c.

WHEREAS, by a certain Act of the Parliament of this Province, passed in the Year of Our Lord One Thousand Seven Hundred and Ninety-Seven, intituled, "An Act for Securing the Titles to Lands in this Province," the Lieutenant Governor, or Person Administering the Government, at any time during the space of three years from the passing thereof, was empowered to issue Commissions, and the Commissioners therein named, were authorized to hear and decide upon all Claims to Lands within this Province, in all Cases in which the Faith of the King's Executive Government had been pledged, and in which the Deeds or Letters Patent of the Crown had not issued—AND WHEREAS, Commissions were accordingly issued, and the Commissioners therein named duly attended, and proceeded to decide upon some of the Claims that came before them; but many Persons, during the space of the said three years, neglected to come forward and give the necessary notice of their Claims, and either altogether neglected to attend before the said Commissioners to prosecute such Claims, or came unprepared with the necessary Documents, Proofs and Evidence, and although warned and made fully acquainted with the nature of the Proof essential to the establishment of their said Claims, altogether neglected to attend again, either in Person or by Agent, or to take any proper steps for ascertaining their Titles in manner by the said Statute directed.

AND WHEREAS, notwithstanding such manifest inattention and negligence, in order to accommodate and indulge His Majesty's Subjects, the said Act was, by another Statute passed in the Year One Thousand Seven Hundred and Ninety-Nine, extended and continued for the further term of two years; but such indulgence failed to produce that activity and exertion which was expected, and ought to have marked the conduct of those for whose benefit the Law was passed.

AND WHEREAS, in the last Session of the Parliament of this Province, the Legislature again extended the time within which the King's Subjects may assert their Claims, in all Cases where the Faith of Government stands pledged, and the Deeds or Letters Patent have not issued for the
further term of two years from that period, and Commissions were issued, and the Commissioners duly attended at the respective times when the Assizes were held for the several Districts in this Province, but some of the Parties, who had given notice of asserting Claims, came in the same unprepared way as had before been experienced, and many more never attended at all; so that, if such gross negligence and inattention is persevered in, the salutary and benevolent intentions of the Crown, in assenting to such repeated extensions of so indulgent a Law, will be altogether disappointed and frustrated.

BE IT THEREFORE KNOWN, TO ALL WHOM IT MAY CONCERN, That the Judges of His Majesty’s Court of King’s Bench, with the other Commissioners named in the several commissions, issued under the Authority of the last mentioned Statute, will, for the purpose of deciding on all such Claims as aforesaid, attend at the following times and places—Viz.——

At YORK, for the Home District, on the Twenty-Third Day of December next, on the First Day of February, on the Twenty-Fourth Day of March, and on the Twentieth Day of July,—1803.

At NIAGARA, for the District of Niagara, on the Twenty-Fifth Day of April—1803.

At NEWCASTLE, for the District of Newcastle, on the Twenty-Third Day of May—1803.

At KINGSTON, for the Midland District, on the Second Day of May—1803.

At JOHNSTOWN, for the District of Johnstown, on the Seventeenth Day of May—1803.

At CORNWALL, for the Eastern District, on the First Day of June—1803.

At CHARLOTTEVILLE, for the District of London, at the Assizes, which will be held for that District in the Year 1803—and

At SANDWICH, for the Western District, also at the time of the Assizes, which will be held for that District in the said Year 1803.

Previsous to which, all Persons interested will give Notice, according to Law, in the Offices of the Clerks of the Peace of the respective Districts. And His Majesty’s Subjects are hereby required to take Notice, that such claims will then be called on for hearing, and the Commissioners will continue to sit till they shall have afforded opportunity to the Parties of having every case heard and decided upon; but that after they have so done, such Commissioners, or any other Commissioners, will never more sit again in the execution of the said Commission, and the Parties who shall then neglect to bring on their Claims to hearing, will forever have lost all opportunity of acquiring, by any means, a legal Title to their Property, and will have to regret that they so grossly neglected their own Interest, and omitted to avail themselves of that indulgence so repeatedly in vain held out to them by the Crown.

GIVEN under my Hand and Seal at Arms, at York, this Ninth Day of November, in the Year of Our Lord One Thousand Eight Hundred and Two, and in the Forty-Third Year of His Majesty’s Reign.

P. HUNTER, Lieut. Govr.

To all our loving Subjects in the Province of Upper Canada,—Greeting.

Whereas, we being deeply impressed with the calamities by means of a long and destructive War, with which it has pleased Almighty God to visit us, and being duly sensible that we justly deserve such punishment, yet still humbly trusting (however unworthy) in the Divine Favour, we have thought fit by and with the advice of our Executive Council for the Province of Upper Canada, to issue this our Royal Proclamation, hereby appointing and commanding that a day of Public Fasting and Humiliation before God be observed throughout our said Province upon Friday, the Nineteenth day of June next: And we do hereby strictly charge and command, that the said day of Public Fasting and Humiliation be reverently and devoutly observed by all our loving Subjects in our said Province, upon pain of such Punishment as we may justly inflict upon all such as contemn or neglect the performance of so Religious a Duty.

In Testimony Whereof, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed.—Witness our trusty and well beloved Isaac Brock, Esq., our President administering the Government of our said Province, and Major General Commanding our Forces within our said Province, at York, this Sixteenth day of May, in the year of our Lord One Thousand Eight Hundred and Twelve, and in the Fifty-second year of our Reign.

Proclamation.

Isaac Brock, Esquire, President, administering the Government of the Province of Upper Canada, and Major General Commanding His Majesty’s Forces within our said Province:

To all to whom these Presents shall come,—Greeting:

Whereas, on the Seventeenth day of June last, the Congress of the United States of America declared, That War then existed between those States and their Territories, and the United Kingdom of Great Britain and Ireland, and the Dependencies thereof; and whereas in pursuance of such Declaration, the Subjects of the United States have actually committed Hostilities against the Possessions of His Majesty and the persons and Property of his Subjects in this Province: Now Therefore, by and with the advice of His Majesty’s Executive Council in the Affairs of the Province, I do hereby strictly enjoin and require all His Majesty’s Liege Subjects to be obedient to the Lawful Authorities, to forbear all communication with the enemy, or Persons residing within the Territory of the United States and to manifest their Loyalty by a zealous co-operation with His Majesty’s Armed Force in defence of the Province, and repulse of the enemy. And I do further require and command all Officers, Civil and Military, to be vigilant in the discharge of their Duty, especially to prevent all communication with the enemy, and to cause all Persons suspected of Traitorous Intercourse to be apprehended and treated according to Law.

Given under my Hand and Seal at Arms, at York, in the Province of Upper Canada, this Sixth day of July, in the year of our Lord One Thousand Eight Hundred and Twelve, and in the Fifty-second year of our Reign.

By Command of His Honor,
Wm. Jarvis, Secretary.

Isaac Brock, President.

Proclamation.

The unprovoked declaration of War, by the United States of America, against the United Kingdom of Great Britain and Ireland and its dependencies has been followed by the actual invasion of this Province, in a remote frontier of the Western District, by a detachment of the armed force of the United States. The Officer Commanding that detachment has thought proper to invite His Majesty’s subjects, not merely to a quiet unresisting submission, but insults them with a call to seek voluntarily the protection of his Government. Without condescending to repeat the illiberal epithets bestowed in this appeal of the American Commander to the People of Upper Canada, on the administration of His Majesty, every inhabitant of the Province is desired to seek the confusion of such indecent slander, in the review of his own particular circumstances; where is the Canadian subject who can truly affirm to himself that he has been injured by the Government in his person, his liberty, or his property? Where is to be found in any part of the world, a growth so rapid in wealth and prosperity, as this colony exhibits? Settled not thirty years by a band of veterans, exiled from their former possessions on account of their loyalty, not a descendant of these brave people is to be found, who, under the fostering liberality of their Sovereign,
has not acquired a property and means of enjoyment superior to what were possessed by their ancestors. This unequalled prosperity could not have been attained by the utmost liberality of the Government of the persevering industry of the people, had not the maritime power of the mother country secured to its colonies a safe access to every market where the produce of their labor was in demand.

The unavoidable and immediate consequence of a separation from Great Britain must be the loss of this inestimable advantage; and what is offered you in exchange? to become a territory of the United States, and share with them that exclusion from the ocean which the policy of their present government enforces—you are not even flattered with a participation of their boasted independence, and it is but too obvious that once exchanged from the powerful protection of the United Kingdom, you must be re-annexed to the dominion of France, from which the Provinces of Canada were wrested by the arms of Great Britain, at a vast expense of blood and treasure, from no other motive but to relieve her ungrateful children from the oppression of a cruel neighbour; this restitution of Canada to the Empire of France was the stipulated reward for the aid afforded to the revolted colonies, now the United States; the debt is still due, and there can be no doubt but the pledge has been renewed as a consideration for commercial advantages, or rather for an expected relaxation in the tyranny of France over the commercial world. Are you prepared, Inhabitants of Upper Canada, to become willing subjects, or rather slaves, to the Despot who rules the Nations of Europe with a rod of iron? If not, arise in a body, exert your energies, co-operate cordially with the King's regular forces, to repel the invader, and to not give cause to your children, when groaning under the oppression of a foreign master to reproach you with having too easily parted with the richest inheritance of this Earth—a participation in the name, character, and freedom of Britons.

The same spirit of Justice, which will make every reasonable allowance for the unsuccessful efforts of zeal and loyalty, will not fail to punish the defalcation of principle; every Canadian freeholder is, by deliberate choice, bound by the most solemn oaths to defend the monarchy as well as his own property; to shirk from that engagement is a treason not to be forgiven: let no man suppose that if, in this unexpected struggle, His Majesty's arms should be compelled to yield to an overwhelming force, that the Province will be eventually abandoned; the endeared relation of its first settlers, the intrinsic value of its commerce, and the pretensions of its powerful rival to repossess the Canadas, are pledges that no peace will be established between the United States, and Great Britain and Ireland, of which the restoration of these Provinces does not make the most prominent condition.

Be not dismayed at the unjustifiable threat of the commander of the enemy's forces to refuse quarter should an Indian appear in the ranks. The brave bands of natives which inhabit this colony were, like His Majesty's subjects; punished for their zeal and fidelity, by the loss of their possessions in the late colonies, and rewarded by His Majesty with lands of superior value in this Province; the faith of the British Government has never yet been violated, they feel that the soil they inherit is to them and their posterity protected from the base arts so frequently devised to overreach their simplicity. By what new principle are they to be prevented from defending their property? If their warfare, from being different from that of the white people, is more terrific to the enemy, let him retrace his steps—they seek him not—and cannot expect to find women and children in an invading army; but they are men, and have equal rights with all other men to defend
themselves and their property when invaded, more especially when they find in the enemy's camp a ferocious and mortal foe, using the warfare which the American commander effects to reprobate.

This inconsistent and unjustifiable threat of refusing quarter for such a cause as being found in arms with a brother sufferer in defence of invaded rights, must be exercised with the certain assurance of retaliation, not only in the limited operations of war in this part of the King's Dominions, but in every quarter of the globe, for the national character of Britain is not less distinguished for humanity than strict retributive justice, which will consider the execution of this inhuman threat as deliberate murder, for which every subject of the offending power must make expiation.

By his Honor Sir Roger Hale Sheaffe, Baronet, President, administering the Government of the Province of Upper Canada and Major General commanding his Majesty’s Forces within the same Province, &c., &c., &c.

Reflecting with the deepest contrition on the unworthy returns which we have made to Divine Providence for the numberless Blessings which under our most Gracious, and Religious Sovereign, we in this Province have so long enjoyed, it becomes us most devoutly to humble ourselves before Almighty God, imploring his pardon and forgiveness, and beseeching him that he would still be pleased, notwithstanding our unworthiness, to support us with his aid and protection amidst the numerous dangers and difficulties with which we are surrounded: I have therefore, thought fit, by and with the advice of the Executive Council of this Province, to appoint Friday, the Eighteenth day of June next ensuing, to be a day of Public Fast and Humiliation before God, to be devoutly observed as such by all his Majesty’s Subjects throughout this Province; that we may in the most solemn manner acknowledge, and lament our manifold transgressions, and also with humble hope offer up our united prayers to Almighty God for the recovery of our most Gracious Sovereign, for the success of his arms, and for the safety, and prosperity of every part of his Dominions.

By His Honor Sir Roger Hale Sheaffe, Baronet, President, administering the Government of the Province of Upper Canada, and Major General Commanding His Majesty’s Forces within the same, &c., &c., &c.

Whereas, it is made highly penal by various Statutes to retain possession of Public Stores and property of the Crown, by whatever means it may come into the hands of the possessor, unless through the channels pointed out by Law. A Proclamation.

(14 June, 1813.)

By His Excellency Sir George Prevost, Baronet, Governor General and Commander in chief in and over His Majesty’s North American Provinces, and Commander of the Forces in the said Provinces, &c., &c., &c.

His Excellency the Commander of the Forces having seen a Public Declaration made by Lieutenant Colonel P. Preston, of the 12th Regiment of the United States infantry, dated at Fort Erie the 30th of May last, in which he professes to hold out the protection of the United States to all those who shall come forward and voluntarily enroll their names with him, and threatening with rigorous and disastrous consequences those who shall have the spirit and loyalty to pursue a different course of conduct. His Excellency deems it necessary to caution His Majesty’s Subjects in this Province against listening to this insidious offer of the enemy or trusting to
their assurances of protection, which subsequent events have clearly proved they are so little able to afford to themselves. With the bare possession of a narrow strip of our frontier Territory, not obtained by them without a severe contest and corresponding loss, with an unconquered and unbroken Army in their front, at an inconsiderable distance from them, and ready to dispute every inch of ground over which they should attempt to advance into the Country, it was hardly to be expected that the Enemy’s presumption would have led them to consider themselves as in the possession of this Province, or have induced them, contrary to the established usages of civilized warfare, to treat its peaceable Inhabitants as a conquered people.

The brilliant result of the action of the 6th inst. the rout and complete dispersion of a large division of the enemy’s Forces on that day, attended with the capture of their artillery and of their ablest Generals, their subsequent retreat and flight, with the loss of the whole of their baggage, provisions and tent equipage, before the victorious Army of Brigadier General Vincent, daily increasing in strength from the powerful reinforcements reaching it, and assisted by the Squadron under Sir James Yeo, now in undisturbed possession of the Lake; all these events which followed in rapid succession after Lieut. Col. Preston’s declaration, shew more strongly than any language can possibly describe, the futility of the offers held out by it, and produce the strongest incentive to his Majesty’s Subjects to hold fast that allegiance from which the enemy would so insidiously withdraw them.

His Excellency therefore confidently calls upon all the Loyal and well disposed in this Province who are not under the immediate control or within the power of the Enemy, to use every possible effort in repelling the Foe, and driving him from our soil, assuring them that they will be powerfully aided by the reinforcements daily arriving at this Poll, and pressing on to their support. To those of his Majesty’s Subjects who are unfortunately situated within that inconsiderable portion of the territory occupied by the Enemy, His Excellency recommends a quiet and peaceable conduct, such as shall neither afford a just cause to the enemy for treating them with the severity & rigor they have threatened, or incompatible with their allegiance to the best of Sovereigns. His Excellency at the same time declares that he shall be compelled, however, reluctantly, instantly to retaliate upon the American Prisoners in his possession, every violation of the persons or property of any of His Majesty’s Subjects so peaceably demeaning themselves, and hereby publickly protests against such treatment as equally unsanctioned by the usages of War, or by the example afforded by His Majesty’s Forces with regard to any of the American prisoners in their possession.

Given under my Hand and Seal at Arms at Kingston, this Fourteenth day of June, One Thousand Eight Hundred and Thirteen.

George Prevost, Commander of the Forces.

By His Excellency’s Command,

E. B. Brenton.

A Proclamation.

(4 Sept., 1813.)

By His Excellency Lieutenant General Sir George Prevost, Baronet, Governor General and Commander in Chief in and over His Majesty’s North American Provinces, and Commander of the Forces in the said Provinces, &c., &c., &c.,

It having been represented to His Excellency, the Commander of the Forces, that in consequence of the adoption by the Government of the United States, of the novel and unjustifiable principle of making prisoners of war and of paroling the unarmed peaceable Citizens of these Provinces, several Subjects of His Majesty have under such circumstances been deterred from accepting employment in their different callings as Mechanics or otherwise, or from aiding in any other manner the Public Service, under an apprehension of exposing themselves to the resentment of the Enemy for having violated their parole: His Excellency takes this Public opportunity of declaring, that such a principle is not sanctioned by the usages of war amongst civilized Nations and that no parole thus extorted from peaceable citizens, not taken in arms, can be considered as binding upon them, or as exempting them from any Military or other duties which they may be called upon to perform.

The only legitimate objects of capture on land during war, as recognized by the Law of Nations, are those who are actually engaged in Military Service, or who are found with arms in their hands; beyond these two descriptions of persons it has never been the practice of the modern nations of Europe to consider any others as liable to be carried away as Prisoners of War, or as subject to be paroled.
It was reserved for America, who has the last assumed a rank amongst the Nations, and for those acting under her authority, unnecessarily to increase the calamities of War, by making peaceable and unoffending Citizens subject to its rigours, and by exacting from them engagements, the nature of which is to preclude them from gaining their subsistence by their honest and ordinary callings, if exercised in support of the Government which protects them. In order to remove from the minds of such persons, who, having fallen into the power of the Enemy, have been obliged to enter into engagements of this nature, all apprehension with regard to the consequences of violating them, His Excellency deems it necessary thus publicly to declare, that a parole, even when lawfully taken, can only extend to the Military service in arms, either in Garrison or in the Field of the persons giving it, and cannot preclude them from performing their ordinary duties as Subjects, or from the exercise of their usual civil occupations.

And His Excellency hereby further declares, that should the Enemy still persist to act upon the unjust principle before mentioned, and should any persons, (who having been paroled as aforesaid, shall again fall into the hands of the Enemy,) be treated with severity in consequence of their having been employed in the Public Service in any other manner than that of actually bearing arms, His Excellency will not fail immediately to avail himself of the means within his power, of removing from the American Frontiers such of their Citizens as shall be within his reach, and retaliating upon them all the severity and rigor which shall have been practised towards any of His Majesty’s Subjects under the foregoing circumstances.

His Excellency at the same time feels it incumbent upon him further to declare that as he has strong reason to believe that in several instances the paroles thus taken have been sought for by the persons, giving them as the means of evading the performance of their Militia and other duties, and as others, notwithstanding the present declaration, may from similar or worse motives, be induced still to withhold their aid in carrying on the Public Works—His Excellency will feel himself compelled forthwith to send all such useless and disaffected characters out of the Country to the Enemy, to whom they consider themselves as belonging, as Prisoners of War, there to remain as such until regularly exchanged.

Given under my Hand and Seal at Arms at Kingston, this Fourth day of September, One Thousand Eight Hundred and Thirteen.

GEORGE PREVOST, Commander of the Forces.

By His Excellency’s Command,
E. B. BRENTON.

WHEREAS, by our Proclamation, bearing date the Twenty-sixth day of my last, we thought fit, by and with the advice of our Executive Council,
to prorogue our Provincial Parliament until the Thirteenth day of this pre-
sent month of September, at which time at our town of York you were held,
and constrained to appear: But we taking into our Royal consider-
ation the ease and convenience of our loving Subjects, have thought

voking, and by these presents enjoining you, and each of you that on

Hundred and Thirteen, and in the Fifty-third year of our Reign.

William Jarvis, Sec'y.
A Proclamation. (18 Oct., 1813.)

By His Excellency Lieutenant General Sir Geo. Prevost, Baronet, Governor in chief and Commander of the Forces in and over the Provinces of Lower and Upper Canada, &c., &c.

To the Inhabitants of Lower Canada:

As the period is, in all probability fast approaching when it is to be fully decided whether the arrogant expectations of the Enemy are to be realized, by his successful invasion of this province, or whether he is to meet with defeat and disgrace in the attempt, His Excellency the Governor in Chief and Commander of the Forces confidently appeals to the loyalty, courage and patriotism of His Majesty’s subjects of all classes in it for their prompt and cheerful acquiescence in whatever sacrifices the arduous conflict in which they are now engaged, may require of them. Preserved as this highly favored country has hitherto been from the calamities of war by the exertions which have been made for its protection, its inhabitants are happily ignorant of those miseries which would unavoidably result from an invasion of their territory, and which have already been so severely felt in the sister province.

The stern mandate of an insulting foe has not yet been heard within our cottages, nor has his foot been permitted to pollute our soil; our plenteous harvests have everywhere been gathered in security and the industrious peasant has in the midst of his family tranquilly enjoyed the fruits of his honest labors.

To secure a continuance of blessings like these, and to avert from yourselves and families the evils which are inseparable from an hostile invasion, you must be prepared to manifest the most determined devotion in resisting it; a ready submission to whatever hardships and privations it may expose you, and a firm resolution only to yield with your latest breath, your country to a foreign rule.

To cherish and encourage such sentiments which are alone worthy of a free people, His Excellency calls, in a more particular manner upon the Gentry of the province to preserve in that noble example they are now affording, by the sacrifice of their private ease to the public good, and by standing forth amongst the foremost ranks to meet and to repel the advance of the enemy. Such conduct cannot but inspire confidence among those who look up to and depend upon them and will not fail, under the blessings of Heaven, aided by the brave people whom they command, and seconded by the valor and discipline of His Majesty’s regular troops and embodied militia, to lead to a successful and honorable termination of the present contest.

As a further incentive to your most strenuous efforts, in order to produce so glorious a result, His Excellency would direct your attention towards the momentous conflict in which the mother country has been so long engaged, to the profusion of blood which she has shed, and treasure expended, to the many splendid victories she has obtained, and to the important fruits of them—the emancipation of kingdoms from the iron grasp of a powerful and inveterate enemy. He would again point your view to her whilst thus straining every nerve for the independence of other nations, still not mindful of her children and her subjects in this distant though valuable part of her dominions; but amidst the great concerns with which she is surrounded, and the vast demands which are made upon her during such a contest, still manifesting her undiminished anxiety for your wel-
fare, and outstretching her powerful arm for your protection. Already are her fleets conveying fresh reinforcements of troops upon your coasts, all of them eager to share with their brother in arms, the honor and glory of defending Canada.

With such support in your favor & with such strong incentives for a vigorous use of the means which Providence, in its mercy, has vouchsafed to you, for your defence, will it not depend upon yourselves whether you are to be conquered? The history of the world abundantly proves that an united nation cannot easily be overcome. If therefore you are true to each other; if you are only solicitous who shall best discharge his duty to his God and his King, by devoting himself to the defence of his Religion and his country; if with one heart and soul you cheerfully and promptly unite for their preservation; you need not fear what hosts may be opposed to you. The breasts of such a people will raise the most formidable as well as most successful ramparts against the attempts of any enemy to subdue them.

Given under my Hand and Seal at Arms, at Montreal, this Eighteenth day of October, in the year of our Lord One Thousand Eight Hundred and Thirteen.

By Command of His Excellency,

E. B. Brenton.

GORDON DRUMMOND, Esquire, our President, Administering the Government of our said Province, and Lieutenant General Commanding our Forces within our said Province.

18 AR.
To all to whom these Presents shall come.—Greeting:

Whereas by an Act of the Parliament of this Province, passed on the Thirteenth day of March, in the year of our Lord One Thousand Eight Hundred and Thirteen, and in the Fifty-third year of His Majesty’s Reign, intituled an Act to authorize the Governor, Lieutenant-Governor, or Person administering the Government of this Province, to prohibit the Exportation of Grain and other Provisions, and also to restrain the Distillation of Spirituous Liquors from Grain, it was among other things enacted, that from and after the passing of the said Act it should be lawful for the Governor, Lieutenant Governor, or Person administering the Government, by and with the advice and consent of His Majesty’s Executive Council of this Province from time to time and when and so often as should be judged expedient, to Prohibit by Proclamation generally, for a limited time, after the First day of May, then next ensuing, and now last past, the Distillation of Spirits, Strong Waters, and Low Wines, from any Wheat, Corn, or other Grain, meal or flour within the same. Now Know Ye, that finding such Prohibition at present expedient and necessary, I do hereby, by and with the advice and consent of His Majesty’s Executive Council for the affairs of this Province, and under the authority of the said Act, Prohibit the Distillation of Spirits, Strong Waters and Low Wines, from any Wheat, Corn or other Grain, Meal or Flour within this Province, from the expiration of five days after the date of this Proclamation, in the Home District, and of Ten Days in every other District of this Province, to the First day of March now next ensuing, unless the next Session of the Provincial Legislature shall sooner terminate, under the Penalties and Forfeitures by the said Act imposed. And I do for that purpose issue this my Proclamation, declaring the Provisions and Restrictions of the said Act so far as respects the Distillation of Spirits, Strong Waters and Low Wines, from Wheat, Corn, or other Grain, Meal or Flour within this Province, be in force from the time and for the period above mentioned.

A Proclamation.

(12 Jan., 1814.)

By His Excellency Lieutenant General Sir George Prevost, Baronet, Commander of His Majesty’s Forces in North America, &c., &c., &c.

To the Inhabitants of His Majesty’s Provinces in North America:

The complete Success which has attended His Majesty’s Arms on the Niagara Frontier, having placed in our possession the whole of the Enemy’s Posts on that line, it became a matter of imperious duty to retaliate on America, the miseries which the unfortunate Inhabitants of Newark had been made to suffer upon the evacuation of Fort George.

The Villages of Lewiston, Black Rock, and Buffalo, have accordingly been burned.

At the same time that His Excellency the Commander of the Forces sincerely deprecates this mode of Warfare, he trusts, that it will be suffi-
cient to call the attention of every candid and impartial person, both amongst ourselves and the Enemy, to the circumstances from which it has arisen, to satisfy them that this grave departure from the established Usages of War has originated with America herself, and that to her alone, are justly chargeable, all the awful and unhappy consequences which have hitherto flowed, and are likely to result from it.

It is not necessary to advert to the conduct of the Troops employed on the American Coast, in conjunction with His Majesty's Squadron, under Admiral Sir John B. Warren, since as they were neither within the command, nor subject to the control of His Excellency, their acts cannot be ascribable to him, even if they wanted that justification which the circumstances that occasioned them so amply afford.

It will be sufficient for the present purpose, and in order to make the character of the War, as carried on upon the Frontiers of these Provinces, to trace the line of Conduct observed by His Excellency, and the Troops under his Command, since the commencement of Hostilities, and to contrast it with that of the enemy.

The first invasion of Upper Canada took place in July, 1812, when the American Forces under Brigadier General Hull, crossed over and took possession of Sandwich, where they began to manifest a disposition so different from that of a magnanimous enemy and which they have since invariably displayed, in making out, as objects of their peculiar resentment, the Loyal Subjects of His Majesty, and in dooming their property to plunder and conflagration.

Various instances of this kind occurred, both at Sandwich and in its neighborhood, at the very period when His Majesty's Standard was waving upon the Fort of Michilimackinac, and affording protection to the persons and property of those who had submitted to it:—Within a few weeks afterwards the British Flag was also hoisted on the Fortress of Detroit, which, together with the whole of the Michigan Territory, had surrendered to His Majesty's Arms.

Had not His Excellency been actuated by sentiment far different from those which had influenced the American Government, and the person employed by it, in the wanton acts of destruction of Private Property, committed during their short occupation of a part of Upper Canada, His Excellency could not have failed to have availed himself of the opportunity which the undisturbed possession of the whole of the Michigan Territory afforded him of amply retaliating for the devastating system which had been pursued at Sandwich and on the Thames.

But strictly in conformity to the views & disposition of his own Government, and to that liberal and magnanimous Policy which it had dictated, he chose rather to forbear an imitation of the enemy's example, in the hope that such forbearance would be duly appreciated by the Government of the United States, and would produce a return to the more civilized usages of War.

The Persons and Property, therefore of the Inhabitants of the Michigan Territory, were respected, and remained unmolested.

In the winter of the following year, when success which attended the daring and gallant enterprise against Ogdensburg had placed that populous and flourishing village in our possession, the generosity of the British Character was again conspicuous in the scrupulous preservation of every article which could be considered as Private Property; such Public Buildings only being destroyed as were used for the accommodation of Troops and for Public Stores.
The destruction of the Defences of Ogdensburg, and the dispersion of the Enemy's Force in that neighborhood, laid open the whole of their Frontier on the St. Lawrence to the incursions of His Majesty's Troops, and Hamilton, as well as numerous Settlements on the Banks of the River, might, at any hour, had such been the disposition of His Majesty's Government, or of those acting under it, been plundered and laid waste.

During the course of the following Summer, by the fortunate result of the enterprize against Plattsburg, that Town was for several hours in the complete possession of our troops, there not being any force in the neighborhood which could attempt resistance.

Yet even there, under circumstances of strong temptation, and when the recent example of the enemy in the wanton destruction at York, of private property, and buildings not used for military purposes, must have been fresh in the recollection of the Forces employed on that occasion, and would have justified a retaliation on their part, their forbearance was strongly manifested, and the directions His Excellency had given to the commander of that expedition, so scrupulously obeyed, that scarcely can another instance be shewn in which, during a state of war, & under similar circumstances, an enemy, so completely under the power and at the mercy of their adversaries, had so little cause of complaint.

During the course of the same Summer, Forts Schlosser and Black Rock were surprised and taken by a part of the forces under the command of Major General De Rottenburg on the Niagara Frontier, at both of which places personal property were respected and the public buildings were alone destroyed.

It was certainly matter of just and reasonable expectation, that the humane and liberal course of conduct pursued by His Excellency on these different occasions would have had its due weight with the American Government; and would have led it to have abstained, in the former prosecution of the war, from any acts of wantonness or violence, which could only tend unnecessarily to add to its ordinary calamities, and to bring down upon their own unoffending citizens a retaliation which, though distant, they must have known would await and certainly follow such conduct.

Undeterred, however, by His Excellency's example of moderation, or by any of the consequences to be apprehended from the adoption of such barbarous measures, the American forces at Fort George, acting, as there is every reason to believe, under the orders, or with the approbation of their Government, for some time previous to their evacuation of that fortress, under various pretences burned and destroyed the farm houses and buildings of many of the respectable inhabitants of that neighborhood. But the full measure of this species of barbarity remained to be completed at a season when all its horrors might be more fully and keenly felt by those who were to become the wretched victims of it.

It will hardly be credited by those who shall hereafter read it in the page of history, that in the enlightened aera of the nineteenth century, and in the indulgence of a Canadian Winter, the troops of a nation calling itself civilized and Christian, had wantonly, and without a shadow of pretext, forced 400 helpless women and children to quit their dwellings, and to be the mournful spectators of the conflagration and total destruction of all that belonged to them.

Yet such was the fate of Newark on the 10th of December, a day which the inhabitants of Upper Canada can never forget, and the recollection of which cannot but nerve their arms when again opposed to this vindictive foe. **On the night** of that day, the American troops under Brigadier General
M‘Clure, being about to evacuate Fort George, which they could no longer retain, by an act of inhumanity disgraceful to themselves and to the nation to which they belong, set fire to upwards of 150 houses, composing the beautiful village of Newark, and burned them to the ground, leaving without covering or shelter those “innocent, unfortunate and distressed inhabitants,” whom that Officer, by his Proclamation, had previously engaged to protect.

His Excellency would have ill consulted the honor of his country, and the justice to his Majesty’s injured and insulted subjects, had he permitted an act of such needless cruelty to pass unpunished, or had he failed to visit, whenever the opportunity arrived, upon the inhabitants of the neighboring American frontier, the calamities thus inflicted upon those of our own.

The opportunity has occurred, and a full measure of retaliation has taken place, such as it is hoped will teach the enemy to respect in future, the laws of war, and recall him to a sense of what is due to himself as well as to us.

In the further prosecution of the contest to which so extraordinary a character has been given, His Excellency must be guided by the course of conduct which the enemy shall hereafter pursue. Lamenting, as his Excellency does, the necessity imposed upon him of retaliating upon the subjects of America the miseries inflicted on the inhabitants of Newark, it is not his intention to pursue further a system of warfare so revolting to his own feelings, and so little congenial to the British character, unless the future measures of the enemy should compel him again to resort to it.

To those possessions of the enemy along the whole line of frontier, which have hitherto remained undisturbed, and which are now within his Excellency’s reach, and at the mercy of the troops under his command, his Excellency has determined to extend the same forbearance, and the same freedom from rapine and plunder, which they have hitherto experienced; and from this determination the future conduct of the American Government shall alone induce his Excellency to depart.

The inhabitants of these Provinces will in the mean time be prepared to resist, with firmness and with courage, whatever attempts the resentment of the enemy, arising from their disgrace and their merited sufferings, may lead them to make, well assured that they will be powerfully assisted at all points by the troops under His Excellency’s command, and that prompt and signal vengeance will be taken for every fresh departure by the Enemy, from that system of Warfare, which ought alone to subsist between enlightened and civilized nations.

Given under my Hand and Seal at Arms, at Quebec, this 12th day of January, 1814.

George Prevost.

George the Fourth, by the Grace of God of the United Kingdom of Great Britain and Ireland, King, Defender of the Faith:

To all to whom these Presents shall come,

GREETING:

WHEREAS, by an Act of the Parliament of Great Britain, passed in the thirty first year of the Reign of His late Majesty, King George the Third, of glorious memory, entitled, "An Act to repeal certain parts of "an Act passed in the fourteenth year of His Majesty's Reign, entitled An "Act for making more effectual provisions for the Government of the Pro-"vince of Quebec in North America, and to make further provisions for
"the Government of the said Province, it is amongst other things enacted "‘That it shall and may be lawful for His Majesty, His Heirs or Successors, "to authorise the Governor, Lieutenant Governor, or Person Administering "the Government of each of the said Provinces respectively, to present "to every such Parsonage or Rectory, an Incumbent or Minister of the "Church of England, who shall have been duly ordained according to the "rites of the said Church, and to supply from time to time such vacancies "as may happen therein, and that every person so presented to any such "Parsonage or Rectory, shall hold and enjoy the same and all rights, pro- "fits and emoluments, thereunto belonging or granted as fully and amply "and in the same manner, and on the same terms and conditions and liable "to the performance of the same duties as the incumbent of a Parsonage or "Rectory in England.’” And Whereas, notwithstanding, His Majesty has been graciously pleased under the provisions of the said Act to reserve for the support of a Protestant Clergy in this Province, one seventh of all Lands granted therein, doubts have been suggested that the Tythe of the produce of Land might under the thirty-ninth section of the said in part recited Act, still be demanded by the Incumbent duly instituted or Rector of any Parish, to obviate which a Bill enacted, “An Act relative to the right of “Tythes within this Province,” was passed by the Legislative Council and House of Assembly, during the first Session of the Eighth Provincial Parliament, met at York, in the Province of Upper Canada, on the thirty-first day of January, and prorogued on the fourteenth day of April following in the second year of our reign, declaring that no Tythe shall be claimed, demanded or received by any Ecclesiastical person, Rector or Vicar of the Protestant Church within this Province, any Law, Custom or Usage to the contrary notwithstanding, which Bill was reserved for the signification of our pleasure thereon. And Whereas, it is provided by the said first in part recited Act, amongst other things, that the several provisions therein before contained respecting the constituting, erecting and endowing Par- sonages or Rectories within the said Province, and also respecting the pre- sentation of Incumbents or Ministers to the same, and also respecting the manner in which such Incumbent or Minister shall hold and enjoy the same, shall be subject to be varied or repealed by any express provision, for that purpose contained in any Act or Acts which may be passed by the Legislative Council and House of Assembly of the said Provinces respecti- vely, and assented to by His Majesty, His Heirs or Successors, under the restrictions therein after provided, and that whenever any Act or Acts shall be passed by the Legislative Council and Assembly of either of the said Provinces, containing any provisions which shall in any manner relate to or affect the payment, recovery or enjoyment of any of the accustomed dues or rights therein before mentioned, or shall in any manner relate to the granting, imposing or recovering any other dues, stipends or emoluments whatever, to be paid to or for the use of any Minister, Priest, Ecclesiastic or Teacher, according to any Religious form or mode of worship in respect of his said office of functions, every such act or acts shall, previous to any declaration or signification of the King’s Assent thereto, be laid before both Houses of Parliament in Great Britain, and that it shall not be lawful for His Majesty. His Heirs and Successors, to signify his or their assent to any such Act or Acts, until thirty days after the same shall have been laid before the said Houses, and that no such Act shall be valid or effectual to any of the said purposes within either of the said Provinces, unless the Legislative Council and Assembly of such Provinces, shall in the Session in which the same shall have been passed by them, have presented to the Governor,
Lieutenant Governor, or Person Administering the Government of such Provinces, an Address or Addresses, specifying that such Act contains provisions for some of the purposes therein before specially described, and desiring that in order to give effect to the same, such Act shall be transmitted to England without delay for the purpose of being laid before Parliament previous to the signification of His Majesty’s Assent thereto. And whereas, the Legislative Council, and House of Assembly, in pursuance of the Provisions of the said in part recited Act, did on the tenth day of April in the second year aforesaid, and during the Session in which the said Bill passed, present an Address to our Lieutenant Governor of our said Province of Upper Canada, requesting that His Excellency would be pleased to transmit the said Bill relative to the right of Tythes in this Province to His Majesty’s Principal Secretary of State for the Colonial Department, in order that it might be laid before the Imperial Parliament, according to the said Act in that case made and provided; And Whereas, Our said Lieutenant Governor did thereupon transmit the said Bill to our principal Secretary of State for the Colonial Department, for the purpose of obtaining the signification of Our Pleasure thereon, and of being laid before both Houses of Our Imperial Parliament, according to the provisions above recited. NOW KNOW YE, that the said Bill, having been referred to us in our Privy Council appointed for the consideration of all matters relating to Trade and Foreign Plantations, and having previous thereto been laid before both Houses of the Imperial Parliament for thirty days, according to the provisions aforesaid, We have thought fit to approve of, and assent to the same, and do hereby declare our Royal Assent to the said Bill, and that the same is hereby confirmed, finally enacted, and ratified; of all which our Loving Subjects in Our said Province of Upper Canada, and all others whom it may concern, are hereby required to take notice and govern themselves accordingly.

A PROCLAMATION. (28 June, 1830.)

For the Encouragement of Piety and Virtue, and for the preventing and punishing of Vice; Profaneness, and Immorality.

WILLIAM, R.

We, most seriously and religiously considering that it is an indispensable duty on Us to be careful, above all other things, to preserve and advance the honour and service of Almighty God, and to discourage and suppress all Vice, Profaneness, Debauchery; and Immorality, which are so highly displeasing to God, so great a reproach to Our Religion and Government, and (by means of the frequent ill examples of the practices thereof) have so fatal a tendency to the corruption of many of Our loving subjects, otherwise religiously and virtuously disposed, and which (if not timely remedied) may justly draw down the Divine vengeance on Us and Our Kingdom; We also humbly acknowledging that We cannot expect the blessing and Goodness of Almighty God (by whom Kings reign and on Which We entirely rely) to make Our reign happy and prosperous to Ourself and Our People, without a religious observance of God's holy laws; to the intent therefore, that Religion, Piety, and Good manners may (according to Our most hearty desire) flourish and increase under Our Administration and Government, We have thought fit, by the advice of Our Privy Council, to issue this Our Royal
Proclamation, and do hereby declare Our Royal purpose and resolution to
discountenance and punish all manner of Vice, Profaneness, and Immorality
in all persons of whatsoever degree or quality within this Our Realm, and
particularly in such as are employed near Our Royal Person; and that for
the encouragement of Religion and Morality, We will, upon all occasions
distinguish persons of Piety and Virtue by marks of Our Royal favour; and
We do expect and require, that all persons of honour or in place of authority
will give good example, by their own Virtue and Piety, and to their utmost
contribute to the discountenancing persons of dissolute and debauched lives,
that they, being reduced by that means to shame and contempt for their
loose and evil actions and behaviour, may be hereby also enforced the sooner
to reform their ill habits and practices, and that the visible displeasure of
good men towards them may (as far as it is possible) supply what the laws
(probably) cannot altogether prevent: and We do hereby strictly enjoin and
prohibit all Our loving subjects, of what degree or quality soever, from
playing on the Lord's Day at dice, cards, or any other game whatsoever,
either in public or private houses, or other place or places whatsoever; and
We do hereby require and command them, and every of them, decently and
reverently to attend the worship of God, on every Lord's Day, on pain of
Our highest displeasure, and of being proceeded against with the utmost
rigour that may be by law; and for the more effectual reforming all such
persons who, by reason of their dissolute lives and conversations are a scandal
to Our Kingdom, Our further pleasure is, and We do hereby strictly charge
and command all Our Judges, Mayors, Sheriffs, Justices of the Peace, and all
other Our Officers and Ministers, both Ecclesiastical and Civil, and all other
Our subjects whom it may concern, to be very vigilant and strict in the
discovery and the effectual prosecution and punishment of all persons who
shall be guilty of excessive drinking, blasphemy, profane swearing and cursing,
lewdness, profanation of the Lord's Day, or other dissolute, immoral,
or disorderly practices; and that they take care also effectually to suppress
all public gaming houses and places, and other lewd and disorderly houses,
and to put in execution the Statute made in the twenty-ninth year of the
reign of the late King Charles the Second, intituled “An Act for the better
observation “of the Lord's Day, commonly called Sunday;” and also so
much of an Act of Parliament made in the ninth year of the reign of the
late King William the Third, intituled “An Act for the more effectual sup-
pressing of blasphemy and profaneness,” as is now in force, and all other
laws now in force for the punishing and suppressing any of the vices afore-
said; and also to suppress and prevent all gaming whatsoever in public or
private houses on the Lord's Day; and likewise that they take effectual care
to prevent all persons keeping taverns, chocolate-houses, coffee-houses, or
other public houses whatsoever, from selling wine, chocolate, coffee, ale,
beer, or other liquors, or receiving or permitting guests to be or remain in
such their houses, in the time of Divine Service on the Lord's Day, or they
will answer it to Almighty God, and upon pain of Our highest displeasure:
And for the more effectual proceeding herein, We do hereby direct and
command all Our Judges of Assize and Justices of the Peace, to give strict
charges at their respective assizes and sessions for the due prosecution and
punishment of all persons, that shall presume to offend in any of the kinds
aforesaid, and also of all persons that, contrary to their duty, shall be remiss
or negligent in putting the said laws in execution, and that they do, at their
respective assizes and quarter sessions of the peace, cause this Our Royal
Proclamation to be publicly read in open Court, immediately before the
charge is given: and We do hereby further charge and command every
Minister in his respective parish church or chapel to read or cause to be read
this Our Proclamation, at least four times in every year, immediately after Divine Service, and to incite and stir up their respective auditories to the practice of Piety and Virtue, and the avoiding of all Immorality and Profaneness: And to the end that all Vice and Debauchery may be prevented, and Religion and Virtue practised by all officers, private soldiers, mariners, and others who are employed in Our service by sea and land; We do hereby strictly charge and command all Our Commanders and Officers, whatsoever, that they do take care to avoid all Profaneness, Debauchery, and other Immoralities, and that by their own good and virtuous lives and conversations, they do set good examples to all such as are under their care and authority, and likewise take care of and inspect the behaviour of all such as are under them, and punish all those who shall be guilty of any of the offences aforesaid, as they will be answerable for the ill consequences of their neglect herein.

Given at Our Court at Saint James’s, this twenty-eighth day of June, one thousand eight hundred and thirty, and in the first year of Our reign.

By His Excellency Sir John Colborne, K.C.B., Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c., &c., &c.
To all to whom these presents shall come.—Greeting:

WHEREAS, strong suspicions are entertained that a short time since one Patrick Coyne, a Pedler, was inhumanly robbed and Murdered, on his way from Chatham to Baldoon, in the Western District, by a person now in custody, and who acted as his guide; and it is also conjectured that the body of the said Patrick Coyne now lies buried or secreted somewhere between the said Villages of Chatham and Baldoon, the discovery of which is essential to convict the murderer of the crime wherewith he stands charged. Now KNOW YE, that a Reward of Fifty Pounds will be paid to any person or persons who shall actually discover and convey the body of the said Patrick Coyne, if dead, to a place of security, to the intent that proceedings may be had thereon according to law.

Militia General Order.

Adjutant-General’s Office, Toronto, 4 Dec., 1837.

His Excellency the Lieutenant-Governor has pleasure in announcing to the Militia of Upper Canada, that, in consequence of the present disturbed state of the Lower Province, several regiments have gallantly expressed their readiness to co-operate, in case of necessity, with Her Majesty’s troops, in protecting their fellow-subjects in Lower Canada, in the maintenance of the revered laws and institutions of the British Empire.
While this spirit, so honourable to Upper Canada, and so fully in accordance with the character of its inhabitants, has been manifested in various portions of the province, his Excellency has with regret received information from various quarters, that, in certain portions of the Home and London districts, a number of individuals have been seen assembled, as if for the purpose of drilling, some of them bearing arms, although not called upon by public authority, nor acting under the orders of any officer appointed by the Crown.

Whatever may be the motive of such assemblages, the Lieutenant-Governor is of opinion, that they are calculated to excite alarm in the minds of all peaceable inhabitants, and that, being contrary to law they are inconsistent with that duty and allegiance which it is the pride of all faithful subjects to cherish.

The Lieutenant-Governor has therefore determined to call upon all persons in public authority, as well as upon all classes of Her Majesty's subjects in Upper Canada, to unite together in maintaining the high character which this province now holds in the esteem and affection of the mother country, by discountenancing—such illegal meetings, and by doing all in their power to discover and make known those who promote and take part in them.

With this object in view, the Lieutenant-Governor directs that the colonels of Militia throughout the province shall, upon receiving this order, call out their respective regiments, and acquaint them of the above circumstances; as also that his Excellency's offer to Sir John Colborne of Her Majesty's troops who were in this province, has been accepted; that as soon as the navigation closes, their return may be deemed impracticable; that even if it were not so, his Excellency on no account whatever would consent to deprive the Lower Province, during this winter, of their assistance: that Her Majesty's stores, arms and ammunition have been intrusted by his Excellency to the civil authorities; and that the period has consequently arrived for his Excellency to call upon the Militia of Upper Canada to do justice to the honourable confidence which, under circumstances so flattering to their character, has been publicly reposed in their valour and in their loyalty.

Upon the Militia of Upper Canada, as the constitutional force of the country, the Lieutenant-Governor relies with confidence for aiding the civil powers, firmly to maintain the laws, and to protect all classes of The Queen's subjects in the full enjoyment of their rights and liberties; and his Excellency is fully assured that, if necessity should arise, the inhabitants of Upper Canada will not fail to place on record an honourable example of a people who, appreciating the blessings of peace and freedom, will allow no political differences of opinion to prevent them, when duly called upon, uniting to support their religion, the Crown and the Laws.

His Excellency therefore directs the colonels of militia throughout the province, immediately to make such arrangements as may appear to them most judicious, for enabling their respective corps to act with promptness and effect, should any emergency render their services necessary. And in case the civil authorities should find occasion to suppress an illegal meeting, his Excellency especially refers to the 9th section of the Militia Act, passed in the 48th year of the reign of his late Majesty George the Third, relying that the officers commanding regiments will, with alacrity, firmness and discretion, exercise the powers therein given them, of suppressing with the force of their respective regiments any attempts that may be made to oppose the civil magistrates, or to disturb the peace of the country.
The Lieutenant-Governor is proud to believe, that Upper Canada is the only portion of the British Empire divested of military support, and he feels confident that the mother country, as well as the continent of America, respect the steady peaceful conduct which at present so peculiarly distinguishes the inhabitants of the Upper Province of the Canadas.

By order of His Excellency,

JAMES FITZGIBBON, Acting Adjutant-General of Militia.

Proclamation. (7 Dec., 1837.)

By His Excellency Sir Francis B. Head, Baronet, Lieutenant Governor of Upper Canada, &c. &c.

To the Queen’s Faithful Subjects in Upper Canada.

In a time of profound peace, while every one was quietly following his occupations, feeling secure under the protection of our Laws, a band of Rebels, instigated by a few malignant and disloyal men, has had the wickedness and audacity to assemble with Arms, and to attack and Murder the Queen’s Subjects on the Highway—to Burn and Destroy their Property—to Rob the Public Mails—and to threaten to Plunder the Banks—and to Fire the City of Toronto.

Brave and Loyal People of Upper Canada, we have been long suffering from the acts and endeavors of concealed Traitors, but this is the first time that Rebellion has dared to shew itself openly in the land, in the absence of invasion by any Foreign Enemy.

Let every man do his duty now, and it will be the last time that we or our children shall see our lives or properties endangered, or the Authority of our Gracious Queen insulted by such treacherous and ungrateful men. Militia-Men of Upper Canada, no Country has ever shewn a finer example of Loyalty and Spirit than You have given upon this sudden call of Duty. Young and old of all ranks, are flocking to the Standard of their Country. What has taken place will enable our Queen to know Her Friends from Her Enemies—a Public Enemy is never so dangerous as a concealed Traitor—and now my friends let us complete well what is begun—let us not return to our rest till Treason and Traitors are revealed to the light of day, and rendered harmless throughout the land.

Be vigilant, patient and active,—leave punishment to the Laws,—our first object is, to arrest and secure all those who have been guilty of Rebellion, Murder and Robbery.—And to aid us in this, a Reward is hereby offered of

One Thousand Pounds,

to any one who will apprehend, and deliver up to Justice, WILLIAM LYON MACKENZIE—and FIVE HUNDRED POUNDS to any one who will apprehend, and deliver up to Justice, DAVID GIBSON—or SAMUEL LOUNT—or JESSE LLOYD—or SILAS FLETCHER—and the same reward, and a free pardon, will be given to any of their accomplices who will render this public service, except he or they shall have committed, in his own person, the crime of Murder or Arson.

And all, but the Leaders above-named, who have been seduced to join in this unnatural Rebellion, are hereby called to return to their duty to their Sovereign—to obey the Laws—and to live henceforth as good and faithful Subjects—and they will find the Government of their Queen as indulgent as it is just.

God Save the Queen.
Thursday, 3 o'clock, P.M., 7th December.

The Party of Rebels, under their Chief Leaders, is wholly dispersed, and flying before the Loyal Militia. The only thing that remains to be done, is to find them, and arrest them.

Copy of a Despatch from Lord Glenelg to the Earl of Durham, dated 21st April, 1838.

Downing Street, 21st April, 1838.

My Lord,

I have the Honour herewith to transmit to your Lordship the Instructions under Her Majesty's Signet Manual accompanying your Lordship's Commission as Governor of Lower and Upper Canada; you will perceive that they recognize certain Instructions addressed to the late Earl Dalhousie, which appear to have been transcribed with little Variation from the Conquest of the Province of Quebec till Lord Dalhousie's Appointment, and to have been referred to during the whole of that Period as the Rule for the Guidance of all subsequent Governors. Those Instructions, however, have in many respects become obsolete and inapplicable to the present Condition of the Canadian Provinces, and in some respects are at variance with the Law; in referring your Lordship to them Her Majesty has consequently instructed you to observe them only so far as they are exempt from Objections of this Nature.

The more obvious and as it would seem the more convenient Course being that of a complete Revision of the Instructions, in order to adapt them to the existing Law and Condition of the Canadas, I should have thought it my Duty to complete such a Revision before your Lordship's Assumption of the Government, had it not appeared that no such Change could be made at the present moment without prejudicing some of the more important Questions which await your Lordship's Investigation, and the future Decision of the Queen and of Parliament. It appears to me, therefore, in the Choice of Difficulties, that the least inconvenient Course would be that of adhering to the Practice observed ever since Lord Dalhousie's Appointment, by referring you to the standing Instructions under which he acted, so far as the Law or the actual State of the Canadas may admit of the Observance and Execution of them. Your Lordship will find that this Qualification will in many respects prevent your adopting those standing Instructions as the Guide of your official Conduct. I would especially notice Three Topics to which this Remark applies: First, the old standing Instructions are at variance with the Rules which have been followed for the last Six Years respecting the Alienation of the unsettled Lands of the Crown; those Rules as laid down by the Earl of Ripon must be considered as in full Force; Secondly, the old standing Instructions suppose the Existence of the Constitution of 1791, and therefore are to that Extent inapplicable to the present State of the Law in the Lower Province; Thirdly, the old standing Instructions
having been framed before the passing of the Law for the Relief of the Roman Catholics from the Disabilities under which they formerly laboured in this Country are in many Particulars conceived in a Spirit opposed to the Principles of Religious Toleration as now understood and practised.

It is almost superfluous to observe that to this Extent they must be regarded as obsolete.

Subject to these and to some less considerable Exceptions of the same Kind, the old standing Instructions will be found by your Lordship to be a valuable Guide upon various Topics of general and permanent Policy, to which your Attention will be called in the Administration of the Government of the Canadian Provinces.

I have, &c.,
(Signed) GLENELG.

The Earl of Durham, G.C.B., &c., &c., &c.

Proclamation.

(14 May, 1838.)

By His Excellency Sir George Arthur, Knight Commander of the Royal Hanoverian Guelphic Order, Lieutenant Governor of the Province of Upper Canada, Major General Commanding Her Majesty's Forces therein, &c., &c., &c.

Whereas, the devoted loyalty of the great body of Her Majesty's Subjects in this Province, enabled the Government to suppress speedily the late wicked Insurrection, into which a number of Her Majesty's Subjects, formerly faithful and well-affected, had been misled by the artifices of unprincipled and designing men.

And Whereas, in accordance with Her Majesty's most Gracious desire, and with the disposition in which Justice is constantly administered under the British Crown, the Offenders have been as mercifully dealt with as a due regard to the future peace of this Province and to the protection of its inhabitants would allow, and after a careful consideration of the charges advanced against those persons who have been imprisoned in the Gaol of the Home District charged with having been implicated in the Rebellion, and after anxiously weighing the circumstances of each case, and the former character and conduct of the person charged, I have, with the concurrence of the Executive Council for the affairs of this Province, extended pardon and forbearance to many, who will in consequence be still suffered to continue inhabitants of the Colony.

I Do Now Therefore, call upon Her Majesty's good and faithful Subjects to unite with the Government in calming, as much as possible, those feelings of indignation and displeasure which the late wicked attempt has so naturally excited, and by the exercise of a kind and generous forbearance, to suffer their misguided fellow Subjects to return as speedily and entirely as may be to the peaceful and confident enjoyment of those blessings, which by their folly and misconduct they had endeavoured to destroy.

And it is earnestly hoped that all who upon this occasion have experienced the merciful forgiveness of their Government, may hereafter do demean themselves as to shew their just and grateful sense of the Royal clemency—that they may imitate in future the loyal fidelity of those by whose brave and active exertions the late Insurrection was so promptly suppressed; and that by their dutiful obedience to the Laws, and their orderly and inoffensive conduct, they may leave no occasion to their Government or to their fellow Subjects, to regret the lenient course which has been adopted towards them.

27 AR.
And I do hereby assure all the good and worthy inhabitants of this Province, that Her Majesty is deeply sensible of the excellent conduct which has so honourably distinguished them during the trials to which they have been exposed; and that if ever again their peace shall be disturbed by domestic or foreign enemies, they may rely upon receiving the utmost support of their Sovereign and of the British Nation.

Given under my Hand and Seal at Arms, at Toronto, this Fourteenth day of May, in the year of our Lord One Thousand Eight Hundred and Thirty-eight, and of Her Majesty's Reign the First.

A PROCLAMATION. (29 May, 1838.)

DURHAM.

By His Excellency The Right Honourable John George, Earl of Durham, Viscount Lambton, &c., &c., Knight Grand Cross of the Most Honourable Military Order of the Bath, one of Her Majesty's Most Honourable Privy Council, and Governor General, Vice Admiral, and Captain General of all Her Majesty's Provinces within, and adjacent to, the Continent of North America, &c., &c., &c.

The Queen, having been graciously pleased to entrust to Me the Government of British North America, I have this day assumed the administration of affairs.

In the execution of this important duty, I rely with confidence on the cordial support of all Her Majesty's Subjects—as the best means of enabling Me to bring every question affecting their welfare to a successful issue,—especially such as may come under my cognizance as Her Majesty's High Commissioner.

The honest and conscientious advocates of Reform, and of the amelioration of defective Institutions, will receive from Me, without distinction of Party, Races or Politics, that assistance and encouragement which their patriotism has a right to command, from all who desire to strengthen and consolidate the connexion between the Parent State and these important Colonies; but the disturbers of the Public Peace, the Violaters of the Law, the enemies of the Crown, and of the British Empire, will find in Me an uncompromising opponent, determined to put in force against them all the powers, civil and military, with which I have been invested.

In one Province the most deplorable events have rendered the suspension of its representative Constitution, unhappily, a matter of necessity—and the Supreme Power has devolved on me.

The great responsibility which is thereby imposed on Me, and the arduous nature of the functions which I have to discharge, will naturally make me most anxious to hasten the arrival of that period, when the Executive Power shall again be surrounded by all the Constitutional checks of free, liberal, and British Institutions.

On you—the People of British America—on your conduct, and the extent of your co-operation with Me, will mainly depend whether that event shall be delayed, or immediate. I therefore invite from you the most free, unreserved communications. I beg you to consider Me as a Friend, and arbitrator, ready at all times to listen to your wishes, complaints and grievances, and fully determined to act with the strictest impartiality.

If you, on your side, will abjure all party, and sectarian animosities, and unite with Me in the blessed work of Peace and Harmony, I feel assured that I can lay the foundations of such a system of Government, as will pro-
tect the rights and interests of all classes—allay all dissensions—and per-
manently establish, under Divine Providence, that Wealth, Greatness and
Prosperity, of which such inexhaustible elements are to be found in these
fertile countries.

Given under my Hand and Seal at Arms, at the Castle of St. Lewis,
in the City of Quebec, in the said Province of Lower Canada, the Twenty-
ninth day of May, in the year of our Lord One Thousand Eight Hundred
and Thirty-eight, and in the First year of Her Majesty’s Reign.

By Command,

CHARLES BULLER, Chief Secretary.

Proclamation.

(31 May, 1838.)

By His Excellency Sir George Arthur, Knight Commander of the Royal
Hanoverian Guelphic Order, Lieutenant Governor of the Province of
Upper Canada, Major General Commanding Her Majesty’s Forces
therein, &c., &c., &c.

Whereas information has this day been received, that on the Thirtieth
day of May, instant, the British Steam-boat Sir Robert Peel, while lying
peaceably at an American Island, was treacherously attacked by a body of
armed ruffians from the American Shore, set fire to and burned; the passen-
gers, amongst whom were defenceless females, wantonly and brutally in-
sulted; and a large amount of money and other property on board the said
Boat was either plundered or destroyed: And Whereas, the said robbery
and outrage cannot fail to excite feelings of the utmost indignation in the
minds of Her Majesty’s Subjects, who may be induced thereby to resort
to acts of retaliation for the redress of injury, without properly considering,
that it belongs to the Government of Her Majesty to claim that redress,
and to the Government of the United States to see that it be promptly ren-
dered.

The Steam-boat Sir Robert Peel, with the persons and property on
board, lay at a wharf on the shore of a friendly Power, in the confidence of
that security which every civilized Nation extends over the Subjects and
Property of Foreigners, within its territory, in times of peace, and free
commercial intercourse.

The Government of the United States, it may be confidently expected,
will vindicate the national honour: and feel deeply the insult which this act
of savage and cowardly violence, committed in the dead of night, has in-
flicted upon their Nation. They will not and cannot, with any regard to
National character, delay to bring the criminals to punishment, or to render
to the injured Subjects of Her Majesty, redress—though it be too late, in
this instance, to offer them protection.

The demeanour and conduct of the population of this Province has been
that of a people resting securely upon the sanctity of Law, and the regular
exercise of the power of the Great Empire of which they form a part; and
accordingly, even during rebellion, and foreign invasion, this Country has
not been disgraced by any scenes of individual violence or revenge, on the
part of its loyal inhabitants. The character which has thus been gained to
this Province, has commanded the admiration of the British people—demon-
strated the proud superiority of British Institutions—and is too valuable
to be sacrificed in its smallest part, for the sudden gratification of indignant
feelings, however justly they may have been aroused.
I therefore express to Her Majesty’s faithful and loyal Subjects, my entire confidence in their dignified forbearance, and that the British Flag, which has been so nobly defended by them, will not now be stained by having outrage or insult offered to the persons or property of Foreigners within its territory, and under its protection.

It need not be said to men who understand the character and institutions of England—that injury offered to one Subject, is felt by all—and that the mutual ties of duty and affection, which bind a free and loyal people and their Sovereign together, give the strength of the whole Empire to an injured individual. This consideration is all that is necessary to restrain a loyal community within becoming bounds, and to insure their leaving to their Government that claim for redress which this unprovoked outrage imperatively demands.

Until the American Government shall have taken such measures as will ensure the lives and property of British Subjects within the territory of the United States from spoliation and violence, the utmost guard and caution is required on the part of Masters of Steam-boats, and other vessels, in entering American harbours; as it is but too plain, that at present the Subjects of Her Majesty may be sometimes placed in the power of a lawless banditti, when they imagine themselves within the protection and authority of a friendly Government.

Given under my Hand and Seal at Arms, at Toronto, this Thirty-first day of May, in the year of our Lord One Thousand Eight Hundred and Thirty-eight, and of Her Majesty’s Reign the First.

A Proclamation.

One Thousand Pounds Reward!

(2 June, 1838.)

By His Excellency the Right Honourable John George, Earl of Durham, Viscount Lambton, &c., &c., Knight Grand Cross of the Most Honourable Military Order of the Bath, one of Her Majesty’s Most Honourable Privy Council, and Governor General, Vice Admiral, and Captain General of all Her Majesty’s Provinces within, and adjacent to, the Continent of North America, &c., &c., &c.

Whereas information has been received by Me, that on the Twenty-ninth day of May last, at a certain Island called “Wells’ Island,” in the River Saint Lawrence, within the territory of the United States of America, a body of armed men, at midnight, seized upon a certain Steam-vessel called the Sir Robert Peel, belonging to certain Subjects of HER MAJESTY, in the Province of Upper Canada, then moored at the said Island, to which she had resorted in the peaceable prosecution of her accustomed voyage, for the purpose of taking in fuel; and having with violence driven the passengers and crew of the said Steam-boat upon the said Island, deliberately plundered, burnt and destroyed the said Steam-boat; And Whereas, many of the said passengers were females, and were thus assailed with a total disregard of their sex and their condition at that hour of the night, thereby greatly aggravating the outrage; And Whereas, the due protection of Her Majesty’s Subjects, and the demands of Justice, imperatively require that
the perpetrators of such a crime should not escape unpunished; AND
Whereas, with that object I am desirous of co-operating with, and giving
every facility to the Authorities of the United States: Now Know all men
by these Presents, that I do hereby promise the sum of ONE THOUSAND
POUNDS, to any person or persons who shall identify, and bring to convic-
tion, before any competent tribunal, any person actually engaged in, or
directly aiding and abetting the perpetration of this last-mentioned outrage.

To allay the alarm which has again unhappily disturbed the peace of
the Frontiers of the Province of Upper Canada, I hereby proclaim to the
Subjects of Her Majesty residing therein, my determination to secure
their present and permanent protection, by the employment of every
means at the disposal of Her Majesty's Government—for which purpose a
sufficient Military Force will be immediately concentrated on such points
as shall best protect the frontier line from all aggression on the peaceable
inhabitants of these Provinces: I shall also lose no time in appealing to
the Government of the United States, to vindicate its own honour, by
avenging the insult which has been offered to their authority by a band of
lawless pirates, and repairing the wrongs which have been inflicted on Her
Majesty's Subjects.

Pending such appeal, I earnestly exhort all Her Majesty's Subjects,
notwithstanding the aggravated provocation they have received, carefully
to abstain from any act of retaliation which may expose them to the
imputation of a disregard of their own honour, by a violation of the interna-
tional rights of adjoining Powers.

Given under my Hand and Seal at Arms, at the Castle of St. Lewis, in
the City of Quebec, in the said Province of Lower Canada, the Second day
of June, in the year of our Lord One Thousand Eight Hundred and Thirty-
eight, and in the First year of Her Majesty's Reign.

DURHAM.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., &c., &c.

To Charles Buller, Greeting:

WHEREAS it is highly expedient and desirable, that the disposal of the extensive tracts of Waste Lands, the property of the Crown, in our Provinces of Lower Canada, Upper Canada, Nova Scotia and New Brunswick, and our Islands of Prince Edward and Newfoundland, should be placed upon such a footing as may most effectually conduce to the increase of population and wealth in the said Provinces and Islands, and the general prosperity thereof, and in particular to greatly increased emigration from the Mother Country, both of capitalists and labourers, as permanent settlers, to the end that while the vast but imperfectly developed resources of the said Provinces and Islands should, as soon as possible, be made fully productive, a more intimate connection between Britain and her Colonial Empire, in North America, founded on common interests, and productive of mutual advantages, may be established and permanently secured; And WHEREAS, We have ordered and directed each of our Lieutenant Governors of our Provinces of Nova Scotia and New Brunswick, and our Islands of Prince Edward and Newfoundland, respectively, to affix the Great Seal of our Province or Island, to which each is respectively Lieutenant Governor, to a Commission addressed by Us to you, to the like effect, and containing the like powers and authorities for inquiry, touching the Waste Lands, the property of the Crown, in each such Province or Island respectively, as are hereinafter contained: Know Ye, therefore, that We, reposing great trust in your zeal, ability and discretion, have nominated, constituted and appointed, and by these Presents, do nominate, constitute and appoint, You, the said Charles Buller, to proceed, with the utmost dispatch, to enquire into the past and present methods of disposing of Waste Lands, Woods, Forests, and other Domains and Hereditaments, the property of the Crown, in our Province of Upper Canada, and to collect information respecting the operation thereof, in regard to the advancement of our said Province, and in particular to the promotion of emigration thereto from the Mother Country: And our further will and pleasure is, that you, after due examination of the premises, do and shall, as soon as conveniently may be, report to Us, under your hand and seal, what you shall find touching or concerning the premises, upon such enquiry as aforesaid; and also that you shall suggest such alterations and modifications of the laws and regulations at present in force as may appear likely to promote the objects aforesaid: And for the better discovery of the truth in the premises, We do, by these Presents, give and grant to you, full power and authority to call before you, such and so many of the Officers of the Crown Lands Department, and Agents for Emigrants in our said Province of Upper Canada, and such other
Officers of the Crown, and other persons, as you shall judge necessary, by whom you may be the better informed of the truth in the premises; and to enquire of the premises, and every part thereof, by all other lawful ways and means whatsoever: And We do also give and grant to you, full power and authority to cause all and singular the Officers aforesaid, in our said Province of Upper Canada, or any other person or persons, having in their custody any records, orders, regulations, books, papers or other writings, relating to or in anywise connected with the premises, to bring and produce the same before you, And for your assistance in the due execution of this our Commission, We do hereby authorize you to nominate and appoint such person or persons as you shall think fit, to be Assistant Commissioner or Assistant Commissioners, for the purposes aforesaid, or any of them, and to delegate to him or them such and so many of the powers hereinbefore vested in you as may seem expedient: And our will is, and we do hereby direct and ordain, that the person or persons so nominated by you, shall possess and exercise any powers and authorities so as aforesaid delegated to him or them, in as full and ample a manner as the same are possessed and may be exercised by you, under the authority of these Presents. And We do hereby further authorize and empower you, at your discretion, to appoint such person as Secretary to this our Commission, as to you shall seem proper, and to frame such temporary rules, orders and regulations, with regard to the manner of disposing of such Crown Lands in our said Province of Upper Canada, as may to you appear expedient, and from time to time, at such like discretion, to alter and vary the same, due regard being had in all such rules, orders and regulations, to any Provincial Act or Acts, and to any Royal Instructions now in force in our said Province of Upper Canada, touching or concerning the disposal of the said Waste Lands, or any part thereof. And we do hereby further authorize and empower you, to give instructions to the several Officers of the Crown Lands Department, and Agents for Emigrants, in our said Province, as to the performance of the duties of their respective offices, subject, nevertheless, to all such Provincial Acts or Royal Instructions as aforesaid, which Instructions shall be in all respects binding upon the Officer or Officers to whom the same shall be respectively addressed.

In Testimony Whereof, We have caused these our Letters to be made Patent, and the Great Seal of our said Province of Upper Canada to be hereunto affixed:—Witness our right trusty and right well beloved John George, Earl of Durham, Knight Grand Cross of the Most Honourable Military Order of the Bath, one of our Most Honourable Privy Council, and Governor General, Vice Admiral, and Captain General of all our Provinces within, and adjacent to the Continent of North America, &c., &c., &c., at our Castle of St. Lewis, in our City of Quebec, in our said Province of Lower Canada, this Eighteenth day of June, in the year of our Lord One Thousand Eight Hundred and Thirty-eight, and in the First year of our Reign.

CHARLES BULLER, Chief Secretary.

PROCLAMATION.

(22 June, 1838.)

By His Excellency Sir George Arthur, Knight Commander of the Royal Hanoverian Guelphic Order, Lieutenant Governor of the Province of Upper Canada, Major General Commanding Her Majesty's Forces therein, &c., &c., &c.

Whereas on the morning of the 21st of this present month of June, a large body of armed men assembled in the Township of Pelham, in the
Niagara District, and attacked and plundered a house in that neighbourhood, of a large sum of money, and other property, and fired upon and overpowered a small detachment of the Embodied Militia there stationed. And Whereas information has been received by me, that certain evil-disposed persons, connected with the Brigands who have of late molested and disturbed the peace of the American and British frontiers, have crossed the Niagara River, and that they lurk and secret themselves in parts of the District of Niagara, with the knowledge and connivance of some of the disaffected resident inhabitants. And Whereas it is necessary for the peace and security of the District of Niagara, that the ingress and egress of idle and evil-minded persons should be restrained and prevented, and that the perpetrators of the above outrage, and their abettors, should be brought to condign punishment. I Do Therefore strictly order and command all Officers, Magistrates, and others whom it may concern, that no person be permitted to land upon or leave the shore, on the British side of the Niagara River, coming from or going to the United States Territory, unless he shall give a full and reasonable account of himself, and shew that he is coming or going in the prosecution of his lawful affairs and business, which person shall be furnished with a passport, to secure him from further hindrance or molestation. And I Do Hereby earnestly call upon all Magistrates, Officers, and other loyal Subjects of the Queen, for their best united exertions in restoring, the peace and tranquility of the Province, in the prevention of crime and disorder, and in the apprehension of the guilty; and I assure them of every support and assistance which may be required for these purposes, to the utmost extent of the Civil and Military powers which Her Majesty has been pleased to place in my hands.

Given under my Hand and Seal at Arms, at Toronto, this Twenty-second day of June, in the year of our Lord One Thousand Eight Hundred and Thirty-eight, and of Her Majesty's reign the Second.

By Command of His Excellency,
C. A. Hagerman, Attorney General.

Proclamation.

(23 June, 1838.)

By His Excellency Sir George Arthur, Knight Commander of the Royal Hanoverian Guelphic Order, Lieutenant Governor of the Province of Upper Canada, Major General Commanding Her Majesty's Forces therein, &c., &c., &c.

Whereas the body of armed Rebels, under the command of one James Morreau, who, on the morning of the 21st of this present month, attacked a small advanced post of the Queen's Lancers, by whom they were most gallantly resisted, have already fled from the Militia Forces sent in pursuit of them, and are seeking to escape the consequences of disturbing the peace and tranquility of this Province, and of their infatuated and futile attempts to subvert our Institutions. And Whereas these parties have held out expectations of aid and reinforcements from the inhabitants of the United States—not reflecting that there are thousands of British-born Subjects, who, though Emigrants to that country, preserve their attachment to their native land and to their Sovereign, and who are ready, should occasion require them, to rush forward to support the Government, and put down any insurrection here. And Whereas some of these insurgents have already been taken, and from the arrangements now made, and from the spirit and
zeal displayed in their pursuit by the loyal inhabitants of the country—their escape is rendered almost impossible. And Whereas there is reason to fear that some persons, through ignorance, and others from disaffection, may harbour, conceal or assist, these fugitives in their endeavours to escape from justice; Now I do hereby offer a Reward of Five Hundred Pounds, to any person or persons who shall apprehend the said James Morreau, and cause him to be brought to justice—and a Free Pardon will be given to any of his followers, not being ringleaders, nor having committed any murder, who shall arrest and deliver up the said James Morreau. And I do caution all persons not to harbour, conceal or in any manner to assist, these Rebels and fugitives, since by so doing, they will commit a high crime, involving consequences of the most severe and penal character. And I do further express my warmest thanks and acknowledgments to Her Majesty’s loyal and faithful Subjects, whose exertions against these criminals have rendered their efforts vain, and have compelled them to flight and dispersion—hereby assuring them that I am using every power at my command for their safeguard and protection, and for the bringing to immediate justice the invaders of their Country.

Given under my Hand and Seal at Arms, at Drummondville, this Twenty-third day of June, in the year of our Lord One Thousand Eight Hundred and Thirty-eight, and of Her Majesty’s reign the Second.

GEO. ARTHUR.

Proclamation.

(2 July, 1838.)

Whereas atrocious outrages and aggressions have recently been made by brigands from the State of Michigan upon persons and property on the river St. Clair within this Province; and whereas further and other attacks are apprehended from similar hordes of brigands at various points on this frontier; and whereas it is necessary for the peace and security of the Western District, and of the Province generally, that the ingress and egress of suspicious-looking persons should be restrained and prevented, and that the perpetrators of the above outrages, and their abettors, should be brought to condign punishment.

Now, therefore, we do hereby order all ferrymen, peace officers, and also all good subjects of Her Majesty, and all others whom it may concern, to see that no person be permitted to land upon or leave the shore on the British side of the Detroit River, or the St. Charles River, or the waters of the Western District, coming from or going to the United States territory, unless he shall give a full, satisfactory, and reasonable account of himself, and show that he is coming or going in the prosecution of his lawful affairs and business, which person shall be furnished with a passport, if demanded, to secure him from further hindrance or molestation, such passport to be signed by a magistrate, militia commissioned officer, or a peace officer.

And we do further order and require all peace officers, and the good and loyal subjects of Her Majesty, on all parts of the coast of the Western district, to seize and bring to the towns of Sandwich or Amherstburg all boats, scows, canoes, and other craft found therein, (except ferry-boats regularly and lawfully established,) so that the same may be secured, collected, and placed under military or militia guards, (the intercourse between the United States and this Province being now entirely limited to the regu-
lar ferries,) and no person is either to pass or re-pass without undergoing a strict examination.

And we do further order that this proclamation shall continue in force from this day, and until the pleasure of His Excellency the Lieutenant Governor be known thereon.

Given under our hands, at Sandwich, this 2d day of July, in the year of our Lord 1838, and in the Second year of Her Majesty's Reign.

Government House, Toronto, 9 July, 1838.

I have laid before His Excellency the Lieutenant Governor your letter of the 3rd instant, and the Proclamation of the Magistrates of the Western district which accompanied it.

His Excellency has been pleased to express his deep sense of the zeal and activity of yourself and fellow-justices in your efforts to defend that portion of the Province from hostile incursions, and to apprehend such persons as have invaded the country, and committed acts of violence and aggression therein.

I am further directed to inform you, that measures are now in progress for bringing to summary justice such of these parties as have been taken, and also for ascertaining how those of them who have fled to the United States may be claimed, and brought back here to answer for their crimes.

These measures, added to the precautionary and defensive arrangements already adopted by the employment of an armed steamer in addition to the Thames, and of two or three gun-boats, on Lake Erie, render it unnecessary, in the opinion of His Excellency, to carry into operation the Proclamation of the Magistrates, excepting so far as taking every means to prevent the escape of any of these marauders who are still in the country, or of apprehending such individuals who may be reasonably suspected of designs dangerous to the public peace. These matters are entirely in the discretion of the justices, in the exercise of which His Excellency desires to express the fullest confidence in those gentlemen.

Should circumstances unhappily render a check upon the intercourse with the United States more pressingly necessary, His Excellency will, in the exercise of the authority entrusted to him, take the proper measure for effecting it, as this is a matter clearly beyond the authority of the local Magistrates, and resting only in the hands of the Executive Government of the Province.

I have, etc.,

By Command of His Excellency in Council,
C. A. HAGERMAN, Attorney General.
JOHN MACAULAY, Private Secretary.

A Proclamation.

(9 Oct., 1838.)

By His Excellency the Right Honourable JOHN GEORGE, EARL OF DURHAM, Viscount Lambton, &c., &c., Knight Grand Cross of the Most Honourable Military Order of the Bath, one of Her Majesty's Most Honourable Privy Council, and Governor General, Vice Admiral, and Captain General of all Her Majesty's Provinces within, and adjacent to, the Continent of North America, &c., &c., &c.

In conformity with one of its provisions, I have this day proclaimed the Act 1 & 2 Victoria, chap. 112, entitled "An Act for indemnifying those
who have issued or acted under certain Parts of a certain Ordinance, made under colour of an Act passed in the present Session of Parliament, intituled 'An Act to make temporary Provision for the Government of Lower Canada.'

I have also to notify the disallowance of Her Majesty of the Ordinance 2d Victoria, chap. 1, entitled, "An Ordinance to provide for the Security of the Province of Lower Canada."

I cannot perform these official duties without at the same time informing you, the people of British America, of the course which the measures of the Imperial Government and Legislature make it incumbent on me to pursue. The mystery which has heretofore too often, during the progress of the most important affairs, concealed from the people of these colonies, the intentions, the motives, and the very actions of their rulers, appears to me to have been one of the main causes of the numerous errors of the Government, and the general dissatisfaction of the people. Undesirable at any time, such concealment on the part of one entrusted with the supreme authority in the present crisis of your affairs, would be most culpable and pernicious. With a people from whom I have had so many and such gratifying proofs of warm and confiding attachment, I can have no reserve. And my implicit reliance on your loyalty and good sense will justify me in making you acquainted with what it most imports you to know.

It is the more necessary for me thus to act, because, when I first entered upon this Government, I explained to you, in a Proclamation issued immediately on my arrival on these shores, the nature of the powers vested in me, and the principles on which it was my intention to exercise them. Now, therefore, that I am about to return to England, I feel it to be my bounden duty to state to you, as fully and as frankly, the reasons which have induced me to lay down powers rendered inadequate to the carrying into effect those or any other principles of government.

I did not accept the Government of British North America, without duly considering the nature of the task which I imposed on myself, or the sufficiency of my means for performing it. When Parliament concentrated all legislative and executive power in Lower Canada in the same hands, it established an authority, which, in the strictest sense of the word, was despotic. This authority Her Majesty was graciously pleased to delegate to me. I did not shrink from assuming the awful responsibility of power thus freed from constitutional restraints, in the hope, that by exercising it with justice, with mildness, and with vigour, I might secure the happiness of all classes of the people, and facilitate the speedy and permanent restoration of their liberties. But I never was weak enough to imagine that the forms by which men's rights are wisely guarded in that country where freedom has been longest enjoyed, best understood, and most prudently exercised, could be scrupulously observed in a society almost entirely disorganized by misrule and dissension. I conceived it to be one of the chief advantages of my position, that I was enabled to pursue the great ends of substantial justice and sound policy, free and unfettered. Nor did I ever dream of applying the theory or the practice of the British Constitution to a country whose constitution was suspended; where all representative government was annihiliated, and the people deprived of all control over their own affairs; where the ordinary guarantees of personal rights had been in abeyance during a long subjection to Martial Law, and a continued suspension of the Habeas Corpus; where there neither did exist, nor had for a long time existed, any confidence in the impartial administration of justice in any political case.

To encourage and stimulate me in my arduous task, I had great and worthy objects in view. My aim was to elevate the Province of Lower
Canada to a thoroughly British character, to link its people to the sovereignty of Britain, by making them all participators in those high privileges, conducive at once to freedom and order, which have long been the glory of Englishmen. I hoped to confer on an united people, a more extensive enjoyment of free and responsible government, and to merge the petty jealousies of a small community, and the odious animosities of origin, in the higher feelings of a nobler and more comprehensive nationality.

To give effect to these purposes it was necessary that my powers of government should be as strong as they were extensive, that I should be known to have the means of acting as well as judging for myself, without a perpetual control by distant authorities. It were well indeed if such were the ordinary tenure of government in colonies, and that your local administration should always enjoy so much of the confidence of those with whom rests the ultimate decision of your affairs, that it might ever rely on being allowed to carry out its policy to completion, and on being supported in giving effect to its promises and its commands. But in the present posture of your affairs, it was necessary that the most unusual confidence should accompany the delegation of a most unusual authority; and that in addition to such great legal powers, the Government here should possess all the moral force that could be derived from the assurance that its acts would be final, and its engagements religiously observed. It is not by stinted powers, or dubious authority, that the present danger can be averted, or the foundation laid of a better order of things.

I had reason to believe that I was armed with all the power which I thought requisite by the commissions and instructions under the Royal Sign Manual, with which I was charged as Governor General and High Commissioner, by the authority vested in me and my Council by the Act of the Imperial Legislature, and by the general approbation of my appointment, which all parties were pleased to express. I also trusted that I should enjoy, throughout the course of my administration, all the strength which the cordial and steadfast support of the authorities at home can alone give to their distant officers; and that even party feeling would refrain from molesting me whilst occupied in maintaining the integrity of the British Empire.

In these just expectations I have been painfully disappointed. From the very commencement of my task, the minutest details of my administration have been exposed to incessant criticism, in a spirit which has enfeebled an entire ignorance of the state of this country, and of the only mode in which the supremacy of the British Crown can here be upheld and exercised. Those who have in the British Legislature systematically depreciated my powers, and the Ministers of the Crown, by their tacit acquiescence therein, have produced the effect of making it too clear that my authority is inadequate for the emergency important which was brought under the notice of the authorities at home, has been annulled; and the entire policy, of which that act was a small though essential part, has thus been defeated.

The disposal of the political prisoners was from the first a matter foreign to my mission. With a view to the more easy attainment of the great objects contemplated, that question ought to have been settled before my arrival. But as it was essential to my plans for the future tranquility and improvement of the colony, that I should commence by allaying prosecution, and to provide for the present security of the province by removing the most dangerous disturbers of its peace. For these ends the ordinary tribunals, as a recent trial has clearly shown, afforded me no means. Judicial proceedings would only have agitated the public mind afresh; would have put in evi-
dence the sympathy of a large portion of the people for rebellion; and would have given to the disaffected generally a fresh assurance of immunity from political guilt. An acquittal in the face of the clearest evidence, which I am justified in having anticipated as inevitable, would have set the immediate leaders of the insurrection at liberty, absolved from crime, and exalted in the eyes of their deluded countrymen, as the innocent victims of an unjust imprisonment, and a vindictive charge. I looked upon these as mischiefs which I was bound to avert by the utmost exercise of the powers entrusted to me. I could not, without trial and conviction, take any measures of a purely penal character; but I thought myself justified in availing myself of an acknowledgment of guilt, and adopting measures of precaution against a small number of the most culpable or most dangerous of the accused. To all the rest I extended a complete amnesty.

Whether a better mode of acting could have been devised for the emergency, is now immaterial. This is the one that has been adopted; the discussion which it at first excited had passed away; and those who were once most inclined to condemn its leniency had acquiesced in, or submitted to, it. The good effects which must necessarily have resulted from any settlement of this difficult question, had already begun to show themselves. Of these the principal were, the general approval of my policy by the people of the United States, and the consequent cessation of American sympathy with any attempt to disturb the Canadas. This result has been the most gratifying to me, inasmuch as it has gone far towards a complete restoration of that good-will between you and a great and kindred nation which I have taken every means in my power to cultivate, and which I earnestly intreat you to cherish, as essential to your peace and prosperity.

It is also very satisfactory to me to find that the rectitude of my policy has hardly been disputed at home, and that the disallowance of the Ordinance proceeds from no doubt of its substantial merits, but from the importance which has been attached to a supposed technical error in the assumption of a power, which, if I had it not, I ought to have had.

The particular defect in the Ordinance which has been made the ground of its disallowance was occasioned, not by my mistaking the extent of my powers, but by my reliance on the readiness of Parliament to supply their insufficiency in case of need. For the purpose of relieving the prisoners from all apprehensions of being treated as ordinary convicts, and the loyal inhabitants of the province from the dread of their immediate return, words were inserted in the Ordinance respecting the disposal of them in Bermuda, which were known to be inoperative. I was perfectly aware that my powers extended to landing the prisoners on the shores of Bermuda, but no further. I knew that they could not be forcibly detained in that island without co-operation of the Imperial Legislature. That co-operation I had a right to expect, because the course I was pursuing was pointed out in numerous acts of the Imperial and Provincial Legislatures, as I shall have occasion hereafter most fully to prove. I also did believe that, even if I had not the precedents of these Acts of Parliament, a Government and a Legislature anxious for the peace of this unhappy country, and for the integrity of the British Empire, would not sacrifice to a petty technicality the vast benefits which my entire policy promised, and had already in a great measure secured. I trusted they would take care that a great and beneficent purpose should not be frustrated by any error, if error there was, which they could rectify, or the want of any power which they could supply; finally, that if they found the Ordinance inoperative, they would give it effect; if illegal, that they would make it law.
This small aid has not been extended to me, even for this great object; and the usefulness of my delegated power expires with the loss of that support from the supreme authority which could alone sustain it. The measure now annulled was but part of a large system of measures which I promised when I proclaimed the amnesty. When I sought to obliterate the traces of recent discord, I pledged myself to remove its causes—to prevent the revival of a contest between hostile races—to raise the defective institutions of Lower Canada to the level of British civilization and freedom; to remove all impediments to the course of British enterprise in this province, and promote colonization and improvement in the others, and to consolidate these general benefits on the strong and permanent basis of a free, responsible, and comprehensive Government.

Such large promises could not have been ventured without a perfect reliance on the hesitating aid of the supreme authorities. Of what avail are the purposes and promises of a delegated power, whose acts are not respected by the authority from which it proceeds? With what confidence can I invite co-operation, or impose forbearance, whilst I touch ancient laws and habits, as well as deep-rooted abuses, with the weakened hands that have ineffectually essayed but a little more than the ordinary vigour of the police of troubled times?

How am I to provide against the immediate effects of the disallowance of the Ordinance? That Ordinance was intimately connected with other measures which remain in unrestricted operation. It was coupled with Her Majesty's proclamation of amnesty; and as I judged it becoming, that the extraordinary Legislature of Lower Canada should take upon itself all measures of rigorous precaution, and leave to Her Majesty the congenial office of using her Royal prerogative for the sole purpose of pardon and mercy, the proclamation contained an entire amnesty, qualified only by the exceptions specified in the Ordinance. The Ordinance has been disallowed, and the proclamation is confirmed. Her Majesty having been advised to refuse her assent to the exceptions, the amnesty exists without qualification. No impediment therefore exists to the return of the persons who had made the most distinct admission of guilt, or who had been excluded by me from the Province on account of the danger to which its tranquility would be exposed by their presence; and none can now be enacted, without the adoption of measures alike repugnant to my sense of justice and of policy. I cannot recall the irrevocable pledge of Her Majesty's mercy. I cannot attempt to evade the disallowance of the Ordinance, by re-enacting it under the disguise of an alteration of the scene of banishment, or of the penalties of unauthorized return. I cannot, by a needless suspension of the Habeas Corpus, put the personal liberty of every man at the mercy of the Government, and declare a whole province in immediate danger of rebellion, merely in order to exercise the influence of a vague terror over a few individuals.

In these conflicting and painful circumstances, it is far better that I should at once and distinctly announce my intention of desisting from the vain attempt to carry my policy and system of administration into effect with such inadequate and restricted means. If the peace of Lower Canada is to be again menaced, it is necessary that its Government should be able to reckon on a more cordial and vigorous support at home than has been accorded to me. No good that may not be expected from any other Government in Lower Canada, can be obtained by my continuing to wield extraordinary legal powers of which the moral force and consideration is gone.

You will easily believe that, after all the exertions which I have made, it is with feelings of deep disappointment that I find myself thus suddenly
deprived of the power of conferring great benefit on that province to which I have referred; of reforming the administration system there, and eradicating the manifold abuses which had been engendered by the negligence and corruption of former times, and so lamentably fostered by civil dissensions, I cannot but regret being obliged to renounce the still more glorious hope of employing unusual legislative powers in the endowment of that province with those free municipal institutions, which are the only basis of local improvement and representative liberty, of establishing a system of general education, of revising the defective laws which regulate real property and commerce, and of introducing a pure and competent administration of justice. Above all, I grieve to be thus forced to abandon the realization of such large and solid schemes of colonization and internal improvement, as would connect the distant portions of these extensive colonies, and lay open the unwrought treasures of the wilderness to the wants of British industry and the energy of British enterprise.

For these objects I have laboured much, and have received the most active, zealous, and efficient co-operation from the able and enlightened persons who are associated with me in this great undertaking. Our exertions, however, will not, cannot be thrown away. The information which we have acquired, although not as yet fit for the purposes of immediate legislation, will contribute to the creation of juster views as to the resources, the wants, and the interests of these colonies, than ever yet prevailed in the mother country. To complete and render available those materials for future legislation, is an important part of the duties which, as High Commissioner, I have yet to discharge, and to which I shall devote the most anxious attention.

I shall also be prepared, at the proper period, to suggest the constitution of a form of government for Her Majesty’s dominions on this continent, which may restore to the people of Lower Canada all the advantages of a representative system, unaccompanied by the evils that have hitherto proceeded from the unnatural conflicts of parties; which may safely supply any deficiencies existing in the Governments of the other colonies; and which may produce throughout British America a state of contented allegiance, founded, as colonial allegiance ever must be, on a sense of obligation to the parent state.

I fervently hope that my usefulness to you will not cease with my official connexion. When I shall have laid at Her Majesty’s feet the various high and important commissions with which Her Royal favour invested me, I shall still be enabled as a Peer of Parliament to render you efficient and constant service in that place where the decisions that affect your welfare are in reality made. It must be, I humbly trust, for the advantage of these provinces, if I can carry into the Imperial Parliament a knowledge, derived from personal inspection and experience, of those interests upon which some persons there are too apt to legislate in ignorance or indifference, and can aid in laying the foundation of a system of general government, which, while it strengthens your permanent connexion with Great Britain, shall save you from the evils to which you are now subjected by every change in the fluctuating policy of distant and successive administrations.

Given under my hand and seal at arms, at the Castle of St. Lewis, in the City of Quebec, in the said Province of Lower Canada, the 9th day of October, in the year of our Lord 1838, and in the Second year of Her Majesty’s Reign.

(By Command,)

CHARLES BUTLER, Chief Secretary.
By a further Proclamation of His Excellency Sir George Arthur, Lieutenant Governor, bearing date the Twenty-second day of October, in the year of our Lord One Thousand Eight Hundred and Thirty-eight, the Provincial Parliament stands further Prorogued until the Fourth day of December next ensuing.

To all to whom these Presents shall come,—Greeting:

Whereas in cases arising out of the late unhappy revolt, and in the course of the administration of justice against persons implicated therein, it has been our anxious desire to extend our Royal mercy and forgiveness to our deluded and misguided Subjects, to the utmost limits compatible with the public peace, and the security of our loyal and faithful people; and Whereas, in furtherance of our desire to extend our Royal clemency as above declared, we have heretofore granted our pardon to numerous offenders who have been convicted, and have also forborne to prosecute others who had rendered themselves, by their misconduct, liable to punishment; and we being resolved still further to extend our Royal clemency, and to make a final declaration of our will and pleasure with respect to all such of our Subjects as are, or have been in any way implicated in the said revolt, we have this day issued our several Royal Proclamations, in pursuance of an Act of our Provincial Parliament of our said Province of Upper Canada, passed in the first year of our Reign, entitled, “An Act for the more speedy "attainder of persons indicted for High Treason, who have fled from this "Province, or who remain concealed therein to escape from justice”—calling upon and requiring such of our Subjects as have been indicted for the crime of High Treason, and who have withdrawn themselves from the Province, for the causes in the said Act mentioned, to surrender themselves to justice, that their several cases may undergo legal investigation and final adjudication.

And we do now make known and declare to all our Subjects who have not been indicted for any Treason, Misprision of Treason, or Treasonable offence, or who are not now in custody, charged, or liable to be charged with Treason, invasion, or hostile incursion into this Province, or who being charged with either of the said offences, have made their escape from any of our Gaols, or other places of confinement, that they may return to their homes, and that no prosecution for or on account of any offence by them done or committed, and in any way relating to, or connected with the said revolt, shall be instituted or continued, but that all such prosecutions shall terminate and be for ever void, hereby freely offering to all those of our Subjects who may have been implicated in the said revolt, (excepting as aforesaid) our gracious amnesty, pardon and forbearance, for and on account of such offences, (excepting as aforesaid) and our Royal assurance, that, relying on their future loyalty and good conduct, they shall be received under our protection, absolved and released from all punishment or prosecution, as herein above declared.

In Testimony Whereof, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed.—

Proclamation.  
(5 Nov., 1838.)

By His Excellency Sir George Arthur, K.C.H., Lieutenant Governor of the Province of Upper Canada, Major General Commanding Her Majesty’s Forces therein, &c., &c., &c.

Loyal Inhabitants of Upper Canada!

Upon my arrival among you, early in the present year, bearing with me Her Majesty’s Commission to administer this Government, I found you just recovering from the excitement that had naturally been produced by the then recent attempts of some infatuated and desperate individuals, both within and without the Province, to involve your Country in the horrors of a Civil War; and to subvert those long-cherished Institutions, which your conduct has proved that you prize as the first of blessings—and are ever ready to maintain, at the hazard of your lives.

The alacrity with which you came forward in defence of those Institutions, and the valour with which—aaided by any Military force—you overcame the united efforts of Treason, and of lawless aggression, have, in-
deed, nobly won for you the approbation of your Gracious Sovereign, and the admiration of your fellow-Subjects in every part of the wide-extended British Empire.

In that admiration, even when far distant from you, I participated most warmly; and it was a source of high gratification to me to be selected as Her Majesty's Representative among a people who had thus eminently distinguished themselves.

It is not my purpose to enter here into a review of the circumstances which, before my arrival, had disturbed your peace, and compelled you to defend, in arms, your dearest rights. It is necessary, however, that I should briefly advert to subsequent occurrences; in order to show you how unceasing my desire has been, whilst extending to the criminal authors of the past disturbances the utmost lenity that prudence would permit, to tranquilize your feelings, and to provide for your security.

The insurrectionary movements in this Province having been completely quelled by your activity and energy, the object of first importance that presented itself to my consideration, on assuming the charge of the Government, was the treatment to be pursued towards those who, either on their own confession, or after the most impartial trials, had been convicted of the Highest Offence of which man, as a member of society, can be guilty: and in accordance both with the humane views of Her Majesty's Government and with my own desire of tempering Justice with Mercy, I suffered the extreme penalty of the Law to be inflicted only on Two of the most prominent and guilty members of the late rebellion, trusting that such an awful example might be sufficient to impress on the crime of Treason its proper stamp: and that a graduated scale of punishment, adapted as nearly as possible to the circumstances of the several cases, might safely be resorted to in other instances.

The petitions for mercy; the assurances of contrition; the promises of amendment, and the professions of revived feelings of loyalty which poured in upon me, from or on behalf of those who had yielded to false representations, and had thus incurred the forfeiture of their lives, warrant me in concluding that this manifestation of mercy, on the part of the Executive, would have been attended with all the salutary effects anticipated from it, had not the same unjustifiable interference, by a portion of the inhabitants of a neighbouring Country, in your affairs, which had so culpably contributed to the former disturbances, partially re-kindled the flame that was about to expire, and engendered a delusive expectation that, by means of co-operation from without, a more successful effort might be made by the traitorous and disloyal, to shake off their allegiance to their Sovereign.

In pursuance of their nefarious designs, a fresh invasion of your soil was attempted by a few worthless Refugees in conjunction with a lawless banditti, whose immediate object was the plunder and devastation of the Province, whilst their ulterior hope was to rend for ever the tie which binds it to the Parent State.

Thus called on again to arm in defence of everything dear to you, your success in repelling this second act of aggression was not less signal than it had been in your quick suppression of the previous insurrection: nor were your gallantry, your loyalty and your humanity, less conspicuously displayed, than they had already been on that memorable occasion.

In the disposal of the prisoners taken at this period, circumstances presented themselves which rendered it my duty to persevere in the lenient course which Her Majesty's advisers had before prescribed; and on an occasion calling as loudly for some example of rigour, as any that has pro-
bably ever occurred in the annals of mankind, capital punishment was inflicted in One Solitary Instance only.

It might reasonably have been expected, after the repeated failure of the attempts of the confederates to effect their revolutionary objects—after the continued clemency of the Executive—and after your praiseworthy forbearance from acts of vengeance or retaliation, that not only all thought of further hostility against you would have been abandoned in hopeless despair, but that a better tone of feeling would have succeeded.

The comparative state of tranquility, which followed the last abortive attempt at invasion, did in fact encourage me to hope that peace, with general harmony and good feeling, would soon be restored to the Province. To my deep disappointment, however, I have learnt from various sources, more or less authentic, that, regardless of the friendly relations subsisting between Her Majesty's Government and that of the United States, and stimulated by the worst passions and motives, a number of American Citizens, along our frontier, have formed a secret combination for another invasion of these Provinces, and that preparations on an extensive scale, for carrying this unprincipled enterprize into execution are, at this moment, in active progress.

It is further stated, that the members of this unholy union communicate by certain mystic signs—that they are possessed of considerable resources—that they have amongst them some individuals of influence; and are one and all bound by an unlawful oath to plunder you of your property—to destroy your Institutions—and to sever your connexion with the Mother Country.

Though large allowances are to be made for exaggerated or interested statements; and though it is known that the traitorous within, and their partizans without, are mutually deceiving each other, and are falsely using the names of individuals of station and respectability, in order to give some colouring to their wicked conspiracy—yet I deem it proper to promulgate, that such information has reached me, as calls for the adoption of precautionary measures, for averting, if possible, an impending mischief, or for promptly defeating it, should it actually occur.

Relying on the amity and good faith of the American Government, I have made it, through the medium of Her Majesty's Minister at Washington, such representations as will, I trust, ensure its immediate and decisive interference, in suppressing these outrageous proceedings of its border citizens.

I have likewise written to the Officers of the United States Army, commanding on the frontier, whose honourable profession, and personal characters, claim our confidence, urging them vigorously to second the efforts of their Government, by the employment of every means that may be at their disposal.

It is but reasonable, also, when the base design of unprovoked aggression shall become more generally known throughout the Union, that I should look with full confidence to the great body of its respectable citizens, to rescue their country from the lasting discredit that would be entailed on it by the actual commission of the hostile acts contemplated by a licentious portion of its population, and the proceedings incident to which tend so fatally to interrupt that good understanding between the inhabitants of the two Countries, which their mutual interests, cemented by the endearing bond of a Common Origin, should lead them strictly to maintain.

But, after all, it is less to the interposition of Others than to Ourselves—supported as we are by a just cause, and protected, as we may still confidently hope to be, by a righteous Providence—that we must look for safety.
With this view I have directed, in addition to the Regular Force already in the Province, that several Regiments of your gallant Militia shall be again embodied; and that their services shall be engaged for a continuous period of eighteen months. I have further authorized the assembling, for a shorter period, of other Corps of Militia in various places; and it is with much satisfaction that I am enabled to add, that many of these brave men have already promptly enrolled themselves.

On the Magistracy, and other influential classes, I implicitly depend for that important aid which it is so much in their power, and which they have always shewn themselves so ready to afford. I exhort them to direct their attention to the channels through which information respecting the designs of our enemies may be derived; to guard against delusive statements; and to act with calmness, judgment and decision, in the preservation of the public peace. I call also upon those who have so recently experienced the leniency of the Executive, to evince their gratitude for the large measure of mercy extended to them, and to prove the sincerity of their professions of repentance for their former errors.

Nor can I let pass this opportunity of earnestly cautioning you, against the hasty adoption of opinion injurious to your confidence in the sincere intentions of the Government on the all-important subject of Religious Instruction. While I am most anxious to secure to you, and your children, this inestimable blessing, it is not my wish to see a dominant Church established over you, or the members of one religious community either rendered subject to the spiritual jurisdiction, or called upon to contribute to the temporal support of another. And I trust that any misapprehension on this subject will be removed when I declare to you my conviction, that no such result can or will flow from any measure of Church appropriation which has been hitherto made, and still less from the course of policy which it is my intention to recommend in this matter.

Apparent as it may be to every one, that our security will chiefly depend on the preservation of perfect harmony and concord among ourselves, I cannot refrain, on an occasion like the present, from offering a few observations on this all-important subject. In every community, differences, resulting from opposition of interests—diversity of taste—and conscientious scruples in matters of religion, will necessarily exist: and these when restrained within those bounds which the principles of Christianity enjoin, may exist in times of peace and tranquillity, without much prejudice to the general interests of society. It is even possible that they may, in some instances, tend indirectly to promote them. But when the plunder of our property, and the total overthrow of our venerable Constitution, have become the "latest dream at night, and the earliest vision of the morning," with a few desperate traitors, leagued with a numerous Banditti on our Frontier, it is the part of prudence, no less than of duty, to lay aside all differences on minor matters, and to unite hand and heart in the defence of everything that is dear to us. I do, therefore, most earnestly and most affectionately advise and recommend you, to bury as much as possible those recollections of past events, which may tend to keep alive angry feelings towards those of your fellow-Subjects, who, having once strayed from the path of duty, may now be sincerely desirous of returning to it—to avoid all irritating discussions—and to drown all differences in a common regard for the public safety. Let the only contest between us henceforth be, who shall shew himself the best man, and the most loyal Subject.

Inhabitants of Upper Canada! It is not to rouse your patriotism and loyalty—since they, I know, require no stimulant—but rather to allay any undue apprehension, or excessive excitement, which rumour may have
produced, that I now address you: and in requiring you to be prepared to repel, with steady heart, and ready hand, the first aggression on the part of the lawless Brigands, who threaten your security, I can confidently assure you, that there are ample means at my disposal for your protection.

Given under my Hand and Seal at Arms, at Toronto, this Fifth day of November, in the year of our Lord One Thousand Eight Hundred and Thirty-eight, and of Her Majesty's Reign the Second.

By His Excellency's Command,

PROCLAMATION.

(3 Dec., 1838.)

By His Excellency Sir George Arthur, K.C.H. Lieutenant Governor of the Province of Upper Canada, and Major General Commanding Her Majesty's Forces therein, &c. &c. &c.
Whereas the dangerous and wicked conspiracies, and secret designs of a lawless and desperate band of traitors, and public enemies, against the peace and security of this Province, and its Inhabitants, has been, by the merciful interposition of Divine Providence, laid open and discovered, and a timely opportunity for preparation and defence has thus been mercifully afforded: And Whereas, a daring and atrocious invasion of a part of our Frontier has lately been repelled, not without the loss of valuable lives, and the suffering of a severe public calamity; but yet with the almost entire destruction or capture of the hostile Force, engaged in this treacherous and flagitious enterprise.

And Whereas so signal a deliverance from one of the greatest calamities that can befal a country, whilst it naturally excites in the breast of the reflecting and pious Christian, sentiments of the most lively Gratitude and Praise to Almighty God, for His transcendent goodness and mercies, ought at the same time to inspire him with deep Sorrow and Contrition for those manifold offences against His Heavenly Benefactor, which he will justly regard as the principal cause of our having been recently placed in a situation of such peril and danger: I Have, Therefore, thought fit, by and with the advice of the Executive Council of this Province, to appoint Friday, the Fourteenth of this month, to be a day of Public Fasting and Humiliation, to be devoutly and religiously observed and spent by all Her Majesty’s Loyal Subjects in Upper Canada, in unfeigned penitence for our numerous transgressions, and in fervent prayer and supplications to the Benevolent Ruler of the Universe, for the continuance of His gracious favour, protection and support: earnestly imploring Him to guard us alike from the machinations of Domestic Traitors, and Foreign Foes; to heal all our external and internal dissensions; and for our Divine Redeemer’s sake, by the guidance of His Holy Spirit, to enable us, as a religious and united People, to amend whatever had heretofore been wrong in our conduct, and to serve Him faithfully for the time to come.

Given under my Hand, and Seal at Arms, at the Government House, in the City of Toronto, in the Province of Upper Canada the Third day of December, in the year of our Lord One Thousand Eight Hundred and Thirty-eight, and in the Second year of Her Majesty’s Reign.
