

# Made in Canada Grocery Store Guide

This document is a user-sourced guide to products made in Canada, categorized into two sections:

- Products made in Canada by Canadian companies
- Products made in Canada by Foreign-owned companies

To keep the list concise and easy to navigate, we group all sub-brands under their parent brand in the product sections.

Please keep in mind that this information is sourced from users and may not be 100% accurate. We do our best to verify details, but there may be occasional discrepancies. Please check the labels before purchasing!

For the most up-to-date version, please refer to our webpage: [madeinca.ca/grocery-store-guide/](https://madeinca.ca/grocery-store-guide/). This word document is not updated as frequently as the webpage, so we recommend checking online for the latest information.
